**Presbyterian Missionary Meeting**  
The Women's Missionary Society of Durham Presbyterian Church held their August meeting at the home of Mrs. John Bell, Glenelg, when upwards of 70 ladies and young people were present to hear and take part in missionary topics. The large lawn in front of the home was used to good advantage and on which lunch was also served.

**Wants to get Durham Youth**  
The Review is in receipt of some small bills from Mr. J. W. Crawford of Eyebrow, Sask., calling attention to harvesters' needs in their locality. We were pleased to distribute them to the bunch of 50 harvesters who left Durham Station Wednesday morning. Nothing like catching them in time, even if the bait is hung 2000 miles to the East!

**Old Bentinck Boy in Luck**  
Another Chesley boy has come to the front in the person of Mr. R. C. Miller, general merchant of Matheson, Northern Ontario, eldest son of Robt. Miller of Bentinck Tp. R. C. Miller took up six mining claims a very short distance away from Matheson and on the six claims are thirty veins of gold. He has refused an offer of one hundred and fifty thousand dollars for them.—Enterprise.

**Hydro Now in Paisley**  
Hydro-Electric service was inaugurated in Paisley Monday night for the first time. Hundreds from village and country celebrated the event, the celebration taking the form of a public meeting addressed by Engineers James and Flannery of the Hydro Electric staff, Toronto. C. J. Hadden, Chesley and local speakers. A dance in the Hall closed the night's revelry.

**More Immigrants this Season**  
Rev. Dr. Farquharson in a recent letter from Quebec says: "We are having many more immigrants this season than we had last summer. I have not summed up the totals to date but I fancy the number of Presbyterians has about doubled. The influx is largely from Scotland, so that the increase in the number of Methodists and others is less marked." He has been enjoying Mrs. Farquharson's company for some time and visits from Jessie and Charlie and other relatives have given a home touch that he enjoyed.

**Bowling Tournament, Aug. 22nd**  
Durham Ladies' Bowling Club are making arrangements for a local bowling tournament on the green on Wednesday afternoon, Aug. 22nd. The membership of the Club is now up to 36 and it is expected there will be seven rinks in the play that afternoon. The Harding cup will be contested for, and as well there will be prizes given to each of the four members of the winning rink. A consolation prize may also be given. Citizens of town who wish to see some real fun and exciting play, should plan to witness this tournament.

**Decision was Upheld**  
The verdict of Magistrate Laidlaw some time ago on the Jas. Wilson liquor case, when liquor was found in his home a second time by a searching party of provincial and county constables, was that Mr. Wilson be fined \$50 and costs, and given a two months term in jail without hard labor—the minimum term the law allows. Mr. Wilson paid the fine but appealed the case as regards imprisonment. Judge Sutherland, however, fully corroborated the decision of the local Magistrate, with the result that Prov. Constable Jones came here last week and took Mr. Wilson to Owen Sound to serve the sentence.

We thank Miss Irene Duchow of Tolmie, Cal., California, for two attractive pamphlets, that makes ordinary stay-at-homes open their eyes! The pamphlets deal with the big trees of the big forests of California, memories of the gold digging days. Illustrations of scenery, the possibilities for tourists, and much else, with maps to locate interesting spots.

**Rev. D. L. Campbell to Retire**  
After eight years as pastor of Balfour Presbyterian Church, Brantford, Rev. D. L. Campbell desires to take a much-needed rest. Recently his daughter Winnifred collapsed and died from heart failure after rescuing her sister Florence from drowning at Oliphant. The family will move to Toronto and Rev. Mr. Campbell will remain in charge of Balfour St. and Omandaga until the Presbytery of Paris at its fall meeting can arrange a change.

**Major McNab in the Methodist Ch.**  
Major McNab of Cleveland, head of an American Volunteer Christian Association, preached at Zion church on Sunday afternoon and at Durham Methodist Church Sunday evening. He has 73 preachers under him and they hold forth to people of all creeds, colors and conditions. He has an abundant utterance, with a suggestion of Billy Sunday style about him. Under the searching question of "What are you going to do with Jesus?" he developed some practical lessons, using as the basis of his remarks the incidents of the Nicodemus interview with our Saviour and also that of the Samaritan woman at the well. Mr. McNab would be welcomed on a second visit. His wife who passed away last spring, was a sister of Mrs. Dan McArthur, north of town. Mrs. John McNally, Durham and Mrs. Jno. Mills, Dornoch. His daughter, Miss Christie, who has been visiting relatives here since last spring, returned with him.

