Appreciated in Owen Sound
Durham Band was engaged for O. Sound's big Labor Day celebration in the evening and pleased the populace with their music. There was an immense crowd and three other bands present—Chesley, Cape Croker and Owen Sound.

Shorter Hours

Winton Paper Sold
Mr. A. Logan and Son, who have been publishers of the "Echo," at Winton for several years back, has sold the plant to Mr. E. A. Duncan of Toronto and got possession Sept. 1st. Mr. Logan conducted a clean and new paper and his removal to Pembroke where he has purchased the "Standard" will be a loss to Bruce County and its interests.

Fair Day next Thursday

A school fair will also be held in main building and among the attractions are music by Durham Band, base ball, basketball and races. Let everyone attend the first local fair of the season.

Election Expenses
The three candidates in North Bruce at the Provincial General Election in June have made a statement of their election expenses and are as follows: W. H. Fenton, M.P.P. \$158.25; W. H. Brown \$420.20 and M. A. Halliday, \$412.00. Which goes to show that spending big money will not always take a man to Toronto.

Made a Supreme Court Judge
Congratulations to Barrister W. H. Wright of Owen Sound, who has been appointed a Judge of the Supreme Court, the first citizen of Grey or Bruce to win this honor. Sir William Mulock takes the Chief Justiceship of the first Divisional Court held by the late Sir William Meredith, Justice Latchford succeeds Justice Mulock of the Second Division. Mr. Wright's new position will necessitate his residing in Toronto.

Robbins, resident engineer in charge of the Provincial Highway between O. Sound and Chesley; and Major Bush, resident engineer in charge of work between Clatsworth and Cooksville, on the Provincial Highway, were inspecting some of Grey County's highways on Monday. This is Hon. Mr. Henry's first tour of inspection of the Provincial Highways, since the Conservative Government came into power.

Great Crops at Unity, Sask.
Writing from Unity, Sask., Mr. J. W. Crawford is buoyant over the crop prospects in his district. He says "There are great crops around here and we are busy cutting wheat. It is a little mixed in ripening; some state cut but most of them will take 8 or 10 days before they are ready. They stand from 4 to 5 1/2 feet; if frost keeps off I don't know what people will do with them. I came here from Regina 10 days ago; crops there are about the same, only there are more crops destroyed by water in low lands. That black blue gumbo holds the water more than our own brown clay land. I think there are about 25 acres destroyed in the Regina district to 1 here."

Notice—All accounts owing me must be settled at once, as I have given up business here and am leaving town.

H. Hunter. Morris says that he tried all he could to avoid striking the lad, but it was useless. The child was removed to the hospital by Morris, who then reported the accident to the police. The boy died shortly after being admitted to the hospital. After an investigation by Detective Johns, Morris was allowed to go. The car belonged to Harry Hunter, 45 Spadina Road.

Glenelg Centre Anniversary

The annual anniversary of Centre Glenelg Baptist Church, was held on Sunday, Sept. 2nd. The church was decorated by the ladies of the church and others with evergreens, ferns and silver maples, which were tastefully displayed in all parts of the building, while a profusion of flowers decorated platform and pulpit.

Sunday was an ideal day and crowds filled the building morning and evening to hear a former pastor, Rev. E. J. McEwen, but now of Dresden, who preached morning and evening, with all of his old power, earnestness and eloquence. He took his text in the morning from Psalm 135: 2 "For thou has magnified Thy Word above all Thy Name," emphasizing the truth, beauty and importance of the Bible, being the message of God to man. Without it man would know nothing of God nor of the simple story of Jesus and His love as the only message of peace and pardon to men. In the evening his text was from II Cor. 5: 8 "Willing rather to be absent from the body and to be present with the Lord." From this text he made an interesting and eloquent sermon that was listened to and admired by all present.

