Will Have Fine Parlors

Mr Sam Levine was home over the week end from Toronto, where he has sold out his billiard and pool parlor. He left Tuesday for Niagara Falls where he is opening up a new parlor, which is to be well equipped with four bowling alleys, four pool and one snooker table.

Notice!

I find I am carrying too many accounts on my books. As billing does not seem to bring results, I will be forced to resort to other measures after the 20th of December. I must have money to meet my own obligations.

J. N. MURDOCK, Durham

Visiting Hospital Hours

The Hospital in Durham appears to be filling a long-felt want, judging from the use made of it. The staff would take it as a great favor in a busy time if visitors would strictly adhere to the visiting hours, which are from 2 to 4 p. m. and 7 to 8 p. m. on Tuesdays and Fridays, 2 to 4 p. m. and 7 to 9 p. m. on Sundays.

Flag Pole Wanted

Who, among country friends of the Memorial Monument, will supply a flag pole to be erected near by? It would be a grateful gift and thankfully received by the Committee, 50 to 60 feet long, straight and free from knots and the requirements. Mr A. H. Jackson has generously promised to supply a suitable flag if the pole is secured.

Refused the Town Hall

The McPherson Evangelistic Band comprising the McPherson himself, Mrs. Sharp and Miss Mooney, applied for the Town Hall for a ten-days' campaign of preaching and healing. The Council declined to accept their dollars or give the use of the Hall and they have gone elsewhere to conduct their Pentecostal propaganda.

Red Cross Bazaar

The Ladies of the Red Cross Society will hold a bazaar on Saturday afternoon, 2nd of December in the Odd-fellows' Hall, above Levine's Store. The Society have had an advertised for the past two weeks to be held in the Town Hall, but feel that the Odd-fellows' Hall on Main St. would be more central. Refreshments will be served, also hot pork and beans at tea time. Doors open at 3 p. m. Any donations of fancy work, candy, home made baking, cream, butter, etc. will be thankfully received. Proceeds in aid of the Red Cross Memorial Hospital.

The Men's Class

Next Sunday at 2:30 the fellows will discuss "The Casual Laborer." There are in America between ten and twelve million unskilled workers of whom nearly four million move from town to town or across the continent to secure work. These men lose touch with home, lose the vote, lose the restraint of society and law, lose all regard for church and religion from this soil and here we find the most dangerous industrial and human situation that society faces in America. A steady job, a living wage, a good home and old friends are among the things most worth while and we ought to help every man to get them.

Publishing the Mailing List

The Editor of the Palmerston Spectator has hit upon a happy idea for making delinquents come across with arrears on subscription. He has decided to publish the mailing list and this week printed the first instalment. For bringing in the cash we couldn't imagine a more effective method and we'll venture that Bro. Shibley will take in a lot of coin before next week's issue appears. We think of the scheme once ourselves but decided to let someone else do the pioneering. If it's a success in Palmerston, we're almost sure to try it out, so now is the easiest time to have your label doctored, so that it reads in advance.

Something to remember—the "jazz band" at the Band Concert, Dec 7th. Special—A fine Cabinet Phonograph and 12 records for \$85, at McFadden's Drug Store.

Large Coal Heater in good condition. Will be sold cheap. Apply at the Review Office.

Wood for Sale—A quantity of wood dry, 16 to 18 in. in length, delivered any time. Apply Wm. Veir, R. R. 2, Durham. Phone 693, 3.

The young people of the Presbyterian church have been rehearsing for weeks, "The Dream of the Months." Don't miss it. Town Hall, Dec. 15. All seats reserved.

Clearing Sale at Spirilla Parlors

All sizes at reduced prices. All must go. Also the newly special ordered goods are ready for delivery. Please call at once.

Special preparations are being made for the Baptist Sunday School Entertainment Cantata, "White Gifts for the King" and "No room in the Inn." Watch for the date.

Sir Henry Thornton, the new head of the government railways, is back from England and at work in Ottawa, Montreal and Toronto as rivals for the head offices. Enquiry where they are to be, he evades by saying, "they are at present under my hat."

The annual High School Commencement Concerts will be held in the town hall, Durham, Thursday and Friday nights, Dec. 21st and 22nd. The teachers and students are preparing to make them equal or excel the best in past years.

