8 New Ford Sedans and 8 New Fordson Tractors

FORD Contest ANNOUNCEMENT

The Ford Motor Company of Canada, Limited, has now been in business for twenty years. During that time 340,964 Ford Cars and Trucks have been built and the Ford has won a nation-wide reputation for giving satisfactory service.

In our relations with the public as local Ford dealers, we have learned that the best advertising we get is the recommendation of a satisfied customer. Many Ford cars are sold on such recommendations and many more will be sold in the same way.

If you are one of the many thousands of Canada's farmer Ford-owners, here is a big opportunity for you.

Three farmer Ford owners or members of farmer Ford-owners families in each township in this territory will be given the privilege of taking orders for Ford cars, trucks or tractors. Only the first three to apply for this privilege in each territory will be enrolled. You can enroll immediately.

Order forms and complete instructions will be supplied to all contestants.

All you are expected to do is to tell your friends who need a car, truck or tractor, of your own experience with your Ford. If they decide to buy you take their order and send it to the Ford Branch in this territory.

On all such orders you will get credit in points at the rate of 5 per cent. on the list price of the order. The contestant gaining the highest number of points in each Ford Branch territory will receive, absolutely free, a Ford Tudor Sedan, fully equipped, all taxes and delivery charges paid, and with 1925 license, ready to run.

Next highest contestant will receive Free, a Fordson Tractor, fully equipped with fenders and belt pulley, ready to work.

All contestants who do not qualify for first or second prizes will receive credit for 3 per cent. of the list price on all orders taken by them. This will be awarded in any kind of Ford-made merchandise or in cash.

This contest closes December 30th. Prizes will be delivered January 15th. Enrollment applications will be sent to all farmer Ford-owners but if you wish to enroll immediately in order to secure acceptance, application may be had from the undersigned.

Order forms and complete instructions will be supplied to all contestants.

PRICEVILLE AND VICINITY

PRICEVILLE

Mr and Mrs Dan McAllister of Stayner and Mr and Mrs J. Currie and Miss Kate McPhail of Collingwood, visited at Mr Thos Nichol's recently.

Miss Lucas of Toronto, is a visitor at Mrs D. McDougall's.

Miss Bertha James is visiting with friends in Durham this week.

Mr and Mrs R. Sim and Mrs M. Murchison, visited with friends of Mrs Murchison's in Bentinck Sunday.

Miss McCrimmon of Toronto, spent the week end with Mrs W.A. Aldcorn.

Mr and Mrs W. Brawley and Mr and Mrs Black of Wingham, called on friends here recently.

Rev. Mr Conkle of Toronto, preached in the Presbyterian church Sunday in the interest of the Lepers of the World. The evening service took the form of an illustrated lecture. Mr Conkle at the home of Mr and Mrs Black of Wingham, this coupled with the lantern slides, made quite plain the terrible conditions of the lepers, and the splendid work being done by the Christian churches.

Mr Albert Jones is very seriously ill at present.

Mr W.G. Watson lost a valuable cow last week by getting into a well.

The fourteen month old daughter of Mr and Mrs Alex. Carson, narrowly escaped death by drowning one day last week. While the mother was outside for a few minutes the little child toddled over to a bucket of water and tumbled in head first. A few minutes more and life would have been extinct.

Born—To Mr and Mrs Jos. Chesney on Monday, Oct. 20th, a daughter.

A very pleasant evening was spent last Friday at the home of Mr and Mrs John Burnett when an informal dance and miscellaneous shower was held in honor of the newly weds, Mr and Mrs Cameron Smellie (nee Evelyn Burnett.) Needless to say the evening was thoroughly enjoyed.

Mr R. Parslow took in the ploughing match at Brampton last week.

PRICEVILLE & GLENELG

The sun is rising in the south east and setting in the south west. At noon it is due south. The sun is showing a resemblance to mankind. The aged veteran in the days of his activity was as the rising of the sun in the north east and setting in the north west. But the passing of the many years since has brought him to the setting time of that once bright sun, on this 20th day of October, 1924. As the sun in its setting hours soon disappears, so does the pioneer near the setting time of his existence.

We see the leaves around us falling dry and withered to the ground. The beauty which adorned the woods for the last months, has caused the barren appearance to the forest all the more noticeable. The tall and majestic trees of the forest have yielded to the call to be deprived of their summer head ornaments.

We haven't much present news to send. Mr and Mrs Wm. McLeod and family were guests of the McDonald's, Edge Hill, one afternoon lately.

Threshing sweet clover in the fields was brought to a stop by the furies of snow today. The Mortley boys are threshing for Mr Williams this Tuesday, 21st Oct.

We hope the 23rd Oct. will be a dry day.

Lots of water in the creeks, so no one need feel too dry by craving for the stronger stuff.

The death of the late Wm Irwin, Editor of the Chronicle, removed a man who was widely known at Priceville Exhibition we had quite a conversation with Mr Irwin, little expecting he would be so soon called away. We have been taking the Chronicle during Mr Irwin's time and found him always straight in his manly opinions or not. We hope his son Frank who has the responsible duty of being editor, will fulfil the office as faithfully as his father. The funeral was one of the largest ever seen in Durham.

