Tuesday's monthly session of the Town Council was a very quiet one, and was concluded shortly after nine p. m. Other than the passing of a few routine accounts totalling \$237.49 there was no business of importance transacted.

The ladies of the Red Cross Society will serve supper show night, Thursday Sept. 14, in the basement of the Methodist Church. Proceeds in aid of the Memorial Hospital. Any donation thankfully received.

Mr. Stanley Thurston, son of Editor Thurston of the *Flesherton Advance* has purchased the plant of the *Mearford Mirror*. Stanley for some years back has been an editorial staff member of the *Farmer's Sun* in Toronto and has acquired valuable experience, which will be used in editing a good weekly.

Miss Jeanne Black, of Palmerston, a graduate of the Mount Forest Business College, won the "A" Open Class Speed Contest in Typewriting at the Toronto Exhibition on Aug. 20th, writing 77 net words a minute. She is employed in the office of the Dictaphone Company, Toronto.

The weekly Wednesday half-holiday was concluded last week, and was enjoyed by the clerks and business men all summer. There is still much fine weather ahead in September, and many are desirous of having the half holiday continued for this month, as several other towns are doing. With united action this could be brought about, though this week would not be included, with Labor Day a full holiday.

In returning from Toronto on Saturday, we had the pleasure of falling in with Mr. Wellington Whittaker, who was en route back to his father's home, near Ceylon where he and Mrs. Whittaker and baby son have been spending a few weeks. It is eleven years since Wells left Durham, being a High School student here at that time. After a strenuous overseas service, he wedded the daughter of a prosperous business man of Paris, France, took up residence and entered business there with his father-in-law as an importer of oils for perfumery from Java and other lands. Since his residence in France, Wells has learned to converse fluently in French and gained a smattering of other languages. He enquired for the welfare of many old Durham friends and schoolmates and purposes returning with wife and son to France on Sept. 13th.

CAMERON CHILDREN ENTERTAIN.—Durham was fortunate when they secured as citizens Rev. and Mrs. E. Cameron and two children. Mr. and Mrs. Cameron perhaps show their ability to entertain through their son and daughter Eben and Miriam. The concert that was put on by them Friday night last under Red Cross auspices was a success both intellectually and financially. The children are the result of careful training and their many numbers were one and all well rendered. The duet "John Bull and the Red Cross nurse" was perhaps the most taking number. Rev. Mr. Cameron divided the program with an account of California's foliage and fruit bearing bushes. Mr. R. Kainford supplied two pleasing instrumental solos, and in this work is thoroughly at home. Miss Lea McComb accompanied the Cameron children in their songs. The proceeds were well over \$50 which goes to purchasing a complete outfit of aluminum for the hospital.

Durham Fall Fair. Bigger and Better than ever.

WHEAT WANTED.—Highest price paid for any quantity, at the Peoples Mills Durham.

FEED OATS.—Western feed oats 50c per bus, any quantity, without sacks, at Rob Roy Mills. Special price in large lots.

Elegance in style. Quality de Luxe Perfect workmanship. These are outstanding features of the famous Winters Garment Ltd coats on display at Morlocks, Tuesday, Sept. 12, 1922.

LEG BROKEN IN MATCH.—While playing with St. Marys in a semi-final lacrosse match against St. Thomas last Wednesday, Wm. Lavelle, an old Durham boy, had the misfortune to get his leg broken. Billie was the pivot of the St. Mary's attack, and will be seriously missed on the line-up in the semi-finals yet to be played.

MADE IN OWEN SOUND SH W.—Plan now to motor to the big Made-in-Owen Sound Exhibition, Sept. 19 to 23. Forty Owen Sound Manufacturers will exhibit, and each day will have fine entertainment features. Popularity contest, guessing contests, tea room, jivey dancing every evening. Five big days of instruction and enjoyment. See paper next week for particulars.

EMBRYO TELEGRAPHERS.—Two young Durhams, Lloyd McClocklin and George Hay, are doing their best to fill Emerson's place on the earth's surface, when this electric wizard is prepared to leave. For some weeks' past these high school boys have been monkeying with batteries, coils, etc., and at last have a telegraph equipment erected that will really "talk." Their respective bedroom windows in the stone block in upper town (the former British hotel) have "erectors" and in each "erector" are two batteries connected with the necessary coil wire, while on top of these "erectors" are the receiving and dispatching stations that do the trick. The boys while still slow at the code, have it down sufficiently well to transmit and receive messages and no doubt in a short time will be sending messages to Mars.

