Bible Society Annual Meeting.
The annual meeting of the Bible Society was held in the Presbyterian church last Friday, Rev. Mr. Bell, agent, being present and gave a good address on the work of the Society, the many languages the Bible is printed in—over 540—and the expense of printing a new language. This has to be acquired by living among the native tribes and learning their language before they can transcribe it. The cost is about \$1000 for each new language. He showed some fine stereoscopic views of various people—the Eskimos, Indians, &c. It was decided that a special Sunday should be set aside in each church in the near future and the minister make a special appeal for help for the Society.

Death of Mrs. George Catton.
Scarcely two days ill, Mrs. George Catton died last Friday night from convulsions at Victoria Memorial hospital, Toronto. She took ill at her home early Thursday morning, was removed to hospital in the afternoon, but despite the best of attention and medical aid, she succumbed a day later. A child was born in the hospital and is yet living. The deceased was a Mt. Forest girl Miss Effie Carnegie, and was wedded three years ago last June, since when they have resided in Toronto. The remains were brought to Mt. Forest Saturday and interred Monday, her pastor, Rev. D. Wren conducting the funeral. The sympathy of the town goes out to George, who is a well-known Durham boy, in the untimely loss of his estimable wife.

Death of Wm. F. Wilson.
On Saturday morning the death of Wm. Frederick Wilson took place at the home of his parents, Mr and Mrs. Miles Wilson here, at the age of 18 years, 4 mos. The young man has been a cripple from birth, and has been ailing a year past. Recently an abscess formed on the hip, which three weeks ago developed blood poisoning, and he later suffered severe pain. One brother Mark, in business here, and two sisters, Mrs. Russell (Beatrice) in Alberta, and Mrs. Herb. Murdoch (Lottie) in Durham, survive him. The deceased had been found of pet animals and spent much of his time with them. Though unable to mix with and enjoy life as a normal boy, he was ever good-natured and kind of heart. He was a member of the Methodist Church, whose pastor, Rev. C. G. Cole, conducted the funeral service Sunday at 2 p. m. Interment took place in Durham cemetery.

Miss Essel Laidlaw of Toronto is home for an indefinite period. She will be one of the principals in an interesting event next month.
Mr. and Mrs. Merklinger, Mr. Herb. Merklinger, Mrs. Rogers and son and daughter, all of Hanover were guests of Mr. and Mrs. Arthur Ritchie last week end. Mrs. Andrew Ritchie returned with them and will remain over Show Day.
Mr. and Mrs. J. S. McIlraith went to Cromarty Friday last, their old home, where they attended the unveiling of a family monument, erected to the memory of the late Frances and Mrs. Hamilton, in the cemetery of the old Presbyterian church there, which had been built in 1853.

Building Rocky Bridge.
The old bridge across the Rocky Saugeen on the Garafraxa Road, is now down and operations under way for the erection of the new steel bridge in its place, which will be ten feet higher than the old one. To allow traffic free passage and cause no detours, a temporary wooden bridge has been built a little above the water, just west of the former one. This structure has been tested to carry a weight of 9 or 10 tons, so will be amply safe for any car or other ordinary traffic. The Good Roads gang are now working at Wilkie's Hill, half mile north of Tobernory corner. Elevations are being flattened out, the road broadened, and before many moons, Durham to Owen Sound will be one smooth, high-gear stretch.

A Sad Incident.
Passengers on the northbound Grand Trunk train from Toronto last Saturday evening were treated to a pitying spectacle, a young lady travelling alone and bound for Walkerton being the victim of one of the body's worst calamities. Before reaching Guelph, there was some trouble over her ticket, the lady acting in a nervous way and inclined to give the conductor little satisfaction. After leaving Fergus, she went into convulsions waving her arms wildly and talking loudly and in incoherent fashion. The memory and reasoning link had snapped and physical force by other passengers was necessary to keep the victim from self-inflicted injury. A doctor was secured at Palmerston, accompanying the lady to Walkerton. It was a sad home-coming for one household in our sister town.

Come and see the latest styles in Fall Millinery at Misses Truax.
Wreaths for the unveiling may be ordered at McFadden's drug store.
Watch for the Juvenile concert in aid of the Hospital. Oct. 6th in the Town Hall.

FIXED OATS.—Western feed oats 50c per bus., any quantity, without sacks, at Rob Roy Mills. Special price in large lots.

