HOLSTEIN LEADER

LOCAL AND PERSONAL

Holstein Women's Institute will hold a Social on Friday evening, Nov. 10th. Program and games. The medal will be presented and the refreshments will be something out of the ordinary. Admission 25c and 15c.

Rev. Dr. Burrows, Nitsburg, Pa., is visiting his mother and other friends. He occupied the pulpit in the Presbyterian church on Sunday evening.

Miss Mabel Hopkins visited friends in and around the village last week.

R. Christie is shingling the Agricultural Hall and E. Thorne is erecting a fire escape at the school.

The cement work of the Naismith bridge is nearing completion. The hill cutting on either side is progressing well.

The fowl supper in the Methodist Church has been postponed indefinitely.

The residents of the village and surrounding country were shocked on Monday morning when they learned that Mr. J. A. Main had received a message from Prescott that his brother Harold had been killed in an auto accident on Sunday afternoon.

It happened near Manolick in the far eastern end of Ontario, on the Ottawa-Prescott highway. The deceased's fiancée, Miss Violet Swan, of Prescott was driving at the time, and was making a turn. Harold, thinking the car was too close to the side of the road, reached over to take the steering wheel from Miss Swan. The car swerved to the left and turned over twice. Miss Swan was uninjured, but Harold was thrown through the windshield, and suffered a fractured jaw and a three inch gash behind the ear. Death was almost instantaneous.

The deceased was 28 years of age and one of the finest young men who ever left Holstein. He was the youngest son of Mrs. and the late Adam Main, who died a few years ago. Besides the grief stricken mother, four brothers survive—Wm., Alex and Nelson in the West and John on the home farm near Holstein.

Messrs. J. A. Main and J. Orchard left Monday morning, and returned Tuesday evening with the remains. The funeral will be on Thursday it is expected or as soon as his brothers arrive from the West. Much sympathy is extended to the bereaved relatives.

Later—the funeral, we learn, will take place Friday afternoon at 1:30.

ORCHARD
We are having beautiful weather again which will enable people to get a good deal of ploughing done. The local prophets prophesy a spell of nice weather while.

Mr. Norman Dickson, of Hespeler is visiting a couple of weeks with his cousins here.

Mr and Mrs Jas. Johnson and family visited at the home of her mother Mrs. J. Douglas on Sunday last.

Everybody enjoyed Mr. Mercer on Sunday—the pastor on the Drew circuit. Mr. West and he exchanged pulpits on account of Letter Breen Anniversary Services being that day.

Mr and Mrs W. O. Pinder and family Sundayed at his uncle's, Mr. Greenwood.

On Tuesday evening Mr W. G. Dickson entertained the Sunday School of a Halloween party which consisted of music, games, stories and fortune-telling, and last but not least an appetizing Halloween supper.

One of Mr. Jacob Smith's horses took suddenly sick near Mt. Forest one day last week and Mr. Smith was forced to leave the animal there for the night and bring the wagon home with a single horse. However we are pleased to say it is on the mend again.

Miss Belle Kirby has returned home again after spending a few weeks working in Mt. Forest.

St. Paul's Festival Services Were All Crowded

The Harvest Festival Services held in connection with St. Paul's Church, Egremont, on Sunday and Monday, were in every way successful. Fine weather favored the gatherings and at the Sunday and Monday evening services, the church was jammed to the doors, many attending from a considerable distance. Rev. C. L. Gilbert, L. Th. rector of Hanover, won the attention and commendation of all in two excellent discourses Sunday, while the Men's choir of Trinity Church, Durham, was a new feature in the Sunday evening service, whose music was much appreciated.

Monday's social and entertainment was as enjoyable a night as has been held at St. Paul's. There was a sumptuous fowl supper where all were amply satisfied, followed by an entertaining program in the hands of G.M. Leeson, M.P.P. The Dromore choir are favorites along musical lines and their anthems and other numbers were well received. E. D. McClocklin of Durham gave readings which evoked much merriment and other numbers of a bright program comprised addresses by Rev's Smith or Durham, Burnett of Dromore; duets by Misses Elsie Boyce and Adeline Graham, Misses Esther McComb and Emily Smith, Durham, and by the Lennox twins; solos by Mrs. Geo. Brown of Durham; cornet solo by Mr. Frank Bunce, Durham; Recitation by Miss Amanda Matthews; duo singing by Misses Amanda Matthews and Eva Lawrence.

The congregation and pastor, Rev. F. Hardy, are delighted with the all-round success of the services.

ON BLYTH'S CORNERS

The wedding of last week a quiet but fashionable wedding took place at the Manse, Dromore, when Miss Mildred Damm, second eldest daughter of Mr and Mrs Henry Damm, became the winsome bride of Mr Elton Lewis, eldest son of Mr and Mrs Geo Lewis at the "Corners." Congratulations.

