**Saugueen a Big River**  
Durham Council has made a grant of \$200 to the Town Band on condition that 15 open-air concerts be given during the summer months. There will be a lot of savage beauty in the sound of sweet sounds along the Saugueen before next dog days are over—Chesley Enterprise. A little mixed up in river, Mrs. McDonald. The Saugueen that will drink in the melody.

**Prosperity at the Sea**  
The steel mills are running again after 5 months of a shut down, writes Alex. McCormick from Sault Ste. Marie, Ont. "We expect to be rolling rails on Monday, big orders in for Government roads, also C. P. R. 2000 men on today and 1000 more will be at work next week. Prospects are bright for a busy season extending on into the summer." We hope this industrial activity has a counter-part in many places, with a rising barometer also in the Agricultural industry.

**Death of John McKechnie**  
On Tuesday last, 13th February, the death occurred of John McKechnie, son of the late John and Mrs. McKechnie, of the 10th con., Glenelg, who passed away over 20 years ago. Deceased was a victim of the grippe, which took a serious form, and resulted fatally on above date. Two sisters, Misses Lizzie and Katie at home, are left bereft of an only brother. Another sister, Mrs. Hugh McArthur, passed away many years ago. A niece of deceased, Mrs. Arch. McLean of Aberdeen, also mourns. The funeral, which was not held till Friday last, owing to the severity of the storm, was at Latona cemetery and conducted by Rev. Mr. Aird of Mulock.

**Honored at Crawford**  
On Friday night last, the good people of Crawford and vicinity turned out en masse to do honor to one of the oldest residents of that section—Mr. and Mrs. Wm. Cooke. It is not given to many to reside continuously on one farm for 32 years as Mr. Cooke has done, and earn and retain the respect and good will of the countryside. The community wanted to show their good will to them in a practical form before they leave to reside in Elmwood. Accordingly on Friday night a complimentary address was read to them by Mr. Dougald McDonald and a purse of money presented by Mr. Alex. Cooke responded in a few well chosen words. Following this a program was carried out with Mr. Dougald McDonald as Chairman, and noteworthy speeches were given by Mr. S. Finlayson and ex-Reeve Alex. McDonald. The address will appear in next week's issue of the Review. Mr. Cooke has been a great church worker and Crawford Presbyterian will be the loser by his removal. For about 25 years he has been a member of the Session of that church, as well as church organist and Bible Class teacher and men. Mr. Cooke was a much loved man. Mrs. Cooke was of her good neighborhood and other fine qualities of head and heart will long be remembered. Mr. Cooke has sold his farm to Messrs Gordon and Jim McDonald of Proton.

**Peerless Concert Company**, a band of colored singers, all star artists from the South, will be in Durham Town Hall, Friday, Feb. 23rd. Their program consists of old time melodies and comic selections which captivate and convulse an audience. Their technique is also beyond criticism and they come highly recommended by pulpit, public and press. Admission 50 and 25c.

**Men's Class**  
Next Sunday we will discuss the problem of juvenile delinquency and crime—why do so many young people go astray? Is the trouble with the home, the school or the church? Who can deal with them most effectively—the doctor, social reformer or Christian? If prevention is better than cure how are we to prevent the prevalent crime waves against property and persons? Every father, big brother and good citizen ought to know more about and have a part in this work. Come next Sunday.

**Terriers win from Bear Cats**  
The Terriers in the town Hockey League game Tuesday night defeated the Bear-Cats by a 4-1 score, earning a clear cut victory after their game a week ago. They had but little more of the play but scored four times and goals count. At full strength with Jim McLachlan playing also the Terriers consider themselves strong enough to finish on top of the League. Present standing is:

Won	Lost	To Play
Terriers	1	0
Arena Rats	1	0
Bear Cats	0	2

**Local Dealer Wanted.**  
A new oil lamp that gives an amazing brilliant, soft, white light, even better than gas or electricity, has been tested by 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke, or noise—no pumping up, is simple, clean and safe. Burns 54 per cent air and 6 per cent common coal oil. The inventor, J. A. Johnston, 246 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one free to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money, make \$250 to \$500 per month.

