J. S. McILRAITH THE CASH SHOE STORE, DURHAM

The Durham Review

THURSDAY, MARCH 13th, 1924

IF THIS WERE DURHAM?

A representative of the Ontario Department of Health made a tour of the wells of the town of Forest, Ont., finding a great majority unfit for use. The next step was an order that a waterworks system should be installed. The estimated cost was \$60,000, a by-law was submitted to be voted on and was defeated. It was submitted again with some modifications no doubt, and again defeated. Now the Council has received orders to pass the necessary by-law in spite of the votes. This the council refused to do at their next meeting. They were given until March 5th to pass the by-law and after that date, they are liable to a fine of \$100 a day for every day they hold out. We have not learned the last result, but likely they resigned. There is an uncomfortable parallel for residents of Durham in this story.

CHURCH UNION BILLS TO COME BEFORE PARLIAMENT?

At a recent meeting in Harrison, a committee of men, representative of both Methodist and Presbyterian bodies, met the members of Parliament for West Wellington Division, John Pritchard, M. P. and W. C. Chambers, M. L. A. The object of the meeting was to convey to local members the feeling of the constituency for church union and to ask them to support the measure when it came before Parliament. The committee was composed as follows: Messrs Jas. Tucker, Arthur A. W. Wright, B. A. Mt. Forest, Jos. Pritchard, Harrison: Robt. McArthur, Drayton: Rev. Prudham, Drayton.

WATCH TO-DAY'S BUSINESS TO-DAY

A common fault in business organizations is that of giving too much attention to getting new business, and not attention enough to holding the old ones. Too many organizations think that by gaining new customers, they are going ahead, when, more often, they are standing still. Similarly many an individual is so interested in trying to get the job of the fellow on the next ladder rung above him, that he forgets the chap below who is after his scalp. If the present job of the present customer, is handled well, the future will take care of itself, almost automatically. Will be sold by public auction on

GET YOUR NAME ON THE LIST

The Assessors are now on their rounds and the assessment roll they are working on has to be completed and returned before April 30th.

The Voters' List this year will be the basis of the List for any bye-elections for either the Provincial or Dominion Parliament held subsequent to the completion of this List and before another has been prepared by the Municipal Officials.

To vote in a Dominion election an elector either man or woman, requires to be 21 years of age, a British subject, a resident of the municipality at the time the Assessor begins to make his settlement, and a resident of the Province of Ontario by the time the Lists are completed. It is easier to get your name put on by the assessor than to take the trouble later on of attending the Court of Revision to have it added.

The names of persons who will be 21 years of age by the time the Voters' Lists are completed, may be entered by the Assessor, provided they

MULOCK

We extend true and heartfelt sympathy to the bereaved friends of the late Rev. Alexander Leslie, a former pastor of Crawford Presbyterian church for seventeen years. Mr Leslie's character was marked by scholarship, energy, sympathy and piety. His congregation loved him and the community honored him. The recollection of his pure noble, upright christian life is securely locked in Memory's sweet chamber, never to be effaced. We could wish the world had the principles of the deceased and it would be a safe world to live in. They are not dead who live in hearts they have blessed. They live a life again: And shall live through the years, Eternal life and grow Each day more beautiful As time declares their good. Forgets the rest and proves Their immortality.

We are pleased to report Rev. Mr. Aird and family out of quarantine, Miss Jean having the scarlet fever.

Mr John Alex. McCuir, who is recuperating after an operation for appendicitis, is visiting Mr and Mrs. Findlay McCuic.

We were pleased to have a short call from Nurse Mary Muir of Toronto and we hope that she may visit us again in the near future.

Mr and Mrs Jas. Stinson (nee Diantha Redford) of Crichton, Sask., were renewing old acquaintances in this vicinity. It was six years since they last visited here.

Mrs D. C. McKechnie of Glenelg, is at present visiting with Miss Anne Hobkirk and other friends on the North Line.

We are sorry Miss Flora McDonald of Hamilton, sister of Mrs A. Hastie, is not regaining in health as quickly as her many friends here would wish to see her do.

Mr and Mrs Harry McDougall are rejoicing over the arrival of a dear little baby girl, which arrived at their home last week. Congratulations. Teacher and pupils are pleased to have Master Clifford Adlam back at school again, after his long period of sickness and quarantine.

POULTRY AS AN ASSET

There should be just one million dollars worth of poultry and eggs sold in this county this year. If you are not preparing to keep at least 100 hens during the laying season, you are preparing to miss a fine opportunity to lay in cash enough to meet all the household and farm expenses the coming spring and summer. Prepare to grow chickens of the egg-producing variety.

SOUTH GREY FAIR SPECIALS

The South Grey Agricultural Society has decided to hold a field crop competition under the usual regulations. All who intend entering the competition may consult the Secretary.

