Men's Class
Last Sunday was a good start. Make it better next Sunday in attendance and discussion. The topic will be "A Minimum Wage." It's a live topic and touches most men where they feel the touch. Governments are dealing with it as well as labor unions and manufacturers. It affects greatly our standards of living, our home life, our youth, our young women. Jesus told a story once of men who worked one hour and received a day's pay. How shall we apply His teaching and spirit by present day life.

Refused Grant to Hanover Hospital
The November session of Grey Co. Council possessed a certain liveliness not quite common. For instance, a request for \$200 for Hanover's new hospital was turned down, at least was hung up to dry until the January session. There will then likely be requests from all three Hospitals, Durham, Owen Sound and Hanover, and these requests will be considered on bloc. A similar request by Rev. McKenzie of Artopeesia met the same fate. Rev. McCaus, Glenelg, Rev. Holm of Normanby and others all urged a two months' wait. Rev. Smith of Shallow Lake went further and thought Hanover Hospital more or less superfluous, seeing there was one in Durham, and declared Grey should not be a sufferer from what he called "inter-town competition." Rev. Theodor of Hanover was the only member voting against the deleting amendment, and had the nerve to claim Hanover had a more up-to-date Hospital than Durham.

Men's Class Away to Good Start
The Men's Bible Class in the Varsity Star Theatre, which reopened for the winter months on Sunday afternoon, was well attended, about 25 being present and a well reasoned discourse on "French Canadian Patriotism" was given by Rev. W. H. Smith, the leader. A very interesting series of topics is being planned for the winter. Officers elected for the term were: R. L. Saunders, President; James Lloyd, Secretary.

Pres. Trail Rangers Organized
The young lads of Durham Presbyterian Church met last week and formed a Trail Rangers group, electing the following officers: Mentor—Harold McKechnie; Chief Ranger—Stewart McKechnie; Sub Chief Ranger—Leonard McComb; Tally—David Macshall; Cache—Fred Vollett. The boys range from 12 to 15 years of age and are a Junior group to the Taxis boys. About 15 have already joined up and they will hold their meetings each Monday evening in the school-room of the Church.

Has Taken Possession
Mr. Wm. Burnett of Hopeville, has moved to town and took possession on Monday of the blacksmithing business, recently purchased from Mr. Ham. Allan. He has two sons and two daughters but only Mrs. Burnett and one daughter came with him, as the other daughter is at Dundalk High School until Christmas, and the boys are elsewhere engaged. They occupy Mr. Allan's former home, and Mrs. Allan having moved in with his brother David, and will remain in town. We welcome the Burnett family to our citizenship.

20 Years away from Pricewille
Mr. Robt. McLachlan of Calgary, still keeps a warm corner of his heart for Pricewille and its people and in a letter to the Review recently has the following to say: "I like to see the Review in the house when I come home. Although away from Grey for nearly 20 years, the Review keeps me in touch with Pricewille and Durham friends. We have had one of the most beautiful falls I have ever seen—its just like summer and no sign of snow yet. The farmers are nearly all thrashing; the grain is turning out well, wheat from 20 to 55 bushels per acre. At least that is what they tell me as I don't get away from the city often for it keeps me busy attending fires. I have been on this city's fire staff for 10 years and this year to date we have had 108 runs though none of them serious."

Appreciates Rev. Mr. Cameron.
A letter from Edwin J. Reid, B. A. of Grenora, Alta., has a reference to Rev. Mr. Cameron, late Baptist pastor here, worth repeating: "I was privileged to attend college with Ebenezer Cameron at McMaster University during the years 1896—1899 and have heard him preach in Alberta several times during the Autumn of 1923.

From my acquaintance with him, I can very heartily testify to his sterling worth and moral and social qualities. However, Mr. Cameron's speciality is his splendid New Testament sermons. I consider them the equal if not the superior to many of "inter-town competition." Rev. Theodor of Hanover was the only member voting against the deleting amendment, and had the nerve to claim Hanover had a more up-to-date Hospital than Durham.