Rev. Mr. Smith, a returned missionary on furlough from India, preached in Knox Church on Sunday last to a good full church. The Rev. gentleman is heart and soul in his work and labor of love over there and gave a very interesting and inspiring sermon which was listened to throughout with rapt attention.

The Sunday School entertainment in Knox on Friday evening next, Nov. 3rd, promises to be like Bob Moffet's oxen—"be we ever last." The two popular teachers, Miss Browning of the Corners and Miss Caswell of No. 1 are sparing neither time nor trouble in training the children, and a rare treat is promised all who come.

Tommy McAllister would be a good man to canvass for aid for the Northern sufferers. While busy threshing the other day, the whole bottom went out of his granary, letting his big pile of grain down into the stable underneath and narrowly escaped smothering some live stock and a man. As Tommy is a big-hearted man we wouldn't be surprised to see him lugging out a load or two for the poor and needy.

Two threshing outfits are still threshing away on either side of us. This has always been a very coveted line with the threshers.

NORTH EGREMONT

Rev. David Smith, a missionary on furlough from India and a one time pupil of No. 12, in his early days, gave an interesting and lengthy discourse on India and his experiences there. The wonderful results obtained in christianizing the natives, was uplifting and encouraging. He stressed the fact that as stewards of God, it behooved us to bestir ourselves still further in the great work. A pleasing and clear speaker, he was rapturously listened to and met afterwards with many old friends. He again addressed the C. E. in the evening very pleasantly.

Mr. Wm. Eccles is home from the West and has improved the highway by dragging the township roads up to his neighborhood.

The young people of this part turned out in large numbers to St. Paul's fowl supper and concert on the 2nd cont. where Rev. J. Burnett and the choir of his church took part fourteen strong, with Miss A. Rowick presiding at the organ.

Mr. Roy Lawrence had an unfortunate break to his engine, through a flaw in the bearing of the fly wheel shaft, causing a few days' delay in making repairs. He has it again in fine running order.

We were pleased to meet Mr. and Mrs. Angus McKelvey, Mr. and Mrs. Dan McKelvey, of New Liskeard and Mr. Geo. McKelvey of Toronto, all old residents of this neighborhood, while back to the old home on the sad occasion of their mother's funeral. The former visited at Mr. Angus Hooper's last Saturday afternoon.

New Telephone Line Up.
Robert Wightman & Sons, have just completed their new Telephone line east of Ayton, No. 31. This line is undoubtedly one of the best equipped in Ontario, having all the latest ideas in telephone construction work, such as steel transmission towers on cross arm line; saw-tooth arresters, which will not cause any trouble during an electric storm; porcelain knobs and hooks are used at houses to avoid trouble after storms. The instruments are of the "Stromberg-Carlson" type, which is one of the best telephone instruments on the market today. The subscribers on this line may rest assured that they have one of the best equipped lines in Western Ontario.—Ayton Advance

Fire Near Desboro.
About one o'clock Friday morning last, a fire totally destroyed the fine

big barn belonging to Mr. Herman Taschke near Desboro. When discovered the flames had made very great headway. Besides the barn, which was an excellent one, Mr. Taschke lost three horses, six cows, four calves, number of pigs and hens and this season's crop. There was about 1200 bushels of oats, 100 bushels of wheat, 50 tons of hay, and considerable other crop in the barn. His loss will be about \$8000 with \$1500 insurance on barn and \$2000 on contents. The origin of the fire is unknown. Neighbors turned out in large numbers to assist in salvaging but the fire had gone too far to permit of their services being of any avail.

Easier to Prevent
It is human to neglect health, but it is very unwise. It is far easier to prevent than it is to correct weakness of body and strength.

Will you give 15 minutes this week for a lifetime of foot comfort?

Probably not one person in ten realizes that there is anything particularly wrong with his feet—and yet army statistics have conclusively shown that at least seven people out of every ten are suffering from some form of foot trouble.

As you study the chart at the top of the page, you will note, perhaps, certain symptoms which have occurred at some time with you.

This week—from now until the close of business next Saturday—is Dr. Scholl's Demonstration Week. During this week an opportunity is offered to you to find out, definitely,

positively, the condition of your feet and the corrective methods, if needed, which will bring relief.

If your feet tire easily, if they ache and burn and perspire, if a moderate amount of walking seems to bring excessive fatigue, if you have corns or callouses or bunions, weak arches, "weak foot" or flat foot, or pains in legs and hips that are rheumatic-like in their intensity, you owe it to yourself to find out the real cause of these conditions.

This week, also, we will be glad to present you with the items listed in the coupon below, as long as our supply lasts.

SPECIAL COUPON—FREE!
This coupon will entitle the holder, when signed and presented at our store, to:
1. Dr. Scholl's Corrective Foot Exercise Chart
2. Booklet, "Treatment and Care of the Feet"
3. One sample of Dr. Scholl's Zino-pads
and, if desired by the undersigned, a complete foot and shoe trouble analysis and demonstration.
