Rob Roy Mills Limited

**Flesherton Presbyterians call Minister**  
At a congregational meeting held in Flesherton Presbyterian Church, it was decided unanimously to call Rev. Geo. S. Hammond of Wellesley, Ont. to replace Rev. Mr. Fowler, who recently left the charge.

**"Petting Parties"**  
Derby Township Council is about to take steps to prohibit nocturnal spooning, by passing a by-law to prohibit motorists from parking cars on roads between sunset and sunrise. It is alleged that lonely roads are more populous by night than by day, and supposedly morals are in danger by these "petting parties" as they have been called.

**Trinity Church S. S. Hold Picnic**  
Trinity Church congregation and Sunday School picked in Rosborough's grove, near the Park, on Tuesday afternoon last, when upwards of one hundred spent a pleasant time at the riverside. A baseball game proved exciting and rates from the married folks down to the wee tots was equally interesting.

**Garden Party at Pricerville**  
On Tuesday, 17th July, there will be a garden party on the school grounds, Pricerville, under the auspices of the Presbyterian church. The program will be given in the church and races and games will be held on the school grounds. A basketball game will be played between Flesherton and Boothville girls. Admission 35c and 50c.

**Installing I. O. O. F. Lodges**  
District Deputy Grand Master John Ritchie with a team from the local Oddfellows Lodge, are this month engaged installing the officers elect in the various lodges in this district. Last Friday he was accompanied by Arthur by Messrs. Jno. A. Graham, Rev. W. H. Smith and A. C. Kinney, and on Monday the same team went to Brayton with the exception of Messrs. Ed McClocklin and Dave Nichol replacing the latter two.

**Presentation by School Scholars**  
On Tuesday afternoon, July 2nd, the pupils of Varney School, along with some of the parents and young girls of the neighborhood, met at the home of their teacher, Miss Janette Kerr. After an exciting ball game, all gathered together, and in a few words, Miss Sude Noble spoke of the appreciation of their teacher and Miss Charlotte Patterson, and Miss Florence Grant presented her with a handsome flower vase, salad bowl, fork and spoon. Miss Kerr thanked the pupils and friends for their gifts and then all sat down on the lawn to enjoy a hearty lunch.

**Teacher Troubles**  
The High School Board are "up against it" this week. Amongst other applications for the Principalship was one from Mrs. Nell McCannell of Hurst, who was accepted and on Saturday met with the trustees, was shown over the High School which met with his approval and everything seemed lovely. However on leaving he asked to have till Tuesday to give his decision. On Tuesday, no word coming, Sec'y Grant wired him, and found that he could not now accept, reason not given. There seems in this procedure, a lack of common honesty which we hope is not characteristic of the profession. The likelihood is that he had more than one string to his bow, and was holding Durham till something else was made sure of. The Board is in touch with a second choice.

**Monthly Institute Meeting**  
The monthly meeting of Durham Branch Women's Institute was held at the home of Mrs. Nell McCannell on Thursday last. The attendance was large and after the usual preliminaries, Mrs. McElraith on behalf of the District Association, thanked the local branch for entertaining the delegates to the District Annual Meeting and presented a donation of \$20. The Branch then voted a donation of \$5 to the I. O. D. E. for the loan of dishes for the same meeting. Mrs. (Rev.) Cameron read a very instructive paper on "The Problems of Parenthood." This is the first of a series of papers on "The welfare of the child in the Home" which the Institute will take up throughout the year. Mrs. Thos. McGillivray an interesting paper on "Pioneer School Days in S. S. No. 1, Glenelg. This section is one of the oldest rural sections in this vicinity. The roll call, "How to keep cool" came to a sudden ending when Nature answered with a refreshing shower which hurried everybody in doors where a dainty lunch was served.

**Ford Coupe for Sale.**  
1922 model, privately owned, with over \$50 extras—sun visor, stop parking and dash light, winter hood, door lock, etc. Five good tires, engine just overhauled completely, and in splendid condition. For \$550. Apply at this office.

**Successful Music Students**  
A week or two ago Misses Mary McKechnie, Jean Morlock and Ellen Hay wrote music examinations at Hanover under the tutorage of Miss Hahn of Hanover. They have since received word that they were successful, the former two their Junior piano and the latter her Primary.

**Stricken with Appendicitis**  
While en route to Brantford this week to visit her sister, Mrs. Miller, Mrs. Fred Forsythe (nee Miss Rita McComb) of Perth, was taken suddenly ill on the train with appendicitis and on arrival at Brantford was at once removed to hospital. We understand her condition was critical and trust she is now progressing.

