TOWN TOPICS

Messrs John and Chas. Moffat advertise their fine farm for sale in this issue. See advertisement on page 5.

Rob Roy Grain Prices—We are paying 40 to 45c for Oats, 55 to 60c for Barley, 60 to 65c for Buckwheat, \$1.35 to \$1.40 for Peas, and \$1.10 for Wheat at our elevator this week. Rob Roy Mills Limited

A box social will be held in Edge Hill School on Friday evening, Jan. 26th. A good program is in preparation. Admission 25c and 15c. Ladies bringing boxes free. Proceeds in aid of Durham Memorial Hospital.

The postponed meeting of Canadian Greys' Chapter I. O. D. E. will take place in the Library on Tuesday evening, Jan. 30, at 8 p. m. As nomination for new officers will take place, a full attendance of members is requested.

Will Hold 'Father and Son' Banquet—Preparations are now being made for a "Father and Son" banquet, under auspices of the Turis movement, to be held in the basement of the Methodist Church, Friday evening, Feb. 9th. Further particulars later.

The regular meeting of the Women's Institute will meet at the home of Mrs. Thos. McGillivray on Thursday, February 1st at 2:30 p. m., when Rev. W. H. Smith will give an address. Miss Julia Weir will give a talk on "English Authors." Solo by Mrs. A. W. H. Lauder. Question drawer. Everybody welcome.

Inducted at Meaford.—Rev. D. Sillars of Dornoch, presided and inducted Rev. W. J. Gallagher as pastor of Erskine Presbyterian Church, Meaford, last Wednesday evening. Guthrie Church, Harriston, presented Rev. W. J. Gallagher with a beautiful club bag as a token of remembrance, previous to their leaving that church.

Dr. C. J. and Beattie McGillivray, as will be seen by an advertisement elsewhere in this issue, are about to commence Chiropractic treatment in Durham. Both the Doctor and his wife are recent graduates of the Chiropractic School and are also well-known Gleneig residents. Dr. C. J. being a son of Jas. McGillivray at Gleneig Centre and Mrs. McGillivray a daughter of Mr and Mrs Thos. Davis.

Purpos for Departing Pastor.—On Saturday evening last Messrs John Kelly and Jos. Atkinson, on behalf of Trinity Church congregation, presented their departing pastor, Rev. F. G. and Mrs. Hardy, with a substantial purse, and the previous evening they were also the recipients of a purse from his other charge, St. Paul's Church, Egremont, the presentation being made at the home of Mr Earl Matthews.

The Men's Class—Radical labor leaders and socialists often declare that the Church is their enemy and in league with the capitalists to keep them down. It ought to be of real benefit to study what Christianity has done for the laboring man. When the church was first organized, practically all working men in the world were slaves. Although the process was slow and long, it was the church that broke down slavery. How it was done will be discussed next Sunday afternoon. We want you to come.

An Epidemic of Colds and Flu—Not for many seasons have we heard of so much sickness and otherwise inability existing, as at the present time. No one is exempt—from the octogenarian to the babe in its first steps, and while we are glad to say no cases have resulted fatally, still some are of such a serious nature as to cause much anxiety in some quarters. Lemons, ginger, mustard, etc., should be good selling commodities with the merchants who carry them and we venture to state many a cellar is invaded for certain liquids (not for the O. T. A. kick) for certain liquids that make appetizing hot appeals. We are somewhat late with our mails this week, due to some of the staff being temporarily laid off.

Owen Sound a "One-Paper City"—After over 60 years service to Owen Sound and district, the Owen Sound Advertiser will cease to exist after Feb. 1st and will be incorporated with the Daily Sun-Times. The Fleming Publishing Co., owners of the Sun-Times, have purchased the newspaper business and list of the Advertiser, the latter paper finding it impossible to make it a paying proposition. During the last two years reductions in printing costs have been expected, but instead of this, costs have advanced out of all proportion to the receipts. This has caused the amalgamation or suspension of several other Ontario papers lately, among which are the Chatham Planet, Lions Head News, Preston Progress and North Bay Times. The Advertiser will continue its job printing business.

Merchants! Order your counter check books at the Review office. Ask to see samples. Lowest prices.

The Ladies' Aid of the Methodist Church, will hold an old-time Social, Friday night, Feb. 2nd, in the basement of the church, when a program will be rendered entirely by married men and women. Refreshments will be served. Admission 25c.

An old time dance and euchre will be held in St. John's Parish Hall, Gleneig Centre, on Friday Feb. 2nd. Cards at 8:30 and music at 10:30. Supper will be served. Good accommodation for horses. Admission, Gentlemen, 50c.

