Annual Bowling Tournament

Friday last was a gala day for bowlers and their friends on the local green. The day turned out to be one of the best, though as night fell, it became considerably cooler and to those not actively engaged in the sport, it was even cold. However "Canadian Greys" Chapter, L. O. D. E. had a tent on the grounds all day and supplied the players with hot and cold drinks if desired, as well as other edibles.

19 Rinks were in the play and interest was held high throughout the day. Durham Club had donated handsome prizes to the four high rinks and they were well contested. The first prize went to the Bert Tilson rink from Hanover and took the form of four serving sets to each member of the rink; 2nd, Dr. Field's rink, O. Sound, four sweaters; 3rd, Dad Merriam's rink, Chatsworth, four electric stoves; 4th, T. G. Goodchild's rink, Durham, four Thomas bottles. As we have stated there were 19 rinks in the play and eight of these were from Durham. The remaining rinks and the number of rinks sent were from Owen Sound 1, Chatsworth 2, Mt. Forest 2, Chesley 1, Hanover 3, Clarksburg 1, Arthur 1.

The Hann Trophy was also again fought for by the Hanover rink and they succeeded in taking it back with them by the difference of one shot. The play proved to be throughout of the most pleasant nature. The I. O. D. E. will clear around \$40 from the sale of articles at their booth.

For Tourists

The Drury Government in its dying days as it happens, has issued a charming little booklet on "Ontario's Lakes and People of Leisure" which to tourists and people of leisure must furnish a delightful source of information. It is beautifully illustrated and a perusal of its pages is a revelation of the beauty of our fine province. A request to the Department of the Attorney General, Toronto, will bring to contemplating tourists a copy of this booklet with its fine road map.

Sunday School Convention

DURHAM AND GLENELG

The 10th annual convention of Durham and Glenelg Sunday School Association was held at Zion Methodist Church, June 28th. Mr. R. T. Edwards, President, called upon Mr. Jno. Taylor, Hanover, to conduct devotional exercises, after which Mr. Edwards gave a short address of welcome to those present. Mrs. John O. Greenwood and Mrs. Arthur McNally gave a most pleasing duet.

Rev. F. W. Madden, Brampton, who has been a rural pastor and Sunday School worker for many years, gave an address on "What is my Task?" which was full of good things for every S. S. worker. Especially helpful was the Round Table Conference where Teacher Training, Home Dept. and Temperance and Missionary instruction were given. Miss Winnie Binnie gave a splendid paper on "Some subject which will supply a real need in your Township." The paper was so enjoyed by all that a resolution was passed to have it printed in the Ontario S. S. Leader.

The evening session opened with a song service, followed by a short interesting address by Mr. Taylor, pointing out that if parents are not interested in S. S. work, how can the child be? and to try and lead the young lives of your community and make them good citizens.

The Theodosia Fallaise rendered a beautiful solo, which was much enjoyed by all. Rev. Mr. Madden again addressed the meeting, taking for his subject "What is our task." The address was so inspiring, the only regret was that there was not more present from town and township to hear it. Rev. Mr. Madden closed his address by asking the audience to picture in their minds, a teacher, a child and a goal.

Lunch was served between sessions. Next year's convention will be held in the Presbyterian church, Durham. At the evening meeting, the resolution committee presented the following resolutions: "That the Sunday Schools that are opened the whole year, be asked to recognize 'Go to Sunday School Day in May' and those that can't have it in May, a day suitable."

"That a hearty vote of thanks be given to Zion and community for their cordial welcome and hospitality and to the speakers of the day." Both were unanimously carried.

God has need of birds and flowers, And so I am sure in His wonderful plan He has a place and mission for me.

Red Cross Celebration Was a Success

Beautiful weather all day favored the Red Cross Sports Day on Monday, July 2nd. The attendance was fair and a gate of nearly \$400.00 was the result. This with the proceeds of the concert in the evening, will enable the committee to help the funds but they furnished many a good laugh. The contortionist seemed almost uncanny as he twisted his limbs into unconceivable positions, justifying the sage remark that his anatomy had rubber where other people had bones.