The W. A. Jenkins Co. of London, offers a special prize of 100 lbs of Royal Purple Calmeal for the best calf exhibited at the fair that has been fed part ration on this meal. 2nd prize of 50 lbs to be donated by J. W. Blyth, Varney.

Gunn's, Limited, Toronto, offer a prize of one bag 60 per cent tankage for the best pen of pigs at the Fair, partly fed on "Shug-gain" digester tankage in the ration.

HISTORY EXAMS GROWING EASIER

Only 10 Important Dates in Dominion's Past Required for Student's Success

Entrance Classes of the Public Schools to-day have a much easier time than those of former years, as far as Canadian History is concerned, according to Inspector G. A. Wheable. Where in the old days pupils were supposed to know by heart and repeat in every combination possible, according to arithmetical progression, etc., all the dates on which such and such a thing happened, students this year are required to know but 10 definite occasions, landmarks in Canadian History.

Although it is somewhere about 432 years since Christopher Columbus discovered America, those 432 years and their happenings have been condensed into 10 dates, no great strain for anyone to remember. No mention is made of dates concerning the recent world war.

Lucky indeed are the pupils of to-day who have their fathers and grandfathers had in the neighborhood, five or six hundred, because it would seem as though something had happened every day of the four centuries. The dates that they are now required to know, as set forth by the department and given out by Inspector Wheable, are as follows: Discovery of America, Christopher Columbus 1492. Arrival of Jacques Cartier 1534. Coming of Champlain and the founding of Quebec 1608. Capture of Quebec 1759. Quebec Act 1774. Constitutional Act 1791. War of 1812. Rebellion of Upper and Lower Canada 1837. Union of Upper and Lower Canada 1841. Confederation 1867.

Rocky Wins Last Debate Edge Hill Wins Round

Second Debate of the U. F. O. Debating Society Draws Large Crowd

The second debate between Edge Hill and the "Rocky" drew a crowded house in the Edge Hill school on Friday night. The splendid efforts of the debaters of the week before, raised the expectations of all those interested in the series, and these expectations were fully realized as they listened to the debate.

The subject chosen was "Resolved that man has worked more for the love of money than for the love of humanity," and the speakers were Messrs W. J. Ritchie and H. H. McDonald of Edge Hill for the affirmative and Miss Sadie Lawrence and Mr Harold McKechnie of the "Rocky" for the negative.

Mr Ernest Greenwood occupied the chair and several musical numbers, instrumental and vocal, were well rendered and heartily enjoyed, before the debaters were introduced.

For the affirmative it was contended that the love of money was the incentive that caused many farmers to grow sweet clover during the war period and to keep their sons at home rather than let them go to the war. That it was the root of strikes, the opium traffic, the old slave trade, monopolies and combines, that it had drawn many to distant gold fields, and that politicians, doctors, lawyers, school teachers, editors,—aye and even the ministers were not always proof against this seductive lure, was pointed out.

For the negative it was contended that love of humanity is a great principle that lies at the root of all worthy action, and that the love of money is not the sustaining principle in any work that is done for the benefit of humanity. That love for wife and family is that which sustains the worker, not the amount in the pay envelope—that the work of Dr. Banting in regard to his discovery of insulin and in his work during the war; the volunteers who went overseas; the workers in christian churches at home and on Mission fields, the workers in the cause of Temperance; the laws relating to widow's pensions, houses of refuge and asylums, and the many who would not risk their lives for money but who had risked themselves for the purpose of saving lives which were in danger, all proved that the love of humanity was the master passion in human conduct.

The judges for the evening were Rev's J. H. Whealan, W. H. Smith and J. E. Peters, and after a careful and lengthy consideration of all the points presented and of the general conduct of the debate, they decided the honors lay with those who supported the negative. Mr Smith spoke for the judges and stated that though each club had won a debate, the Edge Hill Club was the victor in the series by a narrow margin. The other two judges added a few words of commendation and then lunch was served by the Edge Hill Club.

We are having some fine weather and the farmers are busy hauling wood and logs to town. A large crowd from the Rocky attended the debate held at Edge Hill last Friday between the Rocky and Edge Hill. The decision was given in favor of the Rocky, though Edge Hill is still several points ahead of the Rocky in the round. Accordingly Edge Hill will debate with No 7, Normanby, on March 21st.

Miss Jean Clark has been on the sick list for some time, but is improving nicely now.

Mr Harvey Caswell, Detroit, is spending a few days with his brother Jack at present.

Mr. T. Wright, Hanover, was a caller at Mr Arch. Thompson's recently. Mr Jack Caswell had the buzz saw this week and got a fine lot of wood cut.

Mr Cunningham Moore, assessor, for Glenelg Tp., was a caller in our neighborhood this week.

Mr Albert Thompson was successful in capturing a fine big fox the other day, making the second for him lately.
