Growth of Methodism
Monday evening last the regular meeting of the Sangren Historical Society was held in the Library basement. The attendance was not large but the paper by Miss Elizabeth Scott on the origin and growth of Methodism in Durham and vicinity, was a notable contribution to the records of the Society. We intend in a future issue to deal with it at length.

Active in Glee Club Work
Durham is represented in the University of Toronto Glee Club, in that it contains two of the principal members of its Executive Society. Mr. Ernest McGill, B. A., is President and Alex. Bell, Secretary of this organization of about 80 people, trained by Mr. J. M. Sherlock. Their annual concert was staged in Toronto last week and the critics and Press are enthusiastic in praise of their work.

Hospital Has Five Patients
Mrs. Donald McLean of Pricerville, will be a patient in the Hospital here for several weeks receiving treatment for a broken hip which she received from driving behind a runaway horse and being thrown out. At latest reports she is favorably progressing. The Hospital has at present five patients receiving treatment, the latest being a Mr. Standen who underwent an operation Tuesday. The Hospital Management are grateful to R. Taylor & Co., Drumore, for the donation of two splendid comforters.

Enjoying Tropical Life
Letters from Mr. and Mrs. Robt. MacFarlane who are sojourning in St. Petersburg, Florida, speak of the beautiful climatic conditions there. The mercury hovers around 85 degrees all day and howling for the gentlemen and verandah teas for the ladies are the popular thing. The city of St. Petersburg is situated on Tampa Bay of the Gulf of Mexico and its tourist population in winter is over twice that of its stationary population. Mr. and Mrs. MacFarlane purpose remaining the month of March also.

Pricerville still interests Him
In a letter to the Review recently, Dr. Hugh MacNeil of Chicago, sends along a handsome remittance for his subscription and has this to say in part: "This puts my paper four years in advance: How is that? Feb. 1923? That will put Chicago ahead of Moose Jaw, then some one else will want to beat Chicago and you'll be the winner. Enjoying the visits of the Durham Review and my friend John MacDonald's news from Pricerville. Hope to see you next summer."

All Over a Turkey
Before Police Magistrate Laidlaw on Saturday last, Oscar Mess of North Bentinck charged Albert Spunk a neighbor, with the theft of a turkey. Mess, it appears, some time previously bought a turkey of a fancy strain, which strayed from his premises and could not be found. At wheat cutting time, the defendant found a turkey and nest among the crop, and the plaintiff coming to hear of it, claimed it was his. The other party just as stoutly claimed it wasn't, and there you are. Each side has lawyers employed, but a day was asked for and the case was adjourned until Saturday next. Meanwhile Constable Falconer has the turkey in charge and no doubt it is wondering what the fuss is all about.

A Farquharson Reunion.
Last week Mr. and Mrs. Donald Farquharson, of Chatham, celebrated at their home, their golden wedding, and among the guests were Rev. Wm. Farquharson, D. D. of St. John, New Brunswick; Mrs. Mattson, Sask.; Mr. and Mrs. McKillop, Brandon; Dr. Chas and Mrs. Sharp, New York and many from points in Ontario. The Globe of Wednesday publishes an account of this worthy couple and an anticipated article. Mr. Farquharson visited Durham several times while his brother was pastor here. He came from Aberdeenshire, Scotland, with his parents in 1858. Seven years later he returned to Scotland and brought his bride with him to Tibury in which position he won fame for the ability he showed in handling drainage questions. He was made Collector of Customs at Chatham, retiring a few years ago. Here's wishing from Durham friends, many happy years yet.

Good Singers but Old Numbers.
The Peerless Entertainers, who gave their melody concert in the Hall last Friday evening, were a very good aggregation of seven colored people four men and three ladies. They sang in quartets, trios and duets with good rhythmic melody, and catchy songs, though most of their numbers were old ones, such as 'Old Black Joe,' 'My Old Kentucky Home,' etc. Even the harmony was fine, many thought it scarcely worth the fee admission to hear these oldtimers.

Seriously Ill
Mr. and Mrs. Colin McArthur, of Wauchoy, are thrown into much anxiety over the serious illness of their second son, Archie. Last week end he was stricken with what at first was thought to be appendicitis. On securing Dr. Middlebro from O. Souma he advised against any operation, as the trouble was found to be an abscess on the bowel. At present writing the patient is holding his own. Archie lives on the township line between Glenelg and Holland and many friends hope he will be restored to his wife and daughter and parents.

Died in Winnipeg
Mr. Arch. Park received word on Tuesday of the death of his cousin, Mrs. Fowler, (nee Miss Bessie Nichol) daughter of the late Theo. Nichol of Pricerville. She passed away at her home in Winnipeg on Feb. 12th, after a protracted illness. The deceased lady was fifty years of age and has lived in the West since quite young. In the immediate family her husband, three sons and two daughters, all grown up, will deeply mourn her loss. The sons all served in the late war. Mr. Fowler was formerly mayor of Winnipeg, and at one time was President of the Grain Growers' Association.

