FORD Contest ANNOUNCEMENT

The Ford Motor Company of Canada, Limited, has now been in business for twenty years. During that time 340,964 Ford Cars and Trucks have been built and the Ford has won a nation-wide reputation for giving satisfactory service.

In our relations with the public as local Ford dealers, we have learned that the best advertising we get is the recommendation of a satisfied customer. Many Ford cars are sold on such recommendations and many more will be sold in the same way.

If you are one of the many thousands of Canada's farmer Ford-owners, here is a big opportunity for you.

Three farmer Ford owners or members of farmer Ford-owners families in each township in this territory will be given the privilege of taking orders for Ford cars, trucks or tractors. Only the first three to apply for this privilege in each territory will be enrolled. You can enroll immediately.

Order forms and complete instructions will be supplied to all contestants. All you are expected to do is to tell your friends who need a car, truck or tractor, of your own experience with your Ford. If they decide to buy, you take their order and send it to the Ford Branch in this territory.

On all such orders you will get credit in points at the rate of 5 per cent. on the list price of the order. The contestant gaining the highest number of points in each Ford Branch territory will receive, absolutely free, a Ford Tudor Sedan, fully equipped, all taxes and delivery charges paid, and with 1925 license, ready to run.

Next highest contestant will receive Free, a Fordson Tractor, fully equipped with fenders and belt pulley, ready to work.

All contestants who do not qualify for first or second prizes will receive credit for 3 per cent. of the list price on all orders taken by them. This will be awarded in any kind of Ford-made merchandise or in cash.

This contest closes December 30th. Prizes will be delivered January 15th. Enrollment applications will be sent to all farmer Ford-owners but if you wish to enroll immediately in order to secure acceptance, application may be had from the undersigned.

Miss Floyd spent the week end with friends in Harrison.

Messrs Clarence Fenton and Arthur Brown, who accompanied Mr Gadd to Hamilton, spent the first of the week in St. Catharines, Niagara Falls, Toronto and other points.

Mr Arch. Gillies of Knox College, Toronto, preached in Holstein Presbyterian church last Sabbath and left a very favorable impression with those who heard him. He also renewed acquaintances with some he attended High School with in Mt. Forest.

A carload of young people attended the concert in Mt Forest Tuesday night.

Those attending the Woodland Fowl Supper report it a great success. Our radio owners are treating the Baseball fans to daily reports of the World's Series.

Dr McLellan was in Guelph on Monday on professional duties.

Community Circle met in the basement of the Methodist Church last Monday night for the first meeting of the winter term, with our new President, Mr Robt. Haas in the chair.

The Circle accepted the offer of Prof. McLaren to address them on Friday, Nov. 14th. Miss Margaret Arnill was appointed delegate to the Young People's Rally in Mt. Forest. Miss Floyd gave the Scripture reading while Miss Christie gave a very helpful and interesting talk to the young people. After an hour spent in Community Singing and games the meeting was closed with the National Anthem.

Pleased to report Mrs A. Buller is improving. Mr and Mrs W. Rife visited friends in Warton over the week end.

Mr and Mrs Robt. Crawford of Altonford, Mrs W. Vercoe, Detroit, and Mr Russell Crawford of Detroit, were recent visitors at Mr Geo. Fenton's.

R. H. Fortune, Clerk of Normandy Township, and who for some time back has been seriously ill, is now on the way to recovery, due in great measure to having his teeth extracted.

The four patrons of Egremont Creamery Co. sending the highest number pounds butter fat between the dates Sept. 22nd and Oct. 4th, are as follows:

- W. Duncan, Conn \$4.45
Orrie Hunt 69.81
Geo. Alexander, Conn 69.31
Geo. Bishop, Conn 66.35

Messrs Robt. Gadd and Cecil Barber motored to Hamilton on Sunday. Mrs Gadd who has been visiting there returned with them. On the return trip about five miles this side of Hamilton, they narrowly escaped being killed. When meeting a car during a heavy rain, another car suddenly turned out to pass the car they were meeting, and rather than be hit by this big car, going at least 40 miles an hour, Mr Gadd took the ditch which happened to be a 15 ft. embankment. The car turned over with the wheels in the air. The occupants, Mr and Mrs Gadd and Mr Cecil Barber, escaped with slight injuries. The windshield and top of the car were badly damaged. Help was secured, the car was overturned and came out by its own power and was driven home, though badly demolished.

The past weather is reminding us of fall and the trees are putting on their autumn tints. The farmers are all wishing for a spell of good weather.

Quite a number from around here attended the Anniversary Services at Woodland Sunday last and enjoyed two very impressive sermons.

Miss Mable Hopkins of Dromore, has been visiting her sister, Mrs J. McKenzie.

Mr and Mrs Jas. Marshall and Miss McVane of Varney, were recent visitors at Mr Sam Cowan's.

S. S. No. 4 was very lucky at the recent School Fair, over 20 pupils securing prizes. The rural School Fair is surely of great benefit to all.

