### Western Crops Better

### Hospital Patients Doing Well

The Red Cross Hospital is as per usual, a busy spot, and not many days elapse between the arrival or departure of patients. ### Deficit at Walkerton Chautauqua

The Dominion Redpath Chautauqua which gave a high class and most enjoyable five day series of lectures and entertainments in Walkerton this month, did not draw large enough crowds to meet their guarantee. They fell about \$200 short and 25 guarantors in that town will have to put up \$8 each. Chautauqua representatives are since canvassing Walkerton for next year's contract, but unless they get forty guarantors, will not likely return.

### Durham's New H. S. Teacher

The High School Board have secured a Miss Cresswell, B. A. for the vacant High School position and comes highly recommended. Another lady had been engaged, her acceptance received, when suddenly after two weeks came a letter resigning on account of "family trouble." Later investigations proved that the family trouble had not prevented her from taking another school at a larger salary, the only justifying clause being that it was more convenient to her home. There is lack of common honesty in thus violating a contract that is not creditable.

### Durham Pres. Garden Party a Big Success

For some years Durham Presbyterians have given Garden Parties the 4th of August, but with so many of these events being staged in the surrounding countryside this season, it could not help but become contagious to the above body, resulting in a pleasant function Friday evening last on the fine grounds of Mr and Mrs. Robt. Lawson, north of town. The night was not as auspicious as it might have been, but to select a warm and balmy night this season, one would have to consult more than an almanac. However it remained dry and that is saying much.

### Died in Winnipeg

Word came with startling suddenness to Mrs Chas. Petty, 2nd con., Bentinck, on Wednesday morning, that her youngest brother Joseph, of Winnipeg, had died the day previous. The family and friends of deceased, had had no previous word of any sickness whatever and it is left to infer from the telegram that death had come through an accident of some nature in connection with the street railway of which he was a motorman there.

### Mr. Joseph Moore, formerly of Normanby Tp., dies as Result of Accident

Deceased was the youngest son of the late George Moore of Normanby, where he was born over fifty years ago. Brothers of deceased are William of Flesherton; John of Wilson, New York; James of Smallwell, Sask. Sisters are Mrs Chas Petty, of Bentinck and Mrs Jas. Morice of Sask. The writer remembers him as an agreeable pupil in early days and for courtesies extended by him in 1909 while on a Western trip, said courtesies, consisting of a splendid chaperonage through and around Winnipeg.

### Over 40 Rinks at Durham Bowling Tournament

#### Most Successful Ever Here—Prizes Go to Outside Rinks

With forty two rinks competing, in three different events last Tuesday's bowling tournament ranks as the most successful one yet held here. There were 10 Durham rinks and 32 from other towns, Owen Sound with 6 having the largest outside representation. Hanover sent 5 rinks, Mt. Forest 3, Arthur 2, Grand Valley 2, Chatsworth 2, Paisley 2, Chesley 2, Holstein 1, Cargill 1, Lucknow 1, Walkerton 1, Meaford 1, Harrieston 1, Port Elgin 1, Palmerston 1. The weather was ideal, the bowlers fortunately being favored with wet and beautiful day—a rarity in this uncertain, cool summer, though the evening was somewhat chilly.

### Preparing for the Plebiscite Campaign

An organization meeting of South Grey Temperance Alliance was held in the Methodist Church on Monday last, with about 20 representatives. Sec'y C. Ramage read the minutes of the last meeting and Mr J. W. Blyth occupied the chair.

### Officers Chosen for the Forthcoming Fight

The meeting was opened with devotional exercises, Rev. L. E. West, Holstein, leading in prayer. Sec'y C. Ramage read the minutes of the last referendum, and these being adopted, gave a synopsis of the financial stand of the Association, which has a small balance on hand. This report was also accepted.

### Hayward's Falls is Closed to the Public

Hayward's Falls, one of the prettiest and most rustic outing resorts in Grey County, has been virtually closed to sight seers and tourists. The new proprietor of the Falls farm, Sydney B. Roberts of Detroit, has padlocked the entrance gate and posted notice of trespass, forbidding all to enter. It is stated that Mr Roberts is also desirous of closing the roadway to the chopping mill, but this he will be unable to do, as Minnis Bros., who operate the mill have a right of way over the road.

These drastic changes over the Hayward's Falls farm, which has always been a wide center of interest, causes general regret. But Mr Roberts claims the privileges of sight seers and visitors are being abused by many who while away the day there. Spoon-loving couples make it a headquarters for amorous meetings and petting parties are said to be quite abundant. Sweethearts and swains who motor there, apparently are more interested in each others' dimples and whiskers than in the sights of the place.

Thus for the present at least, picnickers and visitors of by-gone days, will have to be content with memories of the beautiful water fall, the winding gorge, the series of magic rocky caves, the "devil's kitchen" with its walls scored with hundreds of visitors from far and near. Mr. Roberts who has purchased the Falls farm for a summer residence, has an outing place and fishing grounds second to none in this part of the county.