The Loughheed performances could scarcely be called "circus attractions" but they furnished many a good laugh. The contortionist seemed almost uncanny as he twisted his limbs into unconceivable positions, justifying the sage remark that his anatomy had rubber where other people had bones.

The pipe music and dancing was thoroughly enjoyed. The dances were clever artists and in Scottish and Irish costumes did reels, hornpipes, sword dance, etc., in regulation style showing much skill.

The water fight between two sections of the fire brigade Durham was a striking spectacle well carried out and a feature of the afternoon. This and the acrobats, the trick cabin exploits, the music and dancing, etc., filled in the fleeting hours of a beautiful afternoon, while accompanying all was a fine baseball match between Durham and Walkerton, which proved of great interest.

The game was the first league one of the District and after a close battle throughout, Walkerton finished ahead, 14 runs to 12. Walkerton secured a 3 run lead in the opening innings, and it was the 4th before Durham overtook them with 6 runs. The fifth innings saw both sides retired in order, but the sixth was another swatting, when the visitors added 4 runs and Durham 5. Our boys were 2 runs up, but the Bruce boys counted one more in 7th, and batted 3 more in the 9th while Durham was blanked the last three frames. Mountain pitched a good game for Durham though hit hard in spots. The locals had the breaks of the game against them, having 2 or 3 runs counted on badly bounding balls. The score by innings: 1 2 3 4 5 6 7 8 9 T Walkerton 12 2 3 4 5 6 7 8 9 T Durham 10 0 6 5 0 0 0 12

The line up in batting order: DURHAM: WALKERTON: A. Corbett, 2nd b. O'Brien, 1st b. W. Vollett, r. f. McNabb, pitcher E. Schutz, catcher Anderson, c. f. H. Mountain, pitcher McCartney, cat' r. Elvidge, c. f. D. Anderson, 1. f. Moorhead, 1. f. Kneuphar, 2nd b. A. Kress, 3rd b. Campbell, 3rd b. R. Burnett, 1st b. J. Atkins, 1st b. W. Snell, s. s. Raybould, r. f. Umpires—Lou Anderson, Walkerton, at plate: R. Moorhead, Durham, on bases.

The slow Ford race, once around the track, had five entries. Cars had to be run the whole distance on high gear—any stalling or changing into 'low', would disqualify them. Oliver Milner was the last to make the round trip and thus won the event. Campbell Clark took second longest and Cecil Blyth was third. Stanley Pust and Art. McDonald stalled their cars en route, otherwise they had a splendid chance of finishing last.

The Races for boys and girls under 12 years, resulted as follows: 100 yd Dash—Norman Ritchie, Tom Caldwell, Norman Dean. Egg and spoon race—Dorothy Jones, Mary Chalmers. Lizzie Hinds. Centipede race—Bob Chalmers, Raymond McGirr, Kenneth Wilson. Sack race—George Blin, Frank Goodchild, Norm. Kingtonham. Girls' race—Lizzie Hinds, May Miles, Dorothy Jones.

THE BABY SHOW

Fifteen just first class babies were in competition in the Agricultural Hall and Judges Mrs. (Rev.) Cameron, Nurse Ferris and a mere man, Alvin M. Bell, had no light task to make a decision. After due examination, testing weight, etc., the first prize went to Mr and Mrs Wm. McGirr's son "Billy", while second went to Mr and Mrs. Archie Davidson's little "Betty", and who were here from Port McNicoll for a visit. Mr. and Mrs. Horace Elvidge's son Gladstone captured third place. This is the second child of Mr and Mrs. McGirr's to receive recognition at a baby show.

