TOWN TOPICS

Old reliable Bug Finish and strictly pure Paris Green at MacFarlane's Drug Store.

The Red Cross Celebration on July 1st has been called off owing to inability to secure attractions on that day. A big day will be held a month later here, Civic Holiday, August 7th.

SOLD POOL ROOM.—Mr Sam LeVine has disposed of his well equipped billiard and pool room along with the store in front of Mr Alex Hastie of Harriston. The latter we understand is a returned man, and gets possession about July 15.

The Varney U. F. O. Annual picnic will be held on Friday, July 7th in Carson's bush, Varney. Good program and speakers. Program 2 p. m., lunch 4 p. m. League baseball match 5:30 sharp, Maple Leafs vs. Varney. Come early.

The postponed Cemetery Bee will be held all day Wednesday, July 5. Parties bringing teams would greatly assist Director by bringing a load of good clear soil. Lunch will be provided by ladies of the town. Persons donating refreshments are requested to leave same at Mr A. Bell's.

Mr Skales of Mt. Forest, was in town the past week, we are informed, looking for a location to open up a second jewelry store in Durham. Even with two or three new business locations converted on the main floor of the Midway House, the available stands are well occupied.

A very pleasant picnic was held in Mr R. Matthews' bush on the 23rd. Con. Egremont, last Friday, when Rev. Mr Hardy's St. Paul's congregation and school sections No's 2 and 12 met together for the afternoon and evening. A short program and games of baseball and football between the scholars and baseball for the grown-ups featured the afternoon's sport.

Miss Roberta Sillers, B. A., has resigned from Durham High School staff, and accepted a position on Harriston staff where she receives the salary of \$2000 per year, a considerable increase over her Durham remuneration. She is a capable teacher, and many will regret her absence from the staff. It is hoped a satisfactory successor may be engaged. Miss M. Harvey, B. A., will also be an absentee from next year's staff.

CARS DAMAGED IN COLLISION.—While Mr C. Petropace of Walkerton was driving to Durham in his brother Wm's Gray Delt car he was crashed into by a Chevrolet car owned by Mr Hopkins of Hanover and who was sitting alongside his friend, "Red" Armstrong, who was driving, the accident occurring on the roadway between Hanover and Durham about 10 o'clock on Wednesday evening of last week.

It seems that the Hanover car, which is reported to have been going at a fast clip, was running well on one side of the road, when in order to avoid the protruding arm of a mail box it shot suddenly up towards the centre of the road just as the Petropace auto was breezing by. The Hanover car struck and tore off the running board and back fender of the Walkerton bus, and in doing so swung into the ditch, where it turned turtle after ripping off the front wheels and breaking the axle, besides badly damaging the hood and other parts of the car. The occupants of the Hanover roadster were slightly shaken up, but otherwise escaped unscathed. The Walkertonians, comprising Petropace (the driver) and Elvin Bell and two lady friends, as a result of the accident, abandoned the proposed trip to Durham and motored back to Hanover and secured assistance for the stranded Hanoverians, whose car had to be brought in with a truck. As an aftermath of the affair, a lawsuit is likely to accrue, each party blaming the other for the mishap. Hopkins has sent a legal notice to Petropace demanding \$100 for damages to his bus, while the Walkertonian on the other hand, has issued a demand for \$50 for the injuries sustained by his chaperon. From this distance it looks as if an interesting lawsuit were shaping itself for the court.—Walkerton Times

WEATHER NOTE.—Saturday last was a very warm day with thermometer reading over 80 deg. In twenty-four hours it dropped about 40 deg, and overcoats were in evidence Sunday. Monday morning there was frost and a little injury to low lying localities, but since has been fine.

MISS MACKINLAY ROCKY.—Rocky Sauger picnic will be held in Lauchie McLean's bush at the old spot on Friday, 7th of July. Miss A. C. McPhail, M. P. will be present to address the audience and others. The death took place early Monday morning of Mrs Henry Byers of Hampden, aged 80 years. This fine old lady was one of Hampden's pioneers and her death is worthy of more than a brief notice. She died at the home of her son Michael from where the funeral was conducted Wednesday to Hampden cemetery, Rev. Lane of Hanover officiating at the grave. We are assured a detailed write up for next issue.

46 ENTRANCE CANDIDATES.—There are 29 Durham pupils and 26 from the surrounding country writing on the Entrance examinations here this week. Principals Graham and Danard of Durham Schools are presiding. The total is the smallest for years. The town has as many writing as usual, but the country schools are 12 below last year's quota, and further below the previous year. It is an evidence of the declining attendance roll in rural schools.

Walkerton lacrosse team came to Durham last Friday for the return exhibition match with the Bluebirds and were vanquished 12 to 2. The visitors make no pretence of being a formidable team, as Walkerton is a baseball town, and they did not enter lacrosse circles this season. The class of lacrosse Durham's home-brew team is putting up, was demonstrated by their one sided victories in both games with Walkerton, who have several old players in their line-up. The Bluebirds have a bye till the semi-finals, and then they promise any district winner a real argument.

