WHERE
ONE BLADE
GREW

It is not always the best soil that yields the richest harvest. Much depends upon the man who cultivates the soil, and the measure of his success is the measure of his intelligent industry and thrift and ability to make the most of opportunity.

The successful farmer cultivates his money as carefully as he cultivates his land. He gets returns from his crops and he gets returns from his funds. This Bank in any part of the Dominion adds interest to the money saved by industrious farmers. Our nearest Branch is at your service.

BANK OF MONTREAL
Established over 100 years

Holstein Branch: W. A. REID, Manager.

To Holders of Five Year
5½ per cent Canada's
Victory Bonds

Issued in 1917 and Maturing 1st December, 1922.

CONVERSION PROPOSALS

THE MINISTER OF FINANCE offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5½ per cent interest, payable half yearly, of either of the following classes:—

- (a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.
- (b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unmaturing coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

W. S. FIELDING,
Minister of Finance.

Dated at Ottawa, 8th August, 1922.

HOLSTEIN LEADER

LOCAL AND PERSONAL

Ideal harvest weather still continues. Quite a number have finished, and some have threshing done, reporting good returns.

The Township fathers met on Monday.

Rev. Mr. Scott and family returned on Thursday from their holiday.

Mr. Gordon Scott is spending a few days at home.

Some attended the evening service at Knox, Normanby, on Sunday. There was a full church, and a good discourse was given by the former pastor, Rev. B. M. Smith. Good music was also furnished.

Mr. and Mrs. C. Ramage, Mr. Peter and Miss Alice of Durham, were visitors the first of the week at Mr. Valentine Altes' on the 16th con.

Mr. and Mrs. Geo. Barclay and infant child of Toronto, motored up the first of the week to Mr. J. D. Drimmie's.

Mr. and Mrs. Arthur McClocklin of Durham, were visitors at Mr. D. P. Coleridge's last week.

Mr. Jas. Brown and Mrs. Petrie went to Brantford Saturday in response to a message stating Miss L. Phair, their cousin, had died on Friday.

Miss Phair was well known here and was with Mrs. Petrie for a couple of weeks, just returning the Saturday before her death, apparently in good health. Sympathy is extended to friends.

The Secretary of Egremont Agricultural Society received a revised list of the Field Crop Competition, which changes it slightly from that reported two weeks ago. The following is the standing and the score:

Dromore Women's Institute Entertain Durham Branch

Friday afternoon last, the weather man was on good behavior, which allowed five or six cars of Durham's active workers in this Society, and a few of their friends, to gather at the home of Mr. and Mrs. W. H. Hunter, 20th con., Egremont, who kindly gave the use of their house and grounds for this social occasion.

At 3.30 p.m. in the neighborhood of 50 or 60 ladies had gathered from Dromore and environs, and Durham, and the verandah was an animated scene for the remainder of the afternoon. The program was carried on from the central door. Durham Branch as by pre-arrangement, were to supply the program, while the Dromore ladies supplied the edibles, so essential to gatherings of this nature.

Mrs. Walter Hastie, President of Dromore Branch, opened with a few words of welcome to the Durham ladies and hoped that they might mutually benefit by thus meeting together. After the reading of the minutes Secretary, Miss Bena Dunston, the President, Mrs. S. Patterson, who facetiously thanked them for the pleasant afternoon thus being tendered them.

Miss Elizabeth Scott, ex-teacher at S.S. No. 9, gave an interesting as well as enlightening talk on "Wild Birds as farmer's assistants," and in detail specified each bird and to what extent their value or detriment was to the farmer. This address entailed much reading and wide knowledge of bird lore, but Judge from Miss Scott's address, that she is personally conversant with a great number of the birds discussed.

Miss Mary McIlraith, graduate of the Presbyterian Deaconess School and Social Service worker, contributed an interesting resume of her work and people she came in contact with at the two summer camps she visited this summer. The Social Service work is becoming more and more an important factor in church life and activities and through these summer camps, there are opportunities opened that result in much good where at other times and seasons the same application would fail.

The musical side of the program was opened with an instrumental solo by Miss Florabel Nichol: vocal duet, Mrs. T. M. McFadden and Miss Alice Ramage: solo, Miss Miriam Cameron: duet, Misses Jessie and Mary Bell.

An appetizing lunch was served at the close of the program by the Dromore ladies and a social time was enjoyed by all.