**Will Go to France**  
Mrs. L. Horne, B. A., well remembered here as one time a member of Durham High School staff, will in a few weeks sail for France, where she will take special tuition in the French language, with the idea of perfecting herself on the accent and pronunciation. At present she is one of the Departmental staff examining papers in Toronto.

**Steam Car Here**  
A new Brooks steam car, the newest auto on the market, was in town last Thursday, the demonstration being held mainly to further the sale of stock in the Company. Either coal oil or gasoline can be used as fuel, and there are no gears, no transmission and no carburetor. The speed of the car is governed entirely by the throttle. The lowest priced model sells for \$1600.

**Can not go Overseas**  
Because of the fact that a male overseas teachers' exchange system, Mr. W. J. Blakeston, principal of the Shakespeare school, Stratford, will be deprived of the experience of a year's teaching in the English schools. Blakeston was among the number from Stratford selected to go overseas for the next school term, but has received word that suitable arrangements can not be made.

**Orangemen at Church**  
About 80 brethren of Durham and surrounding Orange lodges marched in a body to the Presbyterian church on Sunday night, when they listened to a splendid discourse from the pastor, Rev. W. H. Smith. He impressed upon the brethren to live up to the constitution in the use of the Bible, making it a living factor in their lives. An anthem by the choir and a duet by the Misses Esther McComb and Beulah Stonehouse was much enjoyed.

**Entrance Results Likely out Soon**  
The results of the High School Entrance Examinations held at Durham Centre on June 27, 28 and 29, will probably be announced sometime between July 13th and 17th. This is the statement made by J. A. Graham, to the Review this Wednesday. The papers are sent to the Department of Education at Toronto and should be returned at the latest, by the middle of next week. The results will be eagerly awaited in Durham and vicinity, as there were 17 wrote from the town school and 35 from rural schools around Durham.

**Death of John R. Smith**  
The death of John R. Smith of 2626 Garnet Street, Regina, occurred on Sunday, July 1st, after a lingering illness. The deceased was the eldest son of the late Mr and Mrs William Smith of Glenelg and prior to removing to Regina 18 years ago, resided on a farm adjoining the village of Holstein. He is survived by his widow, who was formerly Mary Brown, four daughters and one son, all in Regina. The eldest daughter died of the flu in 1919. Wm. Smith, South Bentinck; James at Holstein; Charles, Albert and Mrs. H. Hamilton in Guelph, are brothers and sisters of deceased.

**School Staff Changing Around**  
The personnel of Durham Public School staff is changed to that of last year by the incoming of two new teachers, Misses Edna Browning of Remont, and Donald McEachern of Egremont. However the former teachers have changed around, that now, with the exception of Principal Graham and Miss A. C. McKenzie, no teacher is presiding over her former room. There are now two third and second books and the line up is as follows: Third books, Misses A. C. McKenzie and S. F. MacDonald; Sr. II, Annie MacDonald; Jr. II, Mary E. Morton; Ist, Edna Browning; Sr. Pr., Donald McEachern; Jr. Pr. Miss Schaefer, Hanover.

**No longer "Good Roads"**  
The Garatara Road, south of town which formerly was a splendid highway has this last month been undergoing grading, widening and hill cutting, till the road for over three miles is now in a rough condition, and at times impassable for traffic. The small hill in front of Thos. Gray's home has recently been cut down and the grade at G. M. Leeson's farm, Varney, is also undergoing radical excavating and filling. Over Camp's Creek at south end of town, a new bridge is being erected. The road for a couple of miles north of Dornoch, is also being graded, and is very rough. However in a few months, all steep grades and curves will be removed and the Garatara should then be a joy to motorists and all other traffic.

## Information re Waterworks

A representative of a Toronto firm whose business it is to install water systems, met the Council on Tuesday and supplied plans and figures as to cost to town and to users of water for domestic use and above all for electric fire protection. He was thoroughly equipped with maps of the town and cost of installation of stand pipe, mains, and other relevant information.

He finds that water from the springs on the hillside north of the river, the more economical of three sources, the river and the Lake being the other two. The cost of a supply from the Lake, would be almost prohibitive, and besides its purity is inferior to the spring.

He gave full information as to the methods of installation, cost, &c. The stand pipe would be on the Durham Road, near the Hospital. The 8 in., 6 in., and 4 in. diameter would be used for transmission mains and a necessary preliminary step would be the passing of a by-law for about \$26,000 before operations could begin.

More will be heard of this before long. He estimates there would be revenue from about 200 users.

