TOWN TOPICS

Heifer Astry
Strayed from the premises of the undersigned about 18th August, a 3-year old red heifer, dehorned. Information that will lead to her recovery will be rewarded.

JAMES WALSH,
R. R. 2, Durham

Durham Club in Toronto.
The Durham Club of Toronto will meet on Monday evening, Sept. 15th 1924, at the Queen Mary Tea Rooms, 22 King St. W., Toronto. This is the first meeting of the Club since June and the Committee will appreciate a full attendance of members and friends.

First Aid and Home Nursing Course
Zion Women's Institute will hold a First Aid and Home Nursing Course at the home of Mrs. M. J. Davis, commencing at 2 o'clock, Sept. 15th. It is most important that all should attend the first meeting. Miss Ruth Pitt, R. N. will have charge of the meeting. Everybody welcome.

Irunswick Trio to be Heard Again
The Brunswick Trio, who rendered such a high class program here on the evening of the 12th July, will be heard again here on Tuesday, Sept. 23rd, in the Town Hall, under Red Cross auspices. Accompanying them will be Miss Mary Bishop, the renowned piper and Highland dancer. Admission 50c. All seats reserved. Plan of Hall open on Tuesday next at Variety Store.

East Grey Crop Contest
In this year's standing crop competition, conducted by East Grey Agricultural Society, the following are the prize winners as decided by the judge, Robt. Medd of Blyth: E. G. Davis, Markdale; Oliver Turner, Edgemoor; Robt. Sevanston, Flesherton; W. J. Stewart, Flesherton; Robert Chard, Flesherton; McLoughrey Bros., Markdale; Frank D. Cairns, Ceylon.

Lady Bowlers were Unlucky on Day
The lady bowlers held another local tournament on the green Friday last, and six rinks shivered and froze while they aimed for the kitty. There was much good play however and at the close Mrs. S. McBeth's rink stood high. Her assisting ladies were Miss Margaret Hunter, vice skip; Miss Winnie Blyth and Mrs. Frank Irvine. At the close of the play, the ladies on the invitation of Mrs. H. Morlock were "tea'd" at her home, when dainty refreshments were served. The hostess also donated prizes to the winning rink, which took the form of fancy handkerchiefs.

Successful with His Subjects
Mr. Ernest McGill, B. A., who the past year was one of twenty three who comprise the teaching staff of Collège Collégiate Institute, has had remarkable success with his pupils in the subjects which he taught. British History, Eng. Composition and Literature are the subjects assigned to him and at the recent Departmental exams, in that city, only 7 out of 99 pupils under his jurisdiction were failures in the former subject and a correspondingly small number in Composition and Literature. The Collégiate has an attendance roll of over 600 students.

Made Trip in 11 Days
Mr. J. W. Blyth, Varney, received word from his son Victor, a Ceylon, Sask., who with Mr. Elmer Fletcher and two barrie chaps motored to that point in Mr. Fisher's Buick car, making the trip in 11 days. They had no car trouble en route, and enjoyed the trip immensely, going by way of the States, via Chicago and St. Paul, Minn. Ceylon, Sask., is the home of the Aldred family and since arriving the boys have landed good jobs. In a couple of months they expect to return by the same method of transportation. They left Durham Aug. 20, reaching Ceylon, Sept. 1st.

Institute Meet at Mrs. S. Patterson's
The Durham Branch Women's Institute met Thursday last at the farm home of Mrs. Sam Patterson, Glenelg. The program was held on the lawn in front of the home and the business end conducted from the verandah. Mrs. Jno. A. Graham, as President, wielded the baton. Mrs. John McGill contributed to the program a splendid paper on the "Social Side of Farm Life" and went to show how social times of to-day differed from that of our forefathers. Mrs. J. S. McIlraith also spoke and demonstrated "how to raise a stocking" and Mrs. C. Ramage, Plebsicite. The daughter of the house Miss Eliza, recently back from Toronto, where she was one of the judging team from this district in the culinary line at Toronto "Ex.", spoke, giving her opinions of the methods and procedure followed in the work. She regretted that they were not able to carry home a prize to this district, the award for the best judging team going to Elgin County. Mrs. Thos. Atchison, of Dromore Branch, contributed a reading during the afternoon and the institute choir a number. a.m. Wednesday.