Durham High School Crowded.

With 120 pupils registering the first day, all records for an opening day are exceeded, and as usual, in spite of all exhortations, more are expected next week. Principal Danard reported 36 registered in 1st form, 31 in 2nd form and no fewer than 53 in 3rd form, with the likelihood to go to 60.

Of course the 2nd form has to be arranged in two classes, thus making a class for each room in the school. One of these rooms is fitted up for a chemistry and science room, but it too has to be devoted to class-room purposes, thus putting a handicap on the teaching of these subjects.

At a special meeting of the Board on Tuesday evening, Mr. Danard pointed out the difficulties of the congested condition. Some new seats must be ordered at once, and a suggestion may be acted upon to make use of part of the basement for a science room, but this will not meet the approval of the Inspector, and in other ways the grading of our school may suffer.

The trustees would much like to know if this growth is to continue: The new Adolescent Act tends to increase attendance, and this adding to our High School accommodation is forcing itself upon the attention of the Board. Two new rooms could be occupied right now, leaving the Science room to its proper use.

No fewer than 7 pupils want to take 4th form work, but with conditions as they are, it is almost impossible to arrange for it, and thus this advanced step taken three years ago, may be checked or postponed until more accommodation is secured.

Teachers were all on hand Tuesday morning seemingly enthusiastic to begin their duties. The two new teachers at the helm are Miss Abbott and Miss Crowe.

Big Doings, Thursday, Sept. 14

That is the date of the big day at Durham on Thursday of next week. Those making entries for inside work will of course be busy on the 13th. With good weather and harvest nicely over and attractive prizes, there should be a large attendance. The factor which makes for the highest success of any agricultural fair is a big attendance of farmers, who study the exhibits carefully and gather a knowledge from such study and comparison which makes them better farmers, since the highest success of any fair is measured by its educational value to its patrons. Every farmer in Ontario who can possibly arrange to do so, should attend at least one of the fall fairs in his district. It is an expenditure of a little time and money in a manner which can be made to return profitable cash dividends, and at the same time afford the family an enjoyable outing.

SEPTEMBER WEDDINGS

Gloin—Kelsey

A pretty September wedding took place at the home of Mr. and Mrs. F. W. Kelsey, north of Durham, on Wednesday, September 6th at high noon when the marriage was solemnized of their third daughter, Jennie May, by Mr. Harold Gloin of Sparta, formerly a resident of Durham, when in charge of Durham Creamery. The ceremony was conducted by the bride's pastor, Rev. W. H. Smith, and there were no attendants to the bridal party. Mr. Kelsey giving his daughter, Jennie May, the petite bride was becomingly gowned in a taupe colored travelling suit with little hat to match, and carried a shower bouquet of sweet-heart roses. After a dainty wedding luncheon, the happy couple left on the G. T. and W. H. H. and Mr. Kelsey and his daughter, Jennie May, and other points, and will take residence at Bismarck, ten miles from St. Catharines.

The wedding was of a quiet nature, those present outside of family being Mrs. Dunn, Toronto, sister of the groom. Mrs. Turpin, Orilla, Miss Marlon Caldwell and Rev. W. H. H. and Mrs. Smith. A coincidence in connection with the wedding was that it was also the 30th wedding anniversary of the bride's parents.

The bride is a bright, vivacious girl and will be missed in town among her friends as well as in the photo gallery, of which she has had charge for the past few years. The Review joins in wishing long life and happiness to the young couple.

Hopkins—Kerr

On Thursday afternoon, August 31, at the Manse in Holstein, Mr. Francis C. Hopkins, third son of Mr. F. Hopkins of Egremont, was united in marriage to Miss Margaret Muir Kerr, eldest daughter of Mr. and Mrs. John Kerr, Varney. The ceremony was performed by the Rev. G. S. Scott, of Holstein.

A reception was held at the home of the bride's parents on Thursday evening, when some seventy guests spent a very pleasant time at various games, music, vocal and instrumental and social intercourse.

The presents received by the newly married couple were numerous, beautiful and useful.

On Friday morning Mr. and Mrs. Hopkins left to spend their honeymoon at the Toronto Exhibition. On their return they will reside on the farm on the 16th con., Egremont.

Steer—Boyd

A quiet but pretty wedding was solemnized at the Manse, Sceptre, Sask., on Aug. 20th, when Charles W. Steer and Ada Evangeline Boyd, were united in marriage by the Rev. W. A. Ingram. The bride was attired in a white mull dress and carried a bouquet of sweet peas. After the ceremony the bridal party motored to Leader, Sask., and partook of the wedding supper at the home of the bride's parents, Mr. and Mrs. Allan Boyd. The groom is well and favorably known, being united with the Canadian Corps, Cyclists, Battalion.

