

A CHILD'S RIGHT
Just as a child's heritage ought to be robustness, so has a child the right to sound bones and teeth. Everything depends upon the quality of a child's diet.

Scott's Emulsion
is vitamin-nourishment, that should in most cases be a part of the regular food allowance.

Old Bruin Saw His Shadow
The bear took one long look at the sunshiny sky Monday morning, Feb. 2nd, (Candlemas Day) and retired to his boudoir with a grunt of disgust.

Scott's Emulsion abounds in those elements that have a favorable influence on the bone-structure and builds strength.

Blamed for. They first pinned their faith to a badger, trying to make it a prophet instead of just a pest.

RLYTH'S CORNERS
Bruin would have no trouble in seeing his shadow this 2nd Feb.

three-thirty dinner, and finally supper before retiring, are the numerous meals served in a great many New Zealand homes.

At present I am enjoying my summer vacation, six weeks. I leave on January first, on an extended trip over both North and South Islands, lasting until February 1st.

Dear Friends:
After five months in the Dominion of New Zealand, I feel at liberty to express myself regarding the customs, conditions, etc., of the country.

The journey from Auckland, where we landed, to the Capital city, Wellington, at the very south of the North Island, was very interesting.

The train left Auckland about seven o'clock in the evening. During the night we climbed to the summit of a range of mountains where there was a skiff of snow, and the trains were very cold.

My New Zealand home is in the suburb of Khandallah, or translated, the Home of the gods, being named after a spot in India.

Jackson Brothers Died Four Days Apart
A copy of the Merritt, B. C. News has reached our office, recording the death of two brothers, Arch Jackson and John R. Jackson, under circumstances strikingly tragic and pathetic. The father and some other members of the family used to live in Clonac at one time, and they still have relatives there, to whom sincere sympathy will be extended.

Archibald died on Friday, his illness extending only a few days, the cause being a brain tumor. John R. attended the funeral and a Tuesday evening complained of feeling unwell though he had been around all day as usual. Before he had passed away, without struggle, the cause, doctors and heart failure.

The sudden deaths of two well known brothers has cast a gloom over the community they lived in. Archibald has been Mayor of the town, and John R. twice in the Legislature, and both held in highest respect. Archibald is survived by a widow, a son and daughter; John R. by his widow, three daughters and two sons.