Will Speak on Armenia
Dr. A. J. Vining, President of the Armenian Relief Association of Canada, will speak on the conditions in Armenia, in the Presbyterian church on Sunday, Sept. 14th at 11 a.m., at Glenelg Centre Baptist Church in the afternoon and in Durham Baptist Church at 7 p.m.

Home from Western Trip
Two Walkerton ladies, Mrs. H. A. Stephan and Miss McCormack, both well known in Glenelg, Bentinck and Durham, have recently returned from an enjoyable two months' visit to Wisconsin. They spent some time with their brother Dr. Hugh McCormack, who has a successful practise at New Auburn, Wis. They also spent some time with their sister, Mrs. McLaren at Spooner, Wis. While they were at Spooner a tornado visited the district where their brother resides at New Auburn, 60 miles away.

Two Ministerial Changes in Saugeen Presbytery

Rev. W. H. Smith and Dr. Smith were representatives of Durham congregation at Saugeen Presbytery meeting in Westminster Church, Mt. Forest.

A call was extended to Rev. G. S. Scott of Holstein and Fairbairn from Pelham, near Welland. Rev. W. H. Smith prosecuted the call on behalf of Hamilton Presbytery, with which this congregation is affiliated, while representatives from both Holstein and Fairbairn spoke highly of Rev. Mr. Scott's work as pastor among them for seven years. Mr. Scott decided to accept the call and will preach his farewell sermons in his present charges next Sunday, Sept. 14th. Rev. W. J. Burnett of Dromore was appointed Interim Moderator.

Rev. R. Drinnan of Cedarville and Epplin congregations, resigned his charges, and will retire from the ministry, leaving to reside near Hamilton. Rev. Mr. Walker of Conn, is to be interim moderator.

A splendid paper on "The faith and polity of the uniting Churches," was read by Rev. J. H. Lemon of Clifford, which will be typewritten and distributed among members of the Presbytery.

Arrangements were made for holding a big Young People's Rally in Mt. Forest the second week in October.

The Presbytery also discussed the O. T. A. and the coming Plebsicite, and resolved to work to the utmost of their power to further the carrying of the Plebsicite next month.

Rev. W. H. Smith is the newly elected Moderator of the Presbytery, succeeding Rev. Mr. Drinnan. The next meeting will be held in Arthur.

Collision Near Waterdown

Mr. and Mrs. Alfred Redford of town Have Narrow Escape

Mr. and Mrs. Alfred Redford, the latter's sister, Mrs. Wm. Adlam and son Elton of Mulock, and Mr. Irvine Sharp of town, were returning from Toronto on Tuesday evening, Sept. 2nd, when the former's Chevrolet car was severely bumped against, and it is by the rarest good fortune that there is not a casualty list to report. The accident happened a short piece out of Aldershot, running near Waterdown, and their car was forced to their own side of the road when a large car in which were seated three men, came along the opposite way, and, why it will never be known, on the wrong side of the road for them. Mr. Redford swerved his car as close to the ditch as he possibly could without capsizing the car. It was evidently not sufficient for this big car for it came smash against Mr. R's luggage carrier, breaking his back wheel, bending the axle, demolishing the fender and suit case and also ripping a tire. The severe jolt caused the party to be considerably shaken up while the offending party (who had more or less of Joe Seagram's best on their person) wanted to know what they were doing on the wrong side of the road!!! Mr. Redford quickly assured them that it was they that were on the wrong side of the road and to corroborate Mr. Redford in his statements was a car which shortly came along with 2 passengers and witnessed the accident. A lady and gentleman in this car jumped out and rendered every possible assistance, and are willing witnesses to the affair should anything further come out of it.

