How Many Phonographs will you Buy in a Lifetime?

In all probability it will be one. Therefore how important it should be for you to make a wise selection when buying that one Phonograph

We claim that all machines should be put to a test with the dif erent classes of records. We are able to give you this test with our large stock of His Master's Voice Records to choose from. For instance, some records could be reproduced on a tin pan if it had a motor in it, but Victor Records by the World's best Artists, such as a violin solo by Mischa Elman, or a tenor solo by Caruso, or a soprano solo by Madame Gluck, must be played on a Phonograph 'that will reproduce them perfectly in order for you to enjoy them properly. Records by Artists like these will put a Phonograph to a rear

Before choosing, call in and we will gladly put our Phonographs through these tests and prove to you that they are perfect in their
