

Big Programme of Organized Winter Sport in Canada

MONTEAL GIRLS ARE EXPERTS ON SNOWSHOES

Winter in Canada is synonymous with winter sports. With the advent of ice and snow these sports begin: skis, sleds, toboggans, skates, snowshoes and hockey sticks, together with warm, gay sport costumes, make their appearance. A psychological change takes place in the social atmosphere, merriment radiates its contagion, briskness characterizes all outdoor movement. For many years Quebec and Montreal have been Mecca for a large number of winter sport lovers, who flock to these two cities on the St. Lawrence during carnival seasons. There are, however, many other Canadian points where organized sport is a winter feature. St. John has its skating tournament in which many professionals participate. Sherbrooke, Quebec, has planned an elaborate skiing contest and is providing some splendid trophies as awards. Grey Rocks Inn, an all-the-year-round resort in the Laurentian Mountains, 85 miles northwest of Montreal, offers aeroplane-ski-joring in addition to many other winter sports. Winnipeg will set aside the week of February 4-11, for carnival festivities which are projected on a vast scale, in addition the great annual bonspiel, lasting several weeks, will be staged as usual. Banff in the Canadian Rockies, which is fast becoming as popular in winter as it has long been in summer, is planning to outdo former efforts. Winter sports are enjoyed there all through the white season and will culminate in a gay carnival lasting from Feb. 9 to 15, during which period the famous 200-mile non-stop dog-team race will be run. Revelstoke, a stronghold of ski-jumping, will stage contests Feb. 5th and 6th. Both Montreal and Quebec are making extraordinary preparations for this season's programs. Mount Royal, in the former, provides an unexcelled playground where skiing, snowshoeing, tobogganing and to-bogganing may be enjoyed at their best. Skating contests, torchlight festivities on the Mountain and the presence of professional entertainers, provide amusement for Montrealers and visitors. Quebec is really the Capital of Winter Sports in Canada, its Dufferin Terrace and Chateau Frontenac are names to conjure with among winter sport devotees all over Canada and the United States. The three-track toboggan slide on the Terrace is generally the centre of attraction and crowds line its sides to watch the swift flying toboggans. A fine ski-jump, a skating rink, indoor and outdoor curling, contests and parades by the many ski and snowshoe clubs fill every waking hour. A team of husky dogs with sleigh and driver is maintained by the Chateau management for the use of the public. Quebec's carnival will end in a riot of excitement when the third Eastern International Dog-Team Derby is run there on Feb. 21, 22 and 23. Both Canadian and American teams to the number of about eighteen, will strive to win the Gold Cup, Silver Cup and \$2,000 in prize money.

This community was shocked to hear of the death of Dr. J. G. Hutton on Friday last. The Dr. practised here for about 12 years, coming here about 1888 and during those years provided himself to be not only a good physician but an ideal citizen, a good neighbor and a kind friend. Through his sterling qualities and by his genial manner, he made a host of friends, many of whom have also passed over to the Great Beyond. To the sorrowing wife and family, we extend our sympathy. Quite a number from here attended the funeral on Monday.

PRICEVILLE & GLENELG
February is holding its reputation, for this morning is somewhat stormy again. Sleighting is good after the drifting of last week, though it may be somewhat heavy this morning. This afternoon we purpose going to the lamented Dr. Hutton's funeral. As we were amongst the first who greeted him on his arrival in Priceville on the 1st of June, 1888, we think it appropriate for us to say a little about his life during the twelve years he was our faithful physician in Priceville. Besides his duties as a physician, the late Dr. was a faithful member of the Presbyterian church, where he acted as Secretary of the Board of Managers for years. He

