TOWN TOPICS

Messrs John and Chas. Moffat advertise their fine farm for sale in this issue. See advertisement on page 5.

Rob Roy Grain Prices—We are paying 40 to 45c for Oats, 55 to 60c for Barley, 60 to 65c for Buckwheat, \$1.25 to \$1.40 for Peas, and \$1.10 for Wheat at our elevator this week.

Box Social will be held in Edge Hill School on Friday evening, Jan. 26th. A good program is in preparation. Admission 25c and 15c. Ladies bringing boxes free. Proceeds in aid of Durham Memorial Hospital.

Power Was Off—The two power lines from Eugenia were both broken between Durham and Fleetherton in the cold snap Tuesday night, and Durham was without power on Wednesday till afternoon which delayed work at Review Office and with other power users.

The Men's Class Next Sunday will be on the "Seventh-day Adventism." What are the differences in doctrine and method of this sect? Did the Pope change the Sabbath as they claim? Why Christians observe the first day of the week as the Lord's Day and the scriptural reasons for doing so. You are invited to come.

Hunter's Rink in the Running—Two rinks of Durham curlers are taking part in the Owen Sound bonspiel this week. Messrs W. Calder and W. S. Hunter are skips and R. Moorhead, A. H. Jackson, Geo. Fenton, (Holstein) J. C. Adams, Cam. McLachlan and Chas. McKinnon complete the rinks. Calder lost to Stratford 17 to 6 in the preliminary round, but Hunter beat Meaford 12 to 9, and then defeated Harrison 11 to 5 in first round, since when he has won three more rounds and is getting close to the trophy.

Successful Law Student—We overlooked last week the result of the Christmas examinations at Osgoode Hall in which was the name of Campbell Grant, of the Granby home near Varney. To be successful when half of the candidates fail is something to be proud of—we congratulate him. He and his brother Stuart were home for a few weeks at Christmas, but have returned to the city, the latter to Toledo, accompanied by his brother Gordon. Stuart has a responsible position with the General Motors firm.

Should Publish a Booklet—The veteran ex-Clerk of Glenelg Township, Mr. J. S. Black, is still receiving evidences of appreciation from that Township for his 39 years of faithful service as Clerk. At the inaugural meeting of that Council last week, they voted Mr. Black a gratuity of \$150.00. Mr. Black, in the long span of 39 years, should be full of incidents and stories of the men he has met at the Council table and he would suggest that he write his memoirs as Lloyd George has done, with perhaps as a title "The men I have rubbed shoulders with in 39 years."

Barn Burned in Early Morning—From some unknown cause, W. D. Connor's barn, just east of his home, opposite the Ford garage, went up in flames about 4 o'clock Tuesday morning. All contents were burned except his Ford car which Mr. Thos. Brown and son Allan, who were earliest on the scene, assisted in getting out. Mr. Connor was awakened by the dog (which was in the house) barking and looking out, saw the flames. Hastily donning clothing he endeavored to save his 35 thoroughbred fowl but this part was aflame and all perished. This the owner most regrets as one cock he valued at \$25 and with hen, won a cup for best birds at Hanover Poultry Show last week. 4 other valuable fowl are fortunately at Owen Sound Show this week, and these are all he has left. Over \$500 worth of pumps and machinery was destroyed—five wooden pumps, iron pumps, a cutter, light sleigh, scuffer, cement mixer, cement moulds, pump equipment, a load each of hay and straw, etc. He considers it will cost \$1000 to replace the barn. There was a small insurance and he intends rebuilding at once. Fortunately the wind was from the west, and roofs well covered with snow, or his home and several near it would have gone up in smoke as well.

Rev. Hardy's Last Sunday—Sabbath next, Jan. 21st, will be Rev. F. G. Hardy's farewell services as rector of Trinity Church, as he and Mrs. Hardy leave on Monday next to take up work at his new charge in Brantford. This was Rev. Mr. Hardy's first charge and his pastorate has been one of progress, both spiritually and financially. He has been an active worker in moral and religious movements in the town, and his general presence will be missed both in and outside of his congregation. May success attend his new labors. The congregation since his resignation invited Rev. Mr. Hunt of Thamesville as their new rector, but he could not see his way clear to accept and no further steps have yet been taken.

Little Snow in Alberta—We thank Mr. Don J. McCormack of Alberta, formerly of Bunesan, for his renewal of sub. and kind wishes. He says: "The Review is always a welcome visitor here. We are enjoying a fine winter so far, very little snow. The cars are running every day here, crops are light owing to the dry season." Jas A. Russell, of Longhead, Alberta, whom we also thank for a kind remittance, tells a similar story: "Cattle and horses still running out here. No sleighing yet. Things have been very bad in our district the last two years—no half a crop. I had in 350 acres of wheat, threshed only 2700 bushels and then got only 73c a bushel. Many farmers are pulling out from here—too much of a chance putting in big crops to try to pull even, then perhaps go deeper in the hole."

