LOCAL AND PERSONAL

Dr. E. W. Linklater of St. Michael's Hospital, Toronto, spent a few days with Dr. McLellan.

We are glad to announce that Dr. Percy J. Ross, who has taken over a dental practice at Boor St. W. and St. Clarens Ave., Toronto, will conduct a branch office at his home, Main St., Holstein, Monday and Tuesday of each week, beginning July 2nd.

The regular meeting of the Women's Institute was held at the home of the Misses Morrison, Thursday June 22nd, 21 ladies being present. The institute are donating three prizes, 1st, \$1.50; 2nd, \$1; 3rd, 50c at the Fall Fair to the girl making best house dress. Open only to girls belonging to sewing class. The report of the annual meeting given by Miss Morrison was much enjoyed, our Holstein branch showing up 1st in the district for amount of funds raised, Durham and Holstein equal in membership and 2nd in papers. The annual picnic will be held at Mrs. Rogers, July 26th.

Miss Jennie Christie who has been visiting old friends in St. Marys, has returned home reporting a pleasant holiday.

We are pleased to report 29 pupils are writing the Entrance exams in Holstein school. Who will win the medal?

Miss Snyder is presiding at the Entrance examinations here this week. Fine new cement steps have been built in front of the Presbyterian Church and the windows re-painted, improving the exterior of the church in keeping with the interior, which was recently renovated.

Rev. and Mrs. Truax and sons of Grand Valley, visited the first of the week with her sisters, Misses Marja and Sarah Brown.

Misses Edith and Pearl Dingwall are holidaying a week at Hamilton, Winona and elsewhere.

Mrs. Jarvis has returned to Brantford for a visit there.

The Public School trustees have engaged Miss Floyd of Chesley as Junior room teacher succeeding Miss M. McKenzie. Miss Davidson has been re-engaged for next year. Both rooms are well filled and if the school population shows much increase, another teacher is a possibility.

The Library Board are offering a special rate of 50c to the end of 1923 to new members.

Mr. Robt. Freeman, Duluth, and Geo. Freeman, Mt. Forest, were recent visitors on many friends in the village.

Holstein streets have received a good coating of oil and our citizens are free from the dust menace for the summer.

The Ladies' Aid Garden Party in the Park last Tuesday was a complete success, many enjoying the program and other attractions on a warm evening. The proceeds after expenses were met, were about \$90.

The Ladies' Aid of the Methodist Church wish to thank all those who so kindly assisted in lighting and other work to make the Garden Party the success it was.

Mrs. Hostetter returned Saturday after a couple of weeks pleasant visit in Detroit.

Mrs. Watson returned to Toronto Saturday after a week with her parents, Mr and Mrs W. H. Rogers.

Mrs. Petrie and Mrs. W. A. Reid attended the wedding of Miss Colbeck in Toronto last week.

Mr. J. J. Maloney of Dundas, occupied the Presbyterian pulpit Sunday of last week, gave a fine lecture Monday on "Mixed Marriages" and also spoke at the Garden Party Tuesday. He will be heard here again in the near future.

A new Continuation School, or not, is a burning question for Holstein at present. It seems the Education Dept. has expressed disapproval of the present premises as a schoolroom and will withhold grants unless steps are taken to build. If a building is to be erected, it would likely be a four roomed one, towards which the Gov't would furnish liberal grants. The question will be decided at a public meeting Thursday evening.

Holstein will celebrate the glorious 12th year, when 13 or 14 lodges are expected to attend. It is a number of years since Holstein had the Orangemen here and a big day of speaking and sports is planned. Both churches will provide meals.

Holstein Loses to Mildmay

GROUP NO. 9 won lost tied to play Pts. Mildmay 3 1 0 6. Holstein 2 1 1 4. Walkerton 0 3 1 0

June 29th, Holstein at Walkerton

Mildmay won from Holstein 1-0 in Mildmay. Some 15 carload of fans followed the Holstein team to Mildmay on Friday, June 22nd and were rewarded for the trip for although Holstein lost, it was one of the best exhibitions of football seen there for some time. The weather was threatening but held off for the game although the heat was almost unbearable. There was not a breeze which made it better for good football. The game started off slow for the first 20 minutes, throw ins being numerous, but the next 25 minutes were full of thrills both goals being tried and with Holstein having much the better play. But the period ended 0-0.

Mildmay scored in the second half after a rebound when Schefter got a rebound off one of the backs and drifted a hot one just under the bar. From then on just under the bar. From then on just under the bar. From then on just under the bar.

Mildmay was always dangerous and only for some good saves by Wendt, who had evened the score. Holstein got to Walkerton Friday and have to defeat Walkerton to stay in the running.

Hawkins of Southampton handled the game at Mildmay to the satisfaction of all.

Mrs Jas. Allan is visiting at present with her daughter, Mrs. Ed. Lindsay.

Miss Jean Kerr and sister Mary, accompanied by Mr G. Brown, spent the week end with friends in the Queen City.

Mr Alex. Allan of Harriston spent the week end with his brother-in-law Mr. J. Queen.

Mr and Mrs R. Lewis visited recently at the latter's home, Mr Jas. Eden.

