Your Account Book and Your Bank Book

If your account book shows a profit, that profit should be recorded in your bank book as entries of deposits or else it is likely to dwindle away.

It is a good plan to use the two books together. Estimate your profits in one and then transfer them to the other where they will grow even greater by the systematic addition of interest. Open a Savings Account with us at our nearest branch.

As the Plebiscite campaign approaches the election date, a keener interest is being shown by the temperance forces. It is some what amusing as well as a bluff to hear Ferguson talk of enforcing the law should the O. T. A. be defeated. For the past four years we have had the best prohibition law yet tested and still Ferguson allows it cannot be enforced successfully. How in the name of common sense is he going to enforce the law when the purchase is allowed to purchase all they want without restriction in Government Control, at all events under the supervision or control of a government as is at present at the helm.

It was with feelings of sadness and regret, we learned of the sudden removal by death of the Chronicle Editor, the late Wm Irwin. While not always a unit in our opinions, yet on the whole we always respected him as a 'manly man for a' that.' To the surviving members of the family, we extend our sympathy.

Hunting Moose and Deer For many years hunters from Ontario have realized that the very best hunting grounds are located in the vicinity of the Canadian Pacific R'y. Hunting Clubs as well as small parties, appreciate the necessity of arrangements made in advance. Canadian Pacific Agents are qualified to give you accurate information as to where deer, moose and big game can be found. They are plentiful in the French River district. A Suburb from French River: along the main line of the Canadian Pacific Railway from Sudbury to Chapleau and also in the Maritime Provinces, as well as in the district around Sharbot Lake.

Ask any Canadian Pacific Agent for a copy of the Hunters' Pamphlet or write W. Fulton, District Passenger Agent, C. P. R. Building, Toronto.

If you can't take criticism, don't offer it.

Presbytery Conference and Y. P. Rally in Mt. Forest

Rev. W. H. Smith Speaks on the Missionary Situation of the Church

Last spring Saugeen Presbytery decided to have a Rally of Y. P. to discuss methods, emphasize each other in the work and possibly organize a larger body to carry on their work in this work. Afterwards it was agreed to spend an hour in the consideration of the Church's Budget.

Last Thursday the leaders and Young People gathered in Westminster Church, Mt. Forest. There were representatives from nearly all the congregations in the Presbytery. Rev. W. J. Burnett of Dromore, took the opening service.

Rev. W. H. Smith of Durham, Convenor of the Com. on General Interests, opened the Conference on the Church's present missionary situation. Emphasis was laid on the necessity for taking stock now and then on the wisdom of looking back as well as forward. The men who look back are the most optimistic.

Those who celebrate this year 50 years work in the church are the most confident of the church's ability and progress. Even the last few years' change ought to dispel all doubts and fears. In the five years 1919-1923 the increase giving to stipend was \$795,000 or 40 per cent to congregational work

\$2,167,000 or 48 per cent to the Budget \$425,000 or 41 per cent to W. M. S. \$189,000 or 71 per cent—a total of \$3,577,000. Add to that money given for famine relief funds \$457,000 and already paid in for the Forward Movement \$4,159,000, a grand total of increased givings in a five year period of \$8,192,000. The Church can do great and greater things. If the Church is to do it the Church must know the facts. 'Facts are God's arguments.' Here the W. M. S. has followed the wise policy in the studying month by month all our mission fields and needs. Knowledge and prayer mean more faith, more zeal, more progress.

Dr J. C. Robertson, Secy for S.S. and Y. P. S., then spoke on 'The Church's Task,' with more special reference to the part the S.S. and Y. P. S. ought to have in it. The officers have tried to meet two urgent requests: (1) To provide interesting material for the use of S.S. Supt. and Teachers along missionary lines and (2) Provide special objects for effort believing the Y. P. will respond more readily for some particular definite work that may appeal to them.

Last year the S.S. and Y. P. S. raised over \$100,000 for the Budget and are now asked to raise one tenth of the entire Budget.

Dr J. M. Waters was then asked to speak about the situation in India and the urgency of the need. As Dr. Waters is expected in Durham on Nov. 2nd, to tell his most fascinating story of medical missionary work in India, we will not quote him more fully here.

Rev. Jas. Stewart favored the audience with a solo, after which Rev. Andrew Lang of Fordwich introduced the subject of Y.P.'s work in the Presbytery and the feasibility of a larger organization to add interest and inspiration to it. Mrs (Rev.) J. L. Small of Harriston, spoke on 'The Four Square Life,' and stirred the Y.P. as she outlined the possibilities of development, physically, intellectually, socially and spiritually. The close of the address was a strong appeal to follow Jesus' example who had found inspiration in the church and scripture of His day. The Church needs Y. P. and Y. P. need the Church and the Y. P. program ought to mean the culture of the Y. P. and fit the needs of the community.

Reports were then received from the delegates present of the varied Y. P. activities in their respective churches and of their difficulties and their successes, after which it was decided to ask every Y. P. Society in the Presbytery to name one to act on the larger work.

Rev. C. V. McLean, Palmerston, gave a very helpful address on 'Life Service' and drove home the need for Christian service whatever the calling might be.

It is expected that this is but one of many such Conferences to be held within the Presbytery and that each succeeding one will be more enthusiastic and successful.

Not the Council. We want to correct an impression that some have taken from our item last week that 'Egremont had given \$100 to the Plebiscite Fund.' So it is laid, but not the Council. It was got by earnest men and women who took time to make personal canvass. We commend them for it and again express the hope that other municipalities would follow their example.

Severe Accident at Markdale. Mr Angus McLachlan of Markdale, formerly of Pricelville, met with a severe accident at Markdale Friday week and which will incapacitate him for some time. Angus is employed with the F. T. Hill Co., of Markdale, and at the time of accident was on a high ladder in their granary, when it suddenly slipped away from its moorings at the bottom and too quickly for him to save himself fell 12 to 16 feet, landing face downward. Angus received a bad bruise on cheek, small bone in the nose broken and some teeth protruding while an arm has three small bones broken. All this must be very painful and we only hope that everything heals and adjusts itself in the shortest possible time.

First of Methodist Concerts. The first concert of the series of three given by the White Entertainment Bureau of Boston, Mass., under the auspices of the Ladies' Aid of the Methodist Church, will be held in the Town Hall, on Thursday, October 23rd. This concert will be given by Mr and Mrs. Blanchard. Mr Blanchard has drawn into this work by his love of male quartette singing. As a collector he was a member of all the musical societies and of the Glee Club. His first voice study was with Arthur Frank of Boston. His character delineations, his power to imitate, came naturally, but were developed under the best of teachers. Blanchard is a whistler as well as an imitator—brass instruments. A very novel number on their program is the presentation of Bishop's 'Lo, hear the god-lark' in which whistling takes the place of the flute. Mrs Blanchard has a wonderful personality, an exceptional soprano voice, and is a most excellent reader and pianist. She is a graduate of Dana College, Nebraska. Other concerts in the series will be given by the Kenmore Girls on Oct. 25th of November, and by Thompson Blood on 11th December.