Death of Miss Ellen Clark—In Owen Sound, on Friday, Jan. 12, the death took place of Miss Ellen Clark, formerly of Aberdeen, daughter of the late Dugald and Mrs. Clark, (formerly Mary McFarlane). The deceased was 82 years of age, and has been in poor health for some time. She resided there with her sister-in-law, Mrs. Nell Clark and daughters. Deceased was born in the Island of Mull, Scotland, in Sept. 1840, emigrating to Canada with her parents when but two years old. For a number of years they lived in Vaughan Twp., York County, then came to Bentinck, where most of her life was spent. She was the last of a family of six children, who were among Bentinck's earliest and most respected settlers. The late Miss Clark was one of the first members of Burns' Church, Rocky Saugeen, and her remains were brought to the church from O. Sound Monday where the funeral service was conducted by her former pastor, Rev. D. Sillars. Interment took place in Durham cemetery.

Annual Vestry Meeting of Trinity Church—Trinity Church held their annual vestry meeting on Monday evening in Mr. Ed. Kress' store, to be more convenient for the warden, Mr. John Schutz, who is laid up with a crippled foot. The church has had one of the most successful years in its history, the financial statement presented being the brightest in years. There was a small deficit at the outset, but this year, after meeting all obligations, a reasonable balance remains. For current expenses of the church over \$2100 was raised, and about \$3000 for all purposes. The two wardens were re-appointed—John Schutz as people's and Geo. Whitmore as rector's warden. Geo. Jucksch was elected vestry clerk, and the organist Miss S. Vollett, was given an increase in salary.

During the last year or two, Rev. Mr. Hardy's pastorate, the attendance at church services has shown a considerable increase and all departments of church work are in a flourishing condition. Such speaks well for Mr. Hardy's four year pastorate in his first charge here and the town as well as congregation regret his departure but wish him and his estimable life partner continued success in his new field at Brantford.

The Roll Call

Mrs. Thos. McNulty—A gloom was cast over the community on Saturday last as it was learned that Mrs. McNulty had died that day. She had been ill only a few days and was taken to the Hospital for treatment, and the operation revealed an abscess on the appendix, which was not recent growth, and the weakened constitution and the shock, the end came, leaving as deeply bereaved mourners, husband and five children.

Mrs. McNulty was born in Yorkshire, England, 62 years ago and at the age of 15, came to Canada with her parents, and was married to Mr. McNulty about 43 years ago. They lived on a farm south of town, for a while in Holstein, and fifteen or sixteen years ago came to Durham. To this union were born Lorne, in the West; Maggie, at home; Nellie, Mrs. Prew, in the West; Edward at home; Louise, Mrs. F. Bunce in town. A sister Annie, now Mrs. Tucker, of Portage la Prairie, and two brothers, Edmund and Wm Braithwaite, both in British Columbia, will also mourn. A brother, Robert Braithwaite, died some years ago.

Deceased led a useful life. To many outside her own home circle, she endeared herself by kindly assistance in illness or trouble. She was a member of the Anglican Church and on Monday last she was interred in Maplewood cemetery where her mother is buried, her pastor, Rev. Mr. Hardy, conducted the mortuary services.

Floral offerings were beautiful and included wreaths from the Women's Institute, Trinity Church Guild, the Saunders family and others. Our sympathy goes out to the mourners in their sore and sudden bereavement.

Mrs. Thos. Park—The death took place Saturday last on the Gravel Road, Bentinck, near Allan Park, of Mrs Thos Park (nee Mary Ann Willis) at the age of 61 years. Deceased suffered a paralytic stroke last summer and since then has never regained strength, though she had the best of care from her daughter-in-law. She leaves to mourn her loss, one son Andrew on home farm and four brothers and one sister: Mark and William Willis, Allan Park; Nelson Willis, Tacoma, Wash.; Wellington Willis, Winnipeg; and Mrs. W. A. Glendinning, Winnipeg. The funeral took place Monday to Hanover cemetery Rev. F. G. Hardy officiating at house and grave.

ST. PAUL'S ANNUAL MEETING—The annual vestry meeting of St. Paul's Church, Egremont, was held recently, before the rector, Rev. F. G. Hardy, leaves for his new charge.

The church has had a good year, closing with a balance on hand of \$80. Mr. Arthur Lee was re-elected people's warden, Mr. Reuben Watson rector's warden and Mrs. E. V. Matthews, vestry clerk.

