Former Durham Friends We Met while on Maritime Trip

In the course of our recent Maritime trip, we came in touch with two former Durhamites and who still wished to be remembered to their good friends here.

J. W. Rombough, now of Charlotte town, P. E. Island. While receiving in the Provincial Parliament Buildings, from the Premier and Mayor, the welcome and greetings of the city, we were somewhat surprised to hear our name called out and that of the Chronicle Editor, Mr. Irwin.

Also he is a naturalist and astronomer of no mean order and altogether made our time very pleasant while in this section of "The Garden of the Gulf."

Promotion Examinations.