The three gentlemen who ran into the Redford car, now realized that they were up against it and offered to settle there and then. Mr. Redford, however, preferred to wait until a fair estimate of the damage could be made. After much prying with crowbars, etc., the Redford party were able to navigate home in their own crippled car, reaching here about 2 a.m. Wednesday.

Council Purchased a Bickle Chemical Engine

Urged by the necessity of better fire protection, Durham Town Council last Thursday night decided to purchase a Bickle Chemical fire engine, which will be delivered here in 30 days, from the factory of the Bickle Engine Co. of Woodstock. The Council secured same, completely equipped and delivered, with searchlight and bell added, for the favorable price of \$1,550.

There were representatives of three firms present, who had not sent in tenders of the engine—Mr. Tanner of the American La France Co. of Toronto; Mr. Carmichael of Lorne Tractor Co. of Tilsonburg and Mr. Bickle of the Bickle Co. of Woodstock. Reeve Calder suggested that each man be given about 10 minutes to address the Council in support of his tender, and Tanner suggested that all retire while tenders were opened and read. Both were acted upon.

Coun. Bell thought it too previous to deal with tenders, when Fire and Light Com. knew nothing of them being asked for. The Reeve retired he thought it the business of the whole Council, specifications had been sent out and no member of the Council had objected when it was mentioned to call for tenders at last meeting.

Ex-Mayor Laidlaw, who was present, enquired if the electors had been invited to discuss purchase, and referred to the town's high tax rate and overdraft. He had signed petition for better fire protection: water protection he understood, not a chemical engine. He asked were the Council justified in buying now, without a vote of the ratepayers? Mr. Tanner replied he had legal opinion, and it was quite legal for the Council to buy the engine as proposed and issue debentures in payment thereof.

The tenders being opened, the La France Co. was for \$2,100, the Lorne for \$1,855 and the Bickle, \$1,595 for 4 ton truck, delivered here, payment to be made 15 days after acceptance.

Mr. Tanner of the La France Co., 25 gal. chemical tanks, extension ladders, electric lighting, alarm, etc., mounted on one ton Ford truck chassis. No provision was made for runners, but all equipment could be removed simply from chassis and put on sleigh.

Mr. Carmichael of the Lorne Co. was giving a bargain price—charging profit to advertising. He intended to make it a better outfit than specifications called for as far as appearance was concerned. They used La France tanks, including siren and searchlight and equipped body to cover 500 feet of best hose.

Mr. B. I. Bickle of the Bickle Co., stated his firm catered more to village and town requirements. His truck would carry two 35 gal. tanks, the best of 4 ply duck hose would be supplied, and he promised a bell and searchlight, with any model selected.

Reeve Calder, after the representatives had withdrawn, stated the La France tender could be counted out, and the Council would not be far astray in buying either of the other two. Coun. McFadden had called upon ex-Reeve Lippert of Walkerton, who said they were well satisfied with a Bickle. Coun. McQueen had interviewed the Windsor Fire Chief recently, who recommended the Bickle. A motion of Hunter—Macdonald, that Bickle tender be accepted, was unanimously carried.

Macdonald—McFadden, moved that the Reeve, Mayor and Coun. Hunter form purchasing Com. Carried. The representatives were called in and the Mayor informed them Mr. Bickle had the successful tender. Arrangements were made for him to meet the purchasing Com. at nine next morning when all details were completed.

The Reeve brought up the subject of holidays for the veteran and faithful Clerk, W. B. Vollet. It is some years since he has had a vacation, and a motion that he be granted two weeks, the Council engaging a substitute, was unanimously carried. Accounts totalling \$597.12 were passed.

To Regulate Dance Halls and Cafes
Hanover Town Council have taken up the matter of early closing of restaurants and dance halls and a special meeting will be held shortly to deal with the situation. It is proposed to draft a by-law regulating the hours for such places. The majority of the members of the Town Council are said to be in favor of closing the dance halls at 12 o'clock during the week and prohibiting Saturday night dancing. Restaurants will not be allowed to remain open later than 11 or 12 o'clock at night and only at certain hours on Sunday.