Has Splendid Radio Outfit
On two or three previous occasions radio receiving outfits have been tried out in town, but were never quite successful. Last Saturday, Mr. Harry Griff, telephone lineman, completed the first long range set in Durham, at his home here, purchasing the parts and assembling it himself. The outfit cost him about \$80, and he already has had considerable pleasure listening in on concerts or sermons, broadcasted from Detroit, Pittsburgh, Newark, Minneapolis and the first night heard a program from Memphis, Tennessee. With his outfit he can hear any sending station of any strength in the United States and even as far distant as the Hawaiian Islands in the Pacific, 4000 or 5000 miles away. At present he has three receivers, permitting three persons to listen in together, and later he may secure an amplifier.

Buried in Durham Cemetery
The funeral of William Geo. Everitt took place Friday last, instead of Thursday, owing to the non arrival of the body, held up by storms until Thursday. Accompanying the body was a brother engineer, A. E. Washburn, who spoke feelingly at the funeral of his departed comrade. Miss Florence Gort, nurse of Regina, accompanied the children of deceased to his parent's home where they will remain indefinitely. Deceased's parents received a comforting letter from the International Brotherhood of Locomotive Engineers at Regina, expressing sympathy in their loss and also giving them to understand how they valued his comradeship. Floral tributes were also beautiful, there being wreaths from three different sections of railway engineers. A particularly beautiful wreath was sent to the mother by the Brotherhood of Firemen and Engineers, who is to remain such. The funeral was conducted by Rev. C. G. Cole and his three sisters, Mrs. Thompson, Toronto, Mrs. Thos. Randall, Meaford and Mrs. Jno. Clark, O. Sound, were present at the funeral.

Death of George Whitmore

Last Scion of a Large Family

To-day, Wednesday, the grave is closing over the mortal remains of George Whitmore, who died at the home of his son-in-law, Mr. John Schutz, on Monday afternoon, Feb. 26th. He was only about a week ill, previously he could go around the house and attend to himself, but since his wife died about five years ago, his interest in life has waned. For seven or eight years he has lived with his daughter, receiving tender care and had reached the great age of almost 85 years.

Deceased was one of a family of 8 sons and one daughter, who came here from Smith's Falls, Ont. in the 50's of last century. Their names are: William, Samuel, John, Thomas, Jas., George, Nathaniel, Robert, and one sister, Mrs. Willoughby. All have preceded George, though he attained more years than any of them.

On 12th of July, 1862, he married Ellen Davis and the union was blessed with six children, three of whom survive: Minnie, Mrs. Havens; Angeline, Mrs. Corbett, Toronto; Ada, Mrs. Jno. Schutz, Durham. The deceased is Herbert, the eldest son, Arthur and Eliza.

In youth he ran a mill at Haywards Falls for some years, but the most of his life was spent in Durham. He was a member of the Anglican communion and in the absence of a resident pastor, funeral services will be conducted by Rev. C. G. Cole of the Methodist church, interment in Trinity Church cemetery.

Concert in Near Future
The Durham Women's Institute Branch purpose putting on a play and concert sometime about the middle of March. Watch for further particulars in the press.

Men's Class
Nearly one half a million people walk out of prison and penitentiary doors in America in one year. What kind of people are they? Is it safe for them to be free or have they been cured of their evil ways? This is one of the great social problems we have to deal with and methods are advocated which vary from torture to trust, from indefinite confinement to unrestricted parole. What do you think should be done to reform and perfect our treatment of criminals and delinquents? Come and add an idea. The other fellows will appreciate it.

Supper and Entertainment
The Ladies' Aid of the Baptist Church gave a fine supper Thursday evening last, followed by an entertainment. Considering the numerous events on, there was a fair turn out of people from the various churches. Rev. Mr. Fairfull, Baptist Minister at Walkerton, was the speaker of the evening, and gave some interesting advice to parents to make companions of their children and also on the four fold development of the child, mentally, morally, physically and intellectually. He had been here in 1915 before going overseas. Mr. Fairfull is one of the leaders in the Tuxis movement in Walkerton. The following took part in the musical program, all doing their part well: Mr. and Mrs. Giles, Mrs. Griff, Misses Jean McLean, Elsie Boyce and Adeline Graham. Miss McComb was the accompanist. Master Eben Cameron also gave a fine recitation. Rev. Mr. Cameron made an efficient chairman.

Presentation at Hutton Hill
The friends and neighbors of Mr. and Mrs. Geo. Noble, Hutton Hill, met on Friday evening last at their home to do them honor before they leave to take up residence in Durham. Mr. and Mrs. Noble have been residents on the old Noble homestead for about 15 years, coming there from near the home of Charles Lawrence. At an appropriate time in the evening's fest, Mr. Frank Murdoch was elected chairman of the gathering, which was thought to be around 80 people. Mr. Murdoch after a few opening remarks, asked Mr. Robt. Hopkins to come forward, and he did so with an address to read to Mr. and Mrs. Noble. This address was couched in warm terms of the feeling of the section toward them, and Mr. Elijah Armstrong at this time, also came forward and presented the couple with a half dozen oak chairs and side table, on behalf of the section. Mr. Noble responded on behalf of himself and wife. Following this a bounteous lunch was served by the good people and this done justice to, dancing was the order till early hours. Mr. and Mrs. Noble leave the section shortly to take up residence on Bruce St., Durham, in the house they purchased last year from Mr. John G. Beaton, formerly the McKelvey home. Their two sons, Reuben and Alfred will continue to manage the farm.
