

The Durham Review.

With which is incorporated the Holstein Leader

DURHAM, THURSDAY, SEPTEMBER 13, 1923

Published Weekly at \$2.00 a year in advance. To United States, \$2.50 a year in advance. C. RAMAGE & SON, Publishers

VOL. XLVI, NO 37

TOWNS TOPICS

Young Pigs for Sale
Six weeks old, bacon type. Apply to W. G. Firth, R. R. 1, Durham. Phone 695-14

For Sale—One rubber tire Buggy with wire wheels in good condition. Also one surrey, a bargain for a quick buyer. At Smith Bros. Garage.

Notice—All accounts owing me must be settled at once, as I have given up business here and am leaving town. JOHN NOBLE

Just Received—A load of H.C. Shingles. A special price for this fall—\$1.25 per square for 2X and \$1.75 for 5X. J. N. MURDOCK

Miss Gardiner of Dundalk, who announced in last issue of the Review that she would commence a class in piano, has since decided to cancel all her plans.

Will Recite at Musicals.
Mrs. Spiez is a pupil of Owen Smiley and has recited in Massey Hall, Toronto. Hear her Monday at 7:30 or Tuesday at 8:00 at Mrs. Cameron's musicale.

Japanese Relief
The Red Cross Society will open a fund for Japanese Relief and donations may be left with the President, Mrs. D. Jamieson, or with the Society, Mrs. P. Gannon, or at the Variety Store. This appeal is in accordance with instructions received from headquarters on September 12th. It is to be hoped that the Durham will respond generously to this much needed effort.

Operation for Appendicitis
Mr. and Mrs. Robert Brigham's daughter, Marie, was operated upon in Hanover's new Hospital recently, for appendicitis. The doctors performing the operation were Dr. S. Savage of Guelph, and Campbell and Zinn of Hanover, the latter two as assistants. The operation was of a serious nature but the patient is progressing as well as can be expected.

Secured Former Durham Principal
Hanover High School Board have engaged as their new Principal, Mr. Alex. Campbell of Hamilton, and his duties commenced there Sept. 4th. Mr. Campbell who is an elderly man was in charge of Durham High School for a year some two or three years ago. Hanover have been grappling with the accommodation problem and this week they expect to have two more rooms available for the students who wish to attend. Last week half the scholars attended in the morning and the other half in the afternoon.

Met With a Nasty Accident
Mr. Philip Lawrence met with a nasty accident in the Furniture Factory on Tuesday when a gash about 7 inches in width was made in his leg. It appears Mr. Lawrence was in the act of stooping for something and while taking a step backward to balance himself, and not aware of his nearness to a revolving circular saw, came in contact with it and with the above result. The gash was not sufficiently deep to become a prey to the saw so providing the wound heals well will be in shape again in a couple of weeks or so.

Brought Back Two Prizes
We omitted to mention last week of the success of two of three teams of town bowlers that participated in the Harrison Tournament a couple of weeks ago now. Durham is gaining a reputation as a good bowling town, and at this tournament at least, certainly captured their share of the prizes that were going. Each of the men of the winning rink brought back with them a pyrex casserole dish, while the second high rink carried home a cream and sugar outfit. The winning team were Messrs. Taos, Henderson, R. MacFarlane, J. Hunter and T. G. Goodchild, skip, while the other prize winners were A. B. Corey, Moore MacFadden, C. A. Robbins and Dr. Pickering, skip.

Resume Their Fall Work
Canadian Greys' I. O. D. E. met Tuesday evening at the home of Mrs. J. Burgess, after a two month's holiday and a good representation of the Chapter were out, considering the wet and disagreeable night. The Regent, Miss J. Weir, B.A., was in the chair, and dispatched the evening's business through in good time. She made particular reference to the loss the Chapter had suffered in the passing away of one of its valued members, the late Mrs. S. D. Croft. Miss Weir outlined the sympathetic characteristics of the deceased lady and her willingness to aid in any matter tending to the interests of the Chapter. Mrs. G. McKechnie, ex-regent, also voiced her appreciation of Mrs. Croft and her work in the Chapter. At the close of the evening's business, the hostess kindly served light refreshments. The Chapter purpose putting on shortly a two evening entertainment entitled "A Night in Fairyland," and given entirely by local children. Further announcement will be made in the press in future issues.