Very few Durham citizens were aware that there was a Parliamentary election on in town on Saturday. Polling was held in the Public Library from 12.30 to 4 p.m. and the purpose was to elect a member to represent Grey County at the Boys' Parliament in Toronto.

Owen Sound also elects a member and there were two candidates in the rest of Grey County—Wilfrid Lockhart of Dundalk of the "Advance" party and Elmer Carr of Thorburn, of the "Amek" party. Lockhart is elected by a good majority, but we have not learned the figures. Only properly registered Taxis boys and Trail Rangers were eligible to vote. Rev. Duffield of Macville was Returning Officer and there were about 187 voters on the printed list. 47 of these were Durham Taxis and in Trail Rangers 32 of them exercised their franchise Saturday. The vote stood 31 for Lockhart, 1 for Carr in Durham. Cecil McLean was Dep. Returning Officer and Irvine Sharp-Poll Clerk.

The big Durham vote taken by Grey County's new boy M. J. may be credited to his visit here last Friday night—the last meeting of his campaign. Lockhart, the new member is 18 or 19 years old, of prepossessing appearance and he made an excellent 20 minute speech to the Durham boys and friends at his meeting in the Methodist Church. He fully enunciated the platform of his party, and won hearty applause. Two other Dundalk lads who accompanied him, also made good speeches supporting their candidate. Albert Kress and Irvine Sharp spoke. Dr. Grant, Mentor of the Taxis, H. Griff, Mentor of the Baptist Trail Rangers, Rev's Peters and Smith, Messrs W. Irwin and P. Ramage also were speakers, expressing their co-operation in the work of developing the four-fold life of our boys, and appreciation of the boys' addresses.

The Boys' Parliament will consist of 106 members from all over Ontario. This is the third to be elected. Sessions will be held in Toronto on Dec. 27th, 28th and 29th. The Ontario Govt. has granted the use of the Legislative buildings for the sessions. The membership is divided on the party system, with Hon. Alan Van Every, leader of the "Amek" party and Hon. Claude Guthrie, leader of the "Advance" party.

The leader who has the largest number of supporters after the election, will be called upon by the Lieutenant Governor, Dr. Day, to form a government.

Death of Donald McFarlane

Tuesday, November 28th, the end came somewhat suddenly to the above gentleman, for it was thought he was holding his own and likely to recover from the stroke of one week ago. But death intervened and he has joined the majority at the age of 75.

Mr. McFarlane was born in the Island of Mull, Scotland, in 1848 and came with his parents, Mr and Mrs. Alex. McFarlane, to Canada a year later, they settling in Vaughan Township. After a few years there they moved to lot 39, on I. N.D.R., Glenelg, now owned by Alex. Stoenhouse.

After a short stay there they moved to lot 2, con 15, Proton, where they hewed for themselves a fine home, experiencing all the trials of the pioneers, but achieving fair success. 20 years ago, Donald, the only son moved to the well known Rob Roy farm. Deceased in 1886 married Miss Mary McQueen, sister of Mr John McQueen, Durham, and the union was blessed with five daughters and four sons, all of whom are living except the second daughter Jean, Mrs Chas. Moffat, who died in December 1922, deeply mourned: Mary Ann, Mrs E. J. Davis, Toronto; Katie, Mrs Wm Seth, Castor, Alberta; Alex. and John, Penzance, Sask.; Charles, Neil, Flora and Margaret at home. The two married daughters and John were home for the last sad days. Alex is expected for the funeral. The mother of this bereaved family died eight years ago.

The past summer he spent three months in the West, visiting his sons at Penzance and daughter Mrs Seth, also the family of his deceased sister-in-law, Mrs Jas. Marshall at Rowley. He came home in good health about a month ago, having enjoyed his visit, but death was waiting.

Mr. McFarlane was a true Christian gentleman, adhering strictly to all christian principles. In politics he was Liberal. Always willing to give a helping hand to those around him, of a kindly and hospitable nature, he was beloved by friends and neighbors and his memory will long be kept green. Besides his own immediate family, a sister will mourn, Mrs Jas. McCannell, near Collingwood. A sister Mary Ann died 15 years ago.