The best wishes of the community are extended for a long and happy wedded life.

(The bride is a granddaughter of Mrs. Richard Banks and Mr. and Mrs. Gillen Boyd, Glenora, Ed.)

Smith—Burnett

The home of the bride's sister, Mrs. Wm. Derby, Bentinck, was the scene of a quiet but pretty wedding on Monday, Sept. 4th, at high noon, when Frankie Gladys, youngest daughter of Mr. Henry Burnett, Durham, was united in marriage to Mr. J. Lorne Smith of Mt. Forest. The ceremony was conducted by Rev. E. Cameron. The bride who was unattended, looked charming in a frock of brown Canton crepe and wore the gift of the groom, a string of pearls. A dainty luncheon was served, after which Mr. and Mrs. Smith left for a two week's motor trip. On their return they will reside in Mt. Forest.

Death of Mrs. Hugh McFadyen

Tuesday evening last after a long period of invalidism, the spirit of the above lady took its flight. For almost five years she has been bedfast, bearing her lot with cheery Christian patience, through it all being faithfully and kindly ministered to by her son and daughter-in-law, who with her came to town from the farm eight years ago.

Mrs. McFadyen was a Miss McKay, born at Thurso, Caithnesshire, Scotland, in 1823. At the age of six years she came with her parents to Canada, and after a year in Toronto, moved to the 10th con. of Sydenham Tp. Here she grew up, spent some years in Owen Sound as a milliner, and 62 years ago, married her husband who predeceased her by 24 years. The young couple began life on the well known Glenelg farm, where their son was born and there she shared the toils and triumphs of the early days, her duties as wife, mother and helpmeet on the farm being faithfully performed. She was an earnest member of the Presbyterian church and enjoyed its services. Those who knew her at her best can testify to her neighborly qualities; she had more than an average share of intelligence and was an enjoyer of her conversational qualities which long kept her memory green.

The funeral is at 2 p. m. on Friday to Rocky Saugeen Cemetery.

Mr. and Mrs. Peter H. Hy were Toronto visitors over the week end.

Mr. and Mrs. T. M. McFadden were at her home in Hamilton over Labor Day.

Mr. and Mrs. Geo. Jucksch are in Toronto visiting the latter's brother, Mr. Musgrove.

Mrs. Pequet of Kitchener visited her mother, Mrs. Thos Daniel over the week end.

Miss Ella Kinnee of Toronto is having a two week's vacation with her father, Mr. David Kinnee.

Miss Jessie McFarlane of Toronto is visiting her cousin, Miss Effie Hunter, for a couple of weeks.

Mrs. D. J. McCormick, formerly teacher at Hutton Hill, is teaching for the coming year near Bismarck, Kent Co.

Mrs. J. P. Hunter accompanied Mr. and Mrs. Gordon McDonald of Chatsworth on a motor trip to Hamilton and Grimsby.

Mr. and Mrs. Chas. Urquhart of Port Credit visited the latter's mother, Mrs. T. Whelan. Mrs. Urquhart will remain for a longer period.

Mr. Wm. Irwin was a visitor to the Exhibition last week and spent over the week end with his daughter, Mrs. Alex. Kearney of Bolton.

Miss Anna M. McLean of Priceville visited Miss Merron McArthur last week. Miss Merron returned with her for a few day's visit.

Mr. and Mrs. James Smith returned Friday evening from their wedding trip to Gravenhurst, where they lived the camper's life for a time.

Mr. Ernest McGirr, B. A., of Toronto, spent over the week end at his home here. Miss Christie also returned to teaching duties in Toronto, Monday.

Mr. and Mrs. Alf Redford motored to Toronto last week to attend the Exhibition. Mrs. Donald Campbell, upper town, accompanied them as far as Woodbridge.

Mr. Brock Grant of the Bank of Montreal, Welland, visited his parents here over Labor Day. Miss Margaret Flynn of Toronto, was also a visitor here and at Zion.

Mrs. Jas. Hepburn and son, Wallace returned last Friday from visiting for a couple of months with her daughter, Nellie, Mrs. Ackroyd, State of Maine, and also relatives in Vankleek Hill.

Mrs. Gilbert McKechnie returned from Weston, Wednesday night in company with her sister, Miss Marion Gun, who we are pleased to say is making a wonderful recovery from her recent severe illness.

