We are here to serve you: there is

In the fight for markets Canada is

facing a serious situation. Denmark

is placing upon the British market a

preponderance of highest quality bac-

on at premium prices. Ireland is sending thousands and thousands of cattle

in excess of Canada and New Zeal-

and cheese was fetching as high as

148 shillings per cwt. of 112 lbs.,

compared with the present price of

108 to 112 shillings. Still, even this

present average price of 110 shillings

compares very favorably with the

price ruling at the corresponding

2. It will be interesting to see if as

a result of the predominance of Can-

adian cheese on the market during

the next few months, the difference in

the price of Canadian and New Zeal-

and cheese will be wiped out perman-

ently. As previously pointed out, N.

Zealand has been fetching from 2 to 4 shillings a cwt, more than Canadian

al lthe more regrettable because it

3. During the first six months of

the present year Canada sent only

108,672 cwts of cheese to the United

Kingdom-a reduction of 30,960 cwts

compared with the corresponding per-

While the value of Canadian cheese

imported during the six months was

only 620, 017 lbs. New Zealand made

5,051,443 lbs during the same period.

These figures are anything but flat-

tering to Canada, and the position is

view than these figures suggest at

It is not so many years ago since

4. Canadian butter is no longer seen

on the British market, only 254 cwts

having been imported during the first

six months of the present year. New

Zealand sent 849,536 cwts, during the

same period and the three Australian

and Queensland- 438,352 cwts, be-

5. The subejct of Canadian cattle continues to be well advertised in the

press of the United Kingdom and it

can certainly be said that this new trade has plenty of room for develop-

ment. Canadian cattle comes to Eng-

send thousands. During one week

recently 960 Canadian cattle arrived

in the United Kingdom, while during

the same week 9,286 were received

New Zealand sent twice as much
