FOR SALE.—In Durham, frame house, eight rooms, cement foundation, electric light, good location, near Garafraza St. Upper town. Apply at Review Office.

The Red Cross Society will hold their annual meeting in the Baptist Church on Tuesday, Aug. 15 from 3 to 5 p. m., owing to the kindness of Rev. Mr. Cameron.

Tanlac has ended many a long search for relief with health and happiness. Try it today. Sold at Macfarlane's Drug Store.

An eye, ear, nose and throat Specialist will be at Dr. Jamieson's office next week. Any wishing treatment must make appointments at once.

Fire of unknown origin destroyed the bakery of Charles Gregory in Ayton Tuesday. Mr Gregory left the building at 1 o'clock in the morning and everything was all right at that time. At 6 o'clock a resident passing noticed the fire, which was well under way. It was said that the probable cause was a spark from the oven. The estimated loss is in the neighborhood of \$2,000 half of which is covered by insurance.

Mr Robert Guthrie, a young man 17 years of age and one of a repair gang for the C. P. R., who are putting in a siding at the Russell Plant had his left leg broken Sunday a. m. last. He was leaving the caboose car when in some manner he slipped on these unfortunately falling in an awkward way. He was taken to Nurse Carmount's and he will be laid up for three or four weeks. The young man's parents and sister from west Toronto motored up Sunday evening to see him. Mr Guthrie had been at this work only two weeks.

Rev. Hugh Cowan, M. A., of Toronto was in town a few days visiting his sister, Mrs Neil Clark. He had preached in Fergus the previous Sunday and is to supply the Presbyterian pulpit in Durham for the next three Sundays in Rev. Mr Smith's absence. He went to Owen Sound Tuesday being much interested at present in historical lore of the counties touching on Georgian Bay. Mr Cowan is an old Bentinck boy who has distinguished himself.

PREPARED A TENNIS COURT.—A number of the young men, tennis enthusiasts around town, feeling the lack of a public court, recently fitted up one south of the armoury building. It is in active use and is in fairly good condition. A club, with A. W. H. Lauder as Secy. Treas. was formed with membership fee of \$2. About twenty have joined and they had planned to draw for partners and hold an elimination tournament on Monday, but rain intervened. However it will be pulled off later. It is under consideration to build another court beside the present one or possibly secure new grounds nearby, where north and south courts could be prepared. With the active interest now taken in this healthy sport it is hoped to develop players to enter competition with neighboring towns next season.

Banking by Mail

MANY and varied are the types of men who conduct their banking with The Standard through the post. Busy men who live far away from any bank find that our plan of banking by mail saves them making special trips to town, and is satisfactory in every way and quite simple. We pay interest at current rates on such accounts.

Write or call for full particulars.

THE STANDARD BANK OF CANADA

TOTAL ASSETS OVER EIGHTY-THREE MILLIONS

Durham Branch, John Kelly, Manager.
Branches also at Priceville and Williamsford.

A carload of cement will arrive this week.

Cross & Sutherland Hardware
The ladies of the Red Cross Society will hold a flower day on Fall Fair Day.

FEED OATS.—Western feed oats 55c per bus, any quantity, without sacks, at Rob Roy Mills. Special price in large lots.

Ever notice that if a little woman is married to a big man she is boss and if a big woman is married to a little man she is boss too?

Thousands of people who had given up all hope, have been restored to perfect health by taking Tanlac. Sold at Macfarlane's Drug Store.

Ground Screenings per ton, \$20. sacks included: \$19.00 without sacks. Whole screenings per ton without sacks, \$18, in any quantity. Special prices in 5 ton lots or over. Rob Roy Mills.

Dan Campbell, of Genefel, was charged at Owen Sound Police Court with selling whiskey contrary to the O. T. A. Inspector Beckert laid the information. He pleaded guilty and he had secured the hooch from an unknown man. The fine was \$200 and costs.

At the Presbyterian Church on Sunday morning, Mr Thos. Allan conducted the service and gave an interesting and instructive talk on the work of the recent General Assembly in Winnipeg to which he was lay delegate. He was particularly vivid on Missions and on Sunday School work. His address left a fine picture of the great gathering.

ANOTHER ENTRANCE RECORD.—Miss Glenna Campbell of North Bentinck, a Durham high school graduate, is another teacher with a good entrance result. All four students writing passed one taking honors and also winning \$25 in cash prizes for highest marks in five subjects at Shelburne Centre. Miss Campbell recently taught at Morning's Mills, Dufferin Co., and intends attending Normal school the coming year.

