PRICEVILLE AND VICINITY

PRICEVILLE

Mr Guy Hazard has gone to Sandwich, Ont. where he has secured employment. Mr Angus Clark is under the care of Dr. Carr and Nurse McKinnon, suffering from an attack of pleurisy. Miss Lizzie Mather is spending the week in Toronto. Mr J. M. McGillivray left for Toronto and other points Monday on business. Rev. Mathewson of Kemptville, preached very acceptably in the Presbyterian church on Sunday. Rev. Mr Harris of London is expected next Sunday and on the following Monday, the congregations will hold a meeting to select a minister. Misses Margaret and Minnie Simpson of Chicago, and Mrs A. Wright, of Toronto, are visiting their sister, Mrs. K. McArthur. On Sunday night, Mr Thos Kennedy of the village passed away at the age of about 70 years. Mr Kennedy has been a sufferer from asthma for years, and has been ailing all winter, developing pneumonia a couple of weeks ago. The funeral will be held on Wednesday to McNeill's cemetery. He leaves to mourn, his wife, six daughters: Mrs Bender and Mrs. A. McArthur of this place; Mrs Jas. Dunn of Arthur; Mrs Becker of Kitchener; Mabel and Pearl and one son Charlie at home. We extend to the sorrowing family our sympathies. Mrs. L. Frook is nursing her mother, Mrs. Blair who is quite ill at Zion. Mr and Mrs Arch Park and daughter Marietta, visited their daughter, Mrs Wm Mather Sunday. Miss Park is remaining over the week end with her sister. Messrs Assum and McLean have their garage equipped with electric light now and will be able to give better service to their customers. Miss Belle McMillan visited friends near Dundalk the beginning of the week. What about sports for this season? For the last couple of years this village has had no sports of any kind. There seems to be plenty of material to form a good football team or anything else they might decide to take up. Why not get together boys and start something?

The dwelling house and most of the contents of Mr Samuel McDermid, S. Line, Glenelg, at Top Cliff, was burned on Saturday morning, the 3rd inst. The fire originated from the kitchen fire and as Mr and Mrs McDermid were alone at the time, the fire got such a headway that it could not be checked before the nearest neighbors who were working in the fields could reach the scene. It was about 10 in the forenoon and nothing of what was upstairs could be saved and as their best clothes were in their sleeping apartments, all were a prey to the fire. The house was a comfortable building of brick veneer and the loss to Mr McDermid and family is great, no matter how much the insurance. Mr Arch. McLean rented Mr Donald McDonald's farm, on Durham Rd., Glenelg, and is putting in the crop there at present. Who will be the lucky contractor to get the cutting down of the big hill on the Durham Road, known as big Hugh's hill. We doubt there will be not much left of the portion of funds coming to that section when the hill is completed. We are pleased to hear that those ailing in Priceville and vicinity are getting better. The Robinson boys on the Moffat farm finished seeding on Saturday last, the first done in the neighborhood. The Township Fathers met at the Township Hall, Glenelg, last Saturday for general business. The rain last Saturday was much needed, but a snow storm after night spoiled its effects on the land, as it is cold again this Monday, the 5th of May.

SWINTON PARK A heavy rain last night, accompanied with thunder and lightning, which will hold up seeding for a time and a great deal of land was ready for the seed to-day. The people west of the ark were surprised at the cloudy days two weeks ago. They will be equally surprised to learn that it was only Charlie Smith splitting wood for Howard Watson. When a young man takes off most of his clothes and hangs them on the fence, and splits and piles 25 cords of wood in less than 20 hours, he spoils the old man's idea that the present generation are lacking in energy. Mr Gordon Ferguson has gone to spend the summer months at the Elgin House, Muskoka. Miss Ruby Haw is home from Toronto for a two week's holiday, looking well after a winter in the city. Nell D. Clark is busy preparing for his new house, lime being now about the only thing lacking, as the cellar is dug and all other material on the ground. Mr W. J. Wilson, Sr. of Boothville, has a cow that gave the high cost of living a vicious kick the other day when she gave birth to three calves, all fair sized and healthy. This makes in all 9 calves in four years, having twins three times, and now going to have a third. She is like the bootleggers—needing looking after. We are sorry to say that one of our old ladies, Mrs McMillan (Hugh's mother) is confined to her bed for 3 weeks now. Mrs McMillan is one of the earliest pioneers and 90 years of age. We hope she may be spared to enjoy at least another summer with her loved ones. Mr Bert Martin has bought from McAllister of Dundalk a new Ford car and intends using his share of the good roads in future. Mr and Mrs J. H. Harris of London will be with us, coming highly recommended and the day following a meeting of the two congregations in Priceville will endeavor to make a satisfactory choice—a very hard thing to do, as we have had during the winter a splendid class of men. Among those on the list will be Messrs Galbraith, Martin, Cowan, McIntosh, Sutherland, Matheson, Harris and others.

