The new Voters' Lists Act, which was passed at the session of the Legislature recently closed, provides a prison term for officials who intentionally omit names entitled to appear on the lists. This should have the result of eliminating the political bias which has sometimes prevailed in the preparation of voters' lists in the past.

Fire broke out in Jacob Koenig's shoe store in Hanover last Sunday afternoon shortly before six o'clock, and about 85 per cent of the stock was destroyed by fire or damaged by water. The store was also badly damaged. Deaman's restaurant next door, and the pool room in the basement also suffered badly, principally by water. The loss sustained on the premises and stock is estimated to be between \$9,000 and \$10,000 and was partly covered by insurance.—Post.

SAVE ONTARIO'S FOREST.—The series of advertisements that are being run in our columns at the present time, dealing with the matter of forest preservation, are worth careful study and consideration. The matter is a serious one from the national point of view. Our forest wealth is becoming more precious every year. Every effort by the individual citizen as well as by those in authority should be made for its conservation as well as its extension. Forest fires are the cause of its woeful destruction, and they can be prevented, if not wholly, at least to a very great extent.

The Women's Institute held their monthly meeting at the home of Mrs. Jno. McGirr, 2nd Con. Glenelg on Thursday last, 43 ladies being present. Splendid papers were given by Mrs. Neil McCauley on "Beautiful Hair" and Mrs. T. Henderson on "Compare the seed sown in our lives with that sown in the ground." Miss Margaret McGirr also discussed the current events of the day and Misses Jessie and Mary Bell contributed a duet to the pleasure of all. At this meeting \$50 was voted to further the cause of the Red Cross Memorial Hospital. A bountiful lunch closed a pleasant meeting.

INSTALLED NEW BLOWER.—Hydro service is more and more becoming universally used and in time we predict any machinery that requires the least energy to run, will have a button attached, that will set in motion the various wheels and cogs. The Presbyterian church pipe organ for some time back has had its power from a gasoline engine and while this has given faithful service for many years back the managers of the church felt that the installation of an electric blower, much labor would be done away with, accordingly last week one horse power single fan electric blower was installed by Warren & Son of Woodstock. It was this same company that built and installed the organ and it is interesting here to note that the son who was here erecting the blower is the fifth generation in the line of father and son in this work.

The annual Varney Garden Party will be held at G. M. Leeson's M. P. P. on Wednesday, July 19th. Good program. Baseball match, Durham vs Varney at 6 p.m. Refreshment booth on grounds. The ladies Aid will also have a sale of fancy work and clothing. Admission 25 and 15c.

A play entitled "Valley Farm" is to be given by the Bethel Dramatic Club in the Orange Hall at Swinton Park on Thursday evening, July 20th, commencing at 8:30 o'clock. Special music. Admission 35c and 20c. A real treat, don't miss it.

The citizens of Varney and vicinity to the number of seventy five wended their way to the home of Mr Wm. Finnigan who occupies the former R. Pettigrew farm. The cause of it all lay in the fact that the honored young man had Wednesday last united heart and hand with Miss Farrill, south of Orchard. The good couple extend best wishes to the young couple starting life together.

VARNEY U. F. O. PICNIC.—It is doubtful if "picnic" is the proper word to be used this year in connection with Varney U. F. O. Club if one but recalls the gallons of water that fell Friday afternoon last, not only in Carson's bush but throughout South Grey, they need only imagine to what extent the word "picnic" is a misnomer. But the good people gathered just the same, and after a short social chat, all repaired to cars and other modes of conveyance that had a roof, to enjoy a program of the musical variety for some time.

This year, the still cheerful crowd, particularly a good, substantial and dry lunch, and after this was done to the satisfaction of all, they returned to Varney where a baseball match was witnessed between Varney and the Maple Leafs. While the rain may mar an otherwise good day, there is no doubt it has not marred the spirit of the promoters and workers behind the organization that arranged for this affair.

BACK TO FORMER HOUR.—About a month ago the Baptist, Anglican and Presbyterian bodies decided that for the summer season they would call in reverend church service at 7:30 p.m. instead of 7 p.m. The idea was principally to accommodate those whose evening work was such as to keep them from church or otherwise cause much hurry in order to get there in time and then sometimes were late. But time tells the managers that the movement has been no success for in most cases there has been no increase in attendance but rather a decrease. Accordingly the Baptist and Anglican bodies have gone back to the former church hour at 7 p.m. when they expect to see all their old parishioners and many new ones show their approval of the change of hour by their attendance.