Masonic Picnic To-day

Durham Royal Arch Chapter are this Thursday afternoon and evening, holding a picnic at Mr. E. D. McClocklin's camp grounds at Rocky Saugeen.

A good time will doubtless be spent by the brethren and ladies, in this beautiful rustic spot, in games and social conviviality, with a program at night.

Claims an Alibi.
In the car accident reported in last week's Review, when Wm. Knisley had his leg broken by being knocked off the road with his motor-cycle, by a passing Ford coupe, we stated a Listowel party had secured the number. This number was sent by Chief Falconer to Toronto, and was that of an Owen Sound commercial traveller.

The Chief sent information on to Constable Jones there, and the owner of this number states he was in Meaford the night of the accident, and has evidence there to prove this. Chief Falconer sent back to Listowel for corroboration of the number, and the reply states that a Ford coupe came to the scene of the accident, peered around as if to see what had occurred, and returned again, and the number given was correct. The Chief intends visiting Owen Sound this week and further developments are awaited. Meanwhile Knisley is recuperating steadily but slowly in the hospital here.

Season's Crop and Good Barn Went up in Flames

Spontaneous combustion was responsible for the loss by fire Tuesday afternoon of the large barn 60 x 28 ft. on the farm occupied by Mr. Lorne Allan, 3rd con., Egremont, together with all his season's crop, the biggest for some years, and a few animals. It is most disheartening to lose the fruits of a summer's labor, almost in a moment, and the nature of the fire will make all farmers doubly cautious at this season of the year.

About 2:45 p.m. neighbors first noticed the barn enveloped in flames, no one being on the place. Lorne had gone to Varney with a load of chop, while his mother was at W. J. Allan's across the sideroad. Thos Wilson, Ab. Noble and Jas Marshall were first on the scene, but the barn was already doomed and with other neighbors arriving, they directed their efforts to saving the dwelling house near by. The roof, on which chunks of blazing shingles were continually falling, was kept soused with water, and two hand fire extinguishers did good service. Lorne had just purchased one of them that day and Millford Matthews brought his with him.

With the barn were burnt, a colt, a sow with eleven pigs and a calf which could not be rescued. Lorne's most serious loss however, will be his best crop in years, which filled the barn. 20 loads of hay, 16 of peas and 30 to 35 loads of oats and barley sheaves went up quickly in flames, one load of sheaves being still on the wagon, which was also consumed.

The total loss will be at least \$5000 to \$7000. The farm is owned by Lorne's brother Archie, who is in the West, and who had an insurance of \$1600 on the barn. Lorne had also \$1600 insurance on the contents but each will cover only a fraction of the loss.

Never Admitted Blame
Durham Car Struck Owen Sound car, Causing About \$50 Damage

The following article from Monday's Owen Sound Sun relates an accident in which Mr. John Burgess of Durham was alleged to have run into another car driven by Miss Keeling. The collision is admitted, but the statement in the item that Mr. Burgess acknowledged he was to blame and agreed to pay the damages is, we are assured, not correct on the authority of witnesses of the accident. The lady evidently had been turning the corner and not keeping to the right:

"The corner of 1st Ave W and 10th St., Owen Sound, was the scene of an automobile accident Sunday afternoon about 5 o'clock, when a car driven by Mr. John Burgess of Durham, crashed into a Star touring car, driven by Miss Leone Keeling. The latter was going south on 1st Ave, and intended crossing the 10th St. bridge, while Mr. Burgess was travelling west over the bridge. Something attracted his attention as he was coming over the bridge, and he did not see Miss Keeling coming up the other street, and the result was that he hit her car boardside, smashing the running board and otherwise damaging the car to the extent of about \$50. He admitted that he was to blame and agreed to pay the damages. Neither Mr. Burgess nor Miss Keeling were injured in anyway."