## Durham's Second Carnival

The second carnival of the season, arranged by the management of the Durham Amusement Co., was successfully staged Wednesday night, and everything gone through with as advertised. That there was not a larger attendance, was partly due to the multiplicity of events and the prevailing sickness throughout the town. There were many but no outstanding costumes on the ice and the judges had comparatively easy work. The Band were not as generous in their selections as they might have been. The following list are the prize winners:

**LADIES' FANCY**  
(Flower girl) Frances Hopkins

**GENTS' FANCY**  
(Harold Lloyd, movie star)  
Jack McGowan, E. Schutz

**GIRLS' FANCY**  
Louise Jamieson

**BOYS' FANCY**  
(Page boy of Elizabeth's time)  
Fred Vollett

**MEN'S COMIC**  
Norman Marshall

**BOYS' COMIC**  
(Organ Grinder) Donald Knight

Judges—Mrs. P. Gagnon, Miss Alice Ramage, Mr. E. D. McClocklin

Mr. Wm. Troy of Orchard, was present with his bagpipes and entertained the evening with music from this list of whistles.

The last and best Carnival will be held the second week in March, probably March 5th.

## THE ROLL CALL

**ALLAN CAMPBELL**  
Wednesday morning, Mr. John McCoskey, Durham, received the message that told of the death of his brother-in-law, Allan Campbell, well-known near Rob Roy, Glenelg. Since the death of his wife six years ago he has made his home for the most part with Mr. Malcolm McInnes, their wives having been sisters. Latterly he has been in poor health, and in spite of medical skill and careful nursing, he passed away as above.

Deceased was in his seventy-seventh year, coming with his parents, Mr. and Mrs. Alex. Campbell, at the age of seven years from Mull, Scotland. An only brother died at sea on the voyage out.

Twenty-five years ago he married Miss McCoskey and settled on the old home on 2nd con., N.D.R. He had no brothers or sisters but a wide circle in Glenelg will long remember the kindly citizen who has gone.

The funeral is on Friday at 1 p.m. Interment in Durham Cemetery.

**WM. GEO. EVERETT**  
It was heartrending news that reached the home of Mr. and Mrs. Geo. Everett here last week that their son had met with a violent death while on duty. He was an engineer on the C.N.R. and near Openshaw, Sask. at the time of the accident. They were caught in a snow-drift on 10th February, and while manoeuvring to relieve themselves, were run into by another snowplough, sent from Regina, which had been delayed two hours on the way by another wreck. Everett and a man named Purvis were instantly killed, while a third man named Brown miraculously escaped.

Deceased leaves a young wife and three children to mourn his untimely loss. She is not well and is unable to accompany the remains which arrive tonight (Wednesday), interment to take place on Thursday. Other mourners are his parents in Durham, from whose home the funeral takes place; also four sisters, Mrs. Thompson, Toronto; Mrs. Clark, O. Saur; Mrs. Randle, Menford; Mrs. W. Lamerson, Newark, New Jersey.

They had been living in Regina for about a year, previous to that in Vancouver. We extend sincere sympathy to the bereaved ones in their sore affliction.

**WILLIAM SAUNDERS**  
Sunday Inst. Feb. 18th, 1923, the last call came to the above gentleman at his home in Durham, leaving as chief mourners, his wife, one son and four daughters. The son, Alex. Munroe Saunders served overseas and is one of the victims of shell shock of which Canada has too many. He is married and living in Orangeville, and sometimes for months in military hospital in Toronto receiving treatment. The daughters are: Francis, Mrs. McLeod, Manitoba; Jessie, also a Mrs. McLeod, New Brunswick; Florence, Mrs. Cal. Kapper, Montana; Jennie, Mrs. Tobin, Durham. A brother John of Durham and Ches., nephew, are also mourners.