'Spirella Clearing Sale now on.' Also goods ready for delivery. Please call as we need the room and cash for new stock now ordered. Remember residence parlors easily found at Middaugh House.

Rev. Dr. Farquharson last week sent a contribution to the Memorial Fund: another of the one-time Durhams, who wish to associate themselves with the honor being done to the fallen soldiers.

The Ladies' Aid of the Methodist Church will hold a sale of home made baking and refreshments Saturday afternoon, Sept. 23rd, from 3 o'clock on, in the basement of the church. A candy and handkerchief booth will also have a place.

Thanksgiving Day, Nov. 6th.
Thanksgiving Day this year will be November 6th, the date having been fixed by Parliament at the 1921 session, and designed to fall on Monday of the week containing Armistice Day, which is Nov. 11.

Varney has New Blacksmith
Mr. Wm. Portice of Kincardine, has bought out the blacksmith business in Varney from John Noble who will henceforth devote all his time to implements with headquarters in Durham. Mr. Portice was an overseas blacksmith and this community will welcome him. He is now in charge.

Donations to Red Cross Hospital

The Durham Red Cross Memorial Hospital is now nearing completion and as it is hoped to be ready for the reception of patients about the middle of October, a few facts in connection with it may be of interest to the public.

The ladies of the local branch of the Red Cross Society were the originators of the scheme, and to them must be given the credit of raising the first money needed and planning the details. They elected a Board of Trustees from the citizens of the town, and on which all the denominations are represented. These Trustees purchased what is known as the old English Church Rectory on the hill overlooking the town and including two and a half acres of ground. The cost of the property was \$2000, but a great many improvements and alterations were required to make it suitable for the purpose, and this, with the furnishing and equipment will cost an additional \$6000. To raise this amount of money will require considerable effort, but although no attempt has yet been made to ask for assistance, many friends of the cause have come forward without solicitation and most generously contributed towards it, and the Trustees are taking this means of publicly acknowledging the following cash subscriptions:

- David Hopkins, Sr. \$100
- Dr. J. L. Smith \$100
- John A. Graham \$100
- Dr. and Mrs. D. Jamieson \$500
- The John E. Russell Co. \$200
- County of Grey \$500
- A Friend \$100
- A. H. Jackson \$100
- Dr. J. G. Hutton \$50
- Dr. D. B. Jamieson \$200
- Women's Institute \$50
- Robt. Macfarlane 100
- John Kelly \$100
- Mrs. Arrowsmith \$5

Many other subscriptions have been promised and are expected when asked for and will be publicly acknowledged when received. Other donations in furnishings and supplies have been given most freely, amongst which may be mentioned:

Mr. John E. Russell has given all the radiators and the furnace for the new heating system, valued at about \$600.00.

The T. Eaton Co. of Toronto, is furnishing and equipping the operating room at a probable cost of \$500. Mr. Frank W. Vickers, a former Durham boy, now manager of the Rentree Manufacturing Co., is giving one of their best Barnet Refrigerators. Mr. C. M. Bowman, of Southampton has sent a splendid Kitchen Cabinet. Mr. J. H. Harding gives the kitchen range.

Mr. D. C. Town, a Hall Clock. Mr. Oliver Hunter, knives and forks. Cross & Sutherland, spoons. The Provincial Red Cross Society have given fifteen hospital beds and a large quantity of bed supplies. Mr. C. L. Grant, sheets. Mr. Robert Burnett, blankets. Mrs. Morlock, ticking. Standard Bank, office table and roll top desk. Mulock Women's Institute, a silk quilt.

The Durham Club, of Toronto, have sent a large supply of towels, sheets, pillows, etc., also \$50 cash. Drs. Jamieson & Jamieson, a steam sterilizer. Mrs. Horne, former teacher, a bed and mattress. The Cameron Children, set of aluminum dishes for kitchen. J. & J. Hunter, blankets and sheets. Mr. J. H. Snell, a Singer Sewing Machine. J. & C. McLachlan, dinner set. R. L. Saunders, cups and saucers. Miss Ruthford, dishes. Jno. McKechnie, groceries. T. M. McFadden, silver cup, value \$50, donated to winning football team on Sports' day.

Mr. A. A. Catton has given considerable of his time for two or three months in overseeing and work on the hospital building.

It has been decided that any person or Society giving to the amount of \$100 shall have a bed named for them with an inscribed tablet on it. Any subscriptions of \$200 or over will have a room named for them. There could be no better monument to the memory of any person than having their name perpetuated on such a useful and deserving public service, and there are still a number of vacant places for any who desire to contribute.