**Durham's Tax Rate 42 Mills**  
The Town Council met Monday evening and struck the 1923 tax rate for Durham at 42 mills on the \$1. This is a drop of 1 mill from last year. With increased grants the High School have dropped their estimates to \$2,750, about \$1000 less, so the High School is but a small expense to the taxpayers. The Public School Board estimates amount to nearly \$9000, an increase over last year, as teachers' salaries have been increased all around. Two debentures—Lambton St. Bridge and Furber Co. have matured, which reduces the town outlay, but the Jackson Co. debentures which the town guaranteed and are now paying, more than counter-balance this saving. The rate is made up as follows:

By-laws—7 9-10 mills  
County rate—6 6-10 mills  
Sidewalk—4-10 mills  
Public Library—1 5-10 mills  
High School—1 9-10 mills  
Public School—15 1-10 mills  
General Town Rate—5 6-10 mills  
Total—42 mills

**Waterworks Meeting Aug. 21**  
A meeting of the citizens of Durham, and especially all ratepayers, is urgently requested to assemble in the Town Hall, on Tuesday, August 21st, at 5 p.m., for consideration and discussion of the water supply problem at present confronting the town.

J. L. SMITH, Mayor

**Mr. R. T. Edwards, at the close, moved a hearty vote of thanks to all the program talent, and announced the gate receipts to be the largest ever taken in at Zion—\$132. With booth receipts of \$60 added, it almost reached the \$200 mark, and it is expected about \$150 will be clear.**

Mrs. S. D. Croft is at present in Toronto Gen. Hospital where she has undergone a critical operation at the top of skull in an effort to remove a tumor. She is holding her own from latest report.

## Off to Western Harvest Fields

If all districts in old Ontario respond as well as Durham and vicinity to the call of the Western grain fields, there should be ample help, to garner what in many localities there is said to be the best crop since 1915.

About fifty entrained from Durham C. P. R. station Wednesday morning and nearly a hundred we learn, got aboard at Hanover, work being a little slack in the factories there.

Among those leaving here were Mrs. John Marshall and son Victor, Miss Barbara Marshall, Royden McDonald, all to Rowley, Alberta; Mr. and Mrs. Jos. Edmonds, Mrs. Hopkins, Wm. Murdoch and sister, Miss Berta Murdoch, Wm. Roy, all to Major, Sask.; Arthur Wilson, Archie and Nell McKechnie, Geo. C. Wilson, Albert Colbert and Howard McCallum, all to Webb, Sask.; Jas. E. Nichol to Fortrose in Prairie, Man.; Geo. W. Nichol to Alberta; Gorman Johnston to Hersh, Sask.; Cliff Taylor to Woodrow, Sask. Others leaving for various points, chiefly in Sask., are Lawrence Chapman, Geo. Bell, Campbell Clark, Douglas Ewen, Cecil Ross, David Sapper, Jas. Whitmore, A. Edmonds, E. Hopkins, Ronald Martin, Newell Falkingham, Thos. Sproule, Albert Ashley, Wm. Eccles, Harold Atchison, C. W. Clarke, Charles Scates, Albert McRonald, Wm. Noble, Lawson Hopkins, Ewing Noble, Mervin Adams, Fletcher Riddell of near Dornoch left from Holland Centre and Wilfrid Barbour from Varney.

**Biggest Crowd Ever at Zion.**  
All roads led to Zion Thursday evening last, where the "biggest ever" garden party was held in the field directly opposite Zion church. The night was one especially suitable for an outdoor function, and Zionites were fortunate in selecting that date. The program, at tables and benches, side the sheds, which were filled and refilled many times, and when five boilers of tea were drained to the last drop, it showed the extent of the culinary preparations and service, for the cakes and sandwiches outlived the tea.

The tables and grounds were electrically illuminated by Smith Bros. lighting plant, of Durham, and a considerable space was laid with plank to provide seating accommodation during the program. This was sufficient to hold the crowd, quite a number having to stand. The platform for the program was erected just inside the fence at the roadside.

The chairman's position was taken by the new pastor, Rev. J. E. Peters, and on this position often depends the success of an evening. In this case, his chairmanship went a long way to that end, and proved he was the right man in the right place. He had a somewhat lengthy program to handle, and all of the most pleasing nature.