was also a Bible Class teacher and took great interest in teaching the young. Friends at Priceville will regret to hear of his death but we will not say more for better writers than we will be writing his obituary.
The funeral of the late Mrs. McArthur was largely attended considering the very severe stormy day it was. Rev. Mr. Taylor preached a very impressive sermon for the occasion and for a young man is a powerful speaker. We congratulate the congregation in securing him as their pastor.
We spent a couple days at the old home of our youth last week and found the sick ones getting better in many instances. We are pleased to hear that John Alex. McCuaig is able to go home this week from the Durham hospital.
Chas. Moffat of Durham is visiting old neighbors for a while during the past week.
We had the pleasure of talking on the phone to Mr. John A. Black of Chesley. John has the old language, the Gaelic, to perfection and we enjoyed a conversation with him in that familiar old tongue, which both of us inherited from our forefathers. John came over on purpose for Dr. Hutton's funeral and was talking to us from his relatives, the McFaydens.
On the 5th of February, 1889, our mother died at the age of 78 years, and her remains were laid to rest in the old cemetery on a stormy day.
On the 9th of Feb., 1897, the late Rev. D. McLeod preached the funeral sermon of the late Mrs. Martha Ferguson, in the Baptist Church, as her minister was not there. (A Disciple.) Mr. McLeod preached a suitable sermon extolling the good life and character of the departed. His text was "I have fought a good fight, I have finished my course, etc." Three weeks later, Dr. McRobbie of Shelburne, preached the good pastor's funeral sermon in the Presbyterian church, and it brought one together ever seen in Priceville. The late Rev. gentleman's remains are also laid to rest in the old cemetery, Priceville.
The memory of the righteous is not forgotten by the living.

Can. Greys, I.O.D.E. Hold Annual Meeting

Successful Year for the Chapter both in Finance and Attendance
At the annual meeting of Canadian Greys, I. O. D. E., on Tuesday night in the Public Library, election of officers by ballot took place for 1924, of those nominated for the various offices of the Chapter at the January meeting. This resulted in the election of the following:
Regent—Miss Julia Weir, B. A. 1st Vice Regent—Mrs. Wm. Calder 2nd Vice Regent—Mrs. S. McBeth Secretary—Miss A. C. McKechnie Treasurer—Mrs. R. Burnett Educational Sec'y—Miss Alice M. Ramage
Echo Sec'y—Miss Marion Calder Standard Bearer—Mrs. J. Burgess Councillors—Mrs. A. W. Lauder, Mrs. J. H. Harding, Miss E. Kress, Mrs. Knight, Mrs. Pickering, Mrs. W. E. Clark, Mrs. T. Henderson, Miss E. Hunter, Miss A. Kearney, Mrs. MacDonnell.
Previous to the election of officers, Miss Weir, B. A. made a neat address in which she thanked all the members who were instrumental to such a degree in making it the successful year it proved to be. Co-operation, she said, was the main essential in the Chapter, and the motto "In union is strength," should be ever held aloft. She hoped for a continuance of this good comradeship in the coming year and much would be accomplished. It is a tribute to Miss Weir to be returned to the office of Regent by acclamation.
Mrs. Wm. Calder also reported at this meeting for the Hospital Com. of which she is a member. There was still \$50 to be expended of the \$200 grant that the Chapter voted for this end, and with this \$50 is being procured a large cupboard or wardrobe for the I. O. D. E. room at the Hospital, as well as equipping the room with sheets, pillow covers and towels, all carrying the I. O. D. E. monogram, worked by various members of the order.
Votes of thanks were extended to the Regent, Secretary and Treasurer for their efficient work of the past year. Following is the Financial Statement of the Chapter and speaks for itself:

Summary of Secretary's Report
Canadian Greys' Chapter I. O. D. E. have had another successful year to their credit, if financial receipts, membership growth and harmony count as anything. The Chapter has perhaps since its inception, the largest membership in its history, and time four Regents have held sway over the destiny of the Chapter, viz: Mrs. J. Eastwood (who organized the Society); Mrs. D. B. Jamieson; Mrs. G. McKechnie, and the present Regent, who has been given the second term by acclamation. Needless to say they each have been untiring workers for the welfare of the Order and their aim to make Canadian Greys' Chapter an active force behind the National Chapter, was ever apparent.
While the war years were the greatest financially in receipts, the interest in the work of the Chapter has not lessened to any degree and with new blood added to the membership roll from year to year, the ambitions of the Chapter have grown accordingly, and as faith without works is