The pungent "The Dream of the Months" is something new that will surely please you. Fine costumes, bright dialogues and catchy music—not a dull minute. Town Hall, Dec. 15th. All seats reserved 35c. Plan at McFadden's drug store. Secure your seats early.

Historical Society.

A meeting of this body will be held in the Library basement on Monday evening, Dec. 4. Mr. C. L. Grant is to give his recollections of the local excitement over the Fenian raid in 1865.

Notice!

Parents, beware of your children coasting on Durham Hill, Garatara Street. Such amusement is prohibited by by-law and is very dangerous to the public and to the coasters themselves. Violations of said by-law will be prosecuted.

By Order

The monthly meeting of the Women's Institute will be held at the home of Mrs. Rev. Cameron on Thursday, Dec. 7th. Good papers will be given on "Great Women" by Mrs. F. Irwin, "Current Events" by Mrs. Dr. Wolfe; Report of Provincial Convention by the delegates. Special music. Roll call will be answered by ideas and an exhibition of inexpensive Christmas gifts.

Presbyterian Ladies' Tea

The Ladies' Aid of the Presbyterian Church are introducing a series of church teas, one to be given each month. The first tea on Tuesday afternoon last was of the most pleasant nature, and there should be no reason why every lady of the congregation should not find it to her advantage to be present. A 25c collection is taken up and Tuesday's offering came to a little over \$13.00.

By-elections on Monday

Of the five by-elections to fill vacancies, three have been returned by acclamation, all Liberals. One of the others is in Halifax, and the Liberal there is almost certain of winning. The other is in Lanark and the keeper of the contest of the two, David Findlay is the Liberal candidate, Dr. Preston, Conservative. If the Liberal wins, it will be a gain for the King Gov't, but it is an old Conservative seat and issue doubtful.

Two more Patients in Hospital

Durham Red Cross Hospital is becoming a popular (if one may use the term) place to go when sick, or desiring an operation. Though only two weeks since the inception of patients no less than seven operations have been performed, all more or less of a serious nature. Since last issue, Mr. Will Petty, son of Mr. and Mrs. Thos Petty of town, came home to go under the surgeon's knife and on Saturday evening, Master George Hahn, son of Mr. and Mrs. Oscar Hahn underwent an appendicitis operation. Both patients, we are pleased to say, are progressing favorably. More patients are expected this next week and the need of a special night nurse is badly felt. The sick inmates are all improving and in splendid spirits.

HOSPITAL NEEDS

It is pretty well known that no formal canvass has been made for the needs of the hospital, generous friends having come forward voluntarily with funds and goods to provide a good start and a good start has been made. The present is a critical time as construction, equipment and other bills are coming in now and to meet them is the desire of the management, and should be of every loyal citizen. It is contemplated in the near future to make a canvass of the community to help out in this strenuous time. Many have already given liberally, others will follow as the needs of the situation are laid before them. Contributions will be acknowledged in the press when the canvass is over.

Crushed at Russell Plant Lied Later from Injuries

Crushed between a loading belt and a pulley at the Russell Stone Crushing Plant, on Tuesday afternoon, Mr. Jas. Agnew, an employee there, was very seriously injured and is reported to be dying this Thursday morning.

His right side was crushed in, several ribs being broken and some of these penetrated the lungs. As soon as possible after the accident, he was removed to the Red Cross Hospital, where every attention is available, but faint hopes are entertained for recovery.

Since the cold weather set in, in order to continue operations, it is necessary to shovel off the ice which gathers on the loading belt. The injured man was engaged in this work, when his shovel must have caught, drawing him in, and crushing his body against the pulley.

"Jim" Agnew, as he is familiarly known, has been employed at the Plant nearly two years, and was a steady workman. He is a married man, about 50 years of age, served overseas, and has a family of six children, one daughter married and a son grown up. He removed here from Listowel and was formerly a resident of Wingham.

Later—we learn that the injured man is dead.

Custom Chopping every day at McKechnie's Mills.

Don't forget the Box Social and Concert to be held in Aberdeen School house on the 15th of Dec. Ladies bringing boxes free. Proceeds in aid of Hospital.

Miss Mary McElraith gave an interesting talk on the American post Longfellow, and also read extracts from some of his poems at the Presbyterian Young Women's Auxiliary on Monday night.

