**Hanover has New Hospital Matron**  
Miss Falles has resigned her position as matron of Hanover Memorial Hospital owing to ill health, and the new superintendent is Miss Reynolds who comes to Hanover highly recommended.

**Receive Large Thankoffering**  
The Ladies' Missionary Society of the Presbyterian Church feel grateful to the members of the church who contributed so well at their annual Thankoffering service on Sunday, Oct. 21st and since. It was one of the largest Thankoffering ever received by them, over \$135.00 being now in the hands of the Treasurer.

**Red Cross Thanks Donors**  
The ladies of the Red Cross Society wish to thank the citizens of Durham and vicinity who helped in any way to take the shower for the Memorial Hospital such a success. Also the men who drove their cars Saturday. The number of jars of fruit and pickles collected was 331 besides honey, apples, vegetables and produce.

**Announcement**  
Prof. E. Katz, the noted eye sight specialist of Listowel, well known around here for years for his good work in relieving eye sight trouble, eye strain, headache, etc., will be at the Hahn House, Durham on Monday next, Nov. 5th and will test eyes by the method that seldom fails. Don't miss it. High class frames and lenses of the Canadian Optical Co., Toronto, for nearly half price.

**New Normal School for Owen Sound?**  
Owen Sound is branching out. The latest movement is to have a Normal School located in their city. They have interviewed Premier Ferguson and he looks with favor on the idea, but recognizes two drawbacks: 1—He is not convinced that the present large attendance at such institutions is going to continue. 2—The staggering cost of a new Normal School, which he estimates would cost \$250,000. There would seem to be room for such a school at our County capital, the nearest schools being Stratford and North Bay. Besides Owen Sound has long had a preeminence as an educational centre.

**Death of Old Priceville Resident**  
A well-known old time Priceville resident died last Thursday—Mrs. Mary McKinnon—mother of Mrs. Geo. Arrowsmith, well known in town, but now a resident of Ceylon. For fifty years she was a resident of Priceville, but after the death of her husband in 1916, she resided with other members of her family. She was born in North Gwillimbury 74 years ago and was married fifty eight years ago. Six of their eleven children survive her, these being in addition to Mrs. Arrowsmith, Mrs. Archie McMullen, Ceylon, at whose home she died. Mrs. Ishmond, Norval; John and Dan at Brampton, Neil at Guelph. All were present at her funeral on Saturday last, the pall bearers being her three sons, two sons-in-law and a grandson, Ross McMullen. Rev. Mr. Curran, Methodist minister, conducted the funeral services.

**Rob Roy Grain Prices—We are paying 40c to 50c for Oats, 50 to 55c for Barley, 65c to 72c for Buckwheat, \$1.25 to \$1.50 for Peas at our elevator this week.**  
Rob Roy Mills Ltd.

**Broken Collar Bone**  
While putting on storm windows at his home, 2nd con., Glenelg, on Saturday last, Mr. Walter Nichol had the misfortune to have his collar bone broken, by the ladder on which he was standing breaking and dropping him to the ground. It was a painful experience but he is progressing favorably.

**Winter's First Nip**  
Forebodings of winter were felt on Tuesday morning when the first snow of the season whitened the landscape. However it will go again and Indian summer is still to come. In Alberta the temperature has dropped to near zero and possibly a cold wave for us may be just around the corner. Anyway we had a dandy October.

**\$20,000 Blaze in Warton**  
The big plant of the Booth Fisheries, at the north end of Warton harbor, was discovered ablaze on Sunday morning from some unknown cause. But for a south wind the large new part of the plant would have been destroyed as well. The freezing plant and a large quantity of fish in storage were consumed, the total loss being about \$20,000.

**Her Hearing Restored to Her**  
Since the robbery of her jewelry store in Clifford, a peculiar circumstance has occurred in the case of Mrs. Wendt. For many years back she has been troubled with deafness, causing her much discomfort. Supposedly as an aftermath of the excitement caused by the robbery, her hearing has been restored to normal. The new joyous condition acts as one solace to the other exceedingly serious blow.—Express.

**Mustn't Shoot at Rum Runners**  
Some Toronto Policemen are likely to get into trouble because they fired on some men who were unloading a cargo of contraband, killing one of them. However undesirable is whiskey smuggling, it must ever be remembered it is not a life and death affair; one must not shoot for a non-capital offence. The citizen who shuns all enterprises that violate the law, however mild, is not likely to get hurt.