Little Miriam and Eben Cameron are giving one of their concerts at Crawford Presbyterian Church. Watch for the date.

House for Sale
Good two story frame dwelling on Lambton Street; hard and soft water, bath, furnace electric light, etc. Apply on premises to Mrs. Geo. Young, Durham.

Mrs. Chas. Logan of Crestwood, Tuckahoe, New York, announces the engagement of her daughter, Edith, to Colonel William N. Ponton, of Belleville, the marriage to take place in September.

Rob Roy Grain Prices—We are paying 40 to 45c for Oats, 60c for Barley, 85c to 90c for Buckwheat, \$1.20 to \$1.25 for Peas and 90c to 5c for Wheat at our elevator this week. Rob Roy Mills Limited

Mr. James Dargavel of the Rock Mills fox farm, sold two pairs of pups for two thousand dollars. These little animals were pedigreed. Mr. Dargavel is making a success of raising these valuable fur-bearing animals.

A musicale will be held at the home of Mrs. Rev. E. Cameron on George St. on Monday, Sept. 17th, afternoon 3 to 5, and 8 to 10 in the evening. One hour program will be given and ice cream will be served during both afternoon and evening. Admission 25c.

Attendance set a new Mark
Toronto Show closed this year with a new high water mark of attendance. Their objective was a million and a half and they came only 7000 short, the attendance being 1,493,000. Truly it is the C. N. E.—Canadian National Exhibition.

Bought Restaurant Business
Mr. J. V. Runciman, a Mount Forest boy, who has recently been in Edmonton, Alta., has purchased the restaurant business of Jas. Gibbens, next the Royal Bank, and took possession this week. He is a married man with one child. Mr. Gibbens is returning at present to his former home in Mount Forest.

Durham Juniors Won District
Durham and Walkerton Junior ball teams being tied for the district the N. W. B. A. ordered a sudden death game in Hanover on Thursday afternoon, which Durham won 8 to 2. Goldsmith pitched for the locals and shut out the westerners until the last innings when he let up and allowed them 2 runs. Our boys now play Harrison in the semi-finals, and the winners play off with Lucan for the Junior championship.

Young Buffaloes for Wilder's Lake
Dr. Jamieson, M. P. P., has secured the consent of the Dominion Gov't to have two buffalo calves shipped from the Canadian National Parks at Watkin, Alta., to his Wilder's Lake property. The Gov't still retains ownership of the animals, but it is not probable they will be ever transferred, as the buffalo have greatly increased in numbers when protected in the government park. They will be sent here when colder weather comes.

Donates a Pail of Honey
Mr. E. A. Hay, C. P. R. station agent, wants the present public school children of Durham to be good map drawers, and more particularly to outline their own province, with this end in view, he is donating a 5 pound pail of his own honey to the public school boy or girl, who will draw for him the best map of Ontario. The competition is open to all pupils of the public school and competent judges will decide who that pupil is to be.

Coert Adjudged
Because the man said to be the aggressor in the street mixup a week ago Saturday night had skipped out of town, no court was held on Friday evening last. The charge of breaking the peace against the other was also laid over until the aggressor returns. The latter also has an O. T. A. charge facing him, for Constables Falconer and Watson found a partially consumed bottle of beer, iron and wine on his person. It is interesting to note that owing to the town lock-up being in an unsuitable state, the constables sat up all night to guard the man who performed the disappearing act a day or so following the fight.

