Monday, 13th Nov., 1922, fine and Indian Summer like, which is highly appreciated by all classes of the community. It is said that we are to have a mild winter: we hope the predictions will become a reality.

The sick people are getting better. Mr. Thos. Ferguson who was laid up for the past couple of weeks is able to be up again but not strong as yet Mrs. Dougald McCormick is yet feeling very well for a lady of her age being many years above the highest allotted to man. She has the best of care by her nephew and niece, Mr. and Mrs. Colin McLean, South Line, Artemesia. Mrs. McCormick is one of the oldest pioneers of the vicinity of Priceville, coming to the Durham Road, Glenelg, with her father and mother's family, the McLachlan's, nearly 74 years ago when a young girl.

Mrs. Robt. Shortreed spent a week visiting friends at Galt and returns this week.

Mrs. McDermid who was laid up for a couple of weeks is getting better again. Rev. Mr. Rose of Corbetton and

On Saturday, the 11th inst, the funeral of Mr. Fred McArthur took place | Will Build Separate School from his cousin's residence, Mr. Angus Kennedy, to McNeal's cemetery. Mr. McArthur was well known all over the neighboring townships, being an agent. He was one of the early settlers in the vicinity of Priceville and was about 77 years of age. He took pneumonia while at Mr. H. Greenwood's, east of Durham, and here he died. Fred was a great politician, being a strong reformer and always full of wit and humor. The funeral was fairly well attended considering the short notice given. Rev.

Missionary Society Meets

The W. M. S. of the Presbyterian Church met Thursday last, Mrs. And vew Derby, President, in the chair. There was a good attendance and a good collection. Miss A. Gun took the paper, which was on French Mission work in Canada and showed what it means religiously and politically to christianize these people. Mrs Stonehouse contributed a story on "Thankoffering" and was well read. If you cannot go yourself, you can help others to go and help those who are there. Mrs. A. Jackson and Mrs. W. Lauder were appointed a visiting committee for this month. Ways and means were discussed for decreasing the missionary deficit and it is expected that all the ladies or the congregation will help in this.

A Monster Convention

No such Prohibition Convention was ever held in Ontario, as one that will meet in Massey Hall from Nov. 23rd to the 29th. The combination includes the Ontario Provincial Convention, the Dominion Alliance and a World Convention at which will be in attendance, representatives from many nations, provinces and states: Switzerland, France, India, England, Spain, Australia, Belgium, Scotland, Denmark and of course some eminent leaders from the United States and Canada. All churches and temperance and moral associations are entitled to send delegates. Railways give a rate of a fare and one third for round trip, on the usual plan. Persons not regular delegates who desire to attend the sessions, have the same railway privileges.

The Teronto Hockey League have circularized hockey towns throughout the Province, seeking to start a movement for the formation of an Ontario Ladies' Hockey Association with District groupings and compet:tion, similar to that of the sterner sex. He was to have the use of the present consurting room and drugs and appliances free. He also wished to retain in perpetuity as his own room No. 27, to be used in case of sickness of himself or family.

Dr. -Groves further stated that he would give the use of all the grounds at present used by the hospital, free of rent until such time as he may require it, or any part of it.