The Roll Call

JOHN McDONALD

The passing of this gentleman removes one of the pioneers of the district and few now remain to whom the term "pioneer" can be applied. He was born in Tiree, Scotland, in 1841 and came to Canada with his parents, Mr. and Mrs. Alex. McDonald in 1847, also a sister, Christina, Mrs. Malcolm McMillan, Artemesia, and two brothers, Laughlan and Ronald, John being the youngest. They landed first on lot 18 con 2, Glenelg, (now the Blinnie farm.) Later they moved to lot 23 con 17, Egremont, where all died except Ronald who is in Cheyenne. The home there was marked for highland hospitality and many a weary traveller was made warm and fed and given a hearty welcome. Mrs. McDonald died about 13 years ago. She was Miss Christy McDonald, cousin of Mrs. J. McQueen of 6th con, Egremont and Mrs. Jno. McEachern, Cedarville.

Deceased was married in 1864 and the union was blessed with five children: Ronald in Nottawasaga; Sarah, Mrs. Angus McDaniel, Proton; Tena, Mrs. Arch. McLeod, Carman; Man; Mary and Sandy on the old homestead, who gave loving care to their father in his declining years. Mr. McDonald was of a hardy race and was a strong, rugged man himself, hearty and genial. A handshake from him was none of your clammy listless affairs, but a warm grip that spoke of a warm heart.

He was Presbyterian in religion, and in politics Liberal until the Farmer movement sprang up. The funeral on Thursday last was largely attended though a busy time, going to show the high esteem in which his memory was held. The funeral was in charge of Colin McMillan of Holstein, an old and firm friend of deceased, and six old neighbors acted as pall bearers. Interment took place at Priceville cemetery. Rev. C. S. Jones conducting the mortuary services.

CARD OF THANKS. For the kindness, sympathy and assistance rendered at the last illness and death of our father, John McDonald, we express our sincere appreciation.

The Family

A Work of Science

Science has made it possible to deliver "Salada" Tea to your table with a flavor as delicate and appealing as when it left the garden. From across the ocean sealed in a lead chest, operated by us, blended, electrically weighed, vacuum packed, and finally resealed in air-tight aluminum, "Salada" reaches you teapotted 100 per cent pure and with every bit of the fragrant flavor preserved. It is the most delicious tea that you can buy. Just try it and be convinced. Ask for it to-day.

Knox, Normanby Anniversary \$1000 Fine for Bootlegger

Knox, Normanby Anniversary Services Sunday, were favored with splendid weather and congregations at both morning and evening services that filled the church to the doors, a number being unable to gain entrance. Rev. B. M. Smith, the former pastor, delivered excellent sermons on both occasions.

On the school grounds Monday night the Garden Party was also highly successful, with Rev. W. J. Burnett, the popular pastor in the chair. Dromore's well-trained and balanced choir, about 13 in number, under the leadership of Mr. Wm. Ramage, was the big feature of the program, they supplying several excellent choruses, quartets and duets. The Varney choristers, Miss Katie Kerr and Mr. Robt. McArthur in solos and Misses Jeanette and Florence Kerr in a duet, were equally appreciated. Mr. Wm. Ramage gave a fine solo, and from the opposite direction—Crawford—Misses Elsie and Blanch Boyce were present, and contributed a pleasing duet. One of the best elocutionists ever heard in the locality is Mrs. Hugh Renwick of Ottawa, an old Egremont girl now visiting at Dromore, who delighted all with two readings. G. M. Leeson, M.P.P. and Jas. Watson gave short addresses. Other speakers had been expected, but with the musical feast available, were not seriously missed. Following the program a sumptuous lunch was served. The proceeds of the night were about \$100.

BOOTHVILLE

Harvesting is the order of the day and most of the farmers are busy hauling it in.

Quite a number from here attended the funeral of the late Jno. McDon-ald of Dromore. Much sympathy is felt for the bereaved ones.

Miss Irene Duncan of Dundalk, visited her sister, Mrs. N. G. Wilson.

Mr. Robt. Borthwick of Guelph, is the guest of the Williams family.

An interesting game of Basket ball was played Friday evening between the Swinton Park and Boothville girls. Although our team received short notice that the visitors were coming, a swift game was played by both sides. The home team easily were the winners.

Miss Alma Richardson returned to her home Tuesday after a fortnight's visit with her friends in this locality.

Mrs. James Paton of Flesherton, is visiting her sister, Mrs. R. J. Wilson.

The Government's Conversion Scheme

The attention of the holders of the five and a half per cent war loan bonds maturing December 1, 1922, is directed to the offer of the Minister of Finance to renew the loan on favourable terms. The last Canadian loan was placed in New York at a satisfactory price. The Minister is making his present financial operation entirely a domestic one by offering to exchange the maturing bonds for new bonds bearing the same rate of interest, running for either five years or ten years as the bondholder may prefer. A further inducement to the investor is that he receives a bonus of one month's interest. The terms offered are decidedly favourable to the investor and it is probable that a large part of the maturing loan will be renewed. Arrangements for the exchange of the bonds can be made at any branch of the chartered banks. Holders who do not wish to reinvest will be paid in cash on the 1st December.

