MULOCK

Remember the illustrated lecture by H. J. Bell, B. A. of Toronto, in the Mulock Baptist Church, on Friday night, July 13th, in the interests of the Bible Society.

Mr. Don. McGillivray of Elmwood, late and hearty as something over 50 years of age came down in a wagon to see his niece, Mrs. Wm. Fulton and also visit at Duncan Livingstone's. This patriarch is still active and straight and his ambition is to see one hundred years. Here's hoping his ambition is granted.

Rev. and Mrs. Glen Wardell and two children of Wingham, were the guests of Rev. and Mrs. Aird this week.

Mr. Bower of Elmwood has the contract of lathing and plastering the school. Mr. Bower is noted for his good work and this promises to furnish his reputation.

Mrs. Burgess of Hanover, is at present visiting her friend, Mrs. And. Hastie.

We are pleased to know that Mrs. Edward Boyce is recovering from the results of a stroke she received a couple of weeks ago. Dr. Jamieson is in attendance.

Mr. and Mrs. Arch. McDougall, accompanied by Mr. Duncan Livingstone and sister, Miss Tena, attended the funeral of the late Mrs. Alex Livingstone in Priceville, Monday of last week.

Mr. and Mrs. D. H. McDonald and children of Toronto, are holidaying at the home of Mr. Jas. Hobkirk.

Mr. and Mrs. Jno. McKechnie, with Mr. Donald McKechnie and daughter, Mary, spent Sunday with Mr. and Mrs. Colin McIntyre, Doroch.

Myrtle McDonald was visiting her cousins, Dougald Hastie and J. D. and Alexander Brown this week.

Mrs. Alf. Redford and daughter, Eva, of Durham, are visitors at Mr. Will Adlam's this week.

The Ladies' Aid Annual Garden Party were unlucky in striking a cold and unfavorable night for their annual function. Despite the summer attendance than usual, due to the weather, over \$60 was taken at the gate.

DORNOCH

Mr and Mrs. H. Givens of Holland Centre, Sundayed with Mr and Mrs. F. Shewell.

Mrs. E. B. Dargavel spent Monday in O. Sound, on her first trip with the bus. We hope it will continue until we have the radial cars. We hope the new Government will see about that, also the telephone from Durhata to Dornoch.

A number from this burg took in the U. F. O. garden party at Holford. Dr and Mrs. Smith and son Morris, attended Communion in the Dornoch church on Sabbath last. The Rev. also spoke to the young people in the evening which was much appreciated by all.

Miss Susie McIntosh returned on Friday from the city to spend a few months with her sister and brother.

The Misses Sillars arrived home from the West on Thursday and expect to spend a couple of months with her parents, Rev. and Mrs. Sillars.

The Women's Missionary meeting was held in the basement of the church on Monday afternoon, quite a number of ladies being present. The mission studies were read by Mrs. Jas. Ledingham.

The ladies of the Presbyterian Ch. have decided to have a bee next week to clean the walls and woodwork of the basement. We hope every one that can come will turn out and not leave it to a few as things are generally left. Bring the useful things along as all know what is needed in a job like that.

Sorry to hear Mr. D. Hastie met with an accident last week while working with the steam shovel. He was crushed between the shovel and the bank and only for some of the proved fatal. We hope to see him able to attend to his work again soon.