Will Feature an Essay Contest
Can. Greys', I. O. D. E., at their business meeting Tuesday evening, took steps to put on an essay contest for both the High and Public schools of the town. This essay work is a section of the educational program that is given prominence to by the Provincial Chapter and there will be noted in it, a desire to further interest in English Composition. There will be first and second prizes for both schools and the topics, which will be announced shortly and the conditions attached, will be of an historical nature. The Chapter purpose putting on shortly a two evening entertainment entitled "A Night in Fairyland," and given entirely by local children. Further announcement will be made in the press in future issues.

REV. C. SINCLAIR JONES
Pastor of Priceville and Swinton Park congregations from 15th May, 1919, to 18th September, 1923

Niagara Power

To Supplement that of Eugenia

An important meeting of the executive of the Eugenia Association was held in Mt. Forest on Monday last, the purpose being the consideration of the proposed linking up of the Niagara Electric Power System with that of Eugenia. The work is well advanced and in a few weeks Durham, along with other centres, will have the satisfaction of knowing they have a standby in the Niagara system, should the Eugenia power fail at any time.

The connection is made at Harrison, the nearest point to the Eugenia system and a transmission line has been built to Mt. Forest where a new "frequency" station has been erected and generator, motor, etc., installed. The cost of this 10 or 12 mile connection with the equipment necessary is estimated at \$100,000, which is an average man seems a surprisingly large sum. The full load of the local system can be and will be carried by the Niagara System except when Niagara is on the "back" load when the local power will be used.

It is gratifying to know that Durham is going to benefit by connection with the renowned waterfall.

Advice from the West

Re Waterworks

Mr. J. W. Crawford, though a resident of Unity, Sask., still lets his thoughts return to the town he knows so well and a recent letter from him has some suggestions about supplying Upper Town and Lower Town. The Niagara System except when Niagara is on the "back" load when the local power will be used.

Build a cement reservoir 10 to 12 feet square, put in a 2-inch pipe, by Hydro, put in a 2-inch pipe, say 15 or 20 feet high on street near a reservoir or stand pipe. Mrs. Jackson's, a cistern at Review corner, another near the brow of the hill for fire purposes. In case of fire turn your switch and you would have the three reservoirs and pump to supply water, and you could have a constant supply for house purposes. If you could get a spring behind Mike Kress' you would need less pipe.

About financing: I wouldn't submit any by-law: get property owners to sign a note or undertaking, of some kind, any one who would not join in the scheme and wanted water, could pay for it. You would have 50 or 60 feet less head to force the water than if you force it from Lower Town, less ditching and smaller pipe.

About fire protection for lower town lawns, gardens, etc., and a fountain at the Veteran Park, let them put a small dam on the street behind the English Church and another small dam on the same street, north of my old log dam. No person can claim either water or land and a few days of say 2 or 3 teams and scraper, would form the dams.

Attach a 6 inch pipe to dams, connect both pipes somewhere before crossing the river, keep them separate only in case of fire when you would open valve and throw both dams together. The valve would be necessary in case both dams were not on same level. Where hydrants are placed a cast iron pipe would require to be used. As no person may re-

member or know about it, I put a 10 inch or 12 inch cedar box under the C. P. R. fill, west side of Bruce St. for to run a pipe through. This scheme would require no cisterns as the water would flow right into the suction hose of the engine. There are many advantages to this scheme at great less cost and more convenient than reservoirs dug out in the ground.

Now, there you are citizens! both upper and lower town provided with a plan at a fraction of the cost! Mr Crawford thinks the scheme lately proposed by experts too costly while we have cast and west springs with "a natural head of about 60 ft. and in many places you have the water on your own streets."

We thank Mr. Crawford for his suggestions. He accompanies his remarks with a plan of town showing position of springs, etc.

Delayed Review
Owing to circumstances we could not control, we regret that our mails this week are a day late to many of our readers.

The Durham Club in Toronto will hold their annual meeting in the Queen Mary Tea Rooms, 32 King St. W., on Monday, Sept. 17th, when the annual election of officers will take place.