We extend our deepest sympathy to Mr and Mrs Henry Cowan in the death of their youngest child, Ella Viola, who died very unexpectedly. She was a bright little child and loved by all.

BUTTER FOR VINTERUSE

How to Make and Pack to Best Advantage

Use Clean, Sweet-Flavored Cream—Coat the Box Inside With Paraffine—Finish the Package Off Neatly—Blade Blight of Oats—Honesty Pays.

(Contributed by Ontario Department of Agriculture, Toronto.)

I attended an Institute meeting one day and heard one of the speakers close his address with this little verse:

"Good, better, best; Never let it rest, 'Till your good is best, And your better, best."

It is the very best butter that we can make that must be packed for winter use.

Butter undergoes changes in the keeping, and two things necessary for good results when keeping butter for winter use are best quality of butter and low temperatures for holding.

Use Clean, Sweet Flavored Cream. Use cream that has a clean, sweet flavor. Churn it at a temperature low enough to bring the butter in nice, firm granules in from 20 to 30 minutes.

If by any chance the butter comes soft, be very careful to get rid of the buttermilk. It will be necessary in a case of this kind to use an extra wash water.

Salt the butter in the usual way and work it thoroughly. Should the butter soften during the process of working, put it away in a cool place to become firmer before continuing the working.

As butter keeps best in a solid form, crocks or boxes are used for winter use.

Coat the Boxes Inside With Paraffine. The boxes have a coating of paraffine on the inside, and it is necessary to line them with heavy parchment paper.

While many people have a 56-lb. box filled for winter, in some cases it would be much better to have it put in two 28-lb. boxes.

The crocks should be in good condition, free from cracks or breaks in the glazing.

When packing the butter, be sure to pack solidly. See that there are no openings in the sides, and that the corners are well filled.

If there is 8 or 10 lbs. of butter in a churning, do not put the whole lump into the crock and then try to pack it down. Rather put it in in pieces, making sure that each piece is solidly packed.

Finish the Package Off Neatly. Finish the top off evenly, and cover with parchment paper. A thin layer of salt paste may be put over this before fastening down the lid.

With crocks it will be necessary to tie the crock wrapping paper over the top after the lid has been put on.

All butter should be stored in a clean, dark place where the air is pure and the temperature is low and even.—Miss Belle Millar, O. A. C. Guelph.

Blade Blight of Oats. This disease occasionally causes heavy losses in the oat crops of Eastern Canada and Eastern and Central States of America. It attacks also barley, wheat and bluegrass to a limited extent. So says Prof. Dan Jones, Ontario Agricultural College.

It is most noticed in the spring and early summer when it causes the young plants to turn yellow, brown and red, withering then up. In the latter part of the season it induces blast in the heads.

Its spread and the amount of damage it causes is largely dependent on weather conditions. The seasons when much rain, dryness and muggy weather prevail are the seasons most favorable for its development.

Primary infection is chiefly through the stomata resulting from spatters of rain, which washes rain with the organisms from the soil.

Two species of bacteria working together are considered necessary to cause the disease. They are found in the soil. They do not, however, affect the plant through the root.

Little can be done to prevent or control this disease except to select and breed resistant varieties.

Honesty Pays. The man who aspires to the accomplishment of things worth while in the realm of pedigreed live stock, must realize that his integrity as a breeder will be one of his greatest assets, and he must guard it, as he would his stocks, from foul adulterations. As his herds and flocks increase and his business expands, he must make certain that, at the same time, there grows up a reputation for absolute honesty and fair dealing. Only by the help of these essentials can he expect his business to endure and yield to him satisfaction and profits.

A Song of Good Feed. A handful of grain while on pasture may seem like a terrible waste. But the cow will return it all later if given of grain a slight taste.

The stomach of a young calf is very delicate, and changes in feeding must be made slowly. The calf will begin to eat grain and hay when it is about four weeks of age. Shelled corn is about the best grain feed, as it takes the place of cream in the milk. Poorly-fitting collars are sure to cause sore shoulders. It is a good practice to bathe the shoulders soon and night with cold water. This prevents the chance of blood congestion and is at once soothing and pleasant to the animal.

LOCAL ITEMS

The Young Peoples' Convention of the Mt. Forest, Palmerston, Walkerton and Warton Districts, convened at Hanover on Tuesday and Wednesday of this week. There was a goodly number present, some going over from Durham. On Tuesday evening a pageant was presented by the Chesley Young People, entitled "The Forward March of the Young People."

Infantile Paralysis in Normandy Tp. Normandy Township Medical Board has had a bad scare the past few weeks, due to the fact that cases of spinal meningitis had broken out in some of the school sections of the Township. The Board of Health had a special meeting to deal with the situation and had a specialist in the trouble up from the city, to give advice to those afflicted on how to treat the disease. As far as can be learned, only one death resulted from the trouble, a small child of Thos. Tone, south of Ayton. Due to every precaution being taken and the prompt action of the Board of Health, it is thought they have overcome the germ.