Rev. J. W. Greenwood, at present home on a visit to his parents, was called upon for a few remarks, and they were sandwiched with wit and wisdom. J. W. is now preaching across the line, but likes nothing better than to be back in old Glenelg among relatives and friends. Mr. Aird of Mulock, was another speaker, and his address took on a more serious nature. Mr. Aird and his Scotch burr make a fine team, and when he uses it to good advantage, as he did that evening, it was a pity that the attention given was not better. Major McNab, of Cleveland, a visitor with relatives about this district, also addressed the crowd, and his spicy comments were eagerly listened to. The major holds an important position in that city, as head of a large mission, and uses his whole energy and fervor in the redemption of souls. His accent is pleasing to the ear, and there is no doubt his redemptive work in slum districts is conducive to greatly improved living and moral conditions. Mr. Wm. Irwin, Durham, and Mr. D. A. McIntosh, of Dornoch, were also entertaining speakers, the former giving a recitation, and the latter relating some amusing stories.

The musical side of the program was of a high standard. The Bell quartette, Misses Jessie and Mary Thos. and George, won great favor with the audience, and the girls later rendered a sweet duet. Mrs. C. H. Danard of Durham, delighted all with the solo "Up from Somerset", and a rollicking song "Up in the air" was sung by Joe Davison. Glenelg's well known duet, "The Old Folks at Home", was a duet by Misses Elsie and Isabella Mays, and a recitation by the latter; a solo by Mr. W. J. McFadden of Orange Valley; a violin duet by Messrs. J. Teeter and Jim Pearty; a vocal duet by the Misses Lennox of Egremont. Bag pipe selections were also rendered, enlivening the program.

Mr. R. T. Edwards, at the close, moved a hearty vote of thanks to all the program talent, and announced the gate receipts to be the largest ever taken in at Zion—\$132. With booth receipts of \$60 added, it almost reached the \$200 mark, and it is expected about \$150 will be clear.

Mrs. S. D. Croft is at present in Toronto Gen. Hospital where she has undergone a critical operation at the top of skull in an effort to remove a tumor. She is holding her own from latest report.

**Death of Mrs. Robt. Ector**  
On Tuesday, 14th August, 1923, the above we passed away at the home of her son-in-law, Mr. Thos. Turnbull, Glenelg, where for the last two months she has been an invalid and tenderly cared for by daughter and son-in-law. Four of her daughters were around her when the end came.

Mrs. Ector was Miss Fanny McCallum, born in Vaughan Township, Ont. in 1838 and was thus in her 86th year. Sixty five years ago she was married to Mr. Ector who predeceased her by seventeen years. Immediately after marriage they moved to Glenelg and we believe she is the very last of the pioneers of her district, a class of citizens who should be held in everlasting honor for the work they did for Canada.

To this young couple were born a family of two sons and six daughters who all survive her. Robert on the homestead, Archie and Millie (Mrs. Petch) at Elbow, Sask.; Fanny (Mrs. John Moffat, Pinkerton); Elizabeth, Mrs. Wm. Weir, Glenelg; Sarah, Mrs. Jno. A. Little, Proton; Kate, Mrs. Thos. Turnbull, Glenelg; and Margaret, teacher, Stanstead, Quebec. One sister survives her, Mrs. Gwladol, Toronto, and one brother, Noble McCallum, of Roland, Manitoba.

The funeral will be held from the home of Mr. Turnbull to Durham cemetery on Saturday, Aug. 18th at 2 p.m. to allow of deceased's son Archie and daughter, Mrs. Petch to return home for the funeral.

Interment took place on Saturday, August 11th in Burgoyne cemetery, and the funeral was attended by his relatives here, Mr and Mrs. Thos. Burgess, and Mr. Jno. A. Graham, England, though of Scottish descent. He came to this country in youth and settled on a farm near Port Elgin with his parents, his father being a school teacher as well as farmer. William also taught school in York, and afterwards studied law in Southampton and practiced law in Port Elgin until a few years ago, when he retired to his old home, with wife and family of one girl, Miss Olive, and two sons, Wm. Noble and James Rowand. His wife is a daughter of Jas. Rowand, ex-M.P. He is survived by two brothers, Alfred (seven years his senior) at Burgoyne and Harold in Wales, England.

The funeral was largely attended. Rev. Mr. Strachan officiating. He spoke highly of the useful life of the deceased to church and society. Among those from a distance were the Rowand families of Walkerton, as well as from Durham mentioned above.
