HAVE YOU ANY MONEY IN THE BANK?

THERE is an old-fashioned theory which some people still cling to-that a bank wants no dealings with them unless they have "lots of money." Such is not the case with this bank; you will be welcomed whether you have \$1 or \$1,000 to deposit. Open an account with what you feel you can spare now and add to it regularly as "pay day" comes around. It is a comforting feeling to know that you have several hundred dollars put away safely in the bank.