Hunter Rink in the Final—In the Owen Sound Curling bonspiel last week, W. S. Hunter's rink won its way into the finals for Lemson Bros. trophy, only to be beaten out 11 to 10 by an Owen Sound rink. Till the last end Durham was 5 shots behind; they made up 4 and might have pulled even had one of the local skips placed a draw shot.

Mr James Heughan attended the funeral of his brother R. E. Heughan in Walkerton on Thursday last. Mr Heughan was in his usual good health and was coming out of the door of his home on his way to church when he fell, and expired in a few minutes. Heart failure was the cause of his sudden demise. Three daughters, one son and three brothers mourn his sudden death.

Looking for a Label Change—This is what many readers will be doing who have renewed recently for the Review. This week owing to crush of work and of sickness on our staff we have had to defer changes, but next week we hope to complete the work. Meanwhile watch your label this week and compare it with next, and if you don't get credit, and deserve it rattle us up, not waiting a year to say "You did not change my label."

Shipping Association Meets—There was a representative attendance of all the U F O Clubs in this district at the annual meeting of the Live Stock Shipping Association on Saturday in the Library. The annual report was received and the former officers re-elected: J. G. Firth, President; W. J. Ritchie, Sec'y Treas.; Jas. Lawrence, shipper and Stewart McArthur and Wilbert Blyth, Auditors. The Association shipped 71 car loads of stock last year, with a total value of \$81,516.

Hazen's Death was Accidental—That Robert Henry Hazen came to his death on Jan. 9th, at the Collegiate ground, O. Sound, by a bank of earth falling on him accidentally was the verdict brought in by a coroner's jury called to investigate the tragic death of the workman. Immediately following the accident Coroner Dr. Rutherford was called and he decided an inquest was necessary. The same afternoon a jury was named and after viewing the remains and going personally to the scene of the accident, the jury adjourned in connection with the evidence in connection with Hazen's death was heard. Coroner Rutherford presided over the inquest and Crown Attorney Dyre conducted the cross-examination.

Large Crowd Hear Mr Hardy—Rev. Mr Hardy preached his farewell sermon Sunday evening to a crowded church, chairs being in the aisle. He had nothing but good words to say to Trinity Church and congregation—so well they had supported him in building up the church, both liabilities on the Rectory and Church being wiped out in the 4 years of his ministry. Also several hundred dollars was spent in re-decorating and re-furnishing the Rectory. The church had an increase of 49 members since his coming to town and also gave figures showing his work in funerals, baptisms, etc. Mr Hardy announced the new rector as Rev. Mr Whalen of Theford, who will assume the Rectory the first Sunday in March. Rev. Mr Bray to fill in the interim.

Mrs. M. McFadden Loses her Mother—The friends of Mrs. Moore McFadden will sympathize with her in the sudden loss by death of her mother, Mrs Simpson, of Hamilton. On Thursday evening last, she received a telegram, the first intimation of her sickness and Friday a. m. Mrs McFadden left for Hamilton. However at 9 a. m. another telegram came announcing her death and that same afternoon Mr McFadden also left for the stricken home. The funeral was held to Dunnville cemetery where the deceased lady lived her best and active years. The late Mrs Simpson was always deeply interested in a musical matter, she herself being a singer of no mean power and for years held the position of choir leader in the town of Dunnville. It is from her mother that Mrs McFadden inherits her musical characteristics and as we said in opening, all will feel for Mrs. McFadden in her deep loss.

Death of Mrs. A. S. Hunter

Thursday of last week at her son's home in Vancouver, the well known Mrs. A. S. Hunter passed away. About four months ago, she with her daughter, Margaret went west in the search for health, which since the death of her husband about four months before, had not been good. The desired recovery even with the devoted care of daughter and doctor son, did not come and she passed away. Son and daughter undertook the long journey east, arriving in Durham by Wednesday evening train. After resting two nights in the old home, which knew her so long, interment will take place Friday to Durham cemetery.

Deceased was Elizabeth Agnes, second daughter of the late Robert Oliver and Margaret Lauder Oliver, who later married Mr. Arch. Hunter Sr., one of the first pioneers of Durham. She was born in Cumberland Co., England, and came to this country when a child and settled near Durham with her mother. She was married some 42 years ago to the late A. S. Hunter, a grandson of the pioneer Arch Hunter Sr. She is survived by her three children, Dr. A. W. Hunter of Vancouver, Margaret and Oliver of Durham and by her sister, Mrs. Mary E. Gun, widow of the late Dr. James Gun of this town.

The passing of Mrs Hunter breaks another link with the past, and memory will recall the virtues and public spiritedness that endeared her to a host of friends. She was a member of the Presbyterian Church and a faithful attendee on its services when in health. We share in the sympathy extended on all sides, to mourning relatives.