On Monday evening the social entertainment was held in the church, which was again filled, many being there from Durham and others from a distance. Mr. George Binnie was chairman of the evening and handed out a splendid program. Good addresses by Rev. Mr. Aird and Mr. Ewen on "Friendship" that held the attention of the audience and was considered his best. Solos were given by Theodore Fallaise and Mrs. Griff of Durham; duets by Misses Jessie and Mary Bell and Mrs. Greenwood and Mrs. Noble; recitation by Mary Beaton; selections by the Cameron children and music by the choir. The closing hymn, "God be with you till we meet again" was sung by all. The provisions prepared by the ladies, excellent in quality and more than plenty in quantity, were passed around till every one was satisfied.

SAUNDERS-MATTHEWS
Thursday, 6th September, ushered in a beautiful day for the nuptials of two of Durham's young people, Mr. Mack Saunders, youngest son of Mr. Belle Saunders of town and one of Durham's young business men, to Miss Blanch Matthews, daughter of Mr and Mrs Jas. Matthews, and for a number of years the efficient operator on the Bell Telephone here.

Promptly at 12 noon, the bride on the arm of her father entered the parlor and beside her betrothed, took the binding vows before Rev. C. H. Peters, that made them man and wife. The bride was becomingly attired in a gown of the new sand shade Canton crepe, shoes to match and carried a shower bouquet. Her cousin, Mrs. Will McFadden of Orange Valley, rendered the wedding music while the groom's brother, Bert Saunders sang an appropriate solo during the signing of the register.

Following the offering of good wishes, about 50 guests, chiefly relatives and friends of both parties, sat down to a dainty wedding luncheon and later the wedding couple left on the afternoon train for a short honeymoon trip. For this the bride donned a navy blue travelling suit of heavy serge, and with this went a chic felt hat.

The happy couple have the assurance of a host of friends, including those of the Review, that they wish for them a long, happy and prosperous journey through life. The groom has been one of the town's best all round sportsmen, having figured largely in the line-ups of lacrosse and hockey. He was also a member of the famous 147th Grey battalion and has a creditable war record and at present holds the rank of Lieutenant in the Grey Regiment.

Durham Junior Ball Club Deleted Owen Sound

In their last league baseball game played here Saturday night, Durham Juniors won by 8 to 5 from Owen Sound. They thus finish their district schedule with 3 wins and 1 loss, the loss being their first game here with Walkerton. One game remains to be played, Walkerton in Owen Sound which the former will probably capture as Owen Sound has not yet taken a game and are now out of the running. A Walkerton victory will tie them with Durham and would necessitate a play-off, likely in Hanover or Palmerston.

Owing to Owen Sound boys not arriving till 6 p. m., the game was started late and only five innings could be played before darkness intervened. Goldsmith again pitched for Durham and was not forced to extend himself, content to hold a safe lead. The Durham line up was: Schutz, catcher; Goldsmith, pitcher; Burnett, 1st base; Mountain, 2nd base; Veltz, 3rd base; Elvidge, short stop; A. Kress, right; Snell, centre; Moorhead, left field.

Short Meeting of Council

At Monday's Town Council sitting, all members were present except Councillors Bell and Saunders, they

being away to the city. The Council accepted the report of the Committee which had been appointed to look into the water supply available for fire fighting purposes. The river has been quite low the past month and in the old McKechnie dam—now not dammed up, the river is a mere stream through it. This leaves the fire engine stand on east side of this dam with no water near it, and the Council has authorized a ditch dug from Lambton St. bridge to this engine stand, deflecting the current of the river, and rendering it available for fire protection in that locality, west end of business block.

Liquor Story all a Mistake

An item in our last issue alleging that Inspector Beckett had found a still and equipment for making whiskey on the farm of Mr. Ben Woods, we have found to be all a mistake. The information was furnished to us on what appeared to be good authority and we sincerely regret that the item should have appeared at all. Mr. Beckett informs us that he has not been on the Woods property since early Spring and that there is no foundation for the story. The aim of the Review is to be fair and act justly and we regret that on this occasion information proved totally untrue.