NO BALL GAME.—As Owen Sound Juniors failed to show up here on Wednesday afternoon, they saved themselves from another defeat by default. The Durham lads were all in uniform and ready for the fray, but after waiting till after five, they returned from the grounds along with the few spectators. It was poor sportsmanship on the part of the baby city team, who if they didn't wish to face the music of the Durham bats, might at least have sent notice that they were defaulting.

THE BAND DISBANDED.—Though the Durham Band has been a more or less inactive organization since last fall its members formally disbanded after playing at Monday's Red Cross celebration, when they went over as a body to Secretary-Treas. R. E. Richardson's home and handed in their instruments. After the disagreement over Sunday playing last summer bandmaster McIntyre resigned and though he and others have led on individual occasions since, when a band was sought for, there has been no continued practice or other activity. There are quite a number of splendid musicians in the personnel of the band, and we along with the whole town would like to see an effort made to secure a new leader, the band being made a going organization on a good business footing.

RECOVERING FROM BAD ACCIDENT.—In Barrie hospital, Mr Hugh Baird of Toronto, formerly of Markdale, is slowly recovering from the serious motor mishap he figured in at Allandale on July 17. Motoring to Parry Sound on timber business with his son James, the car severed into a post and with the great impact, Mr Baird severely cut his face and dislocated his hip bone. He was taken unconscious to Barrie hospital where he has suffered severely. His injury was aggravated owing to the fact the hip dislocation was not discovered until ten days after the accident, when an x-ray revealed the true source of his suffering. Mrs Baird is with her husband at the hospital and it is expected some time will elapse before the patient can be removed to his home in Toronto.

Civic Holiday a Success Despite Bad Weather

A very heavy shower on Sunday evening gave hopes that Monday might be fair to encourage the Hospital Civic Holiday of that day. But Monday broke wet and lowering, giving little or no promise of betterment, and though there was no downpour there wasn't an hour up to 5 p. m. that it did not sprinkle more or less. However the promise of a fine program, and loyalty to the Hospital idea brought such numbers out that a "gate" of \$416 was realized which was good under the circumstances. The committee at the close of the day felt good for another reason; they had carried out their program and the crowd left with a satisfied feeling that bodes well for the next one.

The football match, Holstein vs. Markdale was won by the latter 2-0. Yet the game was not one-sided to look at. In fact Holstein had the ball apparently under control most of the time, but a kind of sheer ill-luck attended them.

The lacrosse game, Durham "Bluebirds" and the "Rocks" of Elora, was rather one-sided, Durham winning 9 to 2 and showing good combination. Elora was minus three or four of their regular team, and consequently the game wasn't as closely fought as was anticipated. Elora have won their district and will probably be Durham's first semi-final opponents.

Ten lads contested the 100 yard boys' race, 16 years or under, Oscar Moon finishing first, Clarence Noble second and Melville Ryan third. A second and Melville Ryan third. A boys' shoe race was also pulled off. They ran 100 yards to where their shoes were indiscriminately mixed in a pile, sorted them out, laced and (Continued on Page 8)

Tax Rate is Reduced Three Mills

The most important business before Monday Town Council meeting, was the striking of the rate, and that it is to be 43 mills, three mills lower than last year, will gratify the rate-payers generally. The reduction is almost entirely accounted for by reduced school estimates, both high and public, the school rate having dropped 2 1/2 mills alone. Other rates are almost all similar to last years. The Council and school boards are to be congratulated on financing to show a reduction, while many other towns have an ascending rate. Warrant on 66 mills is a record breaker. Following are the rates in detail:

Public School	14	mills
High School	6	6-10
By-Laws	7	8-10
County Rate	6	7-10
Sidewalk	4	4-10
Library	1	5-10
Town General Rate	6	mills
	43	mills

The memorial committee was granted \$250, balance of their \$500 grant. The Committee re Jackson property made a report, and were continued in office for further investigation. A by-law was passed authorizing the purchase of lots 15 and 16, Albert St. W. (West of Trinity Ch. rectory) for \$1000, to erect the Memorial monument, and later a town hall.

The Mayor was instructed to ask for tenders for lot known as a gravel pit, part of lot 5, Saddler St. N. Notice appears elsewhere in this issue, as per resolution of Council, that all weeds must be cut on private property as well as on streets in one week, otherwise the Council will have them cut down, and costs charged to the property owners.

