In this line of work she handled 1690 eggs pulpit on Sunday after spending a few as many more if the trade warranted Toronto and Kingston. it. Mrs Henderson feels that another year she may discontinue this line of work, though if her customers are satisfied she could enlarge the incubator plant. This spring she disposed of hundreds of chicks of her own and could have sold the number over again if she had had them. Mrs. H. is now selling hens, chiefly to out of

town customers. As will be noted, considerable financing and figuring is necessary to make the work profitable, but as we before stated, Mrs Henderson is doing it, as well as earning a comfortable living for herself and two little sons.

We had severe frost one night last week that injured corn and potatoes slightly in low ground.

During the sharp thunder storm or Friday morning of last week, the barn on Angus Clark's farm, town line was burnt by lightning. Clark had about 3 loads of hay in barn and Alex Carson who formerly worked said tons of good hay stored in same barn. Clark had about \$400 insurance in Grey and Bruce Co. but we do not know whether Carson's policy covers this portion of his crop or not. But

it is a bad loss to both of these men Also same morning the lightning fired a barn 11/2 miles farther north on 5th con., Glenelg, owned by D. Mc-Donald and burned it to the ground Mr. McD. was insured in the Sydened \$1000 when he had the barn rodded thinking it a protection. But all is gone, a large portion of the season's

crop and some implements. Mr. and Mrs. Fred Karstedt motored to the city the beginning of the week and may remain a few days. Mr and Mrs J. P. Haliburton of Toronto, are spending a week at the home of Mr. and Mrs. Ed. Everist in