Trinity Church Bazaar
Trinity Church Guild will hold their annual bazaar on Saturday, Dec. 15th, in the Public Library. Fancy work, home made baking, candy and vegetables. Donations will be thankfully received.

Red Cross Bazaar a Success
The ladies of the Red Cross Society held their annual bazaar on Saturday last above McLachlan Bros. Grocery Store, and all afternoon were busy exchanging all forms of hand and fancy work for perfectly good money. Afternoon tea was also served and at the close of the day's sale, the ladies were the richer by about \$300, which was gratifying to them. The bazaar was not on as large a scale as the one held last year and the ladies consider this amount well worth their efforts. Very little was left undisposed of.

25 Years' Subscription
Mr. Thos. R. Henderson, St. George in sending subscription to the Review breathes appreciation for which we thank him warmly. He says: "We would not like to be without the Review. This subscription will almost complete a twenty five years' subscription as we will be married twenty five years next June and have only been without it the first few months of that time. We are much interested in the people and the doings up there, especially Yeovil, Dromore and Swinton Park, those being our birth places, but Holsteif, North Egremont, and Pricewille are almost equally interesting. We would indeed miss the "Pricewille and vicinity" news."

While in Toronto this week a Review representative spent all too brief a space of time, viewing the sights of the Royal Winter Fair at Exhibition Park, with its many-sided interests. To do the Fair justice it should be given unlimited time—and then some. If there happened to be a cynic visit the Fair, they would leave the grounds with a changed impression and would realize that Canada's status as a nation was exemplified here if no place else.

The huge Coliseum that in National Exhibition time is given over to Grand Opera performances, is now used for performances of turf drivers and it is here that the horse is king. Motor cars may supplant this animal on the thoroughfare but here the motor car takes a back seat, as any one who peruses the daily paper, will note that a seven passenger car is humbled to the dust when Miss Dorothy Wood, the daring Edmonton equestrienne, does the thrilling act of landing clear over this car with her two equines! There are also exhibitions of hurdle jumping that keep the audience in one round of thrills and the musical ride of the Royal Canadian Dragons is an ever popular feature. Flowers, fruit, dairy products, honey, chickens, etc., etc., and, and could be found here, and the big crowds that visited the Fair daily is ample proof of the hold the Directors of this Fair have on the people of the Province—the farming community in particular.

Under the Grand Stand in Exhibition Park, there was ever an interested crowd to view the foxes that were there to be admired. Here we were pleased to meet again J. B. Rombough, a former Durhamite, but now of Charlottetown, P. E. I. Mr Rombough was the kind of host who will on our Maritime trip the past summer at his home, and of losing interest in Durham and its people he will never be guilty. Mr Rombough informs us that in December, he with Mrs. Rombough, will leave P. E. I. to reside in Toronto, though still retaining his interests in Fox ranching at the Island.

There were 36 different exhibitors at the Fox Show and three quarters of these were from Prince Edward Island. There were four classes of foxes exhibited—blacks, dark silver, medium silver and pale silver and 4 in each class. Before any of these foxes are exhibited, they require to be registered pedigree and to mark their registration each fox bears a tattoo mark from the Dom. Government. At time of visiting the Fair, the judging was not all completed but then Mr. Rombough had received second for his medium silver. All P. E. I. stock came to Toronto in a special chartered car, which cost the breeders alone \$1200.

Another corner in the Fox Exhibition was held by the Pricewille Fox Co. under J. M. McGillivray's management and also was the centre of many interested visitors.

History of Grey County
It is interesting to know that the proposed History of the County of Grey is making progress. The Committee in charge consists of Reeve Curry of Durham, Co. Treasurer John Parker, and Sheriff J.S. Wilson. It will be the part of wisdom on this Committee to "make haste slowly" so as to collate information of each district impartially, probing every likely source of historic information. It is expected to put a book on the market containing about 600 pages, the retail price to be between \$3 and \$4. It is the purpose of the Committee to make a canvass of the County through the different school sections and teachers, one copy being given free for a certain number of subscriptions. Canvass will be made probably before the January session and a report will be given at that time.