Among the accounts passed was one for \$216 to Hugh McDonald for building the retaining wall in front of Mrs. R. Marshall's, Durham hill.

WHEAT WANTED.—Highest price paid for any quantity, at the Peoples Mills Durham.

OWEN SOUND POSTMASTER DIES.—Geo. A. Ross postmaster of Owen Sound since 1901, died on Thursday last at his summer home at Balmy Beach from heart failure. He was 64 years of age.

It is estimated that the guarantors of the "Buy-in-Owen Sound Carnival" will be called upon to pay about 40 per cent of their guarantee. It is claimed that the carnival was a huge success in every way but financially.

David Dobson, an employee of the Hanover Cement and Stone Company accidentally got the thumb of his right hand between the friction levers of the locomotive crank and had it badly crushed. We have received a copy of the Weyburn Review got out as a "Fair Number" which is a creditable production. The illustrations show the place to be assuming city proportions, one of them being the Provincial Mental Hospital, largest building in the three prairie provinces. A bird's eye view of the city shows remarkable development over the village we saw in 1909. The paper is now owned by Mr H. B. McCullough late of Chatsworth News.

Mr Arch. McDougall of Toronto visited his mother and sister and took in Civic Holiday celebration in his old home town.

Mrs Bert Stonehouse left Saturday on a motor trip to her brothers, Mr Adam Brown in Parry Sound, with her niece, Miss Edith Brown of Owen Sound and other friends there. She will be absent a week or so.

Miss Isabel Marshall of Hampden returned Tuesday to her school at Disley, Sask., after a month's holidays at home. She recommences teaching Monday next.

Mr Harper Kress of the Standard Bank, Tillsonburg, holidayed at home over Civic holiday.

Miss Nellie McKechnie of Toronto visited her parents, Mr and Mrs Dugald McKechnie over the holiday.

Miss Georgina Lawson of Toronto holidayed with her parents, Mr and Mrs W. J. Lawson.

Miss Ethel Greenwood who has been taking a Domestic Science course in Toronto arrived home Monday, she will teach at Port Elgin next year.

Miss Winnie Blyth left last week on a few weeks holidays to friends in Toronto and Hamilton.

Mr and Mrs Jake Filsinger and three children of New York city, visited at her brother's, Mr Ed. Buschlen's on Friday last.

Miss Stella McAuliffe, Mrs George Shewell and little son of Detroit are visiting the parental home here.

Mr Wm Searf of Toronto visited brother, sisters and old friends here over the week end.

Mr and Mrs Jas. Watson and seven children, Mr and Mrs Harris' and baby, motored up from Toronto Saturday to visit at Mr And. Hastie's, Bentinck, and at the former's brother, Mr David Watson Mrs Arch. Brown and two children returned from Toronto with them.

Mr and Mrs Jos. Parker and family motored up from Galt to visit Mr and Mrs J. C. McDonald of South Bentinck the latter part of last week.

The Misses Margaret and Katie L. Kerr, Varney, left Saturday a. m., for a two weeks visit with their uncle W. L. Kerr of Grand Rapids, Michigan. They also intend visiting the city of Chicago and on their return trip to visit with relatives in Detroit, London and Sarnia. Miss Verona Innes of Toronto visited her parents, Mr and Mrs Hugh Innes this week.

Mr and Mrs Floyd Rappen and Mr and Mrs John Quinn of Sault Ste. Marie are visiting the latter's sisters, Mrs John and Mrs Dave McAuliffe.

Mr David McFarlane and daughter, Marjorie who have been visiting relatives in and about Durham, returned to Hamilton, Wednesday, accompanied by Mrs Thos. Greenwood to visit her sister, Mrs D. McFarlane.

Misses Margaret and Hannah McDonald are visiting their cousin, Mr. Hugh McDonald, upper town, and Bentinck relatives.

Mr and Mrs Jas Geddes of Egremont, visited their daughter Mrs Herb Greenwood last Thursday. Mrs Geddes remaining.

Mrs Cooper, of Normanby, mother of Mrs And. Derby of Durham had a fall and fractured her right arm near the shoulder. We hope the vitality that has enabled her to reach her 95th year will enable her to recuperate even from this severe accident. We are glad to hear she is getting along well.