I. O. O. F. Officers Installed

There was a bumper attendance, the largest in years—of the I. O. O. F. brethren at the semi-annual installation of officers on Monday evening. District Deputy Grand Master Harts, Mr. Arthur Lee was installed as rector. Mr. A. could not be here on account of weather conditions but they were notified as Past Grand John Ritchie, acting as D. D. G. M., assisted by Past Grands Chas and William Ritchie, W. Irwin, W. Laidlaw, W. Vollett and Bro. David Nichol, officiated in the stead in good style. Following is the newly installed slate of officers:

- Past Grand—John A. Graham

Horticultural Society Meeting

At the annual meeting of the Durham Horticultural Society last Friday evening, Mrs. T. Petty was re-elected President; Mrs. Jno Smith, 1st Vice President; Mrs. T. Brown, 2nd Vice President; Mrs. T. Henderson, Sec'y Treasurer. However since the meeting at which she was not present, Mrs. Henderson has declined the office, therefore another Sec'y will be chosen at next meeting.

The old directors are: Mrs. J. C. Nichol, Mrs. Henderson, Mrs. C. Ramage, Dr Smith and Wm Irwin. The

new ones elected for two years are: Mrs. Geo McKechnie, Mrs. W. Lawson, Mrs. Sheik, Mrs Dan McAuliffe, Mrs. S. Ritchie.

Mr. Catton, the late efficient Sec'y, read the annual business statement, showing that \$183.00 had been paid out for flowers, shrubs, bulbs and fruit trees and distributed among the members. A balance of \$12 was carried to a reserve fund. Owing to the growth in membership and large increase in stock handled, the Society confidently expects a large increase in the legislative grant for the coming year, as this grant is based on these two items from the previous year. This is one of our best Societies for improving and beautifying the town and private dwellings, and if a goodly number would join to increase the membership, —say to 100—its influence and usefulness would be greatly extended and something worth while might be done for the improvement of the town.

An Old-Fashioned Snow Storm—Between Monday night and Tuesday morning an old-fashioned snow storm fell to the depth of a foot or more, making heavy roads for a few days. Some of the mail carriers gave up the trip for a day. Following this, temperature went down to 18 deg. below zero at night and kept dogging around zero during the day.

Councillors Murdock and McFadden—At the second nomination for town councillors Monday, to fill the two vacancies at the Board, there were nominations, Messrs John Murdock, W. J. McFadden and Arthur McClocklin. The former two qualified and are elected by acclamation. Both are good men, have several years council experience and will add strength to our municipal government. Mr. Murdock will doubtless be made Chairman of Board of Works.

Have Successful Year—The annual meeting of Trinity Ch. Ladies' Guild was held at the home of the President, Mrs Phillip Lawrence, on Tuesday evening. The reports of the Secretary and Treasurer showed a healthy year with membership of 24. The Guild during 1922 raised in the vicinity of \$550.00 and will clear from that amount about \$350.00. Plans for 1923 are already being made and at this meeting it was decided to devote their interests this year to the purchasing of a new organ for the church as soon as possible. A committee was formed to obtain information and prices. The election of officers was of a "short and sweet" nature, all the former officers being re-elected. The Guild regret losing from their ranks their Hon. President, Mrs Hardy, who in a short time leaves town. The officers are Pres., Mrs. P. Lawrence; 1st Vice Pres., Mrs. L. Smith; 2nd Vice Pres., Mrs. T. Davis; Sec'y, Mrs Frank Irwin; Treasurer, Miss S. Vollett.

Annual Meeting of Durham Baptist Congregation

The Baptist congregation held their annual meeting on Tuesday evening, which owing to the stormy night, was not as largely attended as usual. However it was a very harmonious session, and the church shows evidences of progress both in spiritual and material things under Rev. E. Cameron's pastorate. Preceding the meeting was a fine supper provided by the ladies. The pastor presided at the business session, where the various reports were given and officials appointed. The five for-coming year officers are: Pres., Mrs. P. Lawrence; 1st Vice Pres., Mrs. L. Smith; 2nd Vice Pres., Mrs. T. Davis; Sec'y, Mrs Frank Irwin; Treasurer, Miss S. Vollett.

BORN
WILSON—In Durham, on Friday, Jan. 12th, to Mr and Mrs Sam Wilson, a son.

Musical Evening Number Three—The series of musical evenings arranged for the Presbyterian Young Ladies' Auxiliary by Mrs (Rev) W. H. Smith, came off on Monday evening last. The life and momentous career of Paderewski, was taken by Miss Alice Ramage, showing that his fame as pianist was only second to his remarkable ability in guiding his ill fated country—Poland, through the years of the Great War. Miss Mary McKechnie contributed as a piano solo, his popular "Minute."

This was followed by a talk on the well known composer of hymns and anthems—Lowell Mason, by Mrs. Smith. It was Lowell Mason who first originated the idea of teaching in classes or groups. Perhaps the most familiar of his tunes is the one set to the words of "From Greenland's Icy Mountains."
