STRENGTHEN OUR PRISONS

The number of escapes from penal nstitutions in Ontario is growing at an alarming rate, and drastic steps will have to be taken to stop it. The latest discovery is that the four ronitentiary had helpers inside as well God Save the King after which lunch as outside. It is known that they had maps of the roads they were to take to reach a waiting automobile, where changes of clothing were provided for

It is a black eye for Inspectors and jail authorities if they cannot discover the traitor inside who facilitates the escape of the most dangerous criminals from supposedly our strongest lock-ups.

EMPIRE DEFENCE

the big Imperial Conference of British Empire Premiers at present in session in London. The position the Canadian Premier will take on the question will likely be that he can guarantee nothing till the Dominion Parliament functions on the question. trip.

The Conference has secured some preferential offers on the part of Britain which will be of much value to Australia, but les sto Canada. Canada hoping that Britain will be able to give a preference on tobacco, but all partes are expecting no preference that would affect the staple foods of the United Kingdom, nor we think are any of them asking for it.

Naval defence, technical research, inter-imperial shipping and communications are among subjects to be dealt with, but on questions of imperial defence, land, sea, or air, the sessions are to be private.

It is a most important gathering visiting his daughters, Mrs Hugh Mcand one is gratified to find that every Phail and Mrs Hector McEachern. thing is proceeding good naturedly.

DORNOCH

Sad was the news that came to us on Wednesday night that Miss Edna Leuck had passed away at the home last Wednesday at the home of Mr Jas of her grand parents, Mr and Mrs. Mather, when the Bible Class was Geo.