Bank of Montreal Crop Report

A synopsis of Report as at August 10, for Ontario and Prairie provinces follows:

General conditions generally are favorable in Eastern and Prairie Provinces, but in British Columbia drought conditions still obtain.

PRAIRIE PROVINCES

Edmonton district—Wheat crop has suffered severely from drought. Oats a short crop and hay poor.

Calgary District—Showers and warm weather have hastened maturity of grain. Cutting has commenced.

Lethbridge district—Crops are making good progress and are reported to be filling well. Rye, harvesting is general. Wheat cutting has commenced. Saskatoon district—Heavy general rains have helped late grain.

Wheat cutting has commenced and will be general by 15th. Yield Saskatoon and west will be below average. Prince Albert, Tisdale, Humboldt and tributary localities report good average crop in sight.

Regina district—Extreme heat has been experienced recently, relieved by general rains. Average yield of all grains expected Winnipeg district—Heavy rain has delayed harvesting but will be beneficial to late sown grain. A better than average crop is assured.

PROVINCE OF ONTARIO

Prospects are still generally favorable although warm dry weather is needed for all crops. Heavy rains during the last few days have delayed harvesting. Fall wheat crop is above average and is mostly harvested. Barley and Rye are all cut and are good crops. Oats are a heavy crop with long straw. Rust is threatening in some districts. Cutting has commenced. Corn—More heat needed for an average crop. Roots promise to be above average. Hay indicates that second crop will be heavy. Fruit is a good crop. Weather conditions are good for pasture.

Melville Campbell, the Owen Sound young man who was arrested by Constable Fred Balmer west of Durham, Wednesday, was charged in Police Court Thursday with having or keeping liquor in other than a private dwelling. Under the circumstances there was little choice for him but to plead guilty. He was fined one thousand dollars and costs with the option of six months in jail at hard labor.

When the defendant pleaded guilty he was placed in the witness box and underwent a rather severe cross-examination by Mr. C. S. Cameron, K. C., who was acting for the Province. In the stand Campbell gave very plausible evidence.

He said he lived on 7th Street East in Owen Sound. He owns a six cylinder McLaughlin car and it was in this car that he was arrested and eight cases of Seagram's '83 whiskey confiscated. On Saturday afternoon last a man known as "Rusty" Anderson met Campbell on 9th Street East. Anderson asked him if he handled any of the stuff. Campbell replied in the negative. Anderson asked him if he could take eight cases so the two agreed to meet in Kitchener. Campbell left Owen Sound about six o'clock on Wednesday morning and met Anderson in Kitchener at the Americas Hotel. They arranged to meet at Bridgeport where the eight cases were transferred from Anderson's car to Campbell's and Campbell started for Owen Sound.

Mr. Cameron questioned Campbell regarding the appearance of Anderson. The magistrate thought this questioning useless and inquired of Campbell if he had a photo of his friend.

When Campbell had placed his signature at the foot of his evidence, Mr. Crescor questioned the man as to his operations. He said he had been in the business six or seven months and in that time had brought in about thirty cases of liquor.

Inspector Beckett seized the liquor and has put it away in a safe place until it can be disposed of.

The fine is only part of the cost. Eight cases of whiskey which is retailed here by the peddlers at \$7 per bottle, would bring \$684. There is a badly damaged car to pay for, a farmer's fence to fix up and other incidentals. Boose running is not all profit, though some have been getting away with it here for a long time. A few more cars might be profitably inspected.—Sun Times.

1923 Auto Tags

Will Cost More

The 1923 motor license plates will be more substantial than those now in use. They will also cost more. The price will be 23 cents per pair, as against 14 cents a pair this year.

A contract for the plates has been given to the Canadian Colortype Company of Hamilton. They will be of 24 gauge steel, reinforced with a double edging along the top and bottom.

The plates in use this year have proved unsatisfactory, rusting easily and becoming illegible. The new plates will have white figures on a dull black ground, and the enamel it is said, will be of the most durable kind.

RHEUMATISM
Tompson's Rheumatic Capsules have become the Standard Remedy for Rheumatism, Sciatica, Neuritis and Lumbago. Thousands have been restored to health through T.R.C.'s. If you suffer, get a box at your Druggist's to-day. Don't let pain spoil the best years of your life.
