Thumb Partly Off.

While operating a trimming saw in his work at the furniture factory last week, Councillor J. C. Adams had nearly an inch taken off his left thumb. It was a painful injury, and will necessitate a few weeks of enforced idleness.

Our North Egremont correspondent tells us a gratifying church growth, that is as striking as it is unusual. To have 37 new members added to the roll at one time, in a country church, 26 by profession of faith, shows a rare appreciation of spiritual things, and must have warmed the heart of Pastor Burnett.

The Library Board are striving this year at considerable expense to put their building in good shape outside and in. This week the Ritchie Bros. are giving the inside walls a going over and readers are requested by the Librarian to wait till Saturday evening for exchange of books. A meeting of the Board will be held on Saturday evening.

Underwent Operation.  
Mr. Mike O'Neil, of Delisle, Sask., an old Glenelg boy, was recently stricken with appendicitis and was operated upon in St. Paul's Hospital, Saskatoon, on Friday, Sept. 22nd. He is, we are pleased to state, recuperating nicely. The doctor who successfully operated was Dr. Peterson, husband of Miss Georgie McCrae, formerly of Durham.

A shower in aid of the hospital baby ward will be given at the home of Mrs. J. F. Grant, Thursday, Oct. 12th, from 3 to 6 p. m. Any plain garments or materials for making them, or any article suitable for an infant gratefully received. Bring your donations and have a cup of tea with the Mother's Club.

The North Battleford News of which Cameron McIntosh, B. A., citizen of Dornoch in the past, is now editor and publisher, surpassed itself two weeks ago. A special issue of 24 big pages, representing the whole of North Western Saskatchewan, bespeaks enterprise of no mean sort. The industrial, agricultural and other features of North Battleford and towns and villages around are well brought out by descriptive reading matter and attractive illustrations.

Teachers Meet in Markdale.  
The annual Convention of South Grey Teachers takes place next Thursday and Friday, Oct. 12th and 13th, in Markdale. There is an unusually interesting program, the main speakers being Mr. J. R. Seavey of the Normal School, Hamilton, on "The Spirit of the North" and "Class room hints on Teaching, Drawing and Colour." Other talks will be on "Difficulties of young teachers" introduced by Inspector Wright; "Trip to Europe" by Miss Mildred Leeson, Ayton; "Teacher and Trustee" by Mr. Geo. Binnie, Bunnassan; and "Primary Work" by Miss Gertrude Cole, Durham.

Peaches Grown in Durham.

We are getting more like Florida every day! Last week Mr. C. Elvidge showed us two large peaches grown in his own garden from a little tree sprung from a peach stone. It had four blossoms on it in the spring and developed three peaches, easily of No. 1 size. The stone was thrown out four years ago this fall, and next spring other shoots were hoed out, but on discovering what they were, this tree was left to grow. Second growth raspberries are now quite common and the Editor's table has been graced by this fruit several occasions recently. Mrs. David Jackson is also picking strawberries in considerable quantity.

The total receipts of Orangeville Fair amounted to \$1,646.05, an increase of \$441.50 over last year.

Owing to the high price being asked for wood, Acton council is having by-law prepared which will require that all transactions in wood shall be upon the basis of 128 cubic feet to the cord. Every vendor offering wood for sale in that town will be required to make all sales on this basis.

Anniversary services will be held in Varney Methodist Church on Oct. 15 and 16. Rev. G. Scott of Holstein will conduct the services on Sunday at 11 a. m. and 7 p. m. On Monday evening a supper and a good program. Admission 35c and 20c.

A special service of thanksgiving will be held in Trinity Church on Friday, Oct. 13th. It is to be a civic gathering, all are welcome, and the Council will attend in a body. The Reverend Archdeacon Fotheringham, M. A., D. D., rector of Grace Church, Bradford, will be the special speaker.

Likes the Review.