Will Preach His Last Service
Orangeville Presbyterian at its meeting last Tuesday, released Rev. C. S. Jones from his Priceville charge and his translation to Waterdown will take place next week. On Sunday, 16th inst., he will preach his farewell sermon. In his four years' successful pastorate in Priceville and Swinton Park Mr. Jones and family have made enduring friendships and the best wishes of congregation and community will go with him to his new charge.

Institute Hold Monthly Meeting
The regular monthly meeting of the Women's Institute was held at the home of Mrs. S. Patterson on Thursday, Sept. 6th. The program was an interesting one. It consisted of a paper by Mrs. McElraith on "The need of the body for food," two duets by Misses Jessie Bell and Winnie Blyth, an historical sketch of No. 9 School Section by Miss Elizabeth Scott. After supper a vigorous tug-of-war was staged between the matrons and the maids which resulted in a glorious victory for the married women. About 40 ladies were present.

Exonerated from all Blame

Jury Hears Evidence Showing Auto Was Not Going at a Rapid Rate

A verdict of accidental death was returned by the coroner's jury at the morgue in Toronto on Monday night, into the death of Alford Schnapp, aged 3 1/2 years, who was struck down on the morning of Sept. 4th and later dying. The driver of the car, who was exonerated from all blame was Mr. Gary Morris, chauffeur for Mr. Harry Hunter, who are summering in Durham.

Dr. C. H. Gilmour, who performed the autopsy, said that the child's death was the result of a severe fracture of the skull and that nothing could have been done to save his life after the accident.

Brakes Applied
R. J. Roach, garage man, said that he had been an eye witness to the accident. According to his evidence, he heard the brakes of a car squeal, and saw a child run out on the road from the east side. The car stopped in its own length after striking the child. The speed of the car he estimated at 15 to 18 miles an hour. The crossing is a dangerous place for children he said.

H. A. Hunter, owner of the car which struck the boy, stated that he never drove his own car but he was sitting in the front seat with his driver. The first intimation he had of the accident was the sound of suddenly applied brakes, and Martin, an occupant of the car, said that they had run over a baby. Jumping out he had found the lad four feet behind the car. The child had instant medical attention, he said. There were cars parked on both sides of the road.

In Good Condition
S. Reynolds, automobile expert, who examined the Paige car owned by Mr. Hunter, testified that the car was in good condition, including the brakes. At 15 miles an hour he had stopped the car in 24 feet when testing it the next day.

Garry Morris, chauffeur, who was driving the car when the accident occurred, said that the first sight he had of the boy was when he was within a few feet of the front of the automobile and he must have come from behind a car parked to the left. His speed was about 12 miles an hour.

PERSONAL MENTION

Mr. James Henderson, Fergus, spent a few days last week end with his cousin, Thos. Henderson here.

Mrs. J. H. Robertson and young son Gordon, of London, were guests of town friends over the week end, while J. H. is covering this section of Grey Flakes and its promoters.

Mrs. Wilkie and her daughter Mrs. Jordan, and two children, returned to Toronto on Friday after visiting among friends at Rocky Saugeen and Townsend's Lake.

Dr. Chas. Allan, Vice President of North Long Beach Bank, Long Beach, Cal., with Mrs. Allan, is visiting for a couple of weeks with the former's aunt, Mrs. W. J. McFarlane, Edge Hill. Rev. Robert Segsworth of Brampton, will preach in the Baptist church, Sunday morning and evening.

Miss Mary McElraith, deaconess for the Presbyterian Home Mission Board at Toronto, is spending a few weeks' holiday at her home here.

Mrs. Gummerson of Moorefield, is visiting her sister, Mrs. Wm. Moffat, Upper Town.

Mr. and Mrs. R. H. Isaac and Miss Margaret Mary, visited the past week with relatives in Toronto and took in the Exhibition.

Mr. W. H. Spiez, express messenger on the C. N. R., wife and baby Ethel, have moved from Hamilton to Durham. They have rooms with Mrs. E. Cameron, George St.