The results of Middle school Entrance to Normal and Matriculation exams in Durham school appear on page 5. First eight subjects give Middle school standing and last four (languages) as well, give Matriculation. Many had passed some subjects last year thus did not write on same this year. As it is a two year course, quite a number this year wrote on all or nearly all the subjects, and as they are through in all passed, they will have only the subjects failed on to write next year. Though but 7 or 8 have passed in all subjects written, the school and staff have made a good showing, as many have been successful in passing most of the required subjects, and the number thus through is considerably higher than was recommended by the staff. The outlook is for a bumper third form next term with at least 80 in attendance, and possibly 100 in fourth form.

BORN
MURDOCK—In Bentinck on Monday, August 7th to Mr and Mrs Frank R. Murdock, a son.

GREENWOOD—In Durham, on Thursday Aug. 3rd to Mr and Mrs Herb Greenwood, a son.

PERSONAL MENTION

Mr McPherson of Regina is down east on a visit to his sister-in-law, Mrs Adam Watson, Lambton St. East and other relatives here.

Mrs John Bell, son George and daughter, Mary were in Owen Sound last week, the former remaining for a week to visit friends.

Miss Mable Craig of Walkerton is visiting her aunt, Mrs Will Moore of town.

Miss Mamie Rocks of Toronto was a guest at her uncle's, Mr D. Leith over Sunday.

Miss C. Bruegemann of Chesley, a Normal school chum is visiting for a few days with her friend, Miss Edna Browning.

Mr Will Browning, Detroit came home last week for a holiday and is spending this week with his parents and sister.

Mrs John Meagher of Akron, Ohio and daughter Hannah and Miss McFarlane of same place are guests of Mrs John McAuliffe.

Miss Edna Browning is engaged in Blyth's school for the coming year at the now almost standard salary of \$1000.

Mr and Mrs Melbourne MacKay of Inwood visited his parents here and at her parents, Mr and Mrs R. Barber Varney over Civic Holiday.

Mr Robt. Hughes of Guelph was a visitor over the week end with his sisters here.

Misses Marian and Jean Henderson of near Yeovil visited their cousin, Miss Margaret Isaac last week.

Mrs Limin and Miss Minnie returned Tuesday after visiting relatives and friends in London, Woodstock, Stratford and Listowel. Rev. and Mrs J. Morris, her daughter, with their four children returned with them from Woodstock for their vacation.

Mr and Mrs Jesse McClure and children of Toronto are visiting with her brother Herb Atkinson and her sister Mrs B. Coutts and other relatives in town and country.

Mr Eric Kelly of Toronto was a holiday visitor at his home.

H. Morlock & Sons

The Store for Quality Merchandise

HAVE YOU ANY MONEY IN THE BANK?

THERE is an old-fashioned theory which some people still cling to—that a bank wants no dealings with them unless they have "lots of money." Such is not the case with this bank; you will be welcomed whether you have \$1 or \$1,000 to deposit. Open an account with what you feel you can spare now and add to it regularly as "pay day" comes around. It is a comforting feeling to know that you have several hundred dollars put away safely in the bank.

THE ROYAL BANK OF CANADA

Durham Branch: J. A. Rowland, Manager

POWER FARMING

With the Fordson Tractor

SO COMPACT, economical and powerful is the Fordson that many farmers are doing power farming by using a fleet of them. Heavy, cumbersome tractors are not adaptable to this unit system of getting many jobs done quickly, at the same time at different parts of the farm. The ambitious farmer who expects his farm to grow to large proportions demands a Fordson. It is sturdy and powerful and overcomes with ease the stiffest of all tests—ploughing the stiffest ground.

The Fordson plows 6 to 8 acres in a 10 hour day using only 1 1/2 to 2 gals of cheap kerosene to the acre plowed. Though sturdily built it weighs only 2700 pounds. No expense pulling around useless weight. It grips the ground but does not pack it.

The unequalled Fordson Service means parts and repairs always available. We pride ourselves on keeping up the perfect Ford service and will be as near you as your telephone for any information you may need regarding your Tractor or any equipment you may purchase from us.

Start Power Farming with the Fordson now. Your between-season belt work jobs alone will keep it busy earning money for you. It will handle your threshing, pumping, grain hauling, road work and run your electric lighting plant. Now is the time to try out the Fordson with this fleet idea in mind. It is the ideal tractor to fit in with the unbounded future of power farming.

Fordson dealers will be glad of the chance to visit your fields and give you Fordson tests stiffer than any you are likely to have in your regular work. Have a Tractor chat.