EDGE HILL COUPLE HONORED.—A union reception and presentation of the couple of Edge Hill and No. 9 section, took place Tuesday night at the home of Wm. Weir, 2nd con., to honor the recent groom and bride, Mr and Mrs Wm. Weir Jr. The night outside was anything but agreeable, but once indoors was led to forget anything damp or unpleasant in the good cheer that abounded. At an appropriate time in the evenings fun, Mrs Clifford Howell read an address breathing good wishes to the young couple, and these in practical form were presented by Messrs Alex Aijoe and Cliff Howell. These took the form of an eight day mantel clock and a cut glass water set and tray. The groom responded happily on behalf of himself and bride. Mr Arch. Park was appointed chairman and called on Messrs Thos. Turnbull, Alex Aijoe, Wm. Edge, Geo. Ritchie, Murray Ritchie and S. Alexander who made short speeches of a congratulatory nature. The remainder of the evening was given over to the light fantastic.

I. O. O. F. Officers Installed

District Deputy Grand master J. A. Hardman of Arthur, with team from that village, Messrs Malone, Church and Oakes, were present at the meeting of Grey Lodge, I. O. O. F. Tuesday night and installed the newly-elected officers, as follows: Noble Grand—J. A. Graham; Vice-Grand—A. C. Kinnee; J. P. G.—Bert Sconeuse; Rec. Secy—Allan Bell; Fin. Secy—Cameron Laurier; Treas. Peter Ramage; Warden—Wm. Ritchie; Conductor—Chas. Ritchie; Chaplain—Rev. W. H. Smith; R. S. N. G.—R. McLean; L. S. N. G.—John Ritchie; R. S. V. G.—David Nichol; L. S. V. G.—Ronald Giles; R. S. S.—Harper McGirr; L. S. S.—James Brown; J. G.—Thos. V. Bell; O. G.—John McKenzie. Following the installation short addresses were given by the visitors and several of the local brethren, and refreshments and a social period closed the night.

Ford Garage Broken into; Car Stolen and Recovered

One of the most daring robberies ever perpetrated in Durham took place early last Sunday morning when access was gained to the showroom of the Ford garage and a new Ford car stolen.

It was about 12:30 a.m. Sunday when Mr. David Smith locked up and went home, and between this time and daybreak the theft was committed. And in a nifty manner. The thief (or thieves) removed the cleats supporting the upper sash of the south window of show room, and lowering the sash, they thus gained access. Once inside, they soon unfastened the north sliding door, and opening it, shoved out the car, closed the door again, and made their exit through same window. No clue remains as to where they sped with the motor which carried a dealer's license numbers. Three switch keys from other cars in the showroom were also taken.

About eight o'clock Sunday morning Dave missed the car when he came to the garage. The County constable visited the garage Monday and a description of the stolen car has been forwarded to the Chief of police in almost all Ontario cities and towns. It is to be hoped the offender may be found and brought to justice, or at least the car discovered.

Later—the stolen car was discovered Wednesday evening in front of Magistrate Laidlaw's residence. It was brought in by Eddie Lang, a 16 year old lad of the townline Bentinck and Sullivan and left there, while he was wandering around town. Lang does not admit the theft of the car, but claims he got it at the top of Durham hill. He brought his mother in with him and she only the previous day wrote a note to Smith Bros., warning them not to sell her son a car as he had no money. Lang has not a good reputation in his neighborhood as he is reported to be light fingered around home. County Constables Falconer and Watson took him in custody, and his fate is now in the hands of the Crown.

Thousands Celebrated In Hanover

Throngs of streets marked the glorious 12th celebration in Hanover Wednesday. There were perhaps between 5,000 and 7,000 people present and 25 lodges participated in the walk. There were no prizes given for attire or distance, but many thought Durham and Glenelg lodges, both strongly represented, the best dressed in the parade. Of special interest was a feature, Messrs Jernyn of Warton, and Green of Southampton being two of the number.

JUNIORS BEAT MARKDALE.—A Juniors lacrosse team went over to Markdale celebration Wednesday and crossed the bridge Tuesday night at the home of Wm. Weir, 2nd con., to honor the recent groom and bride, Mr and Mrs Wm. Weir Jr. The night outside was anything but agreeable, but once indoors was led to forget anything damp or unpleasant in the good cheer that abounded. At an appropriate time in the evenings fun, Mrs Clifford Howell read an address breathing good wishes to the young couple, and these in practical form were presented by Messrs Alex Aijoe and Cliff Howell. These took the form of an eight day mantel clock and a cut glass water set and tray. The groom responded happily on behalf of himself and bride. Mr Arch. Park was appointed chairman and called on Messrs Thos. Turnbull, Alex Aijoe, Wm. Edge, Geo. Ritchie, Murray Ritchie and S. Alexander who made short speeches of a congratulatory nature. The remainder of the evening was given over to the light fantastic.