SCOTCH CONCERT POSTPONED

Death entering the families of the choir circle, Durham Presbyterian Choir, deemed it in order to postpone their Scotch Concert advertised last week for Burns' Birthday, Jan 25th. The new date chosen is Tuesday, Feb. 6th and ticket holders will find their tickets good for that date. There are still some good seats left at McFadden's Drug Store where they can be procured for 35c. The program as advertised last week, will not be changed. Bear the date in mind and be prepared to enjoy a good evening.

For Sale—Man's Korean beaver fur coat, nearly new, half price. Apply at Review Office.

Mr. and Mrs. Robert MacFarlane have left this week for St. Petersburg, Florida, where they will spend the coming two months. We wish them a pleasant and invigorating trip.

Mrs. Alex Davies of Edmonton, and a former resident of Georgetown, is visiting with Mr and Mrs Jno. McCoskey for a few days.

Dr and Mrs Arthur Backus after a month's visit with his parents and brother and sisters in town and country, and Mrs B's relatives in North Egremont, left last week end to resume his dental practice at Outlook, Sask.

Mr. Jas. Bart went to Toronto Monday where he commences his fourth term this parliament as messenger clerk at the Parliament Buildings, Toronto.

CHIROPRACTIC For Good Health

The expression "One Hundred per Cent" has been in common use lately. In Red Cross activities, Y. M. C. A. School and College circles, in large business offices, in manufacturing plants, in fact wherever there is any competition, an effort has been made to obtain "100 per cent" ratings. There is no reason why every man, woman and child should not have a "100 per cent" health rating. Health is normal, in other words 100 per cent. Disease is sub-normal or below 100 per cent.

The Chiropractor is a high grade machinist who knows that the human body is the most wonderful, the most perfect machine in existence. If anything goes wrong with this machine, he does not try to rectify matters by taking away one of its important parts. That would be not only ridiculous but would be reducing the efficiency of the machine to away below the 100 per cent mark. It stands to reason that if any part of a machine is taken away and not replaced, the parts that are left will have to do extra work which should have been accomplished by the missing part. The result will be disaster.

What would you think of an automobile salesman who would try to sell you a car with one or more of its important parts missing? You would refuse to purchase because you would say and truthfully so that the car was not 100 per cent. No human being who has been on the operating table and who has had some vital organ removed is 100 per cent.

Disease is caused by nerve pressure, by interference with those channels which transmit mental impulses from the brain to every tissue cell in the body. If 100 per cent of mental impulse is fully expressed in function, then we have normal health—a boon to which every human being is entitled. If there is interference and the Chiropractor is summoned, he goes at once to the seat of the trouble, adjusting the subluxated vertebrae to their natural positions by the use of his bare hands only. He then makes it possible for the full amount of life force to reach the diseased organs and in a short time HEALTH IS THE RESULT.

Why not try Chiropractic First?
—Not Last? Results speak loudest. No charge for a talk with us. Call to-day. A few adjustments have overcome chronic diseases of many years standing. Your health is surely worth a few minutes consultation.

Annual Meeting of U. F. O. Political Ass'n

The Annual Meeting of the South-East Grey U. F. O.—I. L. P. Political Association was held in Pricewille on Tuesday, Jan. 16th.

Although the weather was very unfavorable, yet a goodly crowd of about 40 were present. In the absence of President Joseph Goodfellow, Vice President John Whiteford occupied the chair, and after a few opening remarks, he called on the Secretary for the reading of the last minutes and the financial statement. After the adoption of the minutes, and the auditors' report, the election of Officers resulted in the re-election of Joseph Goodfellow for President, Whiteford for Vice President, and M. E. Murray for Sec'y Treas.

A few visiting friends from the North viz, Messrs A. S. Thurston and G. G. Albery from Meaford and Mr John Carson from CapreRich, were present, and the latter being Riding Director for North Grey, was called upon for a few remarks.

Mr Carson regretted the fact that our territory was such as to compel a separation of friends, thus dividing the North from the South. He complimented the men and women of the South on their success at the polls at the last Federal election; and the North had also put up a hard fight but were not successful in electing their candidate, Major Thos. Rutherford. They were having their meeting in Owen Sound in the near future and he would expectantly look forward to meeting some of his Southern friends there.

Mr G. G. Albery
Almost apologized for being present because he was a lawyer and not a farmer, but came down with Mr Carson, but even though he was a lawyer he said that he had now and always had the welfare of the farmer at heart; he had been a municipal clerk for very many years, and his every day life was associated with farmers and he encouraged them to persevere and they would succeed. He had never heard Miss MacPhail speak and came for that purpose.

