PRICEVILLE AND VICINITY

PRICEVILLE AND SOUTH LINE

Again we are reminded of the passing of time and on this Xmas morning, as we sit down and consider of the many returns we have seen of the 25th of December, it makes us feel that the returns to many of us will not be many in the future. In giving a backward review, it is beyond our ability to recollect the many changes and innumerable obstacles that met us on our way to Dec. 1922. On Xmas morning we are greeted with a Merry Christmas. Yes, it is merriment to some and sadness to many a home. We hear the chimes of the Xmas bells ringing; it indicates that there is joy and merriment in many a home. We also hear the doleful tones of the old church bell, as if telling that there is a funeral procession on the way to the city of the dead. We hurriedly enquire, "Is there bereft of a friend?" we are told that the father of the young daughter or wife, or the son or brother. To all those afflicted it is only a gloomy day.

But to all it should be observed as a day of joy and gladness as it is the birthday of the crucified Redeemer. We hear the jingling of the sleigh bells going hither and thither on this Christmas morn. The new conveyance, the auto, is laid aside and the old fashioned sleigh or cutter is substituted instead, as the season is now to make the runners go smoothly. Rev. Mr. Jones preached an eloquent Christmas sermon Sunday, taking the whole of the 1st chap. John, for his text. Appropriate hymns were sung by the choir of faithful young ladies. At 10.30 next Sunday night, there will be a closing of the year service in the Presby'n church or singing out the old year and ringing in the new.

Mr. Willie McLeod is home for a few days with much pleasure to his lonely father. Teachers and scholars away from their several homes, are enjoying themselves at their different homes in this vicinity.

Mr. and Mrs. Alex. McDonald left a week ago to put in the most of the winter with their son John L. in Ottawa.

Miss Minnie McIntyre of Toronto, is spending her holidays at the old home at her brother Norman's and sister, Mrs. Chas. Ferguson's.

We are pleased to learn that Colin McLean's son, Alex, who had a severe attack of sickness, is getting better and is now at home from Flesherston where he was attending high school.

As we are finishing our writing the weather has taken a change by having a thaw and our good sleighing will soon disappear to the dissatisfaction of many and to the satisfaction of others who are scarce of water.

Mrs. H. McPhail is visiting friends in Toronto this week. The concert held in Top Cliff school lately was well patronized and assisting in the program took their parts well. Miss McCuaig, the teacher, is to be congratulated in the manner she trained her pupils in the several parts taken. Rev. Jones acted as chairman and good order was kept. After a vote of thanks to the chairman and teacher and a taking part, the meeting closed about 12.30 a. m. The amount realized was \$20.25.

A wonderful work is being done by the National Sanitarium Association. The death rate from tuberculosis in Ontario has been reduced by more than one-half during the last twenty years. It needs your help to make its efforts still more effective. Contributions may be sent to Hon. W. A. Charlton, 223 College Street, Toronto.

SWINTON PARK

Christmas Day was beautiful — sunshine and the best of sleighing. Cars were also out but with all things lovely, the day was repaired gradually, by the death early that morning of a much respected lady, namely Mrs. Arthur Richardson, who was taken ill the day previous. Dr. Sneath and Martin were both called, but God had need of her and she was called up higher. Mrs. Richardson was a Miss Fallett, east of Dundalk and was married about three years ago. She was a member of the Methodist Ch. before marriage, but after marriage, joined by certificate from the Methodist church to her husband's church, and was much esteemed in the neighborhood. The funeral is to be held Wednesday at 1 o'clock to Swinton Park cemetery. Much sympathy is felt for those so suddenly bereaved, especially for the young husband. Mrs. Richardson was 22 years of age, and the picture of health and good humor.

On Thursday, Jan. 4th, Miss McPhail, M. P. will meet in the evening at the club rooms at Swinton Park, with members of the Club and their wives and any others interested with a view to organizing a ladies' club and other talk. If the ladies bring a lunch we might have a pleasant and profitable evening.

"Don't Worry About Me"

Tom's Assuring Message

On a little farm away up north Tom lived with his parents and one brother. His father, well up in years found himself unable to continue the hard work of farming, so Tom took up the burden. The income was not large, and the lad signed up with a lumber gang working nearby—sawing logs, stripping bark and driving the teams. Altogether these two jobs farmer and lumberman, kept his day so well filled that he had time for little more than sleep. Nature rebelling at this heavy burden—consumption claimed another victim. After trying various ways to overcome his physical weakness, he went to the Muskoka Hospital. His parents are anxious about him, they send the other son to see him often, for they are old and feeble and journeying is a hazardous undertaking to them. Tom's own troubles are never so real to him that he forgets others. He asks for those about his home, and never fails to send this message back "Don't worry about me. The people here sure do treat you white."

A wonderful work is being done by the National Sanitarium Association. The death rate from tuberculosis in Ontario has been reduced by more than one-half during the last twenty years. It needs your help to make its efforts still more effective. Contributions may be sent to Hon. W. A. Charlton, 223 College Street, Toronto.