**Deer Seen Near Varney**  
Last Wednesday morning Mrs. Albert Keller, south of Varney, noticed two deer, leisurely crossing the front field of their farm. They had a feed of fall wheat as they went along, crossed fences and struck straight back through the fields. Last May she witnessed a deer also, which followed exactly the same course, so they are apparently growing more plentiful in this locality.

**Former Divine back in Owen Sound**  
Rev. Dr. R. J. McAlpine, known to quite a number in this vicinity, was the preacher on Sunday last in Knox Church, Owen Sound, on the occasion of their anniversary services. He was pastor of this church some 15 years ago. He is now pastor of one of the largest and most influential churches in Buffalo. A warm welcome and social reception was given to him and his wife who accompanied him.

**300 Participants**  
A large communion was that of Sunday last in the Presbyterian church here, no fewer than 300 taking into their hands the sacred emblems. Rev. W. H. Smith had a suggestive sermon from the statement about Isaac in Genesis 26: 18, where we are told he "dugged again the wells his father had dugged" for they had been filled up or destroyed by the Philistines. It was an easy transition to remind his hearers of the danger of the spiritual wells dug by their fathers, being filled up by carelessness and indifference or indifference and the dangers of many features of modern life were faithfully set forth.

**MARRIED**  
BOYD—TRAFFORD—In Glenelg, on Wednesday, 24th Oct., at the home of the bride's parents, Mr and Mrs. Herbert Trafford, by the Rev. Wm. Aird, Miss Alice E. Trafford, to Mr John A. Boyd, only son of Mr and Mrs Allan Boyd, Leader, Sask.

## Young Farm Transferred to Glenelg

At a sitting of three officials of the Ontario Railway and Municipal Board, held in Durham Town Hall Wednesday forenoon in the application of Mr. Thos. Young of Durham, for the transfer of his farm lands to Glenelg township, was granted by the Board, to take effect at the New Year. Chairman McIntyre stipulated however that the applicant would necessarily be responsible for his share of the debenture debt of the Town of Durham, which was contracted while his farm was included within the town limits. It was left to the town and Glenelg township officials to agree upon an equitable settlement during the next month.

The presiding officials were D. M. McIntyre Chairman of the Board; A. B. Ingram, Vice Chairman and W. C. Coe, Secretary. Barrister Henry presented Mr. Young's case while Barrister Currey, who is also Reeve, appeared for the Town of Durham. In his evidence Mr. Young contended his great reason for desiring to have his farm switched from town to township, was that taxes would be materially reduced, nearly \$50 per year. He also believed the selling value of the farm was reduced 20 per cent by inclusion in the Town. He was quite willing to have his residence on Garafraze St. remain in the town.

Reeve McCuaig of Glenelg gave evidence that farmers nowadays were hard pressed to comfortably make ends meet, and the change should be granted Mr. Young, seeing his was entirely farm lands. Ex-Reeve Calder and Treasurer Ramag were called by the town, the former to give facts as an official of long experience, the latter to quote assessments and taxes paid in recent years. Mr. Young's 1923 farm assessment was \$3,500, being reduced each of the past two years.

Barrister Currey pointed out the benefits Mr. Young derived through town connection—lights, sidewalks and fire protection, while the plaintiff and counsel contended, these were no advantage to the farm property. The Chairman before mentioned, stated that from evidence heard, he saw no necessity for ever subdividing the farm for town lots, too much farm lands had been included in many towns at incorporation, and no lots had been taken off this farm for 40 or 50 years. He would accordingly grant the transfer to Glenelg Township, but Mr. Young must assume his rate on present debenture debt until its expiration. As Glenelg rate is 37 and 1—10 mills and Durham 42 and Glenelg will fix assessment perhaps \$1000 less, the farm taxes will be lightened, though with Durham debenture settlement included, it will probably be no very large amount.

## Plaintiffs Win at Owen Sound Assizes

W. E. Clark, Durham, to pay amount due on Notes

William Bailey of Campbellford, but formerly of Durham was awarded his claim in full and costs against W. E. Clark of Durham for \$1516.27 with interest at 7 per cent by Mr Justice Lennox at the Fall Assizes late Tuesday afternoon. With this case the Fall Assizes at Owen Sound for 1923 were completed.