Obituary

MISS JEAN GRAY

Sunday last the end came to this lady after less than a week's illness, at her home on Queen St. south, Durham, as a result of a chill she received after returning home from voting last Monday. Election day. Neighbors were thoughtful and kind, but their services and medical aid proved unavailing to stay the hand of death. A hurried call was sent for her nephew, Mr. C. G. Watson, of London, who came before she became unconscious, giving her a measure of comfort that a relative was near.

Miss Gray was born at Dundas, Ont., over 79 years ago and is the last of a well known family in this district. Thomas and Chas. Gray were brothers, and sisters were Mrs. Charles Kinnon, Egremont, Mrs. Jno. Watson, London, Mrs. Wm. Mountain, all now deceased. Deceased lived alone, a sturdy spirit of independence never leaving her. She had considerable force of character and won the respect of neighbors.

Interment took place to Maplewood cemetery on Tuesday, her pastor, Rev. W. H. Smith conducting services.

Hymeneal

McGOWAN—LIMIN

At Old St. Paul's Church, Woodstock, on July 2nd, quiet but pretty large, the wedding of Miss Sara O'Neill, youngest daughter of Mr and Mrs. E. W. Limin, became the bride of Arthur Frame Clark, son of Mr and Mrs. John McGowan, also of Durham.

The bride, who was unattended, was attired in a navy blue tulle suit with gray blouse and becoming gray hat and wore the gift of the groom, a beautiful string of pearls.

The church was decorated with roses, peonies and marguerites. Rev. John Morris, rector of the parish, performed the ceremony in the presence of only the immediate relatives, after which all repaired to the rectory for the home of the bride's sister, where a dainty buffet luncheon was served.

Mr. and Mrs. McGowan left later on a motor trip to Stratford, London, Hamilton and other points west. On their return they will reside in Durham. The Review wishes to extend the very best wishes to this young couple.

ALEXANDER—MOFFATT

A very pretty wedding was solemnized at the home of Mr and Mrs. Jno. Moffatt, Pinkerton, on Wednesday, June 20th at high noon when their only daughter, Irene McCallum, was united in marriage to Mr. Roy Alex. Alexander, Pinkerton. Rev. W. M. Lee officiated. The bride, prettily gowned in ivory satin and Spanish lace, with embroidered tulle veil, and a coronet of orange blossoms, and carrying a shower bouquet of Columbia roses, entered the parlor on the arm of her father, to the strains of wedding march, played by Miss Carotta Mutrie, and took her place before the altar.

The groom's gift to the bride was a beautiful string of La Reine pearls and to the organist a gold bar pin with turquoise setting. After the ceremony a wedding breakfast was served in the dining room, the guests numbering about 40. The bride and groom were recipients of many beautiful gifts, including a number of cheques. The happy young couple left by motor for Stratford, Toronto, Niagara Falls, their travels in a navy blue suit of popel will with hat to match. On their return they will reside on the groom's farm on the 14th con., Greenock, Bruce Co.

(The bride is a granddaughter of Mrs. Robt. Ector, Edge Hill and niece of Mrs. Thos. Turnbull and Mrs. Wm. Weir.)

Captured the Halliday Cup

Not in many moons has a rink of Durham bowlers won such honors as those achieved on Monday in Chesley. The personnel of the Durham rink were:

Oliver Hunter
J. H. Hunter
Wm. Calder
T. G. Goodchild, skip

They were first pitted against Chesley, Reid, skip, and won by 19 to 4. Second game with Paisley, Schumaker, skip, and won by the closest of the series but the invincibles won 13 to 11.

Third game was with Cargill, Brickner, skip, and the Cargillites have evidently something to learn yet about bowling, for Durham made it nearly unanimous, 23 to 1.

The final game was with Owen Sound, Edgar, skip, stubbornly contested, but the same result, Durham winning 15 to 11.

The 1st prize was the M. A. Halliday trophy, an elegant affair, which rests in Durham until some venturous team challenges the victors on this occasion. The team won besides a steamer rags valued at about \$50, all spent over Dominion Day with their mother, Mrs. R. Marshall.