Were Prize Winners

Mr. J. B. Rombough of Summerside, Prince Edward Island, an exhibitor in the Durham Fair, has been awarded a prize for his "Silver Blacks" which were prize winners. Mr. Rombough visited in Durham at the past summer.

Giving up Postal Duties

After being the "Postie" in Durham since the inception of the mail boxes a few years ago, Mr. Hugh McDonald, Upper Town, is succeeded by Mr. Harry Barnett. Mr. Barnett will commence his duties as collector of His Majesty's Mails next week. Mr. McDonald has been a faithful employee of the Government these years, for while it may look to some as a nice job, to others who know, it is no sinecure, when one has to tramp several miles twice a day, foul weather or fair.

Don't Miss the Band Concert

The concert under Band and Hockey Club auspices in the Town Hall, next Thursday night, Dec 7th, promises to be the best this season here. All who attended the last Band Concert in May 1921 will recall how they enjoyed it, and this one will be even better. The band has been practising faithfully, and have some splendid numbers to present, besides the jazz band, a humorous play, "Thirty Minutes for Refreshments," sketches &c. The plan is now open at the Variety Store. Get your tickets marked there early.

Bruce Well Represented

Mr. Dr. McCarty of Chungking, China, in a letter to F. McCarter of Paisley, states that there are over 20 persons in West China from different parts of Bruce Co. There are also others in other parts of China. "One of the greatest missionaries in all China," he writes, "is Dr. Mc Gillivray, who went to school at the same time I did, but in the next section, I often think we ought to have a Bruce-reunion in China. One of our pieces of property here we call "Bruce knoll."

Handsome Gift to Hospital.

Mr. Joe Cain has recently presented Durham's Red Cross Hospital with a handsome gift, and one that will be prized, more especially when it is his own work, learning the art of this form of handicraft, while recuperating in hospitals overseas. The gift takes the shape of a handsome wicker reading lamp, dome shape, and lined with red silk. The work is well done and is the result of much time spent upon it, for Joe is not only able to work in short periods, his health being anything but good.

Hold Successful Bazaar.

While not planned on as large a scale as the "Made-in-Canada Fair" of last year, Can. Greys I. O. D. E. held a successful bazaar on Saturday afternoon last in the basement of the Public Library. The basement lends itself well to decoration and the room carried a patriotic atmosphere with its stretches of bunting and display of flags. Fancy work, baking and candy booths, were well patronized, but the "Parcel Post" Department proved the most popular corner. Here were parcels of all sizes, neatly wrapped, with the price attached, and these were purchased, not knowing the contents. The purchasers were assured however that the article purchased was fully the value of the amount paid. Afternoon tea was also served, and at the close of the afternoon, it was found the Chapter realized over \$90.00.

Let a Personal Greeting Card Carry your Message of Xmas Cheer.

Christmas cards cost so little yet mean so much that you cannot afford to forget anyone. You can send 12 or 18 cards for approximately \$3.00. Consider the economy as compared with more expensive presents.

Every friend will appreciate a kindly message, not forgetting mothers—fathers—wives—the folks back home—your neighbors—relatives—friends and business acquaintances.

RIGHT ABOUT FACE

Another special meeting of the Town Council was held on Monday night and was a sequel to the one held the Monday previous. However the proceedings and atmosphere of this meeting were vastly different to that of the previous one.

It is reported that the Council had a discussion in regard to the Clark Metals had completely lifted, and a motion prevailed to rescind the action of the previous meeting and was carried unanimously.

The change of sentiment was brought about by information in the possession of the Reeve, which as Councillors Saunders, Smith and others asserted, had it been known there would have been no meeting held. The Reeve was hurrying away to his duties at County Council and omitted to give this information, hence the urgency meeting.

Then in the opinion of the Reeve and the Mayor, the Review was a sinner because it had a snappy item commending our "watchful council". The compliment which we intended in these words does not seem to be appreciated by our worthy mayor!

We recorded fairly the spirit of the meeting, never imagining our council was desiring secrecy, and anyway, long before the Review appeared on Thursday, the action of the Council was public property on the streets.

There is no desire on our part to injure any man or firm in our town, but we have yet to be convinced that a nice party to doings of Council should be condemned. It has been given to the knowledge possessed by the Reeve, this whole matter would never have arisen.

We are delighted to hear from two different sources that the Clark Metals was never in better circumstances than at present. We hope this will continue, all every difficulty is surmounted and their name and fame be placed on a secure pedestal.

