Egremont S. S. Convention

The annual meeting of this body was held Thursday July 10th, in Fairbairn church and much interesting and instructive work was presented.

Opening exercises were conducted by Rev. G. S. Scott of Holstein, after which the President, Mr Chas. McInnis, gave his opening address welcoming them to its annual session.

He cited (as only a veteran can) early reminiscences of Sabbath School work in the neighborhood. While praising the S. S., he recommended one in every home not as a substitute but as complementary to the church organization.

He deplored the fact that trade and commerce under modern conditions were robbing many of the privileges of the Sabbath and made touching references to many tragedies in May and June all on the Sabbath, often in the pursuit of pleasure.

He discussed the system of worship in the Sunday School, mentioning the singing of the opening hymn with a troop of some 20 boys coming marching up the aisle singing. He stressed the point that the religious atmosphere of the church should also prevail in the S. S. He believed in the mixing of the boys, not all in back row, ever endeavoring to have their good will and co-operation.

The spiritual development of the child was dealt with by Rev. Mr. Scott. Mr Dodds spoke principally on Temperance, giving it as his opinion that we should hold on to what we have in Temperance Legislation.

Mr Thos. Allan, Durham, gave an important address to young men of which class unfortunately there were not as many present as could have been desired. The most important step in a young man's life, he said, was to join the church, but to do it wisely and with a full knowledge of the seriousness of the step.

Mr Allan was accorded a hearty vote of thanks. Master Richard Dilman, lately from London, England, gave a nice recitation "The destruction of Sennacherib."

Mr W. W. Ramage contributed a solo. Mr Robt. Sim, on request, gave a short address on S S work and gave it as his opinion that there are some in the church who are a discredit to it.

He had been endeavoring to gather teenage boys together and form something of an organization like Tuxis Square work.

Miss Christie gave a fine address, stressing the point that a change of heart was required as well as education.

Our correspondent who has furnished us the above, was unfortunately unable to attend all the sessions. Next meeting is to be held in Holstein Methodist Church when a speaker from an outside point is to be secured with a view of arousing more interest.

Mr John Taylor, Hanover, and Rev. Mr. Walker, Conn., both S. S. enthusiasts, were also contributors to the program.
