Farm Crop

CUMDUCIEU BY PROP. HENRY G. BELL The object of this department is to place at the service of our farm readers the advice of an acknowledged esthority on all subjects pertaining to soils and crops. Address all questions to Professor Henry G. Bell, In care of The Wilson Publishing Company, Limited, Toronto, and answers will appear in this column in the order In which they are received. When writing kindly mention this paper. As space is limited it is advisable where Immediate reply is necessary that a stamped and adcressed envelope be enclosed with the question, when the enswer will be mailed direct.
