YEOVIL

Farmers are not rejoicing over to-days rain after their enforced cessation from seeding caused by last weeks snow.

There is no lack for market for our cream this year as trucks from Holstein Creamery and Scott's, Mr. Forest, are on the road while a number are disposing of it elsewhere.

The eggs, grain, vegetable and flower seeds for the School Fair were distributed last week. Fortunately Arbor Day came before the snow and rain.

The home of Mr and Mrs Harvey Groat was enriched last Wednesday by the gift of a little daughter—Lyla Dorothy.

Mrs Wakefield returned to her home in Kitchener yesterday, after spending several days with her daughter, Mrs. Groat.

Miss Jean Morrison, Holstein, was also a recent guest at Mr Wm. Groat's.

Mr H. Horney of Brucefield is calling on former neighbors. He came up to-day for his car.

Mrs. Urquhart who has spent the past month with her daughter, Mrs. Fleming Reid, returned to her home in Owen Sound on Friday, accompanied by her little grand-daughter, Florence.

Mr Hugh Reid recently spent a few days with his daughter, Mrs. A. Weidman, on the town line.

We welcome Mr and Mrs Arthur Irwin and hope they will find pleasure and profit in farming.

In various ways last Sunday mothers with their boundless love were remembered.

"O, the hallowed name of mother, how we miss it o'er and o'er: While we're drifting in time's ocean, drifting towards the golden shore. In the Christian's home in glory, out across Death's silent goal— We shall meet her,—we shall greet her—in the homeland of the soul."

SOUTH BEND

Miss Hazel Dowling, of Berkeley, is a visitor at Joe Dowling's.

Miss Lavina, who has been with Miss Keziah McFarlen for several months, returned home Saturday.

Mr Elsmere Rawn, Kitchener, spent the week end with friends here.

Miss Keziah McFarlen is attending the branch meeting of the W. M. S. at Guelph this week, acting as substitute for Miss Lavina Rawn, who was appointed delegate, but was unable to go through illness.

Mr. James Williamson and family spent an evening last week with his cousin, Mrs. Sarah Rawn.

The Ladies' Aid of Letter Breen Church, held their annual meeting last Tuesday and had a successful year. The new officers are: Pres., Mrs. Wm. Owens; Vice President, Mrs. Ernest Holliday; Sec'y, Mrs. E. R. Halliday; Treasurer, Miss Keziah McFarlen.

Seeding is under way but last week wintry weather stopped it for several days.

It is with regret that we have to sympathize with Mrs Samuel Connor on the death of her mother, Mrs Wm Stinson, who was highly respected and esteemed by all who knew her. She was a member of Letter Breen Church and her seat was never vacant when she possibly could get there. The funeral was by motor to Barbers' Cemetery and was largely attended, her pastor, Rev Mr Mercer officiating.

One Car to 12 People in Grey

During the year 1922 there were 3,610 passenger automobiles and 115 commercial vehicles registered by owners in Grey County, outside of O. Sound. In Owen Sound 893 passenger cars and 85 commercial trucks, or a total for the county and city of 4,503 passenger cars and 200 trucks.

In Bruce there were 3,673 passenger car owners and 148 trucks.

At an average valuation of \$800, the passenger cars owned in Grey and in Owen Sound would reach the total of \$3,602,400 and trucks at the same valuation would bring the total to \$3,762,400.

The population of Grey County outside of Owen Sound is given as 45,828 and there are 3,610 autos. This would give one auto to 12.6 persons or practically the same ratio as in the city of Owen Sound.

NORTH EGREMENT

Rev. Mr Broadfoot, a returned missionary from South China, took the services at Amos Church on Sunday last and was listened to attentively by a large congregation as he spoke of the languages, the life and the labors among the people there. It was cheering to note the progress that has been made among them. He gave it as his opinion that the so-called yellow peril was of a negative quantity and never likely to take place, but the progress required in a christian way was of vital importance there.

It being Mother's Day—a fine and worthy sentiment—flowers were greatly in evidence. The choir through the kindness of Mrs Walter Hastie, who always has a wealth of flowers about her home, were bedecked in bouquets, which were to say the least refreshing, amid the prevailing Arctic weather. A beautiful bunch of roses was shown in front of the pulpit by Mrs Thos Atchison, they having been sent to her from Toronto by her loving and dutiful son Cecil, in kindly thought of his mother. So the delight of the sight and the fragrance was shared by many. Many thanks young man.

Had we seen the cheering and encouraging write-up in the Review about planting trees, a week before we did, it would have lightened the labor involved in setting out 600 Scotch pine, and the required howling among the stumps which were likely deposited there, some of ages ago by floating ice bergs. How they got in the ice bergs in the first place, "she'll no be tellin'" in this weeks budget.

A meeting of Tartan U. F. O. and others interested will be held in the house adjoining the Hall, known as Bobtown, on Monday evening, May 21st, for the purpose of electing delegates to the Convention on the 30th, from both wards No's 1 and 2. Ladies are also invited and welcome to attend and are eligible as delegates.

We are pleased to hear that the "Land of Promise" is coming from Priceville to Dromore on May 21th. We purposed hearing this play there but they dished up such roads at the time, so that if the "mountain can't go to Mahomet, Mahomet can't go to the mountain." There is no insinuation conveyed here, we bespeak for them a full house, the play being well spoken of with good talent.

DROMORE

A lecture will be given on Friday evening, May 18th at 8 p. m. in Russell Hall, Dromore, on "Rural Educational Problems" by Rev. Mr. Sedgworth, Field Secretary of the Trustees and Ratepayers' Association. Mr Sedgworth will come to Dromore under the auspices of the Egremont Ratepayers' Association. All interested and others are invited to be present.

Sorry to report the illness of two of our oldest pioneers and men who have been neighbors since their settlement in Egremont—Mr Edward Henderson and Mr John Drimnie. We hope that with the warmer weather some of their health and vitality may return.

Miss Gladys Eccles has returned home, after spending several months in Toronto.

Rev. Mr. Burnett has purchased a car and was busy last week learning the intricacies of its driving mechanism. Thos D. Brown by all accounts, is another prospective purchaser. Shall "dusty" take the place of "Duster"?

Reserve the evening of May 24th and come and see the play "The Land of Promise" given by Priceville talent. Admission 20c and 35c.

Rev. Mr Broadfoot, of the Presbyterian Mission in South China, addressed the congregation of Amos Church very acceptably on Sunday morning.

Mother's Day was observed in a flowery way on Sabbath last. Rich, bright colors for the mothers who share our everyday joys and sorrows and white in loving remembrance of those who wait "over the way."

Nurse Feltis, Superintendent of Durham Memorial Hospital, spent over the week end with her sister, Mrs. A. R. Henderson.

Master Ivan Hincks had the painful experience of having two fingers crushed while turning a grindstone for his father. They required medical attention and will take a few weeks before they are useful again.
