OWNERS TOPICS

Anyone thinking of having a monument erected or any inscription cut, consult W. J. McFadden, local agent.

The April meeting of Canadian Greys' Chapter, I. O. O. E. will meet next Tuesday, April 10th, at 8 p. m. in the Public Library. All members are requested to be present.

Just Arrived—A car of B. C. Shingles, 5 X and 3 X, also a car of Norway Pine shiplath V joint and flooring. Get my prices. Phone 85.

J. N. MURDOCK, Durham

FOUND: About two weeks ago, a small sum of money. Owner may get same by proving amount and paying for this local. Apply at Review Office.

Said Out His Business

J. H. Robertson, who has been proprietor of the Variety Fair in Chesley for the past four years, has disposed of his stock and good will to a Mr. Smith of that town. Mr. Robertson was a former Sec'y of the Cement Plant here.

To Be Repeated

The Red Cross Society, Durham, secured the consent of "The Old Fashioned Mother" committee of the Baptist Church, to repeat the program of last Friday night in Town Hall on Friday, 6th of April. Don't fail to see this delightful instructive play and other features. Proceeds all for Red Cross. Admission 35c.

Elected on O. A. L. A. Council

Mr. J. H. Harding is to be congratulated upon his election to the O. A. L. A. Council, when not present at the meeting in Toronto Good Friday. There were 15 in the race and 10 elected. W. H. Merkle of Hanover is among the fallen. Mr. Harding gave good service when in the cause council two years ago and this doubtless ensured his support and election by the delegates this year.

West Springs Poor

Engineer Redfern, accompanied by Councilors McFadden and Murdock, visited the hillside springs Tuesday to ascertain the available water supply for a town waterworks system. With a steady rain and so much surplus water, it was a poor day to investigate. The springs east of Trinity Church may be sufficient to furnish the supply, but the spring on west side of Upper Town seemed dead. Further tests will be made in coming weeks, and definite data obtained.

Leaves the Royal Bank

The following clipping has been handed to us for publication and as Mr. Hughes is well and favorably known here as a former manager of the local Royal Bank, we deemed it fitting to publish the following: "Announcement has been made by Sydney Hughes, manager of the Dundas branch of the Royal Bank of Canada, that he has tendered his resignation to accept an executive position with the Valley City Seating Co. Limited. News of Mr. Hughes' intention was received with a great deal of surprise, but it assures his permanent residence in Dundas, as in all probability, the bank's policy of changing managers would be brought into effect within a comparatively short time. To have lost Mr. Hughes as a citizen would have been deeply regretted on all sides. He is at present serving his second year as President of the Board of Trade and has been active in many other spheres conducive to bettering the town. It is the sincere wish of everybody that the change he is about to make will prove beneficial in all ways."

The Proceeds of Your Sales

SHOULD be used to "clean-up" advances you may have received from the Bank. Keep your credit "good" and you will never have any difficulty in obtaining funds when you may need them most. (The bad season may find you unprepared and you will have difficulty in meeting your needs.

THE ROYAL BANK OF CANADA
Durham Branch, J. A. Rowland
Manager

Coming Next Week

Mr. John Warden, piano tuner, will be in Durham on business next week. All orders for piano tuning may be left at Snell's music store.

For Sale: A Driving Horse, A-1 driver; works double or single. As owner is in the West, this horse must be sold. Apply to
D. N. CLARK,
R. R. 2, Durham

Rob Roy Grain Prices—We are paying 48c to 50c for Oats, 68c to 70c for Barley, 70c to 72c for Buckwheat, \$1.35 to \$1.40 for Peas, and \$1.10 for Wheat at our elevator this week.
Rob Roy Mills Limited

Departmental Examinations

The midsummer Departmental Examinations will be held on the following dates: Lower School and Junior Public School graduations June 12th to 15th; Upper School June 14 to 17th; Middle School June 18th to 21st.

Missouri Also Has Them

The Missouri editors, it is said, are refusing to publish obituary notices of people who during their lives failed to subscribe for their home paper, claiming that people who do not take the paper are dead anyway and their passing is of no news value.

Put Her Knee Out

Mrs. Wm. Nicholls, who resides just north of the C. P. R. station, met with a painful accident last Wednesday night. Her husband had been making a wheelbarrow in the shed and she fell over it in the darkness, putting her right knee bone out of place. She lay helpless in great pain while one of the children ran for Mr. Nicholls. Dr. Smith was soon secured and had to administer chloroform before pressing the bones to their proper position. The limb is still a little weak, but she should soon regain its full use.

