ed livery Night 81 Hanover Berry Pickers have Terrifying Experience

Three Hanover women, Mesdames Valconer, Titmus and Swift had a terrifying experience as well as a Successfu! Civic Holiday berry picking in Allan Park recently. During a heavy thunder storm the women took shelter in a bush near the berry patch. They soon found however that they ran into danger. for with a deafening crash lightning split the tree under which they were standing. Though dazed the three women were uninjured and were able to proceed through the storm to a house 1 1-2 miles away.
