Demand on the Three Cent Stamp

So great was the demand for three cent stamps for the Christmas mails, that the Department found it necessary to put on sale a previous unused issue of brown-colored stamps, the supply of pink colored stamps having been exhausted. This tended to slow up the passage of mail by postal employees, for it means that they had to watch for the denomination of the stamp until they became accustomed to them.

First Guess Goes to Glenelg Man

The large square cake of soap that formed part of Mack Saunders' winer the contest was closed, Mr Jack secured from a Baptist for a Roman run he would not oppose him.