FOR SALE—2 horse tread power, also grain chopper, 19 inch plate. Both in good condition. Apply at Review Office.

On Friday afternoon last, the County Council in session at Owen Sound granted the sum of \$1000 to the Northern Ontario Fire Relief Commission with the understanding that if further need was exhibited, the Council would deal with it at future sessions.

The annual entertainment of S.S. No. 1, Glenelg, will be held in the Schoolhouse on Wednesday, Dec. 20th. A good program of music and recitations will be presented by the "Pink Ridge" by the same group. Admission 25c, children 15c. Accommodation for horses provided.

Known in Glenelg.

The Regina Leader of Oct. 28th, reports a radio program given in that city especially for the Teachers' Convention held in Moosomin. One of the chief items on the program was an address by W. J. Bailey, Pres. of Saskatchewan Teachers' Alliance. Mr. Bailey is a brother of Mrs. A. E. Colgan of Markdale and was a teacher at Traverston some years ago, and his wife is Miss Stella Jack, one of Traverston's former girls.—Standard.

Mr. and Mrs. D. Ritchie Honored

Friday night last about 70 people of No. 9 Section, Glenelg, met at the home of Mr. Dave Ritchie, Upper Town, but who recently left that section, to spend with them a social evening and incidentally present them with something tangible, as a memento of the days spent in No. 9 Section. At an appropriate time in the evening the fun, Mr. and Mrs. Ritchie were called forward and to them were read an address by Miss Marietta Park, breathing good feeling and neighborhood. Messrs. Jas. Wilson and Arch. Park presented the family with six dining chairs and a couch bed for which Mr. Ritchie in a few words thanked them all. Mr. Robt. McFadden was made chairman of an impromptu program and called on Jno. McGirr, Jno. McEadyen, Thos. Bell, Jas. Wilson, Alex. Ajoie, Arch. Park, Jos. Atkinson to give short addresses. This was followed by an evening spent in the light fantastic. The party broke up about 2 a. m., having enjoyed every minute.

After three years spent at the Royal College of Art, Edinburgh, Mr. Will Milne returned to the home of his parents this week, and will spend some time in Durham. Will has been an earnest and diligent student and we are sure his three years abroad have only served to develop his brilliant talents in art and penmanship.

Canada Heads List of Butter Eating Nations

Statistics Show Per Capita Consumption is 27 Pounds per Annum

Canada comes first in a list of thirteen nations in the per capita consumption of butter, according to figures compiled by the United States department of Agriculture and recently made public.

Each person in Canada is credited with consuming 27 pounds of butter a year, compared with 15 pounds in the United States. The latter nation comes tenth in the list. Sweden, Denmark, Great Britain, Italy, France Switzerland and other nations whose production and consumption of butter is high, were listed in the Department's new hand book of dairy statistics. Sweden leads in the consumption of milk, with 68 gallons given as the annual amount consumed by each person. Great Britain and Italy were lowest in milk consumption.

Picton Gazette: After an hour spent watching the crowds on the Midway, at Picton Fair recently, one almost ceases to wonder at the prevalence of gambling in its various forms. Thousands of dollars were spent on various devices on the midway where a gaily decorated doll was the prize of the contestant.

Will Likely Close All Stores

The United Farmers' Co-operative Company, Limited, in view of the losses suffered during the year in its branch and Toronto stores, will likely close all stores now open. Out of the 38 stores, nine have been closed with a loss of \$76,978.21. H. E. Clemes, Gen. Manager, believed that the directors favor closing all the stores throughout the province. The net trading loss for the year in the financial statement issued last week amounts to \$56,222.78. The loss incurred by the Toronto Store is the largest item of importance in the

profit and loss account for the year ending October 31, 1922, as the total of the \$76,978.21 was lost through the operations of the store in the city. The produce branch at Morrisburg lost \$11,416.52; the Wingham branch \$1,099.59; the milling department, Smith's Falls, \$4,870.10; the live stock branch at Montreal \$1,621.48, and the loss on trading by the head office amounts to \$3,877.49. To offset this is a profit of \$37,893.35 made by the Toronto Creamery and Produce branch and \$7,440.52 by the West Toronto livestock branch with a profit of \$306.74 by the Guelph warehouse.
