

Letters to the Editor

We in Ontario are grieved to know that so much lawlessness is prevalent in Old Ireland and has been for a number of years with very little sign of abatement.

Is such a state of anarchy contagious? We hope not, but we pause and ask why is an attempt made to set aside the Civil Law in your town?

for. Are we right in advancing the thought that some one is quietly meditating over coming events that have already cast their shadows in advance?

Let us be fair to each other and the welfare of the town.—Com.

Rev. Principal Gandier

Rev. Principal Gandier of Knox College, Toronto, preached in the Presbyterian Church Sunday evening last, and had a fair congregation before him.

He based his remarks on John 12: 23, 24, though he had many pregnant thoughts on other aspects of our Saviour's work.

The copious rains of the past week have put new life into everything and never has this district looked more promising for a good crop of everything.

An accident occurred on Morrison's sideroad on Tuesday which might have proved more serious than it did.

As it is Mr. G. McKechnie has a broken arm and several cuts about the head while Mr. Levine escaped unhurt.

Despite the wet weather the crowd was large and excitement ran high at the Football match on Friday evening.

A Baseball League has also been formed. Holstein played at Varney Tuesday evening, the latter winning.

Quite a number of the children in this section have the whooping cough. It is too bad for those who had to stay out of school and thus miss their promotion examinations.

Varney Walloped Holstein's Ball Team

Varney's baseball boys got away to a great start in their first game in the South-West Grey League at Leeson's field on Tuesday when they defeated Holstein by 25 runs to 4.

Eight innings were played. Harold Mounier, the Varney pitcher had the opposing batsmen well under control and with Grant catching, made a strong battery. Stevenson of Glenelg was umpire. The teams were:

Our story last week of hold-ups in Egrement had a sequel this week when two men were arrested at the instance of two Varney young men, James Leeson and Percy and Bert Barber and Cliff Paylor had been playing baseball and coming to Durham after noticed two suspicious looking strangers under the trees at John Kerr's.

Caught the Wrong Men

On Sunday last at 7 p. m. young Harper, employed with J. Queen had been held up a second time, while going to the cows. This week he had left to the volunteers for Owen Sound, but was brought back to endeavor to identify them, which he or any others were unable to do.

They reported themselves from Owen Sound, had been to Kitchener looking for work and were on their way home. It was certainly a peculiar position to be found in about 1 a. m. and the boys were justified in their suspicion.

Old Dromore Residents Picnic Editor Review.

We have been reading in the Review lately of some of your gatherings in Durham and vicinity of Old Boys meetings, choir reunions and similar associations, and were interested in tracing many of the names mentioned, and connecting them with incidents of a past age.

This may have given birth to the suggestion of having a gathering in Toronto of those who were once residents of the village of Dromore and surrounding district and many of whom attended S. S. No. 13, and the meeting was called for last Saturday in High Park. Unfortunately the day was very wet and shortly after starting the rain came down "in buckets," but at the kindly invitation of Mr. and Mrs. Sterne the party adjourned to their home house on Sunnyside Ave. where a most enjoyable evening was spent. Some 60 or 70 old boys and girls had been mustered and were to have answered the roll call but the elements were against us.

The committee appointed for the second annual picnic will consult the weather man next week. The crowd included: Mr. and Mrs. Albert Leslie, Mr. and Mrs. Jas. Coleridge, Mr. and Mrs. Geo. Leith, Mr. and Mrs. Hugh Baird, Mr. and Mrs. Harry Sterne, Mr. and Mrs. Wm. Isaac, Mr. and Mrs. M. Findlay, Mr. and Mrs. Doward Henry, Mrs. Nelson Scott, Mrs. Davey, Mrs. Bradley, Miss Leslie, Miss Grace Ramare, Miss E. Lawrence, Miss Cook, Mr. Dan McInnes, Mr. Jim. Baird, Mr. Ed. Batchelor.

DEPARTMENT OF AGRICULTURE Grey County School Fairs will be held from September 12th to October 12th. An endeavor has been made to arrange them so they would not conflict with the fall fairs. At least one week intervenes between a school fair and a fall fair.

Grasshoppers During the past two weeks we have been endeavoring to combat the grasshopper in Lily Oak and Harcourt districts. Complete organization is now affected and some of the land has been secured for the we are using the following mixture: 1 bran sackful of Sawdust, 3 pounds White Arsenic, 1 quart of Molasses, 1 double handful of Salt, Water to moisten—perhaps 1 to 2 gallons.

Destroying Ground Hogs. Several have come to this office re the destroying of ground hogs. The cheapest and most effective remedy is to buy some Carbon Bisulphide which can be secured at any drug store and throw it into the hole. Cover the hole with earth, being sure the rag is not covered, and the ground hog will be smothered.

NORTH EGREMENT Haying, grading and road work are the order of the day.

Mr Geo. Hargreaves has this week the cement mixer in building a foundation for his new barn.

The Sacrament of the Lord's Supper will be dispensed in Amos Church on Sunday, June 25th. Preparatory services Thursday previous at 8 p m by Rev W. H. Smith of Durham.

An appreciative audience listened to Rev. Dr. Gandier of Knox College, on Sunday last. He made a strong plea for students for the ministry and asked for the prayers, support and encouragement of the people in this behalf.

Prof. Patterson of Western University, London, is spending a short holiday at his brother's, Mr Sam Patterson.

Messrs Walter Hastie, John Scott and Nurse Fettes, are recent purchasers of Ford care.

A bee at the old cement track of the immediate neighbors on Thursday last, put in a bridge over the ditch, done by the private owner to stop traffic, the material being furnished by Hon. Dr. Jamieson. This will afford an excellent runway for deer, rabbits and rodents. "It's a jolly wind that blows no what" as the darkey says.

Dr Jamieson will open his summer cottage at the Lake on June 26th.