The amount of claim was alleged to be due on several promissory notes issued by the defendant. In May 1922 Wm Bailey, the plaintiff, purchased 15 shares of preferred stock, par value \$100 per share in the Clark Metal Co. of Durham and in the same year he became common stock presented with 15 shares of common stock as a bonus. Bailey subsequently became Sec'y Treasurer of the Company. On Sept. 26, 1922, he professed his resignation and secured the necessary authority to transfer one-half his stock in the Company to Mrs M. L. Clark, wife of the defendant. In return Bailey received an equity in her house at Durham valued at \$1,500, and agreed with W. E. Clark to transfer the remainder of his stock to the latter. In payment he received promissory notes upon which ground he entered suit. Mr Justice Lennox said he couldn't help but have sympathy with the defendant because he believed he had acted from praiseworthy motives, but it was a pure case of business.

A case of interest was the claim of \$20,000 by Assid Simon, a fruit dealer, whose wife was killed in March, 1922, by the falling of a wall. The jury awarded him \$5000 and costs. The jury awarded Price Teeter \$1500 for the seduction of his daughter by Robert Swanston. The amount awarded was the amount sued for.

Durham Ladies' Bridge Club were entertained by the ladies of the Mt. Forest Club on Wednesday.

**FOR SALE—Choice bred to lay barred rock cockerels.** Apply to R. M. WATSON, Route 3, phone 600 1—1

Anniversary services will be held in Amos Church, Dromore, Sunday, Nov. 11th, when Rev. J. A. Matheson, of near Orangeville, new Moderator of the Synod of Toronto, and former Priceville pastor, will preach at 11 a. m. and 7.30 p. m. Fowl supper Monday, the 12th, followed by fine program by Durham and other outside talent.

**Ducks That Roost Each Night**  
Mr. Ed. Tambling of Tara is the owner of a pair of ducks that roost every night. Another peculiar trait of the breed is that they lay in the hen's nests. Mr. Tambling does not know the name of the breed but he comes from Warton where everybody goes to roost at an early hour and evidently the habit is contagious.

**Two Operations in Hospital**  
Two operations for appendicitis have taken place in Durham Hospital since last publication and at time of writing both patients are progressing favorably. On Saturday last Miss Blanche Murdoch, daughter of Mr. Jno. Murdoch, was the victim and on Monday, Mr. Thos. Hopkins went under the surgeon's knife. Dr. D. B. Jamieson was the surgeon in both cases.

**Baptist Trail Rangers Organize**  
The young lads of the Baptist Church, 12 to 15 years old, have organized a Trail Rangers group under the C. S. E. T. Course, and will meet every Monday in their own classroom in the basement of the church. There are 10 boys to start with Cecil McLean as leader. Their officers are: Chief Ranger—Hugh Thompson; Sub-Chief Ranger—Tom Brown; Tally-Scoutman—Haven; Canteen—Elmer Webber. The movement is a Junior organization of the Taxis boys.

**Good Concert but Poor Crowd**  
Owen Sound True Blue Entertainers who appeared here last Friday under local True Blue auspices, presented a good amateur concert, counter to little advertising and owing to attractions the crowd was small. Miss Strang is a most promising young vocalist and Jack Lyons made a hit with his comic songs. The play "Dutch Jake" was ably presented, clean and of a good moral tone throughout. The True Blues are worthy of a larger home next time.

**Have Education Strong in Hanover**  
At the last meeting of Hanover Council the Building Inspector produced figures to show that the value of the new buildings erected in Hanover this year, including alterations and repairs, garages, work shop and schools amounted to \$100,120. The new Separate School costs \$17,000 and the new High School is estimated at \$52,700. The Ontario Legislature pays a large proportion of the cost of the High School. The amount to be paid by the town, including arbitrator's fees and law costs to John Telford for damages to his property by the fall-in at the hollow between the two sections of the town running east and west is \$1,700.

**U. F. O. Will Close All Retail Stores**  
The United Farmers Co-operative Company, following the policy recommended by its general manager, H. B. Clever, has decided to close out all retail stores and by the end of the Company's year, Oct. 31st, is expected to have the last two of the stores, which there were some 25 in Ontario, will have been discontinued. The Company will then concentrate its activities in the marketing of farm products. In the reorganization necessary to close out the retail stores a loss of about \$100,000 has resulted, says the Financial Post. Apart from this the Company has had a good year in its marketing branch. It has made money, but of course, not sufficient to offset the loss indicated. As a whole set the loss indicated. As a whole the Company will finish the year in a more healthy condition than it started in the opinion of Mr. Cleves.