BENTINCK WILL BUILD BRIDGES.—Tenders are being asked by Bentinck Council for the erection of three concrete and steel bridges in the township. The largest of these is Kennedy's bridge on the 2nd con. north of Allan Park which has a 75 ft. span. The others are the Clark Torry bridge two and a half miles north of Livingston's corner and the Aberdeen bridge on the 2nd concession. Reeve Hunt is planning to have the other bridge at Aberdeen strengthened. It will be an expensive undertaking, but is a timely step, as most of the township bridges have been condemned for heavy traffic.

ROCKY U. F. O. PICNIC.—This affair is each year assuming larger proportions, and if it continues to grow as it has in the past, Hon. I. A. Crerar will find it to his advantage to be present to address his followers. The only part that did not play up to expectations last Friday was the weather, for during the afternoon, Jupiter Plusus let down buckets of water and the large crowd that had gathered sought shelter the best way they could in car and buggy. However the elements were kind enough to stop in time for lunch and this was enjoyed to the limit. The program was under way a short time only when the rains descended, and this was unfortunate, as many who came to hear Miss Agnes McPhail, M. P. were disappointed at her being unable to speak. Mr Zigmar of the Toronto Stock yards was present and spoke some time on the shipping stock question. Mr R. L. Atchison a U. F. O. candidate of Williamsford was also present. Mr Wm. Troy of Orchard was present with his pipes and enlivened the afternoon with several selections and by singing. In the evening when everything was clear again, the dancing platform was kept busy and the revenue from this and other sources brought \$200 to the local club.

Turned the First Sod

Memorial Erection Now Under Way

Bright and early Monday morning following the action of council Friday previous, the Memorial Committee, the Mayor, Mr. J. Corbett, the contractor for the Soldiers' Memorial and workmen were on hand to select the exact spot which to erect the new structure. After careful measurements were accomplished and to give a touch of sentiment to the affair Mayor Allan was asked to turn the first sod which he deftly did.

This we may expect that on some fine fall day we will see unveiled the monument that marks the respect of the contemporaries of the boys who fell in the struggle against German aggression. The effort to get this far towards the completion of the Memorial has caused a worry and anxiety which should never have existed but now that the end is in sight, by-gones must be by-gones and all should, and no doubt will, join heartily in the satisfaction that at last a memorial will give lasting expression to worthy sacrifice, and satisfy our own self respect.

Mr Harold McKechnie went to Toronto on Saturday to be re-examined by military pension board.

Misses Ella and Ruby Carson of Kitchener, are visiting their uncle, Mr Will Carson of Normanby and friends in town.

Mrs Johnston and Mrs O'Neill of Georgetown and latter's daughter from Detroit were guests at Mr and Mrs Jno. McCoskey for a few days last week.

The Methodist church Sunday School held their annual picnic Monday this year to the so called Durham Park, south of the bridge where an enjoyable time was spent over games, bathing, and eats.

Miss Edna and Master Frank McCormick of London are visiting with Mrs Hardy at the Rectory.

Mrs Walter Horn of Kingsville visited the week end with her brother, Mr Frank Hinds.

Mrs Hallett of Buffalo and little grandson, Billie Anderson are visitors at Mr George Kress'.

Mrs Gilbert McKechnie went to Toronto Thursday to see her sister, Marion, who still shows no change in her weakened condition.

Mrs Parker and two children of Chesley visited her parents, Mr and Mrs Lockie last week.

Mr and Mrs Lockie with their daughter and her children visited with Mrs Lockie's sister, Mrs Ronald of Galt, last Sunday.

Miss Beryl Forse and Miss Dorothy Davern of Thorold, are visiting Miss Bessie Smith at the Manse.

Mr Peter and Misses Alice and Agnes Ramage and Misses Christie Margaret McGirr visited Shelburne and Dundalk friends the first of the week. The latter remained a few days at Shelburne with her sister, Mrs. Jno. McLean.

Anniversary services at St. Paul's, Egremont, Sunday, July 16th at 3 o'clock and 7:30, in charge of Rev. E. W. Gloch of Mt. Forest. Music in the evening by choir of Trinity Church, Monday evening, July 17, Annual Garden Party on Jarvis Johnston's lawn opposite St. Paul's church. Good program. Admission, Adults 15c. Children 10c.

Council Purchases Memorial Lot

A special meeting of Town Council was held on Friday evening last the feature of which was perfect harmony and consequently progress. The chief item of business was consideration of the purchase of the McGowan lot in front of the Rectory as a valuable piece of property likely to come useful as a site for the new Town Hall, which it is hoped the future has in store for us, and besides be of present value as furnishing a most desirable site for the Memorial to fallen soldiers.

It is understood that the Memorial committee is to make a grant towards this purchase and thus when all its advantages were considered, a unanimous vote carried the motion to proceed with the purchase and thus the long uncertainty as to the memorial site was happily ended.

Mr S. Levine interviewed the council asking their sanction to the transference of his license to the new proprietor of the pool room, which was granted.