Potato digging is on. Some are done while others have it all to do yet and hope for good weather to finish. In open times when the County was new, a lot of boys and girls would be taking up their potatoes planted in hills among stumps and when feeling hungry they would put a lot of potatoes in a fire in the patch to burn. After they were well roasted they would enjoy eating them far better than the nobles of the land did with all their good things imaginable.

An old resident of Egremont was telling us that he remembered a logging bee in Proton, when all the trees at dinner were potatoes and milk, which probably had a strong taste from the effects of the cows feeding on the herbs in the bush. At threshing the fare long ago would be a big chunk of beef boiled in the sugar kettle with potatoes. And sometimes the bread was not first class, made from frozen wheat flour, but all enjoyed it well. Nowadays all the cooks are trying to beat each other by having something extra which they prepared to show her good qualities in good cookery.

Man when in the prime of life is like the woods of the forest: when at the noontide of his existence he is as it were at a standstill. But when the big clock of time strikes one in the afternoon, he is beginning to sink gradually. He feels that he is not as good as he was last year and as the time strikes two, three, four, he feels like a late October evening when the sun is fast beginning to take its rest after the duties of the day.

We take a pathway through the woods and we see the young scholars yet with their green garments, being protected by their elder brothers, the tall trees, which have already yielded to the call of nature. In the woods we see an old tree which was deprived of all its beauty many years ago, yet it stood the blasts of many a

IN DAYS OF YORE

25 YEARS AGO

From Review file of Oct. 19, 1899

Miss Maggie Smith of Normanby, intends leaving about the 24th inst. to visit friends at Revelstoke, Rossland and Fort Steele, B.C. Her many friends are sorry to part with her.

Mr Geo. Cushman, teacher, Dromore, has bought a bicycle repair business in Mt. Forest and will take charge of it next year. Thus it goes—good teachers leaving the profession owing to its niggardly rewards.

Died, in Glenelg, on Tuesday, Oct. 10th, Isabella Chislett, aged 82 years. Two weddings today and glorious bride's weather. Miss Martha Fee to Mr Wm. McCalmon, Jr. of Varney, and Miss Wilson, Boothville, to Mr. George Lawrence.

Mrs Jackson and daughter Christine returned last week from a lengthy visit to the States and other places. They have with them a splendid specimen of the colt dog, a present from her brother, said to be worth \$1000.

Messrs McKechnie have a gang of workmen transforming the old Woodland property into a handsome and commodious residence to be occupied by Rev. Wm Farquharson, the new Presbyterian pastor. The changes and improvements will cost several hundred dollars.

The retaining wall at the Methodist church river bank will cost, with the grading necessary for the new street something like \$400 of which the town pays \$200. This is a decided adornment to the Saugen's bank and when completed, Durham will have for the first time a continuous back street northward, a great improvement having been made on the hill behind the Presbyterian church property.

Of the many buildings now going up, first comes the Durham Furniture Factory which is now making rapid progress towards completion. The initial expense of building, etc., is over \$7000. The contractor for the stone and brick work is Hugh McDonald; frame and wood work, Geo. Moore; roofing, Parrot's. An extension of the G. T. R. will be at once made to the side of the factory.

25 YEARS AGO

From Review file of Oct. 21, 1909

A Walkerton man, Mr Con. Schnurr has secured the contract of building 52,000 feet of cement walk in Priceville village and will commence operations at once.

On Saturday last, 16th, Oct., there died at Varney, at the residence of his son, G. M. Leeson, Henry W. Leeson, in his 78th year.

Born, in Normanby, on Oct. 11th, to Mr and Mrs Donald McElvride, a son.

Born, in Boothville, Oct. 13th, to Mr and Mrs Jas. Marshall, twin sons.

Married, at the manse Dornoch, on Oct. 8th, by Rev. N. A. McDonald, Miss Thos. Timmins of Glenelg, to Miss Mary J. Vaughan of Glenrodden.

Mr and Mrs Arthur Jackson are this week moving into their new red brick house on the hill above the market. Mr and Mrs Geo. Turnbull are removing to the cottage they have just vacated.

Water! Water!! Water!!!
What is Good Health Worth?
Why then take a chance and use water that is polluted and unfit for domestic use, when pure water can be had by having a well drilled. I also handle Pumps and Pump repairs. Satisfaction guaranteed.

DURHAM HIGH SCHOOL
The School is thoroughly equipped to take up the following courses:
1. Junior Matriculation
2. Entrance to the Normal Schools
Each member of the staff is a University graduate and an experienced teacher.
Intending pupils should prepare to enter at the beginning of the fall term. Information as to courses may be obtained from the Principal.
The School has a creditable record in the past which it hopes to maintain in the future.
Durham is an attractive and healthy town and good accommodation can be obtained at reasonable rates.