Deceased was born in England 70 years ago, coming to this country in early youth, settling near Brantford for a short time and then to Varney, where he was well known, living in the house now occupied by Mrs. David Allan. He married a Miss Munroe of Kincardine and later came to Durham, where he was caretaker of the cemetery for a number of years and is now living near Harcup's Corners. All who knew deceased gentleman, will testify as to his kindly and approachable disposition and those who knew him at his best will long keep his memory green. Funeral is on Friday to Durham cemetery. We join many friends in extending sympathy.

## Canadian Greys' I.O.D.E.

Canadian Greys' I. O. D. E. held their annual meeting in the Public Library last Tuesday evening, with a good representation of members, and are now safely launched on another successful year. The year just closed, while not a record breaker financially, has been a successful one. After all, as the late Regent pointed out in her valedictory remarks, the scope and uses of an order such as the Daughters of the Empire, are beyond the dollars and cents viewpoint. The aim of the Order is to stir and arouse members to the responsibilities and duties of citizenship. In this country of ours and to promote loyalty and patriotism, both nationally and municipally.

The yearly report of the Treasurer, Mrs. S. McBeth was given and as seen below, will speak for itself.

The Secretary's yearly report was given by the pro tem Secretary, Miss Alice Ramage, who has been acting since the resignation of Miss M. Ang-

evine in November last. In part the report reads thus: "The year 1922 was not as aggressive a year in I. O. D. E. circles as its predecessors were for several reasons but perhaps for one main and outstanding cause. This year—1922—will be known perhaps as the "Hospital Opening" year, and while the Chapter were not devoting their energies wholly along that line, still they felt it was the better policy to remain in the background, and see the Red Cross Hospital first a well equipped and organized local institution. This has been done, and to-day it is deserving of the eulogiums that have been bestowed upon it. Another cause may be attributed to the Regent's necessary absence in Toronto for much of the time, due to family sickness."

The following are the new office holders in the Chapter for 1923, all elected by ballot:

Regent, Miss Julia Weir, B. A.  
1st Vice Regent, Mrs. G. McKechnie  
2nd Vice Regent, Mrs. (Dr) Pickering  
Secretary, Miss A. C. McKenzie  
Treasurer, Mrs. Robt. Burnett  
Educational Secretary, Miss Alice Ramage  
Echees Secretary, Mrs. W. H. Smith  
Standard Bearer, Mrs. J. Burgess

Mrs. Gilbert McKechnie, after two years faithful and loyal service to the Chapter as Regent, steps down for Miss Julia Weir, B. A., who will now assume the duties of the Chapter's head office. Miss Weir made a pleasing inaugural address, and though loath to take the office, asked the loyal cooperation of each Daughter in her new duties. It is confident that she will hold the office with dignity to herself and Chapter. The other officers are all new with the exception of the Standard Bearer. With new blood in each office, it should tend to quicken the pulse of the Chapter and accordingly see 1923 one of its most successful years. Following is the Treasurer's report:

## Strike at Hanover

Hanover has had an unusual experience for some days back. About 200 men in four plants went out on strike. It wasn't a question of wages but objection to a new stop-watch system being introduced by the employers or to give it its full name, the "Scientific Inventive Production System." We know nothing about the merits of this device but the men dread something about it. Later we learn that both parties have been having conferences and it is likely that work will be resumed this week end. Hanover has been wonderfully free from labor troubles.

## PERSONAL MENTION

Mrs. Corbett of Toronto, came to town Wednesday night to see her father, Mr. Geo. Whitmore, who is very critically ill.

Mrs. Burns (nee Miss Vic. Whitmore) of Portage la Prairie, Man., is on a visit to her aunt, Mrs. Sam McCracken, and other numerous relatives in town and country.