Nurse Carmount and Miss Marjory Montgomery visited the former's sister, Mrs. Tait and other friends in Mt. Forest last week. From there they went to the big exhibition in Toronto for a few days.

Mrs. Geo. Campbell formerly of Aberdeen who has been visiting the past few years back with her children in Saskatoon and Vancouver, returned Saturday last, and will now be with her daughter, Mrs. John Morrison.

Mr. and Mrs. Robt. McFadden, Glenelg, with the latter's niece, Mrs. Stewart McNally, who is home from the west, motored to the Exhibition last week, also to see the latter's sister, Mrs. Young, who is ill at Weston.

Miss Marion Calder was the hostess on Thursday last at a miscellaneous shower by about twenty of the girl friends of Miss Jennie Kelsey, whose marriage takes place to-day, Wednesday to Mr. Harold Gloin of Sparta.

Mr. and Mrs. Wm. Laidlaw returned Friday night from an enjoyable trip covering several weeks to points in the west and as far as the coast. While in the fine city of Moose Jaw they were the guests of their son-in-law, Mayof and Mrs. Dunn. Through some sections of Alberta they found crop conditions much below the quality spoken of in the press, and in fact between Edmonton and Calgary, the crops in many places, are scarcely worth cutting. In Vancouver they were guests of Mr. and Mrs. George Ledingham of South African war fame. It is 22 years ago, when Mr. Laidlaw in the capacity of Mayor, presented Mr. Ledingham on his return from South Africa, with a gold watch as a mark of good will and esteem from the citizens of Durham and this watch he still carries. Mr. Ledingham is in the contracting business for concrete work on a large scale in that city and is doing well, despite some set backs, brought on during the war years. On the return trip of Mr. and Mrs. Laidlaw they were also at Lashburn, Sask., visiting relatives of Mrs. Laidlaw. They enjoyed the trip immensely and fully took the part.

PERSONAL MENTION

Mr. and Mrs. E. A. Hay were in Toronto Tuesday and Wednesday last.

Mr. and Mrs. D. T. McIntyre motored to Toronto to attend the Exhibition.

Miss Laura McKenzie is in Toronto this week visiting her sister, Mrs. Jno. Van Wie.

Lady Hearst of Toronto is a visitor last week and this at Dr. D. Jamieson's cottage at the lake.

Mrs. J. H. Hunter at "The Hedges" entertained at an afternoon tea Wednesday for Lady Hearst of Toronto.

Mr. and Mrs. J. L. Stedman and young son, went to Toronto, Friday to visit his parents. His father has been quite ill of late.

Mr. and Mrs. E. A. Hay with Mr. and Mrs. Jno. McQueen visited the latter's daughter, Mrs. Herbert Love in Egremont lately.

Mr. Lloyd McClocklin was in Toronto for a few days during Exhibition. Mr. George Hay is also an Exhibition visitor while visiting at Mrs. A. Sykes.

Mr. Thos. and Misses Marion and Ruby Scarf went to Toronto on Saturday for a few days, to visit their brother, Wilf and at Mrs. Cobbett's (nee Miss Angelina Whitmore).

Mrs. J. P. Telford, Mrs. A. S. Hunter, Misses Winnie Park and Margaret Hunter spent Thursday last at Paynter's Bay, near Owen Sound, at Mr. Richard Corbett's summer home. Mr. Corbett is a brother of Mrs. Telford.

Miss Julia Weir, B. A., in company with her mother and niece, Grace Smith, motored to Gravelly, Friday, to visit Mrs. Weir's daughter, Mrs. Bert Smith. Little Miss Grace remains after spending the summer with her relatives here.

The Durham Presbyterian choir were royally entertained Tuesday night at the home of Mrs. Jno. Bell, Glenelg. The large lawn was used to good advantage in outdoor games and a corn roast crowned all. Only the members of the choir know how many cobs were done away with and they are not telling.

THE ROYAL BANK OF CANADA

FORDSON TRACTOR \$395

F. O. B. Dearborn Mich. Duty Free

As good on the belt as it is on the drawbar

If Desired Easy Terms

THE usefulness of the Fordson is limited only by the amount of belt work you have to do. In the Fall it will fill your silo, and thresh your grain. In Winter you can keep it busy grinding feed, pumping water, baling hay, cleaning seed grain, or running the churn or washing machine.

If you regard the Fordson as a field tractor only, let us show you right on your own farm that it is as far ahead of competition on the belt as it is on the drawbar.