The Vegetable Act

Merchants are reminded that the root vegetable act of 1922 is now in force, and that all potatoes and onions must now be graded. Bags must have attached a tag showing the grade and the name of the vendor. Crates must be similarly marked. There are three grades of potatoes and five of onions. Both the growers and dealers should bear in mind that it is no longer allowable to mix together potatoes of all varieties and sizes and would do well to familiarize themselves with the provisions of the act, lest they receive the information in an unpleasant manner, through the medium of a summons to the court, in the instance of a Government Inspector. It should be remembered also that all potatoes, onions, artichokes, beets, carrots, parsnips and turnips must now be sold by weight, except vegetables with the tops on, or potatoes in closed barrels.

May Resume Two-Train Service

That both a morning and afternoon service may be resumed over the Walkerton branch of the C. P. R. in place of only the afternoon train out of here, as at present, and which is proving very unsatisfactory to persons wanting to go to Toronto and intervening points and return the same day, was gathered from an interview we had with Mr. J. B. Tinning, Traveling Passenger Agent of the C. P. R., who visited the station on Tuesday. The scheme, which may be inaugurated early this coming summer, is none other than the putting on of a large coach running on the rails and driven by gasoline after the style of a trolley or super automobile. Instead of a crew of four men such as is required to run the present passenger train out of Walkerton, the gas engine would be manned by the chauffeur only, who would collect tickets at the various stations as two passengers entered his bus, and turning on the juice, start off again for the next depot. By this method a semi-daily service between Walkerton and Saugeen Junction to link up with the Toronto-Owen Sound train, could be operated for much less than it now costs for the afternoon train only. The scheme has been working out satisfactorily on many other branch lines throughout the Dominion and will be understood to be extensively adopted this coming year by the Canadian National Railways, whose new President, Sir Henry Thornton, is aiming to cut down the big deficit on the Government owned railway, and if possible to declare a dividend without impairing the service. If by this method the Walkerton branch of the C. P. R. can regain its old time morning and afternoon service, a long felt want will be supplied and the cup of the traveling public will run over with joy.
—Walkerton Herald-Times

MARRIED

Baker—Reay—At the Methodist Parsonage, Wednesday, March 25th, by Rev. C. C. Cole, Myrtle, youngest daughter of Mr. John Reay, Victoria, to Mr. Elmer Baker, son of Mr. and Mrs. Wm. Baker.

Council Securing Estimates For Waterworks System

The most important business transacted by the Council Monday night, was the taking of the first steps to secure a waterworks system for Durham. Two engineers addressed the Council and the last one, Mr. Redfern of James, Proctor and Redfern, Toronto, was engaged to prepare estimates of the cost of installing waterworks throughout the town, the cost of securing estimates not to exceed \$150. If the project is gone on with, and Mr. Redfern's firm engaged as engineers, this fee will form a part of the contract. Mr. Redfern cited costs and experiences in installing waterworks in other towns, and in a rough guess, thought that Durham would not exceed \$75,000 to \$100,000. Definite information as to sources of supply, quantity of water available, its purity, length of mains required, &c, was necessary before an estimate could be prepared and for the fee above mentioned, he and his assistants will visit Durham several times during the next few weeks, taking levels and investigating sources of supply. The springs east of the Durham hill and west of Upper Town are to be first tested and if suitable and sufficient water available, it will be necessary to look farther. Other prospects are the spring creek at the 2nd con., Glenelg, 1 1/2 miles east of town and Wilder's Lake.

Mr. Thos. Daniel was appointed collector of unpaid taxes. Councilor Saunders remarked that dogs were abundant around town now, but they are much scarcer about June, when the collector calls. Accordingly Mr. Daniel was also appointed dog tax collector and is to collect in April.

As the Town Hall is not paying running expenses, a by-law to increase the fees will be submitted at next meeting. The proposed new rates are \$5 for local contents, \$8 for dances and \$10 for outside shows.

The Band was granted permission to use the lower hall for practice two nights per week, giving way to other meetings.

Smith Bros. were given the right to erect a free air station in front of their garage.

Coun. John McQueen was authorized to renew the insurance on the Jackson building, the premium being \$112.

A number of accounts were passed, among them being one of \$412.26 to the Dunlop Rubber Co. for fire hose.

The Auditors, Messrs H. R. Koch and Clarence Darling, presented their Report, which was accepted and 50 copies ordered printed.

