Overtures are being made in many directions to start the local league, even at this late date, and among the most ardent supporters is Reeve McEachern himself. He is a firm believer in healthy sports, and being a staunch old footballer of the years gone by, wants to see the game kept up among the young men. He states four teams can easily be placed in the field, namely, North Egremont, Boothville, South Egremont, and a combined team from Holstein and Orchard. Along with many others, we trust to see the League reorganized at once.

Yeovil U. F. O. Picnic

Fully 1000 people attended the Yeovi U. F. O. picnic in Mr Alex Merchant's grove on Wednesday of last week. The weather was the very best and an enjoyable day was had by all Early in the afternoon, South Grey's representative in the local House, G. M. Leeson, M. P. P., called the gathering to order and in a few words introduced the various speakers, who gave thoughtful and forceful addresses. These were a Mr Brown, M. P. P. for North Middlesex. Peter Cameron, M. PP. for East Elgin, W. A. Amos, Vice-President of the U. F. O. organization, Reeve McEachern and Mr Chas McInnes.

Mr Amos gave the most telling address of the day. He urged a greater measure of co-operation among the farmers and said he would like to sea co operation spelt in the two letters "we" He also upheld Miss Agnes MacPhail's refusal to vote on the budget until she was challenged to do so. He believed it was wrong to force a member to vote on a measure that he or she did not believe in and then declared it was time that thoughtful legislators should be elected to frame common sense laws and abolish those put in force by hair splitt ng lawyers of previous parliaments.

One of the speakers at the picnic in his address by mistake, said "at School", instead of "on the farm." Please accept the correction.

He had found only 3 churches in all his travels in Ontario that had not an honor roll for war heroes, while only three had such a roll for missionaries who had given their lives for God's cause. After this strong missionary appeal, he dwelt on the mighty things that had been accomplished by prayer, thought our S. Schools and churches were not keeping pace with public schools, and he set forth four essentials to ensure progress: prayer, bible study, equipment and a strong desire to work for the Master.