Mr. Elmer Traford is seriously indisposed, suffering from pneumonia.

Miss May Kennedy, daughter of Mr. Colla Kennedy, is progressing nicely under Dr. McMillan's care for nervous trouble, and bright hopes are entertained as she is regaining use of her faculties.

Mr. Norman McIntyre left Tuesday to spend a few days in the city.

Mr. Sandy McLachlan from near Priceville, returned to Durham Monday, after visiting cousins near Paisley—the Robisons—and is now caring for his many friends here.

Mr. Alex. Hastie of town left Wednesday for Harrison, thence to Toronto, for a few days on business.

Mrs. Oberle and grand daughter, Helen Palmater of Walkerton, visited Mrs. J. C. Nichol last Monday and was one of the passengers on the ill fated C. P. R. which did not reach Walkerton until Tuesday afternoon—a long time between stations for the short distance.

Mr. E. A. Jolly of Regina, came to Durham Wednesday night to visit his sister, Mrs. W. H. Smith at the Mansie for a few days.

Mrs. T. A. Lauder of Owen Sound and daughter Betty are spending a couple of weeks at Mr. T. G. Lauder's.

Mr. Jas. Burt, Messenger clerk in the Provincial House, has a few days holiday, and is spending them in Durham. He reports the House of Parliament as being not immune from the ravages of the flu and grippe.

Misses Mary, Alice and Edith Edge returned Saturday morning to their school duties at St. Thomas, St. Catharines and Dundas respectively, after a ten days' stay at home during the illness and death of their father, the late Daniel Edge.

Mr. Frank Mutch of Clinton, recently of Ayrton, is the new Royal Bank teller, succeeding Mr. Jack Disher, who was moved to Owen Sound. Mr. F. McCauley of Toronto, is also on the Royal Bank staff this month.

Allie McIntosh, son of Mr. Mal. McIntosh, Glenelg, is the new Junior in the Standard Bank here.

Miss Hazel Caldwell left Friday for Toronto, where she will be in attendance at the spring millinery openings.

Mr. John McDonald of Hamilton, visited his parents, Mr. and Mrs. Hugh McDonald, Upper Town, a few days this week.

Rev. J. Morley Colling, son of Mrs. Ellen Colling, has accepted the Fullerton Church again this year. This is the fourth year Mr. Colling has filled this pulpit.—London Advertiser

Many in Durham will remember Morley when a young lad at the Parsonage here.

## Money in Sidelines

Mr. Jno. Cornish, a prosperous farmer near Lumsden, formerly of Blyth's Corners, last season sold \$60 worth of green peas and several hundred dollars of seed peas—all grown on his farm. This shows what a little mixed farming can do—all wheat does not pay the best.

## Becoming Large Land Owner

Mr. Andrew Derby of Hanover, recently purchased lots 41 and 42 in the 2nd con. South of Durham Road in Bentinck township, from Messrs. Purvis and Willis. With these lots added to his other land, he now owns a cattle ranch of 414 acres, in one block, well located and well watered.

## Died at Mt. Forest

Mrs. J. W. Irwin, formerly Mrs. E. Middaugh, who some years ago kept the Middaugh House here, passed away Thursday last at her home on Silgo Road, Mt. Forest. Mr. and Mrs. Irwin came to Mt. Forest about 14 years ago, but have lived very quietly and latterly deceased lady has been attended to by her niece, Nurse Hyndman. She was temporarily buried in the Mt. Forest vault, and will be later taken to Flesherton where her first husband is buried.

## HAVE YOU ANY MONEY IN THE BANK?

THERE is an old-fashioned theory which some people still cling to—that a bank wants no dealings with them unless they have "lots of money." Such is not the case with this bank; you will be welcomed whether you have \$1 or \$1,000 to deposit. Open an account with what you need you can spare now and add to it regularly as "pay day" comes around. It is a comforting feeling to know that you have several hundred dollars put away safely in the bank.