YOUNG COUPLE HONORED.—Edge Hill section met at the home of Mr and Mrs Lawrence McFadden of No. 9 section last Friday evening to do honor to Mrs McFadden, formerly Miss Katie McNally. At an appropriate time in the evening's fun, an address was read to the young couple by Miss Ethel Anderson and a handsome leather couch presented by Messrs Herb Edge and Vic Williams. Mrs McFadden in a few words thanked the friends for their gift and good wishes. The remainder of the evening was spent in social intercourse and dancing. The week previous this same young couple were presented by No. 9 section with two chairs and a parlor table.

Reeve Calder Secures Grant for Durham Hospital

Formerly got \$1,000, Now Gets only \$500 and Durham Gets the Same

The Owen Sound Sun-Times has the following statement to make regarding the dividing of grant, that formerly went to Owen Sound Hospital. We congratulate Reeve Calder on his efforts.

"The grant to the Owen Sound General and Marine Hospital was cut to \$500 at the meeting of the County Council last night, and a grant was made to the Durham Hospital of a like amount. The Owen Sound hospital formerly got an annual grant of \$1000. Mr Wm Calder opposed giving the local hospital the former grant and had enough support to carry the point."

Dr. Jamieson Entertains Saugeen Presbytery

Once a year Saugeen Presbytery hold a picnic in connection with the regular meeting. This year Dr. Jamieson invited the members with their wives to come to Wilder's Lake and the invitation was gladly accepted for the June meeting held on Tuesday of this week.

There was a large attendance, over 60 being present, and while the Presbytery was acting business, the ladies had a delightful social gathering. A bountiful luncheon was served at noon, rowing, fishing and games added to the pleasure of the day and all the members expressed their delight at the kindness and hospitality of Dr. and Mrs. Jamieson and hoped the event would be an annual one. Dr. Jamieson assured them he would be glad to have it so.

The business of the Presbytery was largely routine. The members who had been at the Assembly gave reports dealing with the matters there discussed and impressions received.

A call from Toronto to Rev. W. J. Richardson of Arthur was then dealt with. Representatives from Arthur and Gordonville spoke of the fine work done by their pastor, of the new church built, membership increased and superior sermons. Mr Richardson referred to the length of the pastorate nearly 15 years, and the difficulty of deciding, but finally said he would accept the call. Rev. J. A. McLean of Conn was appointed interim Moderator with instructions to declare the pulpit vacant on July 23rd.

Rev. F. S. Milliken then presented a call from Palmerston to Rev. C. V. McLean of Cobalt, promising \$1800. manse and holidays. The call was largely signed, strongly supported by officials from Palmerston. The Presbytery sanctioned the call and ordered it be sent to Rev. Mr. McLean. Provisional arrangements were made for induction on Aug. 1st. Messrs Mitchell, McLean, Gallagher and Milliken to conduct the service.

The committee on Presbyterial visitation was instructed to visit those congregations not yet paying the new minimum stipend and confer with them.

The next meeting will be held in Mt Forest in September.

At the Sunday evening service in the Baptist Church, Rev. Mr. Cameron spoke on "Queen Esther's call to service," emphasizing the fact that every person has a definite call to service. Mr. Cameron urged every one to be ready to take a daring stand for the benefit of some one else even at great risk to themselves. The final disclosure of his transactions may reveal an astonishingly great victory. "Who knoweth but thou art come to the kingdom for such a time as this."

Durham Bluebirds made an easy win over the Mt. Forest "Lornes" Wednesday evening when they took the best end of a 4-2 score. After last night's exhibition, it may have been well for the group in which Mt. Forest play lacrosse, that they refused our team. Neither team seemed to be playing their best and men were not covered as they should be. Bluebirds missed many chances to score and the end of the main was centred more around the "Lornes" net. The scoring by 5 periods was 4-0, 3-1, 3-1, 2-0, 5-1. Geo. Hughlin refereed the game. Line-ups as follows: Durham-goal, W. Snell; point, B. McDonald; C. point, E. Elvidge; Defence, H. Kress and W. Vollett; Centre, S. Rowe; Forwards, C. Buscaben and C. McGirr; Outside Hoop, R. Mitchell; Subs, H. Rowe and R. Burnett.

At the home of Mrs Thos. Jackson, Glenelg, on Wednesday 21st June, a pretty wedding took place when her daughter, Winnifred Olive, became the wife of Mr Phil A. Harrison. Only immediate relatives and friends of the happy couple were present. An uncle, Mr Wm. Nelson, Galt, being amongst them.

Hearty and warm congratulations followed, and shortly after the company sat down to a sumptuous repast, the table being graced by an handsome brides-cake, the work of the bride's mother.

The bride looked attractive, attired in white satin with overdress of georgette, trimmed with crystals. The going away dress was of blue satin. She carried a bouquet of sweetheart roses and maiden hair fern.

Her cousin Marjory Nelson was a charming flower girl, dressed in white organdy with satin trimming. She carried a basket of roses and orange blossoms, which also contained the ring.

The groom's gift to the bride was a string of pearls, to the flower girl a bead necklace, and many other gifts spoke goodwill and respect to the young couple.