It is expected to have a public opening some time in the near future, when an opportunity will be afforded for everyone to look over the place and see what a splendid institution has been instituted.

The Red Cross ladies intend holding a show, when it is hoped that all the fruit, vegetables, pickles, &c., that will be needed this season will be freely donated. In the meantime anything useful will be gratefully received, such as feathers for pillows, or any of the hundreds of things that will come in useful.

The services of Miss Fettes have been secured as Matron or Lady Superintendent, and she comes with the very highest testimonials as a Nurse and Manager.

Monument Unveiling on Sunday

As the day approaches for the unveiling of the monument to the memory of the fallen in the war, the interest deepens.

Comrades of the fallen will don the trappings of war once more and will form in procession to the number of about 40.

The Girl Guides and pupils of both schools are also expected to march in the procession, with banners. The town, the churches and other bodies will present flowers, and in many ways the proceedings will be impressive, forming lasting memories.

Public representative men will be on hand, with the local clergy to give addresses and direct the thoughts of the people into channels of gratitude for the blessings that followed and were won for us by the soldiers that died.

We regret we are unable as we go to press to give the program of the day in full, but the committee are doing everything in their power to make the day the success it ought to be.

Mr. Allan Bell assures us there will be 75 in a massed choir to lead the singing. And this with platform oratory, the Dedication prayer, community singing, the presence of the Girl Guides and massed children, will create a fitting atmosphere for the function in which Durham and community honors itself, by honoring the memory of the brave.

Mayor Allan will open the proceedings about 2.30 o'clock.

Mr. J. P. Young of Orangeville, is a guest of his niece here, Mrs. J. H. Harding.

Miss Agnes Nichol spent a week with her sisters in Toronto during the Fair.

Mr. and Mrs. H. C. Gloin returned last week end from their honeymoon and on Monday left for their new home at Bismarck in the Niagara peninsula, accompanied by her mother, Mrs. F. Kelsey, who will spend a week with them.

The friends of Mr. Frank Harris, an old Durham boy, but now of California, will extend to him the best of wishes on his marriage on the 17th of August, to a young lady of that state. The Review joins the number of well-wishers.

Misses Rose, Culliton and Annie McManamon of Toronto and Messrs. Hugh and Chas. Mathews of Melancton, visited at Mr. and Mrs. M. McAuliffe's on Sunday.

Mr. George Catton was home this week after the funeral of his wife in Mt. Forest, returning to Toronto Wednesday with his mother.

Mr. J. A. Rowland of the Royal Bank has sold his residence to his neighbor, Mr. D. Leith, and leased it for a term.

Mrs. Nell Clark and daughters, Misses Marjorie and Laura, removed to Owen Sound on Friday, where they have purchased a home and will in future reside. Miss Laura was a faithful employe of the Review, and will now attend business college in that city.

Mr. McDonald from Ceylon, with his wife and family are moving shortly to Durham and will occupy the rear section of the stone residence in Upper Town, opposite the Review Office. Mr. McDonald is a brother to the late piper, Dan McDonald of Pricerville.

Miss F. B. Nichol left Saturday for Muskoka to attend the "Students' Christian Conference" held at Elgin House from Sept. 18th to 26th inclusive, where 600 students are expected, who then return and enter their different courses at the various colleges. Miss Florabelle pursues her second year at Toronto University.

POWER FARMING

With the Fordson Tractor

THERE is no power farming job that the Fordson cannot do better, cheaper and faster than it can be done by any other source of power.

At those frequent times of crisis on the farm when quick action means everything—the full significance of Fordson reliability in a pinch is appreciated. Twenty-four hours each day, every working day in the year, it will give maximum service.

The time to buy a Fordson is now. Look ahead. Get this power farming vision. Use the precious fall months to advance the work on the farm. Have your Fordson on hand and on the land to solve many problems.

Then, during the fall and winter your Fordson will more than pay for your investment by handling every kind of drawbar and belt work, such as plowing, silo filling, threshing, pumping, baling hay, manure spreading, hauling wood, roadwork, and supply power for farm lighting plant and electrical appliances in the house.

The Fordson has a drawbar pull of 1800 lbs at 2 3/4 miles per hour and 2500 lbs at 1 1/2 miles per hour. It has a road speed of 12 to 14 miles per hour and can be used with success for heavy road hauling.

Price \$395 plus sales tax, freight and exchange