BLYTH'S CORNERS

Well here we are again, cast down yet not discouraged, disappointed yet not dismayed. The most notable election in the history of the Province with three contending parties seeking control of its affairs is now over, and were it not for the fact that it is certainly a notable triumph for the liquor interests, assisted by the temperance people particularly of the type they have in some localities near here, we could be sport enough to offer congratulations.

That the election of Dr. Jameson is due largely, if not entirely to the red herring held out by him on the O. T. A. cannot truthfully or successfully be denied. The election however has not changed our mind one iota that the preference of Ferguson over a high type of premier and man like Drury, is taking a long step backward, if indeed not a veritable calamity, morally at least for the general welfare of our great Province of Ontario.

Writing this Tuesday morning, we are not in possession of the actual results of the election but if half the reports are true, it is abundantly evident that a most determined effort has been made by the combining of the Grit and Tory parties to crush out the farmer from political power and in this respect we are justified in thinking that Durham has played a very prominent part along with them. Just whether they will succeed in doing so, time alone will tell, but one thing we are absolutely sure of is the fact that never again will it be possible to whip the farmers into bigoted partyism as in former times, we are almost constrained to say that a considerable proportion of our farmer are a stupid and indifferent class of people, and are not able to do and do not appreciate good government. To elect a gov't largely, if not entirely, composed of lawyers and doctors and Manufacturers to conduct the business of a province like Ontario, mainly agricultural, with the idle dream their interests will be better looked after, than from a gov't such as we have had for the past 4 years, can only be the hope of an idiot.

However now that the wobbling Conservative party will in all probability be called on to form a Gov't, it will be interesting to note their attempt to hold down extravagance and how they will boost things in general, and squander timber limits, etc., etc.

NORTH EGREMENT

At Amos Church on Sunday last Mr. Robt. Renwick, an honored elder of the church and commissioner of the General Assembly held at Port Arthur, gave an address descriptive of the meeting and his diffidence and feeling of almost regret at first, but felt highly honored and pleased. He spoke in an interesting way of the journey and meted out sincere & great praise to the people of Port Arthur in their hospitality and christian spirit. It was pleasing and as surprising as it exhibited and was as surprising as it was filled with capacity. The church there had a seating capacity of 1400 and was filled to times at all times at the announcement of any vote. Convincing arguments pro and con were given by the various speakers there, high excitement though well controlled was felt at the momentous issues being discussed. Mr Renwick having taken in the feature.

At the C. E. meeting in the evening at the same place, the subject was taken by Mr Chas. McInnis of Fairbairn congregation, on "The moral standard of living." He spoke in an interesting way, citing incidents of his early days and showing the influence of early training in others whom he had met. Upon following the dictum and guidance of the Ten commandments, could not go astray. Making it interesting, he was attentively listened to and applauded.

We noticed the other day the genial George Smith in one of his handsome new cars teaching a lady in the person of Miss Susannah Smith to drive. His extra geniality was not due to the result of the election, that not being known then, but to the presence of an estimable lady by his side.

The annual picnic in Toronto of ex-presidents of Egremont Township and adjacent points, will be held in High Park, Toronto, on Saturday, July 7th. All who purpose attending will be at the Bloor St. Entrance to the Park at 3 p. m. that date.

An Egremont Boy Stepping Up

Mr. R. Wells, now of Punnichy, Sask., but formerly a resident of Dro more vicinity, is gradually rising in his chosen calling and is now manager of the Bank of Montreal at Punnichy. He entered the Merchants Bank of Canada in Regina in 1913 and after serving a year there was transferred to Soudry, Man. 2 1/2 years was spent there and from here went to Shaunavon, Sask. where he remained 2 years and was promoted to be manager at Dollard, Sask. at which place he opened a new branch. After serving at Dollard a year and a half, he was transferred to Antler, Sask., as manager. In 1921 when the Merchants was taken over by the Bank of Montreal, he stayed on as Manager and this past month was promoted to the Punnichy Branch. This place is situated in the Touchwood hills, west of the country and is covered with poplar trees and is very pretty. Prairie chicken, partridge and wild duck are very thick. Indian Reserves are quite close by and it is not unusual to see numbers of them in town.

Presentation to Teacher

A pleasant hour was spent at S. S. No. 13, Egremont, on Tuesday afternoon, June 26th. About 3 o'clock many of the parents met with the children to make the following presentation to Miss Eva Renton who has resigned her duties in above school. Master James Small, acting as chairman, called upon Miss Jean Renwick to read an address while Miss Margaret Leith presented Miss Renton with a vanity bag and Masters Alexander Taylor and Robert Renwick with a club bag. The following is the address:

Miss E. A. Renton, Dear Friend,—

It is with very sincere regret we learned of your decision to sever your connections with this section, where for two years you have given us faithful service as teacher of our school. In these years we have learned to look upon you as a friend indeed and associations have been formed in the minds of both pupils and parents that will long be cherished. The school under your painstaking care and ability as a teacher, has made remarkable growth and we value equally as much the impress of your character on the minds of all who came under your influence. We ask you to accept these gifts as a small token of our appreciation.

While regretting to lose you as a teacher we hope there will be many occasions when we can have you with us again. Signed on behalf of S. S. No. 13, Egremont. Alexander Taylor Jean Renwick, Isabel Hastie, Margaret Leith, Ruby Wells.

Miss Renton feelingly expressed many thanks for the kind appreciation and beautiful gifts, after which a short program was given by the children and all partook of a luncheon.