Enjoyable Bridge and Dance

The bridge party and dance given by the I. O. E. in the town hall on Tuesday night, was one of the most successful ever held here. Though an unfavorable night, a large town crowd was present and a liberal amount of snappy, entrancing music was furnished by the Arthur orchestra, which delighted those tripping the light fantastic.

Cecil is Some Walker

Last week Mrs. Frank Hinds accompanied her daughter, Mrs. Stewart and baby to the latter's home in Mt. Forest, after a few weeks here. On Monday, Cecil Hinds, the 9 year old son, was feeling lonely, and to see them sooner, he determined to walk to Mt. Forest. Starting out at 9 a.m. he walked the railroad track the whole fifteen miles, arriving in Mount Forest tired and footsore, but happy about 1.30. He returned by train that night with his mother, but took the bus home from station, as his heels were raw after the long tramp.

Got Contract on Garafaxa Road

The contract for the construction of the balance of the Provincial Highway north of Chatsworth, to the end of the part of the road already under contract, has been let to the Frank Milligan Construction Company, the same firm that has the contract for the portion already constructed and under construction. It is expected that the contractors will be able to complete both contracts this year. The statement has been made that this year the part of the roadway built on the Garafaxa, would be oil or tarred, and that next year the probability is that it will be paved.

Mrs. John Leith of Holstein, spent over Easter Sunday with her parents, Mr and Mrs. J. Backus.

Mr. and Mrs. John H. Rocks, of Toronto, were guests over Easter at her sister's, Mrs. D. Leith.

Miss Laura Gilles, of South Egremont, is visiting at her cousin's, Mrs. Thos. Whitmore.

Mr. Eric Kelly of Toronto was home for Easter holidays.

Mrs. J. W. Blyth and Miss Winnie, variety, spent from Friday to Wednesday with relatives in Guelph.

For Sale

A good driving horse and Ford Touring Car. A bargain for quick sale. Apply to Dr. Hutton.

Man's Class

Next Sunday "Henry" will be the topic for discussion. The question of the value of money, exorbitant interest or any interest at all has come down to us from the earliest ages of the world's history and economists, law-makers and the prophets of God have all had counsel as to the wise and humanitarian solution of it. To-day with the war debts, national, provincial and municipal, debts and loans necessary for personal and commercial enterprises, the rate of interest is one of the biggest world problems we face.

Rules of the Durham Hydro System

The following are extracts from the rules and regulations of the Durham Hydro Electric System: (1) No prompt payment discount will be allowed unless the bill is paid on or before the last discount day. This rule will be impartially enforced.

(2) When a consumer is 15 days in arrears for one month's service, the service will be discontinued and payment will not be given again until payment is made in full, including a charge of \$1.00 for the cost of re-connecting. Such discontinuance of service does not relieve the customer of liability for arrears, which if not paid, will be placed on the tax roll for collection as provided for in the Public Utilities Act, R. S. O. 1914, c. 204, s. 72, whether the consumer is an owner or a tenant.

The Roll Call

CHARLES McARTHUR

At the ripe age of 87 years and 5 months, Charles McArthur passed away at the home of his daughter, Mrs. Anderson of Niagara Falls, New York, on Thursday, March 29th, 1923. He had been infirm for some time, but always moved around until over two months ago, when he became almost helpless from rheumatic trouble.

Deceased was born in Mull, Scotland, and came with his parents and other members of their family to Canada in the 40's of last century. They stayed for a while in the Co. of York and in 1850, 73 years ago, moved to Glenelg, being among the first settlers on the Durham Road, east of Durham, and thus knew from personal experience the hardships of these far-off days, hardships faced by a courage scarcely to be found in modern times.

About 50 years ago the subject of our sketch was married to Miss Fisher, who survives him and with four surviving daughters mourn his loss. A son and a daughter of this union died some years ago. The daughters are Mrs. J. Sutherland, Mrs. Anderson, Niagara Falls, N. Y.; Mrs. Ries of Sask. who was here visiting and thus saw the end; Mrs. David Gibson, Kitchener. All were at the funeral, mother and daughters. Another mourner who will feel the separation keenly is deceased only surviving brother John, of Glenelg, who is four or five years younger and in fairly good health. Another brother Dan predeceased him; as did also two sisters, Mrs. Don McArthur, Bentinck and Mrs. of Glenelg.