## Juniors Surprised O. Sound

History, they say, repeats itself, and to show their victory in the Baby City last year was no mistake, the Durham Junior Ball Club again beat O. Sound 3-1 last Friday, right on their own diamond. The Sun-Times reports the game thusly:  
"But for a very bad beginning, O. Sound N. V. B. A. Juniors might have won their first game of the season last evening. The husky, well-trained Durham players were here for the first game, and they went home with an 8 to 4 victory, tucked in their belts. Durham, being the visiting team, went first to bat and in the first inning with only one hit they got away with no less than five of their eight runs. With this handicap on their shoulders, the O. Sound boys recovered from their stage fright, and played good baseball.  
There was a disappointing small crowd out to see the game which had been well advertised, and it certainly was well worth seeing. Although the game was called to start at 5 o'clock, the first batter was not up to the plate until quarter of eight, and the delay while it may have been unavoidable, was not the less regrettable.  
Although Durham got only one hit off Guttin in the first innings, he walked 4 men to first and two across bases for the Juniors, this season. In the eighth and seventh he struck out two batters in each inning and when the Durham men did hit the ball, the fielders were right behind him. During the three innings in which he occupied the mound, not a Durham batter reached first base.  
While the Durham men played snappy base ball in the field, their strong point was in their pitcher, the lanky mountain, in spite of the fact that men not just as many hits off him as the Durham men got off Guttin. Mountain himself, was largely responsible for beside pitching a good game of baseball, he made three base hits and scored on the next batter's single.

Mr John Kennedy, residing with his sister Mrs. Moffat south of Varney, was reported dead a few days ago, but a later report corrects it. He is not in good health certainly but we hope the other announcement may be long deferred.

## WILL YOU RECOMMEND THE DURHAM REVIEW?

If you like the Durham Review will you tell your friends about it? It is the aim of every newspaper to extend its circulation as widely as possible and we are anxious to increase the number of Review readers by every legitimate and business-like means. Will you help us by recommending the paper to your friends? Many citizens have been good enough to tell us that they like the paper and we greatly appreciate these words of encouragement, but we appreciate even more the additions to our list of subscribers which is increasing.

A number of the C. O. F. brethren of town went to Hanover Sunday to take part in the Decoration Day Services there to their departed comrades. Rev. J. D. Lane gave a fine address to a large crowd in the cemetery. A male quartette rendered some beautiful numbers during the service.

**Showers the Bride**  
About thirty girls and young men friends of Mr and Mrs. W. McDonnell (nee Maude Kress) gathered in a body at their home Tuesday night and surprised them with a miscellaneous shower, they having just returned from their honeymoon. The gifts overflowed an artistically decorated express wagon which was drawn to the home by Master Billy Anderson and Miss Dorothy McDonald, followed by the guests. After an hour's entertainment in the bride opening the presents and reading original gifts accompanying them, a jolly night was spent in games, music and dancing.

## Death of Mrs John McVicar

The funeral of the late Mrs John McVicar took place from St. John's Church, Glenelg, on Monday, July 2nd at 10 o'clock. Requiem high mass was sung by Rev. Fr. McGee and interment was made in the Catholic cemetery, Rev. Fr. Flanagan officiating. Mrs. McVicar had been a member of Centre Glenelg community all her life and was respected and loved by all who knew her. Although her chief interest was in her home, she was a devoted member of the church, who will remember her for the many kindnesses shown to them. After such an unselfish life it seemed only fitting that she should die, fortified by the rites and consolations of the Catholic church. For the past three years she had been a constant sufferer and bore all with christian patience. Her cheerfulness and resignation to the will of God, during her lengthy illness was an inspiration to all who visited her.  
There are left to mourn her loss, her husband, two sons, John at home and Angus of Pricerville, and three daughters: Flossie and Phil, at home and Mrs. J. Black, Toronto. One son, Alex, made the supreme sacrifice in France during the late war. She is also survived by two sisters, Mrs. D. McCormack, Glenelg, and Mrs. Wilson, Toronto.  
She will also be sadly missed by her mother and her nieces, Bella and Edie McDonald, to whom she had been a mother. The sympathy of the community is extended to the bereaved family.

**Why Can't We Save?**

ONCE again you say this as you find that expenses have eaten up all your income. How is it that other people, with no larger incomes than yours, are able to buy many things you cannot afford?

Perhaps it is because you have no definite plan of allotting your income. Our useful Memoranda Book, which the Manager will be glad to give you, contains Budgets for both families and individuals. It will help you to plan your expenses with something to spare.

A few hundred dollars in the Bank will give you a wonderful feeling of security and independence.
