LOCAL AND PERSONAL

Mrs. Geo. McFarlane and son Ralph of Palmerston, were the guests of Mrs. Manary last week. Mr. McFarlane coming up over Sunday.

Captain Wallace of Port Jefferson, Long Island, arrived here Friday evening on a visit to Mr. and Mrs. Hiscock. Mrs. Wallace with her son Eric have been spending a few weeks with her sister, Mrs. Hiscock at South Bend.

Mr. and Mrs. D. Bruce, also Mr and Mrs. C. Schenck recently visited their former neighbor, W. J. Eccles in Mt. Forest.

Mr. Kraft of Elmira has been busy remodelling V. Alles' stables.

Arthur Hilton, whose home used to be at W. H. Sim's, is visiting them after an absence of 14 years 13 of which were spent in the British Navy.

During all the war he was in active service on the Dreadnought "Repulse". He was on the cruiser "Renown" when it brought the Prince of Wales to Canada, and later took him to India, etc. The past few months he has been with his uncles at Kincardine. Since coming over he has been renewing old acquaintances with schoolmates, etc.

We congratulate so many of our Entrance pupils on their success. This week is the first anniversary of our dear mother's passing into the Great Beyond. Many times our thoughts have reverted to an old poem:

"I sat and watched her many a day,
When her eye grew dim and her locks were gray,
And I almost worshipped her when she smiled,
And turned from her Bible to bless her child."

Miss Florence Reid of Guelph, is holidaying with Miss Mary Bye.

Misses Mabel Hopkins and Jean McKenzie visited at Mr and Mrs Wm. Wm. Nelson on Sunday.

Miss Matilda Christie visited friends in Mt. Forest last week.

A very pleasant time was spent on Monday evening by the members and wives of the Orange Lodge, when they held an "At Home" in their lodge room. Mr. Geo. Fenton was Chairman and those who took part in the evening's program were as follows: Solos, George Hunt, Bruce McKenzie, Herbert Lamont; Duet, Mrs. Orrie Hunt and Mrs. Stevenson; speech, Joseph Rawn. Refreshments were served by the ladies.

Holstein Loses in the Round

Mildmay Win from Holstein 2-1 and win the District 3-2.

The protested game between Holstein and Mildmay was played at Mildmay Friday night, July 20th, before the largest crowd of the season. The teams were tied and the winner of this game won the District honors.

Last year these two teams played five games before the District was decided, Mildmay finally winning out. This year the same number of games was played before a winner was declared which goes to show how evenly these teams are matched. This game was not as fast as previous games owing to some of the players playing under handicaps but great praise must be given these players for their pluck in staying with the game.

The game started off fast and the first 20 minutes Holstein pressed hard, having a number of shots which finally ended in a penalty kick for Holstein when Pletsch handled the ball. Gibson took the penalty kick and easily beat Wendt but he shot too soon and the penalty had to be re-kicked. Again he beat Wendt with a shot that must have burnt his hand. Holstein still pressed and in less than a minute after the penalty Eccles and Dickson beat the defence and shot but Wendt saved a hard one. Near the end of the first period Mildmay was awarded a penalty when a ball accidentally hit Blyth on the arm. McGowan kicked the penalty for Mildmay but Pinder saved, but again Mildmay scored on the rebound and the period ended 1-1.

The team changed ends and they were off again. Mildmay pressed hard, using a good combination, but could not beat Pinder, who made some great stops, but they finally tallied on a corner kick by Metcalf. It was a perfect shot but Pinder saved, only to have it hit one of his own men and rebound into the goal, which proved to be the winning goal.

Gibson on the defence and Pinder in goal were the shining lights of the Holstein team while Scheffer and Pletsch were the best for Mildmay. Sammy Law of Galt, referred to the satisfaction of all, President Don Campbell of Preston, and Mr. Elliott one of the Executive from Stratford, were at the game, and were well pleased with the playing of the teams especially with the speed of the Holstein team and the Mildmay combination. The teams:

MILDAY	HOLSTEIN

Schmidt	Ray Pinder
Bealy	Gibson

Kunkel	C. McArthur

JURY DISAGREE

Ten jurors for conviction, two for acquittal—was the position at the close of the spectacular trial of Abbe De Lorme for the murder of his half brother Raoul. As a consequence there will be a new trial and a new jury. The Crown case and the summing up Justice Lemieux seemed to leave not the least uncertainty that the accused was a cold blooded murderer, but two jurors thought otherwise, and the Priest goes back to the cells once more. Judge, jury and all connected with the case are re-religionists.

DROMORE

The play put on by the young people of Swinton Park, on Wednesday evening last, July 18th, in the Hall, was well patronized and received, notwithstanding the busy season. Around \$40 was realized at the door. The play entitled "The new Minister" was a good natured caricature or jibe upon the Ladies' Aid Societies, Old Maid's Clubs, Choir practices, music committees, sexton and so forth. The parts were all well taken carrying many a smile and hearty laughter. That of Mrs. Wind who condemned gossiping but was full of herself; the sexton and the old maid with the cat in her arms and her saillies were laughable. The parts of the boys were all well performed, while Mrs. De Lancy certainly looked the part. Miss Marjorie McLeod accompanied on the organ throughout.

Mr. and Mrs. D. Bruce, also Mr and Mrs. C. Schenck recently visited their former neighbor, W. J. Eccles in Mt. Forest.

Mr. Kraft of Elmira has been busy remodelling V. Alles' stables.

Arthur Hilton, whose home used to be at W. H. Sim's, is visiting them after an absence of 14 years 13 of which were spent in the British Navy.

During all the war he was in active service on the Dreadnought "Repulse". He was on the cruiser "Renown" when it brought the Prince of Wales to Canada, and later took him to India, etc. The past few months he has been with his uncles at Kincardine. Since coming over he has been renewing old acquaintances with schoolmates, etc.

Mr. and Mrs. Wm. Eccles of Mount Forest were in attendance at the church on Sunday last and looking well and renewing old acquaintances.

The Rev. Mr. _____ who preached here one Sunday 10 years ago in Rev. Geo. Kendall's time, was also a worshipper here on Sunday last.

Mrs. Thos. Renwick who had a rib fractured by a kick from a cow, is getting along nicely we are told.