Thos. McKeown, Cut Knife, Sask., in renewing his subscription to the Review, says, "The Review is a fine paper and we appreciate its value more so when we live far from our old home. Threshing is finished in this district. Wheat crops were very good for such a dry season. Wheat averaged about 15 bushels to the acre but the oat crop is very light."

Auction Sale.

The undersigned Auctioneer has received instructions to sell the household furniture and chattels of the late Miss Rutherford at her late residence on Friday afternoon, Oct. 10th at 2 o'clock. Terms cash. The property will also be offered for sale at the same time, subject to a reserve bid.

Dan McLean, Auctioneer.

Property Changing Hands.

Upper Town real estate has been changing owners the past week and the new tax payers will shortly find what a healthful ozone it has. Mr. John Noble, recently blacksmith at Varney but now implement agent in town, has purchased the Wilson property on Durham Road, now occupied by Mr. Alf Redford. Mr. Noble gets possession next month. Mr. Wm. Martin, shoeman, has purchased the residence of Nurse Carmont and will also get possession this fall. Nurse Carmont has bought a home in Mt. Forest, near her sister, Mrs. Tai, and will doubtless continue nursing in that town.

An Orange Funeral.

Trinity Church was filled to capacity and more on Saturday last at the funeral of the late Jas. Matthews. A large number of old Egremont neighbors, among whom he spent the best part of his life, were present with many from town. His pastor, Rev. F. G. Hardy, preached an eloquent comforting sermon and was evidently personally moved over the loss of one of his staunchest stand-bys in church affairs. In a brief eulogy of deceased he said he was sure he had attended 98 per cent of the services since he came to Durham. Quite a number of his Orange brethren paid the last tribute by marching in a body to and from the church. Interment took place to Maplewood cemetery.

The Methodist Anniversary services held last Sunday, were most successful both in attendance and character of the services. The church was thronged in the morning and in the evening the congregation overflowed outside on the steps. The speaker of the day was Rev. A. P. Latta of Mt. Forest, who delivered two eloquent sermons, which the congregations well appreciated. Special music was a feature. Besides new anthems by the choir, the male quartette assisted, also Messrs Bert Saunders in the evening and W. Benson in morning in well rendered solos. Contributions totalling \$300 was the objective asked, and \$375 was placed on "the plates, which with additional donations yet promised, will reach about \$400.

Canadian Greys' Active

Canadian Greys' Chapter, I. O. E. held its monthly business meeting on Tuesday evening at the home of the Educational Sec'y, Miss Alma Hughes. Miss Julia Weir, B. A., 1st vice regent, was in the chair. Important business was disposed of. The Order, on completion, intends to furnish a ward in the new Red Cross Hospital. Poppy day will be suitably remembered on Nov. 11th, the Chapter again selling poppies. The erection of a new Town Hall for the near future was discussed and active steps will be taken in that direction very soon. On the 25th of November, there will be a "Parcel Post Sale" to raise funds for this very necessary undertaking. Keep this date in mind. At the request of the Rector of the Anglican Church, the Daughters will attend in a body, the Harvest Thanksgiving Service on Oct. 13th.

## Death of Alex. Niven

Sunday last the call came to Alex. Niven, who for some years past has been in indifferent health, but not until a few months ago confined to the home. In his stronger days he had a useful career and was industrious and thrifty, and a man of unbending integrity. He was born in Scotland 77 years ago and came to Canada in 1866 and for a number of years farmed on the 22nd con. of Egremont. Later he married his present wife, a relative of the Governor of Armesia. A daughter was born to them but about five years ago she died greatly mourned. One of her two children, a boy, makes his home here, the other went with his father's people. A sister of deceased died about a year ago. At the funeral on Tuesday, several members of the Oliver family and Mrs. Turner were present and many neighbors and friends who respected him in life will not soon forget the kindly soul.