The remains reached Durham on Saturday night and rested till Monday at the home of his niece, Mrs. T. Banks of town. Accompanying the remains was a wonderful profusion of floral offerings in loving remembrance of the sleeper and sympathy for his loved ones. Interment took place on Monday to Durham cemetery, Rev. W. H. Smith, Presbyterian pastor here, conducting the mortuary services, deceased having been an adherent of that denomination. Many old neighbors from Glenelg and not a few from Durham who knew deceased, gathered in the church with the large circle of relatives on the day of interment.

The pall bearers were all McArthurs: Collin, Angus, Dan, Archie and Archie B. McArthur, all nephews, and Stewart, a grand nephew, whose father Don McArthur would have been another bearer but for his illness.

PERSONAL MENTION

Mr. Jno. Sutherland of Stratford, with son Archie and daughter Annie, attended the funeral of his wife's father, Mr. Chas. McArthur.

Miss Eva Redford, Toronto, was an Easter visitor with her parents, Mr. and Mrs. Alf Redford.

Mr. Alex. McQueen after a month's holiday with his parents here, left for Detroit on Monday.

Mr. Ernest McGirr, B. A., and sister, Miss Christie of Toronto, are this week home from school duties.

Miss May McClocklin in company with a Toronto party of teachers, spent this Easter-tide in Atlantic City and New York.

Misses Mary, Alice and Edith Eggen, of St. Thomas, St. Catharines and Dundas, respectively, are home for the vacation period with their sister Margaret.

Mrs. A. S. Muir and son Grant, of Ceylon, is visiting her parents, Mr. and Mrs. C. L. Grant over Easter. Miss Edith Grant of Toronto is also a vacation visitor.

Mrs. John McArthur of the 4th con. Glenelg attended the funeral of the late Chas. McArthur and has since been visiting with Mrs. T. Banks and other relatives.

Mrs. Donald Campbell, Upper Town went to Milton on Tuesday and will spend the week among friends there, while transacting some business also.

Mr. Robert Torry came home on Tuesday, after spending the winter with his son Fred in Toronto and his daughters in Kitchener and with his wife's relatives in Halton.

Mr. A. C. Magee of the Standard Bank staff here, spent the Easter vacation in Toronto with his brother, D. M. Magee of the Bank of Montreal.

Mr. and Mrs. Albert Middleton spent over the week end at their sister's, Mrs. Jas. Banks, Proton.

Mr. and Mrs. C. Douglas of Listowel, spent Easter at Mr. E. W. Limin's.

Mrs. Grant McComb and little son Gordon, are spending a week with relatives at New Hamburg.

Mr. Arch. Duffield of Paradise Hill, Sask., attended the funeral of his great uncle, Mr. Chas. McArthur on Monday. He took a run up from Guelph to see his aunt, Mrs. Joe Firth, the McArthur's of the Glen and other relatives. He was sent to Ottawa before the Easter recess to interview the Minister of Railways to open a branch line to his town and part of the country, as they are now 20 miles from a railway station.

Venus Silk Hosiery

Easter Service at Baptist Ch.

Easter services were conducted in the Baptist church, Sunday April 1st. Rev. E. Cameron spoke from Psalm 17:15, where David's personal confession and confession of faith in a resurrection is spoken of "as for me I shall be satisfied when I awake" in these words the writer evinces his faith in a future resurrection. Resurrection is a mark of Divine benevolence to man, just as in the opening of spring, coming after Nature is released from Winter's iron bars. Resurrection is also an exhibition of strength which lies beyond the limit of man's utmost effort. The resurrection is the justification of the Cross. The suffering of the Cross is here seen to justify man for whom the substitution was made.

The prophet also expressed his confidence in God's future dealing with him, "I shall be satisfied." This resurrection hope was the settled element in David's troubled life. Often sailing in tempestuous seas, his God became his anchor, his chart and compass. To God he was willing to trust the future of his soul, to God in whose likeness, he should, after the Resurrection be found. The image stamped upon man at his creation, but marred by sin shall be cleansed and made clear again through the Messiah.

At the close of the sermon a duet, "The two Paths—Which one will you take?" was sung by Miriam and Ebon Cameron.

In the evening the sermon dealt with the marvellous events which in face, drawn from Christ's words in John 5: 27 and Daniel 12: 2. Miss Redford of Toronto, then sang a beautiful and well rendered solo, "Let Him In" which everyone enjoyed.

The choir at both services sang suitable Easter selections, which were much appreciated.
