**PRICEVILLE AND SOUTH**

During the past week weather conditions have been excellent, the warm moist weather has advanced the meadows and pastures greatly and the young grain is making a good showing.

Meetings will be held this week on Friday in the Methodist and Presbyterian churches here, and also in the Swinton Park, Salem and Bethel churches for the purpose of trying to form a local union of the two denominations.

The several persons who have been ailing for more or less time are all gaining nicely in health.

The Field Crop competition in connection with the Agricultural Society here has the appearance of being quite successful this year.

The Fox Co. are anticipating a successful year in the breeding and rearing of a large number of high class animals.

Mr and Mrs R. Conkey are getting settled in the apartments in their brick block connected with the Post Office.

Mrs P. Horsburg and Mrs Halliday of South Bend, Egremont Tp. is visiting a few days this week with an old friend, Mrs D. G. McLean.

**SWINTON PARK**

Born—On Wednesday, May 17th, to Mr and Mrs Wm Knox, a son—William James.

Last Saturday nurse Miss Ethel Campbell now of Toronto, but a native of the Park, called on some of her old friends here and took a kindly look at the old home. She was accompanied by her cousin, Miss Allie McDougall of Vancouver, also well known here, as she made many long visits at Donald Campbell's when he lived on the farm. Miss McDougall has been for the last three years attending college in Toronto and is now returning West. They motored up from the city to say farewell to many friends and will leave for Vancouver on Wednesday, the 24th of May, motoring all the way. Miss McDougall has a fine McLaughlin car and is an expert driver. They will be accompanied by three other young people and expect to spend about a month on the way. This is certainly a fine way to spend the month of June, passing through the country when looking its best. We are glad you have the dough girls and hope you may enjoy the trip fully.

Mr J. H. Richardson has spent the last few days on the dam which he started last year. He will now have a pond nearly 6 ft deep in the centre, covering quite a large area. He intends stocking it with fish and is also thinking of putting in his building machinery for lighting up his Park? The young people enjoyed hockey and skating on the pond all winter and they will certainly enjoy the bathing when the warm days come. Mr Richardson will leave Wednesday of this week on an auto trip through New Ontario with his brother-in-law the Messrs Cranston of Lucknow. They are going for pleasure, also a kind of prospecting.

We have read in the Toronto papers lately how the work was done on the Eaton farm near the city, by photos of 3 or 4 horse teams at work. But we notice that Wm Aldcorn of Priceville can do just as well on his farm at the Park as he has nine horses at work those fine days.

**ADDITIONAL LOCALS**

Man died while waiting for a train at Brockville. What a lingering death to die!

The trustees of the Carnegie fund turned down a request from Wingham for assistance for a new library.

Only four passengers were killed on the Canadian railways last year, out of a total of fifty-one millions carried.

Canada has put an embargo on English bees. We've got 'em beaten on the embargo on live stock all right.

A handsome combination drinking fountain has been erected in Port Elgin by the local Women's Institute, at a cost of \$400. The pedestrians' source of supply is a fine porcelain, while the horses and dogs have solid grey granite drinking troughs.

You will enjoy a night of wholesome fun when you hear "A Southern Cinderella" in the town hall, June 6th. Mrs McCarten will sing between acts. Also there will be community singing led by the company and others. Plan of hall at MacBeth's Drug Store.

King Edward Park these evenings reminds one of a three-ring circus. In one place a bunch are playing baseball, in another lacrosse, and yet another football. With all these other games on the program it looks as though we might have some sport this summer.—Markdale Standard.

**HIGH TAXATION IN HANOVER.**—The rate of taxation for the current year for the town of Hanover has been struck at 47 mills on the dollar, an increase of 7 mills over last year. The increase is largely due to the parsimony of former councils levying too low until previous years' deficits now amount to \$2,275. Hanover property owners are virtually paying rents for the privilege of owning their properties.

How WOULD THIS SUIT YOU?—We are informed upon "the best authority" that when a subscriber in Japan rings up Central and asks for a telephone number, the operator may be expected to ask "What number does the honorable son of the moon and stars desire?" "Hokik two three." Silence. Then the exchange resumes: "Will the honorable person graciously forgive the inadequacy of this humble slave of the wire to inform him that the never-to-be-sufficiently-censured line is busy?" How would you like that instead of the terse and business-like "Line's Busy" in vogue here?