**Ex-M.P. is Sued.**  
One of the more interesting cases at the Fall Assizes in Owen Sound is Land Securities Co. of Canada Ltd. vs. R. J. Ball, Mary Jane Ball, Milton J. Ball, Austin E. Ball, Stanley S. Ball and Ball Furniture Co. Ltd. The plaintiff company, which has its head office in Winnipeg, Man., is suing the defendants, who reside in Hanover, for the payment of \$77,806.95, interest and costs, alleging that certain shares of stock in the Ball Furniture Co. Ltd., Hanover, were transferred to Mrs. Ball and sons for the purpose of defeating the claims of the creditors and delaying the proceedings against R. J. Ball. The plaintiff also claims that the shares in question also claim that satisfy the judgment as Mrs. Ball and the sons act as trustees for the plaintiff. This is a non-jury case. It has since been postponed until the Spring Assizes.—Owen Sound Sun-Times.

## PERSONAL MENTION

Miss Truax has been attending the mid winter openings in Toronto.

Miss Lillian Sutherland of Toronto is visiting at W. B. Vollett's.

Mrs. Grant McComb visited with her mother at New Hamburg last week.

Mrs. Slack of Mono Road is visiting her niece, Mrs. Wm Moore Elgin St.

Mr. Donald Graham of Toronto, accompanied his niece, Miss Adeline Graham, home from Grace Hospital, where she has been seriously ill for the past five weeks. Miss Graham intends remaining home during the winter months to regain her strength, after which she will resume duties as nurse-in-training in Grace Hospital.

Miss Mary Campbell of Sydenham, is visiting her cousin, Mrs. John McQueen for a few days.

Mrs. Andrew Bryce and daughter Mary of Riverhurst, Sask., are guests this week at her brother's Mr. Peter Hay, Upper Town.

Mr. Alex. Bell of Medical College Toronto, was home over the week end.

**McIntosh Red Apple Wins Honors**  
There will be a rush on nursery stock in future for sapling apple trees of the McIntosh Red variety, for have they not recently swept the boards as prize winners at the Imperial Fruit Show in London, England? The award for this apple went to a British Columbia McIntosh credit too, for all that Ontario claims credit for, for the variety originated in this province, and besides Ontario did not compete in Manchester this year! This apple is the only variety to have a public memorial erected in Canada as to its quality, there being a shaft on a farm in Dundas County, on which the original tree was grown. Canada can more than hold her own in any line she wishes to compete, even to having the youngest V. C. in the world—Tommy Holmes.

**Annual School Concert**  
S. S. No. 9 Glenelg, held its annual Sunday School Social Friday night last in the school house. The weather was favorable and the school was filled to the door. To Mr. John Graham fell the honor of holding down the Chairman's seat and he read off a good program, consisting of recitations by Bertha McNally, Margaret Dunsford, Susie Greenwood, Reggie McFadden, Mima Hargrave. Several dialogues and action songs were also given by the children and the manner in which they were trained reflected much credit on their teacher, Miss Kerr. The Bible Class gave two missing chapters and two dialogues while Miss Eliza Patterson contributed a reading and Miss Kerr a solo, "Bells of the Sea." A violin selection was given by Mr. Thos Bell and was forced to respond to an encore. Last but not least was a pantomime "Home Sweet Home" beautifully given by Miss Ethel Hargrave. Miss Jessie Bell was accompanist for the evening and Mr. John McGill closed with a short address, after which lunch was served. This ended a most enjoyable evening.

**Another Glenelg Barn Fire**  
\*About 6 p. m. last Friday night, the log barn of Mr. Henry Sealey, South Line, Glenelg went in smoke from some unknown cause, in this respect similar to the Lawrence and McGill fires. The fire commenced in the upper floor on the east side, Mr. Sealey having just returned from town previously. All the stock was saved except a few hens, also some grain, though about 50 bushels of sweet clover just sold, and several tons of hay and straw, went up in the blaze. There was an insurance of \$200 on barn and \$800 on contents, we are informed. Mr. and Mrs. Sealey are not in good health but we learn he purposes rebuilding next summer.