Rev. Mr. Cameron is enjoying a month's vacation in the West in Regina and neighborhood. He has been calling on a brother in Manitoba and Mrs. Cameron's mother in Regina and on two Sundays preached in Moosemin and Yorkton.

Mr. and Mrs. John Smith are in Cleveland this week visiting his brother, Dr. Robt. A. Smith.

Messrs Harry Kress, Lindsay Hunt and W. Vessie were in Walkerton on Friday, writing on exam. papers on subjects they had previously subeumbed to the strategy of the Department of Education.

Dr. Nathan Grierson, who is practising his profession as an interne in a Buffalo hospital, is recovering from an operation for appendicitis, he recently underwent.

Mr. and Mrs. W. L. Kerr of Grand Rapids, Mich., are visiting with his brothers, Jno. and Jas. Kerr of Varney, and other relatives in the vicinity.

Mr. Robt. Torry visited his children in Toronto and Kitchener last week. Mr. and Mrs. Cliff. Elvidge, Miss Ethel, and Mr. Wm Laidlaw, motored to Mt. Forest Monday, the two gentlemen attending the Hydro meeting.

Mrs. Jno. McAuliffe and daughter Stella, after a couple of month's stay at their home here, left for Detroit on Saturday to join the rest of the family.

Mr. Ross Laidlaw of the Creamery staff, Paisley, spent the first of the week at W. E. Vollett's.

Mrs. Thos. Watson and child of Galt, is visiting her mother, Mrs. Thos. McGillivray for a few days.

Mr. and Mrs. Gurney of Toronto, are on a visit to Mr. G. Kress and daughter Eleanor, and where Mr. Gurney will remain for a time, in an endeavor to regain health.

Mr. Alister Mills of Windsor, is on a visit to his sister-in-law and cousin, Mrs. E. and Miss Lulu Mills, Upper Town.

Mr. John Aldred of Ceylon, Sask., who motored to South Grey in the early summer months, has returned again in his Ford coupe on Monday last. We are pleased to see Mr. Aldred keep such vigorous health and long may he have such.

Insp. John Ritchie of Port Arthur, is east on a visit to his brother Geo. at Edge Hill and son Wm at Holland Centre.

Mrs. Edgar Ritchie is going to Elbow, Sask., to look after household property at her former home there. Miss Agnes MacPhail, M. P., left last week for a trip to Vancouver, Victoria, and Seattle. She expects to be absent about six weeks. She will look into the ranching conditions in Alberta and the Fraser Valley.

Again Wet Weather for Durham Fair

Once more the elements proved unfavorable to the success of Durham Show. The first day was comparatively nice, allowing the bringing out entries for the Hall. The second day opened with a low temperature, frost in some places and uncertain weather most of the day, with hail, snow and rain at intervals.

Yet the Directors stuck to their guns and carried out their program. The attendance of course was not up to average but the management, it is expected, will be able to meet obligations.

There were good vegetables and fruit entered but the long drouth of August was reflected in reduced quantity. Departments presided over by the ladies were in quality and quantity above the average and won many commendations. The school fair, a new feature of the past year or two, added much to the attractions of the Hall and with the experience gained this year, a better arrangement of exhibits will add to the interest.

The Prize List will appear next week.

In the baseball game, Varney vs. Cedarville, the latter finished one run

up, 5-4. Only five innings were played and each team scored all their runs in one inning. So wet was the conclusion of the game, that it was difficult to control the ball.

The concert at night was a huge success and the hall was packed to its utmost. The Bob Wilson Fun Co. of Toronto put on the program and the audience enjoyed every number.

MUSIC ANNOUNCEMENT
The Misses Violet Fursman, A.T.C.M. and Ruth Fursman, A.T.C.M.

are prepared to take pupils in piano and Theory. Lessons given at the homes. Pupils prepared for Conservatory examinations. For any information phone Allan Park.