## Struck Cow; Four Injured

Four young men from Mt. Forest figured in a serious auto mishap near Livingston's Corners, four miles west of Durham on Friday night. They had hired a car from Rooney's livery and were en route to Hanover. Trying to avoid hitting a colt on the road, Earl Morrison, the driver, ran into Robt. Johnston's cow, which had just been driven out onto the road. We are informed, to the pasture. The cow died three minutes after being hit, and with the sudden jar, the car overturned, three of the boys being thrown clear. Morrison had his shoulder blade dislocated, A. J. Keen had face badly bruised and J. W. Murdoch got off with a severe shaking up. Percy Steele was pinned under the back of the front seat of the car, seriously injuring his spine. He was removed to his home in Mt. Forest Saturday on a stretcher. The auto was badly wrecked, and who will settle the damages is still in dispute.

Rally Day Service was held in the Presbyterian church Sunday afternoon, conducted by the Supt., Mr. Jno. Snell. The church was nicely decorated with flowers and vegetables and two special musical numbers featured—solos by Miss Esther McComb and Archie Turnbull. Rev. W. H. Smith held the rapt attention of all, as he specially addressed the little ones on "Our part in extending Christ's Kingdom."

At a grand banquet Tuesday evening at the Walker House, Toronto, 40 Deputy High Chief Rangers of the Independent Order of Foresters, for Central Ontario, were created and installed. Among them are: John Morrison, Durham; F. P. Reilly, Priceville; J. C. Kennedy, O. Sound and Geo. Mason of Mt. Forest. The High Chief Ranger, W. H. Hunter, reported that on two investments the Order had cleared \$310,000, and that \$3,000,000 had been invested in Govt. and Municipal Bonds.

Funeral of Mrs. Dave Young.

The funeral of Mrs. Dave Young, Glenelg, to Zion Church and cemetery Friday last was largely attended, and to a large extent gave expression to the sympathy that is felt for the sorrowing husband and family of deceased. Rev's Aird of Mulock and Cole of Durham, had charge of the service, the latter giving a comforting discourse from Isaiah 40: 1, "Comfort ye, comfort ye, my people." Mrs. T. M. McFadden of Durham and Mr. W. J. McFadden, Armesia, each rendered solos appropriate to the occasion. Many beautiful floral tributes bespoke love and sympathy. The grave was draped by loving hands and robbed of its cold and austere appearance and the pall bearers were six neighbors of the bereaved household.

In aid of the Hospital, a fine Juvenile concert is being given in the Town Hall, under Mrs. Cole's training, which bespeaks for its quality, on Friday evening, Oct. 6th. Admission 35 and 25 cents. Plan of Hall at Variety Store.

Flesherton Fair Record Breaker

With ideal weather East Grey Fair had a record attendance Friday last, and was the most successful in many years. The exhibits in all lines were full and very fine. Sixteen horses were in the ring for the races which were keenly contested. Led by the Flesherton Band, the public school parade, in which six schools took part, was a pleasing feature. Miss Agnes McPhail, M. P., formally opened the fair with an address which was well received.  
Rally Day at No. 9, Glenelg.

Mr. John Bell who was in charge of a Mission field in Manitoba, the past summer, gave an interesting resume of his work and the building of a church there, and Mayor Allan of town gave the main talk on "Our part in extending Christ's Kingdom." ### An Ideal Realized

"I will build a motor car for the multitude. It shall be large enough for the family, but small enough for the unskilled individual to easily operate and care for—and it shall be light in weight that it may be economical in maintenance. It will be built of honest materials—by the best workmen that money can hire—after the simplest lines that modern engineering can devise. But it shall be so low in price that the man of moderate means may own one—and enjoy with his family the blessings of happy hours spent in God's great open spaces."

Behind every great undertaking is a great ideal, born of great and sincere aspirations. At the time when the Ford Motor Company was organized, Henry Ford expressed his aspirations in this statement. The degree in which this ideal has been realized is measured in the world wide popularity of the Ford Motor Car—the latest price reduction on which has just been put into effect—thus fulfilling Mr Ford's ideal of building a car for the multitude.
