The New Fielding Budget

The long-looked for Budget of Finance Minister Fielding was given to the country on Tuesday and its provisions will meet with general acceptance. Anyway it will give rise to optimism as to the future, just as his first budget under the Laurier regime in 1897 did. Scores of changes have been made, mostly downwards in the interests of the consumers and upwards generally on articles reckoned luxuries. A few of the new taxes follow:

- Confectionery, 5 per cent
- Sales tax increased 50 p. c.
- Cheques—2 cts up to \$50, 2c each additional \$50. (At present it is 2c for all amounts)
- Telegrams and cables—increased from 1c to 5c
- Transfers of stock from 2 to 5c per share
- Cigars, from 8¢ to 9¢ per thousand
- Ale, beer, &c.—15¢ per gallon
- Soft Drinks—10¢ per gallon
- Most farm implements duty reduced 2 1/2 per cent. On all others 5 per cent.
- Tractors for farm purposes free
- Tools, tubing, harness, wagons reduced from 2 1/2 to 5 p. c.
- Glass milk bottles reduced 5 p. c. per stoppers for same 7 1/2 p. c.
- Liquid medicines (non alcoholic) reduced 20 per cent.

Cottons, Flannels, alpaca linings, woolen fabrics, rubber and knitted goods, boots and shoes, blankets all reduced 2 1/2 p. c.

Collars and cuffs reduced 5 p. c.

Automobiles may be entered as settler's effects by farmers only; though it is proposed to admit them valued at not more than \$1000 by other settlers as well as farmers.

Hanover Intermediates Enter

It was rather an unpleasant surprise to Durham lacrosse circles to learn last week that Hanover had entered a team in the Intermediate series. The idea had been passed up, and Sam Wendorf and Zimmer signed up with Durham No. 1 team their nearest town. *Others would possibly be done.* A Hanover team in the field prevents these players aiding Durham to land a championship and being anxious to play here, it is reported they have refused to sign with Hanover. A number of Hanover's crack Junior team have passed the age limit, and to give them opportunity to stay with the game is given as the reason for their entry in higher ranks.

Form Saugeen Bowlers' League

At a well-attended meeting held in the town hall, Walkerton, a lawn bowling league was formed, to be known as the Saugeen Lawn Bowling League. The officers elected were as follows: President, A. E. McNab, Walkerton; Vice-president, Herb Henning, Hanover; secretary treasurer, Bert Scarborough, Hanover; executive committee, president, vice-president, secretary-treasurer, C. S. Stephan, Walkerton, and Mr. Clancy Cargill.

Twelve clubs were included in the league, grouped as follows:

- Group 1—Walkerton, Mildmay and Cargill.
- Group 2—Paisley, Port Elgin and Southampton.
- Group 3—Durham, Hanover and Chesley.
- Group 4—Ripley, Teeswater and Lucknow.

Each club will be represented by two rings in all league games.

ABERDEEN

About a month ago we reported the funeral of the late Sam Orr of Owen Sound but since then we learned that owing to the bad state that the roads were in, the funeral did not take place until Wednesday of last week, the body being placed in the vault in Owen Sound until then. Mr. Willie McDonald, his mother, Mrs. John McDonald and aunt Miss Nancy Smith of Crawford motored to Owen Sound to attend the funeral while Messrs James Smith and D. N. Clark met it at Latona where interment took place.

Municipal Elections in December

An amendment of the Municipal Act provides for the holding of municipal elections on the first Monday in December if the municipality desires to take advantage of this provision. Thus if Durham wishes the elections may be held on Monday, December 4 next, 1922. All that the council requires to do to bring this change into effect is to pass a by-law adopting this provision before the first of November. This change has much to recommend it. Under present conditions the nominations, election, come in the midst of the Christmas and New Year's holiday season, when citizens generally are at their height. By following the amendment provided, the elections will be over and all the attendant turmoil settled, nearly a month before the holiday trade and the Christmas activities.

A Sweet Clover Warning

In view of the fact that young cattle in North Dorchester township died recently under circumstances, which indicated backquarter, a dreaded disease, a warning is being given to stock men. Subsequent developments have led to the opinion that the animals died from eating sweet clover. The danger from feeding sweet clover in excessive quantities or when it is mouldy, it is understood, has been referred to in a bulletin issued by the Dominion veterinary department. As the animals that died, as well as others that were sick in the Dorchester District, had been eating sweet clover, it is held responsible for the difficulty. Other cases have been reported in Western Ontario, where animals have died following the de-horning operation, because of the fact sweet clover had so thinned their blood that it would not coagulate.

By a resolution passed a few days ago at Ottawa a change is to be made in the Election Act to ensure that parties removing to a new locality just before an election should not be deprived of their vote. Methodist ministers by the absence of this privilege have often been disfranchised.

A proposal to impose an 8 per cent income tax on aliens employed in Canada is likely to be made law. This seems to be just for it is well known that many aliens enjoying Canadian privileges are simply "Mining Canada" to the injury of Canadian labor, and sending home their earnings beyond a bare subsistence.

The Late Samuel Orr

There died in Owen Sound recently, after a lengthy illness, Mr Samuel Orr, in his 68th year. He had been a resident of Owen Sound for twelve years, but for 40 years previous to that was a resident of Bentinck and many friends there will remember him.

He was born in Beverly township, near Hamilton and 32 years ago was married to Miss Sarah Ann Gilkinson who with their family of six children survive to mourn his loss. They are: Mrs Jesse Taylor, Owen Sound; Mrs H. Saunders, Toronto; William and Nelson in Sask; Jessie and Robert at home. One sister also mourns, Miss Annie Orr, Owen Sound.

Mr Orr while in Owen Sound made many friends. He was an attendant of the services of the Salvation Army and his remains were taken from his home 881, 3rd Ave. E. to the Salvation Army Citadel, where Commandant Mercer conducted appropriate services.

A brother Wm. died in Durham in Nov. 1920, and a sister Helen, Mrs Malcolm McMillan died two years ago. He sleeps in Latona cemetery beside his parents.—Cam.