HOPEVILLE

Miss Edna Webster returned to Toronto recently after a short visit at the parental home. Mrs John Dezell entertained the young ladies of the vicinity at a quilting party on Friday afternoon. Mr and Mrs Jake Schmidt spent the first of the week with his mother, Mrs C. Schmidt, who has recently returned to the old home farm to spend the summer season. Arbor Day was fittingly observed in our schools by making good use of spade and rake. The homes in this district have also had an arbor day, judging by the bonfires. Misses Flora and Mary Russell went to Hamilton the last of the week to be in attendance at the graduation of nurses on Wednesday, May 7th, when Miss Mary will be among the number to receive her diploma. Her many friends extend to her their congratulations. The ladies of the community intend laying aside their household cares for a few hours on Wed. May 7th, to be present to enjoy and benefit by Dr. T. H. Sneath's address at the Women's Institute at the home of Mrs C. Wale. This is also the annual meeting. More help has arrived on Con. 10 to assist with the spring work. Born—On April 27th, to Mr and Mrs A. Schenk (nee Sadie Beckner) a daughter. Miss Kathleen Snider is expected home on Tuesday for a few weeks with her parents, Rev. J. B. and Mrs. Snider. Dromore talent are giving their play, "Deacon Dubbs" in Hopeville, Friday, May 23rd.

GREEN GROVE

The heavy rains on Saturday and Monday nights prevented some of the farmers from getting on with the seeding. Messrs John Hamilton and D. Campbell are the first to be done in this neighborhood, both of them finishing on Saturday. No. 9 Sunday School re-organized on Sunday afternoon. The officers and teachers for the coming year are: Supr. John McGirr; Sec'y, Miss Mina Hargrave; Organist, Mrs Jessie Bell and Mary Whitford. The teachers are Gordon Geddes, W. Lawrence, Miss Eliza Patterson, Mrs Geo Colinson and Miss Jessie Bell. On Sunday next, Mother's Day will be held and Rev. J. E. Peters will give an address. Everybody welcome. A special meeting of the members of Green Grove beef ring was held in the schoolhouse on Monday night. It was decided to commence this com-

ing week. There is still one-half share to be taken up. Mrs Scerk of Portage La Prairie, spent the week end at the home of Mr Samuel Patterson. Mr and Mrs David Hamilton spent Sunday with their daughter, Mrs Farr Lawrence of Egremont. Mr Walter Cox is engaged for a month with W. R. Watson. Miss Margaret McGirr of town spent the first of the week with her aunt, Mrs John Bell.

IN DAYS OF YORE

15 YEARS AGO From Review file of May 6, 1909 The home of Mr Wm Lawrence was the scene of a pretty wedding Thursday last when his daughter Gladys, joined heart and hand with Mr Wm McDonald of this town. Mr. Wm. Caldwell here received a sad telegram on Monday that his brother Thomas had died in Dauphin, Man. on Saturday previous. He is survived by his widow, who was Miss Mary Burnett of Durham and four brothers and two sisters. An effort is being made by the Presbyterian congregation here to fittingly mark the spot where a late pastor, Rev. A. G. Jansen is buried. He lies in Elmwood cemetery, Winnipeg, practically in a nameless grave, and since no relative has seen fit to mark the spot, the congregation feel their self respect is involved and through a committee have taken steps to provide a suitably inscribed stone. Died, in Dakota, on 28th April, of pneumonia, Mr Jas. Beaton, formerly of Toronto, but for the last couple of years resident of Dakota, aged 58 years. Mr Beaton was born 1 mile west of Dornoch in Bentinck. He was a cousin to the McDonald's, Durham Road, Glenelg and at Top Cliff and with others in the locality. Durham School Report, Sr. IV: Devena Warmington, Karl Lenahan, Florence Bryan, Bessie Saunders, Helen Ireland. Jr IV—Frank McElrath, Milton Mills, Maude Kress, Edwin Seaton, George Kress. Great sympathy is felt for Mr and Mrs. John Whittaker in the loss by death of their little daughter Jennie who passed away last week at the age of 4 years.

25 YEARS AGO

From Review file of May 4, 1899 Tuesday last while Master Arthur Allan was fishing, he made a slip on a log and had his eyelid seriously cut. Master Lloyd Beaton was attacked by a dog near the bakery Tuesday and getting him down, made a gash in the calf of his leg which had to be sewed up. Mr Arthur Laidlaw is home from his examinations at the school of Applied Science, Toronto. Next session his course is entirely in electricity. Mr. Black, assessor for Bentinck, returned his roll to the Clerk on April 22nd. The following is a summary of it: No. of ratepayers, 1549; No. of acres assessed, 74,935; assessment of lands \$1,288,330; assessment of personal property \$12,200; total assessment, \$1,300,530; No. of persons in family, 4,521; No. of cattle, 6,347; no. of hogs 3,088; no. of sheep, 4,107; No. of horses, 1,675; acres of woodland, 13,359; acres of orchard, 422; acres of swamp and waste land, 16, 985; acres of fall wheat, 4,647; no. of children between 5 and 16 years of age, 1143; no. of children between 8 and 14 years 642; no. of children between 16 and 21 years, 277. Last Friday, April 28, at the residence of Mr John McFadden, Durham Road, Glenelg, a pretty wedding took place when his daughter, Miss Vina S. E. became the bride of Mr Wm. Ryan of Rob Roy.