Record Crowd at Dundalk Fair. The attendance at Dundalk Fair last Thursday was a record breaker and \$850 was taken in at the gate. The crowd was estimated at \$4000. All classes in the Hall were "bang full" of entries and there was keen competition in Dairy Products, home made baking, ladies' work, vegetables, etc.

There was a great number of extra fine horses, cattle, sheep and swine and the poultry exhibits were of a high order. About 18 race horses were present and thrilled the crowd with their speed. Dundalk Citizens' Band and the pipers from Swinton Park pleased the big crowd. Jimmy Fax and his concert company filled the hall to capacity and made people laugh who hadn't smiled since the last time he was there.

Mrs. Rice Back Among us. The Young Ladies' Auxiliary of the Presbyterian Church, held their annual Thankoffering in the church on Wednesday evening, Oct. 8th, when they had the privilege of hearing Mrs. E. F. Rice, missionary, home on furlough from Africa, to address them.

Mrs. Ralph Catton, President, conducted the meeting, and Misses Esther McComb and Emily Smith contributed a duet to the pleasure of all. Mrs. Rice based her talk from Matt. 10:8, 'Freely ye have received, freely give.' She gave instances in her work that through the healing of the body, the roadway was made clear for the healing of the soul and in many other ways was their work bearing fruit in far Nigeria. She closed with an African woman's plea, which was quite touching. The collection at this meeting amounted to \$21.

Missionary Thank Offering. Mrs. A. E. Armstrong, whose husband is Ass't Foreign Mission Sec'y of the Presbyterian church for Canada, spoke to a good congregation last Sunday morning. She has had considerable experience in several fields, but in her address, confined herself to India and conditions existing there. She pictured the life of the people bound down by the oppressed "caste" system: one of her incidents told how at an open air meeting with a platform, only certain "castes" could sit upon it, others of lower caste, though of equal intelligence, had to sit on the ground. She told of instances of courage noticed by the missionaries when gospel truths had awakened some native mind; of how they would break with family and home ties and be reckoned outcasts for the new found comfort of the Christian religion. Progress is being made, but much remains to be done and it is to devoted men and women of the stamp of Mrs. Armstrong that the church must look for the Christianizing of the world.

Armstrong came here for the occasion of the Annual Thank Offering of the Presbyterian Women's Missionary Society and at the morning services \$110 was taken in and since that time more donations have been received by the ladies of the Society.

The Women's Mission Circle of the Baptist Church held their annual Thank-offering meeting in the school room of the church on Thursday afternoon, October 2nd, and a pleasant and profitable time was spent.

The President, Mrs. Chas. Brown, welcomed all in the name of the Circle, also spoke a few words on Thanksgiving, one fact which we should give thanks for being that the Circle has not been broken during the year.

Mrs. S. McComb read the Scripture lesson from Psalm 86, after which Mrs. Z. Clark led in prayer. A splendid reading was given by Mrs. Geo. Thompson, entitled "Mrs. Pickett's Mission Box." Mrs. Rev. Boone of St. Louis, Mo., was present, and gave a very interesting and encouraging talk which was enjoyed by all present.

The Pastor spoke on "Our debtorship to the whole world" or why does this call come to us? The apostle Paul, the first missionary, said "I am a debtor both to the Greek and the barbarian, both to the wise and the unwise", and the same gospel has been committed to us also who have received it, and so long as there are any who have not heard John 3: 16, we are in debt to them. "Ye are my witnesses" the Master said, "to send My gospel to the whole world."

All joined in singing "God be with you till we meet again" and Rev. Mr. Taylor closed the meeting with prayer after which luncheon was served.

HYMENEAL

MacDonald—MacCannell

A very quiet but pretty wedding was solemnized on Saturday, Sept. 20th, in Avenue Road Presbyterian Church, Toronto, by the Rev. A. H. Denon, when Annie Mae, eldest daughter of Mr and Mrs Angus MacCannell of Proton Station, was married to Mr Donald MacDonald of Toronto.

The bride who was given away by Mr Wm. Walker, entered the church to the strains of a wedding march, to be played by Miss K. McPhail. The bride looked charming in a gown of white canton crepe with pearl trimmings and carried her bridal bouquet of Ophelia roses and lily of the valley.

The bridesmaid was Miss Haze Raeburn, who was prettily gowned in yellow beaded georgette with large black satin hat and shoes to match, and carried a bouquet of roses. The groomsmen were Mr Angus MacDonnald, brother of the groom, the bridesmaid's travelling case, to the bridesmaid a bar pin, to the groomsmen gold cuff links, and to the organist a necklace of cut ivory.

Following the ceremony a buffet luncheon was served at the home of Mr and Mrs Wm. Walker, 34 Rathnally Ave., Toronto, after which the happy couple left on the evening train for Mishawaka, Indiana, the bride travelling in a brown canton crepe dress and marvellous hat with sable collar and hat to match.

On their return they will visit the bride's parents at Proton Station before leaving for their home on 19 Marchmont Road, Toronto.