A. S. Thurston
Was next. He was an editor and also the son of an editor; he was running the Meaford Mirror, while "dad" was devoting his time to the Fleesherton Advance. He had graduated from the Farmers' Sun, where he spent ten years on the reportorial staff, and was there imbued with a desire to assist the rural people in their struggle for their rights. A further thing however, he said was that he was now accused of running a "Tory" paper. Well he just said it was A. S. Thurston's paper, and he was running a series of articles just now on rural depopulation in Ontario. In his home town of Meaford he was doing a very good business printing auction sale bills of farm stock and implements, which were every day in evidence. Even on his way down to day he saw them at every cross-road and high board fence. What's the matter? There is something radically wrong when there are so many selling out. Why doesn't the U. F. O. do something when they have been in power now for three years, and what have they done? The only cure for the disease, he said, was to make the profits from the farm a little more remunerative, and advocated more and better education on the farm.

Miss A. G. MacPhail, M. P.
Was next and said that before entering on her own speech, she wished to just answer a question raised by Mr Thurston. "What has the U. F. O. done since coming into power?" She said one thing they had done was to do so badly that she doubted if it would ever again be in any kind of running order.

The motive power which had formerly been used to run the old machine, was furnished by a few in the seats of the mighty, while now the motive or driving power was furnished by thousands in the rank and file of every Riding in Ontario and every riding executive should retain control of that motive power. Banking, manufacturing and transportation were linked arm in arm in one dominating over all other interests. Agriculture was represented in the Federal Parliament by 66 farmers, some of whom however she regretted to say, seemed at times to be ashamed to acknowledge their calling. These 66 men were elected to look after the farmers' interests in Ottawa and if they don't do it there are others there that will. The Bankers and the Manufacturers will attend to it. She referred to the name of the party of which she was a member last session and said the word Progressive was effective only in so far as progress was made. She liked the name "United Farmers' better. This movement was not new, it was as old as the hills. The principles are the same as at the signing of the "Magna Charta" by King John and all the way down

ence and Nellie McGillivray, finished ahead of Harper and Mae McGirr. Then in the ladies' races Mae McGirr beat Nellie for first place, and Sherwood Rowe won the men's race with Charlie McGirr second. Freddie Voltet easily won the boys' heat, with Leonard McComb second. Lizzie Hinds and May Miles were 1st and 2nd to the girls' races.

With one of team holding skates in hand and sliding thus, while his mate shoved him holding up feet, Mac Saunders and Steinacher just came in ahead in the wheelbarrow race, with Ernie McDonald and S. Rowe second. It was an amusing stunt. Durham Band supplied good music at intervals during the evening.

Brown is Grey's New Warden

Reeve Emerson Brown of Collingwood Township, was elected Warden of Grey County on Tuesday, defeating Mr. Dan McTavish, Reeve of Fleesherton, by 1 vote.

First Carnival a Success

Notwithstanding the number of young folks laid up with colds, etc., there was a good attendance at Tuesday's carnival, and the costumes were fair. Some outstanding ones were "Spark Plug" the famous race horse, by Geo. Huggill and Bert Farrell, Egyptian lady by Miss Maude Kress, and "Maggie, in China" by Fred Saunders. Mrs McIlraith, Miss Weir, and Mr E. D. McClocklin awarded prizes as follows: (in several cases there were no entries.)

HISTORIC OR NATIONAL: Lady—M. R. Kress, 2nd—Mrs Moorhead and Mrs Irwin. Girl—Ellen Hay. Boy—Earl McKechnie, Jack Lauder.
Fancy Costume: Lady—Katie McAuliffe, Frances Hopkins. Gent—Harry Kress. Girl—Florence McDonald. Boy—Don Knight, Geo. Hahn.
Comic Costume: Lady—Rebecca Levine. Gent—Geo. Huggill, Fred Saunders. Boy—Norman McIntyre, Wallace Thompson.
Best dressed boy—G. Hay, V Hinds
The couple race was an interesting spin, when brothers and sisters, Clarence and Nellie McGillivray, finished ahead of Harper and Mae McGirr. Then in the ladies' races Mae McGirr beat Nellie for first place, and Sherwood Rowe won the men's race with Charlie McGirr second. Freddie Voltet easily won the boys' heat, with Leonard McComb second. Lizzie Hinds and May Miles were 1st and 2nd to the girls' races.

HAVE YOU ANY MONEY IN THE BANK?

THERE is an old-fashioned theory which some people still cling to—that a bank wants no dealings with them unless they have "lots of money." Such is not the case with this bank; you will be welcomed whether you have \$1 or \$1,000 to deposit. Open an account with what you feel you can spare now and add to it regularly as "pay day" comes around. It is a comforting feeling to know that you have several hundred dollars put away safely in the bank.
